WITNESSETH: That for and in consideration of the faithful and timely performance of and compliance with all terms and conditions stated herein, the Lessor does hereby lease to City of Fort Lauderdale, Florida, hereinafter referred to as the Lessee, the sovereignty lands described as follows:

The construction of the structures described in Attachment A shall be completed within the initial term hereof or within the first 5 years of the initial term if the initial term is for a period greater than 5 years. All of the foregoing subject to the remaining conditions of this lease.

[02/29]

2. AGREEMENT TO EXTENT OF USE: This lease is given to the Lessee to use or occupy the leased premises only for those activities specified herein and as conditioned by the State of Florida Department of Environmental Protection Environmental Resource Permit. The Lessee shall not (i) change or add to the approved use of the leased premises as defined herein (e.g., from commercial to multi-family residential, from temporary mooring to rental of wet slips, from rental of wet slips to contractual agreement with third party for docking of cruise ships, from rental of recreational pleasure craft to rental or temporary mooring of charter/tour boats, from loading/offloading commercial to rental of wet slips, etc.); (ii) change activities in any manner that may have an environmental impact that was not considered in the original authorization or regulatory permit; or (iii) change the type of use of the riparian uplands or as permitted by the Lessee's interest in the riparian upland property that is more particularly described in Attachment B without first obtaining a regulatory permit/modified permit, if applicable, the Lessor's written authorization in the form of a modified lease, the payment of additional fees, if applicable, and, if applicable, the removal of any structures which may no longer qualify for authorization under the modified lease. If at any time during the lease term this lease no longer satisfies the requirements of subparagraph 18-21.011(1)(b)7., Florida Administrative Code, for a fee waived lease, the Lessee shall be required to pay an annual lease fee in accordance with Rule 18-21.011, Florida Administrative Code, and if applicable, remove any structures which may no longer qualify for authorization under this lease.

3. SUBMITTING ANNUAL CERTIFIED FINANCIAL RECORDS: Within 30 days after each anniversary of the effective date of this lease, the Lessee shall submit annual certified financial records of income and expenses to the State of Florida Department of Environmental Protection, Division of State Lands, Bureau of Public Land Administration, 3900 Commonwealth Blvd, MS 130, Tallahassee, FL 32399. "Income" is defined in subsection 18-21.003(31), Florida Administrative Code. The submitted financial records shall be certified by a certified public accountant.

4. EXAMINATION OF LESSEE'S RECORDS: The Lessor is hereby specifically authorized and empowered to examine, for the term of this lease including any renewals, plus three (3) additional years, at all reasonable hours, the books, records, contracts, and other documents confirming and pertaining to the computation of annual lease payments as specified in paragraph two (2) above.

5. MAINTENANCE OF LESSEE'S RECORDS: The Lessee shall maintain separate accounting records for: (i) gross revenue derived directly from the use of the leased premises, (ii) the gross revenue derived indirectly from the use of the leased premises, and (iii) all other gross revenue derived from the Lessee's operations on the riparian upland property. The Lessee shall secure, maintain and keep all records for the term of this lease and any renewals plus three (3) additional years. This period shall be extended for an additional two (2) years upon request for examination of all records and accounts for lease verification purposes by the Lessor.

6. PROPERTY RIGHTS: The Lessee shall make no claim of title or interest to said lands hereinbefore described by reason of the occupancy or use thereof, and all title and interest to said land hereinbefore described is vested in the Lessor. The Lessee is prohibited from including, or making any claim that purports to include, said lands described or the Lessee's leasehold interest in said lands into any form of private ownership, including but not limited to any form of condominium or cooperative ownership. The Lessee is further prohibited from making any claim, including any advertisement, that said land, or the use thereof, may be purchased, sold, or re-sold.

