

To whom it may concern:

Yacht Changers would like to thank the board for the approval of funds for the modifications we made to our building. During the process of purchasing the building we secured a SBA loan. Which breaks the loan into 2 mortgages and they need to be in first and second place on the title. We request the permission to move the CRA mortgage to third position on our title so we are not forced into refinancing the building at this point.

Thank you for the consideration.

Any questions, please contact me at 954-214-8911.

Thank you.

Timothy McMillan
