Communication to the City Commission

The Sustainability Advisory Board (SAB) provides the following Communication to the City Commission:

Clothing is not Garbage

"There is a continuing need for helpful and informative slogans that inform the public about the importance of all types of recycling. Think of the power of such slogans as 'Clothing is Not Garbage' and 'Your waste Can be Others' Treasures.' It's important, too, that people know about existing programs to reuse clothing and repurpose other goods. Therefore, the SAB recommends that the City expands its current recycling, reuse, and repurposing educational and operational initiatives. Lesser known types of recycling like Trash2Treasure's repurposing of refuse and The Salvation Army's indoor clothing collection containers, should be showcased at City sponsored events such as Neighbor Support Night and other events as appropriate."

Motion

Motion made by Mr. Moyer, seconded by Chair Alberani to advance the above Communication to the City Commission. The motion passed unanimously.
