

CITY OF FORT LAUDERDALE

---

TRANSPORTATION & MOBILITY

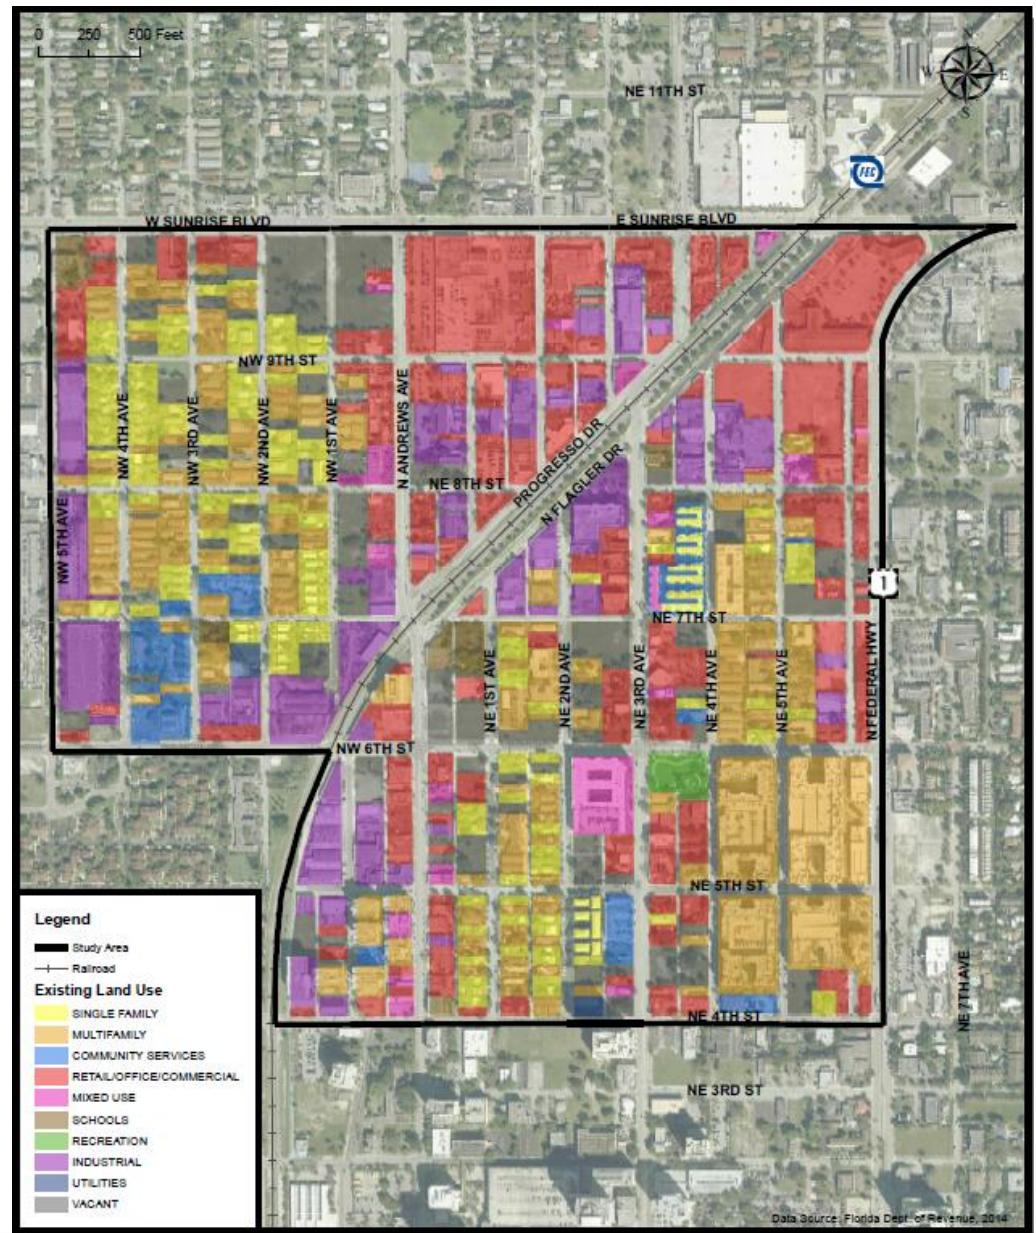

# Study Objectives

1. Inventory current parking supply and demand.
2. Develop strategies to address existing and potential future demand.
3. Inform zoning and code revisions.

