Rev KR-022811.1

City of Fort Lauderdale, a Florida municipality, ("Customer"), and Kronos Incorporated, a Massachusetts corporation authorized to transact business in the State of Florida under the name of Kronos Systems Incorporated, ("Kronos"), agree that the terms and conditions set forth in this Agreement shall apply to all Kronos Equipment, Software, Professional and Educational Services, Support, and such other Kronos offerings, as specified on an order form (an "Order Form") signed by the parties which expressly references this Agreement (or is signed contemporaneously hereto).

Kronos and Customer hereby agree that the terms and conditions of this Agreement apply to any Order Form executed by Kronos and Customer which expressly references this Agreement (including any Order Form signed contemporaneously with this Agreement regardless of the appearance of any express reference to this Agreement). Either party may discontinue use of this Agreement for future orders upon thirty (30) days prior written notice to the other party, provided however that any Order Form signed by the parties prior to the effective date of such notice shall remain in effect unless otherwise specifically terminated in accordance with the terms of this Agreement. Kronos may require additional terms and conditions for the sale or license of products or services not contemplated by this Agreement (including without limitation those that may be related to international services) provided that no such additional terms and conditions shall be binding upon Customer without Customer's prior written consent. Notwithstanding, Kronos will not be obligated to accept or approve an order for any products or services for which such additional terms and conditions are required. All orders are subject to the approval of Kronos' corporate office in Chelmsford, Massachusetts. This Agreement and the Order Form shall supersede the pre-printed terms of any Customer purchase order or other Customer ordering document, and no such Customer pre-printed terms shall apply to the items ordered.

1. PAYMENT AND DELIVERY

Unless otherwise set forth in this Agreement, payment terms are indicated on the Order Form or other contemporaneous ordering document containing product-specific payment terms signed by the parties. Delivery terms are as stated on the Order Form ("Delivery"). Kronos will invoice Customer for products upon Delivery. Unless otherwise set forth on the Order Form, Professional and Educational Services are provided on a time and materials basis, invoiced monthly as rendered. Customer agrees to pay interest in accordance with the Florida Local Government Prompt Payment Act on any overdue amounts not the subject of a good faith dispute.

2. GENERAL LICENSE TERMS

Kronos owns or has the right to license the Software. To the extent the Software and Software documentation are trade secrets pursuant to Florida law they are confidential and may not be disclosed to a third party without Kronos' written consent. Kronos represents that Kronos considers the Software to contain trade secrets as defined by Section 812.081(1)(c), Florida Statutes (2012) as may be amended or revised. To the extent Customer relies on Kronos' assertion that the Software contains trade secrets as defined by Section 812.081(1)(c), Florida Statutes (2012) as may be amended or revised, does not disclose the Software or documentation in response to a public records request, and a third party disputes Customer's failure to disclose or makes a claim to compel Customer to disclose such Software or documentation, Kronos agrees to defend at Kronos' expense, and indemnify and hold harmless Customer and Customer's officers, employees, agents, and representatives from and against any such claim, lawsuit, judgment, fine, expense, cost, or penalty, including any award of attorney fees and any award of costs, that may arise or be occasioned by Customer's failure to disclose the Software or documentation based on Kronos' request not to disclose such Software or documentation pursuant to Section 16 below. Unauthorized use and copying of such Software may be prohibited by law, including United States and foreign copyright law. The price Customer pays for a copy of the Software constitutes a license fee that entitles Customer to use the Software as set forth below. Kronos grants to Customer a non-exclusive, nontransferable, perpetual (except as provided herein) license to use the Software. This license may be terminated by Kronos by written notice to Customer upon any material breach of this Agreement by Customer which remains uncured for a period of thirty (30) days after such written notice from Kronos. Upon such termination of this license by Kronos, Customer will have no further right to use the Software and, except as otherwise provided by Florida law, will return the Software media to Kronos and destroy all copies of the Software (and related documentation) in Customer's possession or control. This license is subject to all of the terms of this Agreement.

3. FEE BASED LIMITATIONS

Customer recognizes and agrees that the license to use the Software is limited, based upon the amount of the license fee paid by Customer. Limitations, which are set forth on the Order Form, may include the number of employees, simultaneous or active users, Software product modules, Software features, computer model and serial number and partition, and/or the number of telephone lines or terminals to which the Software is permitted to be connected. Customer agrees to: i) use the Software only for the number of employees, simultaneous or active users, computer model, partition and serial number, and/or terminals permitted by the applicable license fee; ii) use only the product modules and/or features permitted by the applicable license fees; and iii) use the Software only in support of Customer's own business. Customer agrees not to increase the number of employees, simultaneous or active users, partitions, terminals, products modules, features, or to upgrade the model, as applicable, unless and until Customer pays the applicable fee for such increase/upgrade. Customer may not sublicense the Software to, or otherwise permit use of the Software (including timesharing or networking use) by any third party. Customer may not provide service bureau or other data processing services that make use of the Software without the express prior written consent of Kronos.