7. INTEREST IN RIPARIAN UPLAND PROPERTY: During the term of this lease, the Lessee shall maintain satisfactory evidence of sufficient upland interest as required by paragraph 18-21.004(3)(b), Florida Administrative Code, in the riparian upland property that is more particularly described in Attachment B and by reference made a part hereof together with the riparian rights appurtenant thereto. If such interest is terminated or the Lessor determines that such interest did not exist on the effective date of this lease, this lease may be terminated at the option of the Lessor. If the Lessor terminates this lease, the Lessee agrees not to assert a claim or defense against the Lessor arising out of this lease. Prior to sale and/or termination of the Lessee's interest in the riparian upland property, the Lessee shall inform any potential buyer or transferee of the Lessee's interest in the riparian upland property and the existence of this lease and all its terms and conditions and shall complete and execute any documents required by the Lessor to effect an assignment of this lease, if consented to by the Lessor. Failure to do so will not relieve the Lessee from responsibility for full compliance with the terms and conditions of this lease which include, but are not limited to, payment of all fees and/or penalty assessments incurred prior to such act.

8. ASSIGNMENT OF LEASE: This lease shall not be assigned or otherwise transferred without prior written consent of the Lessor or its duly authorized agent. Such assignment or other transfer shall be subject to the terms, conditions and provisions of management standards and applicable laws, rules and regulations in effect at that time. Any assignment or other transfer without prior written consent of the Lessor shall be null and void and without legal effect.

9. LIABILITY/INVESTIGATION OF ALL CLAIMS: The Lessee shall investigate all claims of every nature at its expense. Each party is responsible for all personal injury and property damage attributable to the negligent acts or omissions of that party and the officers, employees and agents thereof. Nothing herein shall be construed as an indemnity or a waiver of sovereign immunity enjoyed by any party hereto, as provided in Section 768.28, Florida Statutes, as amended from time to time, or any other law providing limitations on claims.

10. NOTICES/COMPLIANCE/TERMINATION: The Lessee binds itself, its successors and assigns, to abide by the provisions and conditions herein set forth, and said provisions and conditions shall be deemed covenants of the Lessee, its successors and assigns. In the event the Lessee fails or refuses to comply with the provisions and conditions herein set forth, or in the event the Lessee violates any of the provisions and conditions herein set forth, and the Lessee fails or refuses to comply with any of said provisions or conditions within twenty (20) days of receipt of the Lessor's notice to correct, this lease may be terminated by the Lessor upon thirty (30) days written notice to the Lessee. If canceled, all of the above-described parcel of land shall revert to the Lessor. All notices required to be given to the Lessee by this lease or applicable law or administrative rules shall be sufficient if sent by U.S. Mail to the following address:

City Manager  
City of Fort Lauderdale  
100 North Andrews Avenue  
Fort Lauderdale, FL 33301-1016

The Lessee shall notify the Lessor by certified mail of any change to this address at least ten (10) days before the change is effective.

11. TAXES AND ASSESSMENTS: The Lessee shall assume all responsibility for liabilities that accrue to the subject property or to the improvements thereon, including any and all drainage or special assessments or taxes of every kind and description which are now or may be hereafter lawfully assessed and levied against the subject property during the effective period of this lease.

12. NUISANCES OR ILLEGAL OPERATIONS: The Lessee shall not permit the leased premises or any part thereof to be used or occupied for any purpose or business other than herein specified unless such proposed use and occupancy are consented to by the Lessor and the lease is modified accordingly, nor shall Lessee knowingly permit or suffer any nuisances or illegal operations of any kind on the leased premises.

13. MAINTENANCE OF FACILITY/RIGHT TO INSPECT: The Lessee shall maintain the leased premises in good condition, keeping the structures and equipment located thereon in a good state of repair in the interests of public health, safety and welfare. No dock or pier shall be constructed in any manner that would cause harm to wildlife. The leased premises shall be subject to inspection by the Lessor or its designated agent at any reasonable time.