# Context

- Land use types and intensities
- Development and redevelopment efforts
- Events
- Proximity to Downtown and infrastructure arteries

# Stakeholder Input

- ☐ Provide and demarcate on-street parking
- ☐ Foster multimodal infrastructure and public-private partnerships
- ☐ Enforce parking regulations and code compliance
- ☐ Utilize technology to maximize utilization of existing parking
- ☐ Identify area-specific parking issues

# **Parking Demand Surveys**

## ☐ **Neighborhood-Wide**

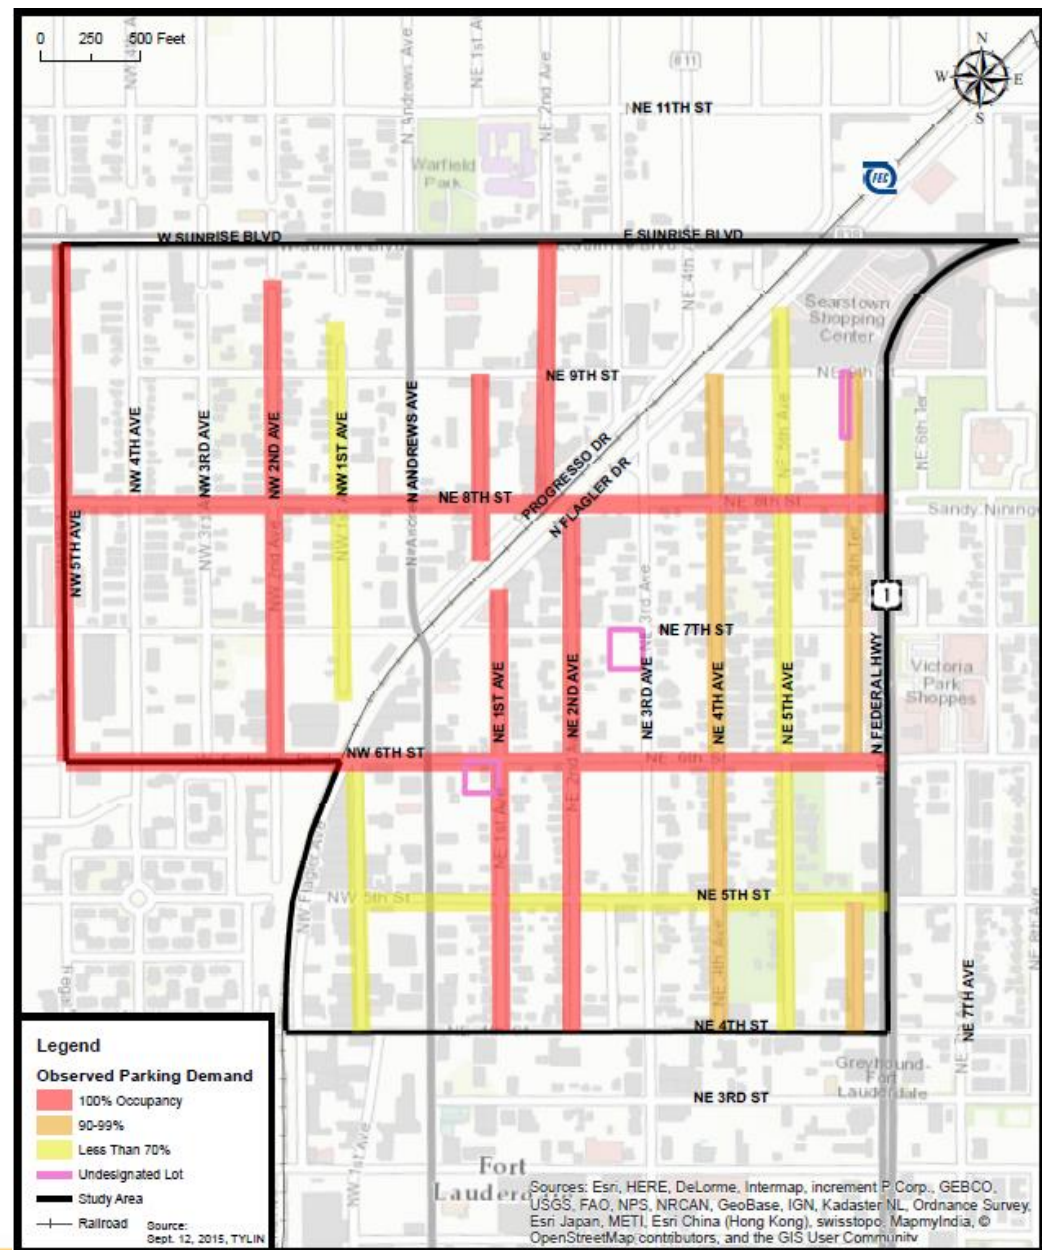

- Midday & Evening Counts

## ☐ **Evening Hot Spots**

- Laser Wolf
- Rhythm & Vine/Mellow Mushroom

## ☐ **Events**

- Green Market (Food-in-Motion)
- FAT Village ArtWalk

# Recommendations

Short-Term	Implementation Approach	In Current Work Program?
Adopt a market driven approach to parking	<ul style="list-style-type: none"> <li>•Parking Study</li> <li>•FTA TOD Planning Grant</li> </ul>	Yes
Demarcate parking spaces	<ul style="list-style-type: none"> <li>•TAM Programming</li> </ul>	No
Improve signage and wayfinding	<ul style="list-style-type: none"> <li>•TAM Programming</li> </ul>	Yes
Enforce parking regulations	<ul style="list-style-type: none"> <li>•TAM Programming</li> </ul>	No
Encourage shared parking opportunities	<ul style="list-style-type: none"> <li>•Parking Study</li> <li>•FTA TOD Planning Grant</li> </ul>	Yes