4. OBJECT CODE ONLY

Customer may use the computer programs included in the Software (the "Programs") in object code form only, and shall not reverse compile, disassemble or otherwise convert the Programs into uncompiled or unassembled code. The Programs include components owned by third parties. Such third party components are deemed to be Software subject to this Agreement. Customer shall not use any of the Programs (or the data models therein) except solely as part of and in connection with the Software and as described in the published documentation for such Software.

5. PERMITTED COPIES

Customer may copy the Programs as reasonably necessary to load and execute the Programs and for backup and disaster recovery and testing purposes, except for additional copies of the Teletime Software and the Kronos iSeries (which must be licensed separately). All copies of the Programs or any part thereof, whether in printed or machine readable form and whether on storage media or otherwise, are subject to all the terms of this license, and all copies of the Programs or any part of the Programs shall include the copyright and proprietary rights notices contained in the Programs as delivered to the Customer.

6. UPDATES

In the event that Kronos supplies Service Packs, Point Releases and Major Releases (including legislative updates if available) of the Software (collectively referred to as "Updates"), such Updates shall be part of the Software and the provisions of this license shall apply to such Updates and to the Software as modified thereby.

7. EXPORT

Customer acknowledges that the Equipment and Software may be restricted by the United States Government or by the country in which the Equipment or Software is installed from export to certain countries and certain organizations and individuals, and agrees to comply with such laws. Customer agrees to comply with all applicable

laws of all of the countries in which the Equipment and Software may be used by Customer. Customer's obligations hereunder shall survive the termination or expiration of this Agreement. Customer must obtain Kronos' prior written consent before exporting the Software.

#### 8. FIRMWARE

Customer may not download firmware updates for the Kronos Equipment unless Customer is maintaining such Equipment under a support plan with Kronos. If Customer is not maintaining the Equipment under a support plan with Kronos, Kronos shall have the right to verify Customer's Kronos Equipment to determine if Customer has downloaded any firmware to which Customer is not entitled. If Customer has downloaded firmware for the Kronos Equipment to which Customer is not entitled, Customer shall be responsible to pay Kronos for such updated firmware in accordance with Kronos' then-current support policies.

#### 9. TRAINING POINTS

Training Points which are purchased by Customer may be redeemed for an equivalent value of instructor-led training sessions offered by Kronos. Available instructor-led sessions are listed at <http://customer.kronos.com> and each session has the Training Points value indicated. Training Points may be redeemed at any time within 12 months of the date of the applicable Order Form, at which time they shall expire. Training Points may not be exchanged for other Kronos products and/or services. Kronos will invoice Customer for the Training Points identified in the Order Form upon execution of such Order Form with payment due upon the payment terms indicated in such Order Form.

#### 10. ACCEPTANCE

For Customer's initial purchase of each Equipment and Software product Kronos shall provide an acceptance test period (the "Test Period") that commences upon Installation. Installation shall be defined as: a.) the Equipment, if any, is mounted; b.) the Software is installed on Customer's server(s); and c.) implementation team training, if any, is complete. During the Test Period, Customer shall determine whether the Equipment and Software meet the Kronos published electronic documentation, ("Specifications").

The Test Period shall be for 30 days. If Customer has not given Kronos a written deficiency statement specifying how the Equipment or Software fails to meet the Specifications ("Deficiency Statement") within the Test Period, the Equipment and Software shall be deemed accepted. If Customer provides a Deficiency Statement within the Test Period, Kronos shall have 30 days to correct the deficiency, and Customer shall have an additional 30 days to evaluate the Equipment and Software. If the Equipment or Software does not meet the Specifications at the end of the second 30 day period, either Customer or Kronos may terminate this Agreement. Upon any such termination, Customer shall return all Equipment and Software (and related documentation) to Kronos, and Kronos shall refund any monies paid by Customer to Kronos for the returned Equipment and Software not accepted. Neither party shall then have any further liability to the other for the products that were the subject of the Acceptance Test.

#### 11. LIMITED WARRANTY

Kronos warrants that all Kronos Equipment and Software media shall be free from defects in materials and workmanship, for a period of ninety (90) days from Delivery. In the event of a breach of this warranty, Customer's exclusive remedy shall be Kronos' repair or replacement of the deficient Equipment and/or Software media, at Kronos' option, provided that Customer's use, installation and maintenance thereof have conformed to the Specifications. This warranty is extended to Customer only and shall not apply to any Equipment (or parts thereof) or Software media in the event of:

- (a) damage, defects or malfunctions resulting from misuse, accident, neglect, tampering, (including modification or replacement of any Kronos components on any boards supplied with the Equipment), unusual physical or electrical stress or causes other than normal and intended use;
- (b) failure of Customer to provide and maintain a suitable installation environment, as specified in the Specifications; or
- (c) malfunctions resulting from the use of badges or supplies not approved by Kronos.