14. NON-DISCRIMINATION: The Lessee shall not discriminate against any individual because of that individual's race, color, religion, sex, national origin, age, handicap, or marital status with respect to any activity occurring within the area subject to this lease or upon lands adjacent to and used as an adjunct of the leased area.

15. ENFORCEMENT OF PROVISIONS: No failure, or successive failures, on the part of the Lessor to enforce any provision, nor any waiver or successive waivers on its part of any provision herein, shall operate as a discharge thereof or render the same inoperative or impair the right of the Lessor to enforce the same upon any renewal thereof or in the event of subsequent breach or breaches.

16. PERMISSION GRANTED: Upon expiration or cancellation of this lease all permission granted hereunder shall cease and terminate.

17. RENEWAL PROVISIONS: Renewal of this lease shall be at the sole option of the Lessor. Such renewal shall be subject to the terms, conditions and provisions of management standards and applicable laws, rules and regulations in effect at that time. In the event that the Lessee is in full compliance with the terms of this lease, the Lessor will begin the renewal process. The term of any renewal granted by the Lessor shall commence on the last day of the previous lease term. In the event the Lessor does not grant a renewal, the Lessee shall vacate the leased premises and remove all structures and equipment occupying and erected thereon at its expense. The obligation to remove all structures authorized herein upon termination of this lease shall constitute an affirmative covenant upon the Lessee's interest in the riparian upland property more particularly described in Attachment B, which shall run with the title to the Lessee's interest in said riparian upland property and shall be binding upon the Lessee and the Lessee's successors in title or successors in interest.

18. REMOVAL OF STRUCTURES/ADMINISTRATIVE FINES: If the Lessee does not remove said structures and equipment occupying and erected upon the leased premises after expiration or cancellation of this lease, such structures and equipment will be deemed forfeited to the Lessor, and the Lessor may authorize removal and may sell such forfeited structures and equipment after ten (10) days written notice by certified mail addressed to the Lessee at the address specified in Paragraph 10 or at such address on record as provided to the Lessor by the Lessee. However, such remedy shall be in addition to all other remedies available to the Lessor under applicable laws, rules and regulations including the right to compel removal of all structures and the right to impose administrative fines.

19. REMOVAL COSTS: Subject to the noticing provisions of Paragraph 18 of this lease, any costs incurred by the Lessor in removal of any structures and equipment constructed or maintained on state lands shall be paid by Lessee.

20. RIPARIAN RIGHTS/FINAL ADJUDICATION: In the event that any part of any structure authorized hereunder is determined by a final adjudication issued by a court of competent jurisdiction to encroach on or interfere with adjacent riparian rights, Lessee agrees to either obtain written consent for the offending structure from the affected riparian owner or to remove the interference or encroachment within 60 days from the date of the adjudication. Failure to comply with this paragraph shall constitute a material breach of this lease agreement and shall be grounds for immediate termination of this lease agreement at the option of the Lessor.

21. AMENDMENTS/MODIFICATIONS: This lease is the entire and only agreement between the parties. Its provisions are not severable. Any amendment or modification to this lease must be in writing, must be accepted, acknowledged and executed by the Lessee and Lessor, and must comply with the rules and statutes in existence at the time of the execution of the modification or amendment. Notwithstanding the provisions of this paragraph, if mooring is authorized by this lease, the Lessee may install boatlifts within the leased premises without formal modification of the lease provided that (a) the Lessee obtains any state or local regulatory permit that may be required; and (b) the location or size of the lift does not increase the mooring capacity of the facility.

