This year's event was a great success. We had significant increases in both sponsorships and attendance. This is a direct reflection of the dedication of the current board members. We all look forward to further enhancing and growing the award categories for 2017.

We would like to recognize Laura and the team for all their hard efforts in making the WOW program and the Annual CAB event a success in 2016. Please acknowledge them for their hard work and continued dedication to this citywide program.

All in favor, motion passed unanimously.