When using and applying the information generated by Kronos products, Customer is responsible for ensuring that Customer complies with the applicable requirements of federal and state law. If Customer is licensing Workforce Payroll Software or Workforce Absence Management Software: (i) Customer is solely responsible for the content and accuracy of all reports and documents prepared in whole or in part by using such Software, (ii) using such Software does not release Customer of any professional obligation concerning the preparation and review of such reports and documents, (iii) Customer does not rely upon Kronos, Best Software, Inc. or such Software for any advice or guidance regarding compliance with federal and state laws or the appropriate tax treatment of items reflected on such reports or documents, and (iv) Customer will review any calculations made by using such Software and satisfy itself that those calculations are correct.

#### 12. INDEMNIFICATION

Kronos agrees to indemnify Customer and to hold Customer harmless from and against any and all claims, costs, fees, fines, penalties, and expenses (including reasonable legal fees) relating to actual or alleged infringement of United States or Canadian patents or copyrights asserted against Customer by virtue of Customer's use of the Software as delivered and maintained by Kronos, provided that: i) Kronos is given prompt written notice of any such claim and has sole control over the investigation, preparation, defense and settlement of such claim; and, ii) Customer reasonably cooperates with Kronos in connection with the foregoing and provides Kronos with all information in Customer's possession related to such claim and any further assistance as reasonably requested by Kronos. Kronos will have no obligation to indemnify Customer to the extent any such claim is based on the use of the Software with software or equipment not supplied by Kronos. Should any or all of the Software as delivered and maintained by Kronos become, or in Kronos' reasonable opinion be likely to become, the subject of any such claim, Kronos may at its option: i) procure for Customer the right to continue to use the affected Software as contemplated hereunder; ii) replace or modify the affected Software to make its use non-infringing; or iii) should such options not be available at reasonable expense, terminate this Agreement with respect to the affected Software upon thirty (30) days prior written notice to Customer. In such event of termination, Customer shall be entitled to a pro-rata refund of all fees paid to Kronos for the affected Software, which refund shall be calculated using a six year straight-line depreciation commencing with the date of the relevant Order.

Additionally, Kronos agrees to be liable, and agrees to defend, indemnify, and hold harmless Customer and Customer's officers, employees, and agents, from and against any claim, demand, judgment, settlement, fine, or penalty, including any award of reasonable attorney fees and any award of costs arising out of or occasioned by any tangible property damage or personal injury caused solely by the negligence, recklessness, or willful misconduct of its employees, provided that Kronos is given prompt written notice of any such claim and has sole control over the investigation, preparation, defense and settlement of such claim, and further provided that Customer reasonably cooperates with Kronos in connection with the foregoing and provides Kronos with all information in Customer's possession related to such claim and further assistance as reasonably requested by Kronos.

### 13. PROFESSIONAL AND EDUCATIONAL SERVICES

#### (a) TRAVEL EXPENSES

Customer agrees to reimburse Kronos for all reasonable and necessary travel incurred by Kronos in the performance of any professional and/or educational services performed pursuant to this Agreement in accordance with the Customer's Travel Allowance and Subsistence Policy. Customer will be billed by Kronos for such travel expenses and payment thereof shall be due net 45.

#### (b) ENGAGEMENTS

Unless otherwise indicated on the Order Form, Professional and Educational Services ("Professional Services") shall be provided on a time and material basis at the rates set forth in the Order Form. Unless otherwise set forth on the Order Form, if a dollar limit is stated on the Order Form or any associated statement of work ("SOW"), the limit shall be deemed an estimate for Customer's budgeting and Kronos' resource scheduling purposes. After a dollar limit stated in the Order Form is expended, Kronos will continue to provide Professional Services on a time and materials basis if a Change Order or Schedule of Services for continuation of the Professional Services is signed by the parties.

#### (c) WARRANTY

Kronos warrants that all professional and educational services performed under this Agreement shall be performed in a professional and competent manner. In the event that Kronos breaches this warranty, and Customer so notifies Kronos within 30 days of receipt of invoice for the applicable services, the Customer's sole remedy and Kronos' exclusive liability shall be to re-perform the services which were deficient in a manner so as to conform to the foregoing warranty, at no additional cost to Customer.

#### (d) KRONOS PROFESSIONAL/EDUCATIONAL SERVICES POLICIES

Kronos' then-current Professional/Educational Services Policies shall apply to all Professional and/or Educational Services purchased under the applicable SOW and may be accessed at: <http://www.kronos.com/Support/ProfessionalServicesEngagementPolicies.htm> ("Professional Services Policies"). After the one year initial term of this Agreement, the Service Offerings provided and the Service Coverage period are subject to change by Kronos with sixty (60) days advance written notice to Customer. For the initial two (2) renewal years the annual support fee, for the same products and service type, will not increase by more than 4% over the prior year's annual support fee.