22. ADVERTISEMENT/SIGNS/NON-WATER DEPENDENT ACTIVITIES/ADDITIONAL ACTIVITIES/MINOR STRUCTURAL REPAIRS: No permanent or temporary signs directed to the boating public advertising the sale of alcoholic beverages shall be erected or placed within the leased premises. No restaurant or dining activities are to occur within the leased premises. The Lessee shall ensure that no permanent, temporary or floating structures, fences, docks, pilings or any structures whose use is not water-dependent shall be erected or conducted over sovereignty submerged lands without prior written consent from the Lessor. No additional structures and/or activities including dredging, relocation/realignment or major repairs or renovations to authorized structures, shall be erected or conducted on or over sovereignty, submerged lands without prior written consent from the Lessor. Unless specifically authorized in writing by the Lessor, such activities or structures shall be considered unauthorized and a violation of Chapter 253, Florida Statutes, and shall subject the Lessee to administrative fines under Chapter 18-14, Florida Administrative Code. This condition does not apply to minor structural repairs required to maintain the authorized structures in a good state of repair in the interests of public health, safety or welfare; provided, however, that such activities shall not exceed the activities authorized by this agreement.

23. USACE AUTHORIZATION: Prior to commencement of construction and/or activities authorized herein, the Lessee shall obtain the U.S. Army Corps of Engineers (USACE) permit if it is required by the USACE. Any modifications to the construction and/or activities authorized herein that may be required by the USACE shall require consideration by and the prior written approval of the Lessor prior to the commencement of construction and/or any activities on sovereign, submerged lands.

24. COMPLIANCE WITH FLORIDA LAWS: On or in conjunction with the use of the leased premises, the Lessee shall at all times comply with all Florida Statutes and all administrative rules promulgated thereunder. Any unlawful activity which occurs on the leased premises or in conjunction with the use of the leased premises shall be grounds for the termination of this lease by the Lessor.

25. LIVEABOARDS: The term "liveaboard" is defined as a vessel docked at the facility and inhabited by a person or persons for any five (5) consecutive days or a total of ten (10) days within a thirty (30) day period. If liveaboards are authorized by paragraph one (1) of this lease, in no event shall such "liveaboard" status exceed six (6) months within any twelve (12) month period, nor shall any such vessel constitute a legal or primary residence.

26. GAMBLING VESSELS: During the term of this lease and any renewals, extensions, modifications or assignments thereof, Lessee shall prohibit the operation of or entry onto the leased premises of gambling cruise ships, or vessels that are used principally for the purpose of gambling, when these vessels are engaged in "cruises to nowhere," where the ships leave and return to the state of Florida without an intervening stop within another state or foreign country or waters within the jurisdiction of another state or foreign country, and any watercraft used to carry passengers to and from such gambling cruise ships.

27. SPECIAL LEASE CONDITION: The terms and conditions herein, including those related to assessment of lease fees, may be reviewed at any time during the term of this lease as deemed necessary by the Lessor or its designated agent, and such terms and conditions may be modified or additional conditions may be imposed as deemed necessary by the Lessor. For the purpose of this provision, the terms and conditions of this lease may be modified (which may include the addition of new terms and conditions) for, but not limited to, the following reasons:

- a. to conform to the adoption or revision of Florida Statutes (F.S.), rules, and standards that require the modification of the lease for compliance;
- b. to ensure compliance with the U.S. Endangered Species Act of 1973, 16 U.S.C., § 1531, et seq., and the Florida Endangered and Threatened Species Act of 1977, Section 372.072, F.S.;
- c. to conform to adoption or revision of rules regarding the assessment of lease fees;
- d. to conform to any modification to the terms and conditions of all applicable permits from the State of Florida Department of Environmental Protection, the applicable water management district and/or the U.S. Army Corps of Engineers, and all other required approvals; and,
- e. to remove any structure declared to be a public nuisance.

The Lessor shall allow the Lessee a reasonable time for compliance with the amended or new terms and conditions.

IN WITNESS WHEREOF, the Lessor and the Lessee have executed this instrument on the day and year first above written.

**RIVERWALK LINEAR PARK EASEMENT**

**THIS RIVERWALK LINEAR PARK EASEMENT** (this "Easement"), made this 21<sup>st</sup> day of April, 2015, by **LOYCA PROPERTY OWNER LLC**, a Delaware limited liability company ("Grantor"), whose mailing address is 315 S. Biscayne Blvd. 4th Floor, Miami, FL 33131, to **CITY OF FORT LAUDERDALE, FLORIDA**, a municipal corporation of Florida ("Grantee"), whose mailing address is 100 North Andrews Avenue, Fort Lauderdale, FL 33301.

