CARFAX® Police Crash Assistance Program Terms and Conditions

These CARFAX® Police Crash Assistance Program Terms and Conditions ("Terms and Conditions"), any enrollment form signed by the Agency ("Enrollment Form"), and any exhibits and addenda to any Enrollment Form (whether entered into at the same time or at a later date) collectively form the agreement ("Agreement") between CARFAX, Inc. ("CARFAX") and the Agency and govern Agency's participation in the Program. The Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof and terminates and supersedes all previous agreements, whether oral or written, relating to the same subject matter, and will continue in full force and effect so long as the Agency participates in the Program. Termination of Agency's subscription to any CARFAX service pursuant to the Program does not terminate any other CARFAX services to which Agency may have subscribed.

1. Provision of Data. Agency agrees to provide, or authorizes its third party service provider to provide, to CARFAX all motor vehicle accident reports (or any data contained therein, as mutually agreed by the parties) that are created or collected by Agency and that Agency is permitted to provide to CARFAX ("Accident Data"). Agency understands that CARFAX relies on its sources for the accuracy and reliability of their information, and therefore Agency will notify CARFAX of erroneous information in any Accident Data provided to CARFAX. Agency authorizes CARFAX to use any and all non-personal information from the Accident Data in connection with the VHS and any products and services offered by CARFAX, and include such information in the VHS database. To the extent Agency participates in the Data Sharing Program, Agency authorizes CARFAX to include any and all information from the Accident Data provided by Agency (including, without limitation, any personal information) in CARFAX's Crashdocs database ("Crashdocs") to share such information with other law enforcement agencies. Agency agrees to use its best efforts to provide to CARFAX, upon CARFAX's request, another copy of any previously provided Accident Data within one (1) business day after such request. Agency understands that, in the event of any termination of Agency's participation in the Program, CARFAX may continue to use the Accident Data already acquired by CARFAX.

2. Term and Termination. Agency agrees that its participation in the Program will be effective from the date on which Agency provides Accident Data to CARFAX in the form and format that allows CARFAX to upload such Accident Data in the VHS and/or Crashdocs and will continue in effect for a period of one (1) year and thereafter will automatically renew for additional one (1) year periods until either party provides the other party ninety (90) days written notice prior to any renewal date (the "Term"). CARFAX may terminate this Agreement immediately if Agency breaches any provision of this Agreement. All provisions of this Agreement that expressly or should by their nature survive the termination of this Agreement shall so survive, including without limitation this last sentence of Section 2, the last sentence of Section 3, 5, 6, 7, 8, 9, and 10.

3. License; Ownership. Subject to the terms and conditions of this Agreement, CARFAX hereby grants to Agency a limited, revocable, nontransferable and nonexclusive license to use the (a) VHS to access the Investigative Tools (as defined below) and (b) Crashdocs to access Shared Reports (as defined below). The license to use the VHS and Crashdocs is limited to the extent required for criminal investigative purposes ("Permitted Use"), and in accordance with Florida Public record laws. Agency acknowledges that the VHS, the Investigative Tools, Crashdocs and Shared Reports and all intellectual property relating thereto are and will remain the property of CARFAX. However, the information obtained from and the reports generated by the VHS, the Investigative Tools, Crashdocs and Shared Reports may be disseminated as required by the Federal and/or Florida rules of court procedure and/or Florida Public Records law.

Upon Agency's enrollment in the Program, CARFAX will establish an Agency Account and will provide Agency with username(s) and password(s) to access (a) the VHS to obtain Investigative Tools and (b) Crashdocs to obtain the Shared Reports. Agency will ensure that only authorized representatives of Agency are given access to the Agency Account. Agency will ensure that a separate username and password is issued for each authorized representative of Agency, and Agency will be responsible for the administration of such username(s) and password(s) (including, without limitation, in connection with change in authorized personnel). Agency understands that it is responsible for the security of the username(s) and password(s) issued by CARFAX and all charges or fees arising out of the unauthorized or improper use of such username(s) and password(s), including access by non-authorized individuals or use for commercial purposes. Agency will not share the username(s) and/or password(s) issued by CARFAX with any third party (other than with CARFAX-approved third party vendors to facilitate the Permitted Use).
