TO: Honorable Mayor & Members of the
Fort Lauderdale City Commission

FROM: Lee R. Feldman, ICMA-CM, City Manager

DATE: January 20, 2016

TITLE: Motion to Approve an Event Agreements and Related Road Closings for
Dolphins Cancer Challenge.

Recommendation

It is recommended that the City Commission approve an event agreement with related road closings with Dolphins Cycling Challenge, Inc. and authorize execution of the agreements by the City Manager.

Background

City staff has been working closely with the event organizer regarding event topics, such as logistics, maintenance, and security as detailed below. The Police Department recommends approval of the closing of the City streets where appropriate, and event parking has been satisfactorily arranged. When applicable, amplified music was discussed and event organizers were advised of the noise ordinance and possible concerns.

The event organizer will pay for all event costs and will submit the required certificates of insurance. The event organizer will also secure all other necessary permits and licenses that are required from other agencies. Civic and merchant associations have been notified as appropriate regarding events in their areas. Specific event details are included in each event application as attached.

Where applicable, the City Commission authorizes amplified music for the events listed below.