**NOW THEREFORE**, for and in consideration of Ten Dollars (\$10.00) and other valuable considerations, the receipt and adequacy of which is hereby acknowledged, Grantor does hereby agree as follows:

1. **The Property and the Easement Areas.** Grantor is the fee simple owner of that certain parcel of real property more particularly described in Exhibit A attached hereto and incorporated herein (collectively, the "Property"), including the portion more particularly described in Exhibit B attached hereto (the "Uplands Riverwalk Easement Area") and the portion more particularly described in Exhibit C attached hereto (the "Construction and Maintenance Easement Area") and, collectively with the Uplands Riverwalk Easement Area, the "Uplands Easement Areas"). Grantor hereby covenants with Grantee that Grantor is lawfully seized of fee simple interest to the Uplands Easement Areas, subject to those matters of record set forth on Exhibit D attached hereto, and that Grantor hereby fully warrants and defends the Grantee's right, title and interest in and to the Uplands Easement Areas, subject to those matters of record set forth on Exhibit D attached hereto, hereby granted and conveyed, against the lawful claims of all persons whomsoever.

2. **Riverwalk Linear Park.** The Property is located within Grantee's corporate municipal limits. Grantee is responsible for the creation, operation and maintenance of the City of Fort Lauderdale's Riverwalk Linear Park situated along the New River known as the "Riverwalk Linear Park" (the "Riverwalk" or "Riverwalk Linear Park"). In consideration of Grantee's joint undertaking with the Downtown Development Authority ("DDA") of the repair and/or replacement of the existing sea wall and cap located on or abutting Grantor's Property (collectively, the "Existing Seawall"), Grantor has agreed to Grantee's joint undertaking with the DDA of construction, operation, use, maintenance, repair, modification and replacement from time to time of the extension of the Riverwalk over and across the Uplands Riverwalk Easement Area, together with the portion of the New River waterway adjacent to and abutting

the Property, as more particularly described on Exhibit E attached hereto and referred to herein as the “**Submerged Riverwalk Easement Area**”) (the Uplands Riverwalk Easement Area and Submerged Riverwalk Easement Area shall be collectively referred to herein as the “**Riverwalk Easement Area**,” the Riverwalk Easement Area and the Construction and Maintenance Easement Area shall be collectively referred to herein as the “**Easement Areas**” and the portion of the Riverwalk directly adjacent to and abutting the Property shall be collectively referred to herein as the “**Adjacent Riverwalk**”), provided that Grantee obtain proper permitting by the appropriate regulatory agencies with subject matter jurisdiction with respect thereto and subject to the terms and conditions set forth herein. The warranties of title of Grantor set forth in Section 1 above do not extend to any portion of the Submerged Riverwalk Easement Area (i.e., any portion of the New River waterway adjacent to and abutting the Property); it being agreed that Grantor is quit-claiming a non-exclusive easement to Grantee over, under and across the Submerged Riverwalk Easement Area in Section 3.a. below solely to the extent of Grantor’s riparian rights in such waterway and solely to the extent an easement may be granted by Grantor with respect to such riparian rights, which easement is hereby made without recourse, representation or warranty by Grantor.