Conduct a City-Wide Parking Management Plan	<ul style="list-style-type: none"> <li>•Parking Study</li> <li>•FTA TOD Planning Grant</li> </ul>	Yes
Enhance special events parking	<ul style="list-style-type: none"> <li>•TAM Programming</li> </ul>	No
Meter On-street Parking	<ul style="list-style-type: none"> <li>•TAM Programming</li> </ul>	No

# Recommendations

Mid-Term	Implementation Approach	In Current Work Program?
Utilize vacant lots for interim parking	<ul style="list-style-type: none"><li>•Parking Study</li><li>•FTA TOD Planning Grant</li></ul>	Yes
Foster bicycle parking	<ul style="list-style-type: none"><li>•Parking Study</li><li>•FTA TOD Planning Grant</li></ul>	Yes
Revise zoning and code	<ul style="list-style-type: none"><li>•Parking Study</li><li>•FTA TOD Planning Grant</li></ul>	Yes

# Recommendations

Long-Term	Implementation Approach	In Current Work Program?
Utilize technology to improve utilization	<ul style="list-style-type: none"><li>•TAM Programming</li><li>•City CIP, NW CRA, and grant requests</li></ul>	No
Implement streetscape improvements	<ul style="list-style-type: none"><li>•City CIP, NW CRA, and seek grant funding</li></ul>	Some Projects
Develop strategies for future garage	<ul style="list-style-type: none"><li>•Parking Study</li><li>•FTA TOD Planning Grant</li></ul>	Yes