**3. Grant of Easements.** Grantor does hereby grant, give and convey to Grantee, subject to the following terms and conditions:

a. A perpetual, non-exclusive easement over, under and across the surface of the Riverwalk Easement Area and Adjacent Riverwalk for public non-vehicular (other than for governmental emergency and service vehicles and non-governmental service vehicles, i.e., for construction, maintenance and repair purposes only, as authorized by the City Manager or his or her designee) and pedestrian access, ingress and egress, twenty-four hours a day, seven days a week (subject, however, to the restrictions set forth in Section 13 below), and for construction, operation, use, maintenance, repair, modification and replacement from time to time of the Riverwalk Improvements (as defined below) and for such other uses as may be consistent with the use of the Riverwalk Linear Park and permissible activities associated therewith and to be conducted therein (subject, however, to the restrictions set forth in Section 13 below); and

b. A perpetual, non-exclusive easement over, under and across the surface of the Construction and Maintenance Easement Area for construction, operation, use, maintenance, repair, modification and replacement from time to time of the Riverwalk Improvements.

c. As to the perpetual, non-exclusive easement rights described in subparagraphs a. and b. above (but expressly excluding any easement rights over, under or across the Submerged Riverwalk Easement Area) and except for the easement rights currently existing as set forth in the matters of record set forth on Exhibit “D,” which shall be superior to the non-exclusive easement rights granted herein, the non-exclusive easement rights granted herein as to the Uplands Easement Areas shall be superior to any and all other easement rights within the Uplands Easement Areas that are not consistent with the easement rights granted herein for the Uplands Easement Areas.

**4. Construction of Riverwalk Improvements.** At its own cost and expense, in a joint undertaking with the DDA, Grantee will design (which design shall be subject to Grantor’s prior written consent), construct and complete walkway, landscaping, irrigation, lighting, seawall and

other improvements within the Adjacent Riverwalk (including, without limitation, the construction of a new seawall abutting the Property and the repair and/or replacement of the Existing Seawall, as necessary in order for the Existing Seawall to be restored to good condition and repair and the backfill of the area between the Property and the Adjacent Riverwalk with clean fill such that there is a smooth and level grade transition from the Property to the Adjacent Riverwalk) (collectively, the "Riverwalk Improvements") consistent with the nature of the improvements otherwise constructed within the Riverwalk Linear Park. Prior to commencement of any construction of the Adjacent Riverwalk, a payment and performance bond in accordance with Section 255.05, Florida Statutes (as such Section is in existence on the date immediately prior to commencement of construction) shall be provided by Grantee, DDA or their respective contractors in favor of Grantor, as a co-obligee under such bond, for the construction of the Riverwalk Improvements in accordance with the construction contract ("Bond"). Upon commencement of any construction, Grantee shall diligently pursue the same to completion. Grantee shall make every good faith reasonable effort to coordinate construction activities to minimize the disruption to the Property. Grantee shall conduct such construction activities in compliance with all applicable laws, rules, regulations, permits, licenses, leases and approvals.

**5. Maintenance, Repair and Replacement.** At its own cost and expense, Grantee will maintain, repair and replace the Riverwalk Improvements within the Adjacent Riverwalk, all in accordance with the design originally approved by Grantor or as otherwise approved by Grantor and Grantee, and keep them in a state of good repair, safe condition and a reasonably attractive manner and in compliance with all applicable laws, rules, regulations, permits, licenses, leases and approvals. Grantee shall make every good faith reasonable effort to coordinate maintenance, repair and replacement activities with Grantor in an effort to minimize the disruption to the Property and the activities of Grantor to be conducted thereon. Grantee shall endeavor to conduct all maintenance, repair and replacement activities from either (a) the "water side" of the Adjacent Riverwalk (i.e., not from the Construction and Maintenance Easement Area, but from New River); or (b) through public rights-of-way or other entry points located outside the Property; provided that if such maintenance, repair or replacement activities cannot be practicably performed within (a) or (b) above, then such activities may be performed by Grantee through the Construction and Maintenance Easement Area.

**6. Default; Indemnification.**

a. In the event Grantee fails to perform any of its obligations hereunder or otherwise breaches any of the terms, covenants, restrictions or conditions hereof, and Grantee fails to cure such default within forty-five (45) days following written notice thereof by Grantor (unless, with respect to any such breach the nature of which cannot reasonably be cured within such 45-day period, Grantee commences such cure within such 45-day period and thereafter diligently prosecutes such cure to completion), Grantor shall be entitled to bring the appropriate actions against Grantee seeking the appropriate full and adequate relief.

b. If Grantee fails to commence to cure a breach of this Easement within the first thirty (30) days of the forty-five (45) day period set forth in Section 6(a) above and Grantee has not provided written notice to Grantor that either (i) Grantee, in its reasonable discretion, needs additional time to cure; or (ii) Grantee, in its reasonable discretion, disagrees with Grantor's assertion that a default has occurred; then Grantor shall have the right to perform such obligation

contained in this Easement on behalf of Grantee and be reimbursed by Grantee upon demand for the reasonable costs thereof. Notwithstanding the foregoing, in the event of an emergency, Grantor may immediately perform the obligations of Grantee on behalf of Grantee and be reimbursed by Grantee upon demand for the reasonable cost thereof.

c. **Indemnification.** Grantee is a political subdivision as set forth in Section 768.28, Florida Statutes (2013) and agrees to be fully responsible for the acts and omissions of its agents or employees to the extent permitted by law. Nothing herein is intended to serve as a waiver of sovereign immunity by any party to which sovereign immunity may be applicable. Nothing herein shall be construed as consent by a political subdivision of the State of Florida to be sued by third parties in any manner arising out of this Easement.

7. **Reservation of Use.** There is hereby reserved to Grantor, its successors and assigns, (i) the right of ingress and egress across, through and into, above and below the Adjacent Riverwalk and Easement Areas by Grantor, its successors, assigns, guests, invitees and persons doing business with Grantor, (ii) the use of the Adjacent Riverwalk and Easement Areas for underground installation and maintenance of facilities for utilities, (iii) the exclusive use of the waterfront abutting the Adjacent Riverwalk, including, without limitation, for Grantor's docking purposes (it being agreed that neither Grantee nor the public shall have any rights of dockage at or along the Adjacent Riverwalk, except that Grantor shall allow commercial water taxi or shuttle services that typically stop at other locations along the Riverwalk to temporarily load/unload passengers on the Adjacent Riverwalk at reasonable intervals and at reasonable times as may be established by Grantor from time to time in its sole discretion; and (iv) for other uses not inconsistent with the use of the Easement Areas and Adjacent Riverwalk. Any reservation of rights in favor of Grantor, its successors and assigns as set forth herein shall be non-exclusive (except as otherwise set forth in subsection (iii) above and shall not be exercised in such a manner as to unreasonably interfere with the easements granted to Grantee herein, including the Easement Areas and Adjacent Riverwalk. The Easements granted herein shall prevail and supersede over any conflicting use rights to the extent of incompatibility.

8. **Authorization.** The person executing this document on behalf of Grantor warrants his or her authority to do so, on behalf of Grantor, and that all persons necessary to bind Grantor have joined in this document. This document runs with the land in favor of Grantee. In no event shall this Easement be assigned by Grantee without the prior written consent of Grantor, which may be withheld in its sole and absolute discretion.

9. **Designation of Authority.** Grantor and Grantee shall use commercially reasonable efforts to cooperate with each other to obtain any and all necessary permits, licenses and approvals (including, without limitation, a submerged land lease(s) for the Adjacent Riverwalk, if necessary) required in connection with the construction of the Adjacent Riverwalk; provided, however, as to the Adjacent Riverwalk, notwithstanding any prior approval of the design of the Adjacent Riverwalk by Grantor pursuant to Section 4 hereof or as may be depicted on Exhibit E attached hereto, Grantee shall not submit or execute any permit applications or amendments, modifications or supplements thereto or any other related items required by any governmental agency, including, without limitation, the United States of America, the Army Corps of Engineers, the State of Florida, the Trustees of the Internal Improvement Fund, and any agency or subdivision of any of the foregoing, without the prior written consent of Grantor (and the final

issuance of any submerged lands lease(s) and any other related permits and approvals shall also be subject to the prior written consent of Grantor), which, in light of the overall purpose, intent and of establishing this segment of the Riverwalk Linear Park Easement rights herein, shall not unreasonably be withheld and Grantor shall be afforded the opportunity to participate in all discussions or meetings with any governmental agencies regarding the same. Grantor and Grantee agree that any submerged lands lease or leases recognize both (i) the public's easement rights under the Riverwalk Linear Park Easement and (ii) the Grantor's reserved right of private dockage.

**10. Development Agreement.** Notwithstanding anything herein to the contrary, Grantor and Grantee hereby acknowledge and agree that the Development Agreement between the City of Fort Lauderdale and Coolidge-South Markets Equities, L.P., a Delaware Limited Partnership bearing the date December 6, 2005 and a Memorandum of Agreement relating thereto having been recorded June 22, 2006 at Official Records Book 42269, Page 750 of the Public Records of Broward County, Florida (the "Development Agreement") between Grantor and Grantee shall remain in full force and effect between the parties.

**11. Future Construction Activity.** Grantor and Grantee each acknowledge and agree that the Property will be the subject of future construction and development activity by Grantor and that such future construction and development activity and maintenance and operations of the Property may, in the interests of public safety and in an effort to prevent personal injury or property damage, require, from time to time temporary closure of, or limited access to, the Easement Areas and Riverwalk Improvements. Grantor and Grantee agree to work in good faith with each other as to the timing and duration of such temporary closures. Prior to the commencement of and during construction and development activity by Grantor on the Property, Grantor shall comply with the insurance requirements of Grantee in effect as of such time.

**12. Restoration.** If, in carrying out its activities set forth in Section 4 and/or Section 5 of this Easement, Grantee damages any landscaping, structures, improvements or facilities located on the Property, then Grantee, at its sole cost and expense, shall promptly repair and/or restore such damaged areas to substantially the same condition as existed immediately prior to Grantee's activities. If, in carrying out its activities set forth in Section 11 of this Easement, Grantor damages any landscaping, structures, improvements or facilities located on the Adjacent Riverwalk, then Grantor, at its sole cost and expense, shall promptly repair and/or restore such damaged areas to substantially the same condition as existed immediately prior to Grantor's activities.

**13. Public Use of Adjacent Riverwalk.** Grantor acknowledges and agrees that the Adjacent Riverwalk is an integral component of and shall be used in a manner consistent with the Riverwalk Linear Park. Accordingly, the Riverwalk Easement Area (but not any dockage associated therewith) shall be held in trust by Grantee for the use and benefit of the public, subject to the provisions of Section §375.251(2)(a), Florida Statutes. Notwithstanding the foregoing, in no event shall the following uses be permitted at any time on or about the Adjacent Riverwalk: (a) any commercial activity or solicitations of any kind, unless Grantor has provided its prior written consent, which may be withheld in its sole and absolute discretion, provided however nothing herein is intended to prohibit a person from traversing through the Adjacent Riverwalk provided they do not engage in commercial activities or solicitation within the

Adjacent Riverwalk; (b) any unlawful or illegal activity; (c) any overnight use; and/or (d) any use which emits an unreasonable degree of obnoxious odor, noise, or sound or constitutes a nuisance to others using the Adjacent Riverwalk or the Property. Grantee shall be responsible for enforcing ordinances, rules and regulations for the Adjacent Riverwalk Area as components of the Riverwalk Linear Park system and consistent with the foregoing provision.

**14. No Public Use of Construction Maintenance Easement Area.** Nothing herein contained shall be deemed to be a gift or dedication of any portion of the Construction Maintenance Easement Area to the general public or for general public purposes whatsoever, it being the intention of the parties that the Construction Maintenance Easement Area shall be strictly limited to and for the purposes herein expressed.

**TO HAVE AND TO HOLD the same unto the Grantee forever.**
