

GENERAL INFORMATION

1. Indicate the following summary client information for Broward, Miami-Dade, Palm Beach, Martin and Monroe Counties combined.

	Self-funded Open Access Network Only	Self-funded Open Access POS	Self-funded PPO	Consumer Driven Health Plan with HRA	TPA	EAP
Number of contracted commercial groups in excess of 1,000 covered employees	Not applicable.	22	1	50	Not applicable.	348 direct employer customers with EAP
Total number of commercial members	Not applicable.	142,590 (in excess of 1,000 ees) 166,024 all	1,497 (in excess of 1,000 ees) 3,164 all	71,4490	Not applicabl	13.4 million EAP members (this includes members we have through internal UHC plans)

2. For how many public employers does your firm currently provide medical TPA and PBM services in the State of Florida?

We provide services to 11 customers headquartered in Florida.

3. For how many members does your firm currently pay commercial claims (all products) nationally?

We have 27,774, 978 members nationally.

4. What is your network physician turnover ratio for the period January 1, 2015 through December 31, 2015 in Broward, Miami-Dade, Palm Beach, Monroe and Martin Counties combined?

	HMO	POS	PPO
Primary Care	<u>3</u> %	<u>3</u> %	<u>3</u> %
Specialty Care	<u>3</u> %	<u>3</u> %	<u>3</u> %

5. What are your company's standards for considering that it has a satisfactory quantity and choice of providers under contract for a given service area?

- a. Specifically address the quantity of providers in proportion to membership and the required traveling distance and acceptable levels of choice.

We select and retain a broad panel of physicians and other health care professionals in each health plan to provide our customers and members with reasonable access to the complete spectrum of medical services. We recruit additional providers based on current availability and projected membership in each specific network area.

We maintain standards for numeric and geographic availability of physicians and other health care professionals. The geographic availability standards are based on Centers for Medicare & Medicaid Services (CMS) network adequacy standards. Numeric standards are based on published literature on availability of practitioners in the United States and analysis of past performance of our health plans. We compare the network to established standards and evaluate standards annually. Interventions are implemented to improve availability as needed.

State requirements take precedence where state requirements are more stringent than the standards shown below. Standards for geographic distribution for participating providers are as follows:

Practitioner Type	Required Number	# of Miles in Large Metro	# of Miles in Metro	# of Miles in Micro*	# of Miles in Rural	# of Miles in CEAC**
Primary Care (all types)	1	5	10	20	30	60
Cardiology General Surgery Ophthalmology Orthopedics	1	10	20	35	60	85
Dermatology Gastroenterology Neurology Oncology Pulmonology Urology	1	10	30	45	60	100
Allergy/Immunology Ear, Nose, Throat (ENT) OB/GYN	1	15	30	60	75	110

* Micro - Population of at least 10,000 but less than 50,000

** CEAC - Counties with extreme access consideration

Statewide access should meet or exceed the following practitioner-to-member ratios for primary physicians and high-volume specialists.

Practitioner Type	Targeted Practitioner-to-Member Ratio*
Primary Care (all types)	1:1,000
OB/GYN	1:2,000
Orthopedics	1:2,000
Cardiology	1:2,000
Dermatology	1:8,000
Allergy/Immunology	1:10,000
Ears, Nose, Throat (ENT)	1:4,000
General Surgery	1:2,000
Hematology/ Oncology	1:4,000
Gastroenterology	1:4,000
Ophthalmology	1:2,000
Pulmonology	1:4,000
Neurology	1:4,000
Urology	1:4,000

* Ratios are based on published literature on availability of practitioners in the United States and analysis of past performance of our health plans.

We assess the cultural and linguistic makeup of the network at the same time we assess geographic and numeric availability. We provide reports to the appropriate regional quality oversight committee for review. If additional network expansion is needed, we develop an improvement plan collaboratively with the network management team.

We assess and measure network adequacy in a variety of ways:

- We conduct detailed analysis of the size of our network (hospitals and physicians) as compared to our primary competitors. We do this via available technology and tools where we analyze competitor provider directory information on a national and market level. We also can do this at an MSA or county level, and can refine the analysis with other techniques such as overlap analyses.
- We also conduct disruption analyses, whereby we review our customers' and prospects' provider utilization to identify the providers that have utilization and are not participating in our network. We look for patterns and opportunities to contract with providers who are frequently identified on disruption studies as non-participating in our network.
- We evaluate the size of our network on a market-specific level as compared to the available supply of providers. Target penetration levels will vary by market and by provider specialty.
- We use standard mileage access criteria to measure the average distances that members must travel to access hospitals and physicians. These criteria vary based on the urban, suburban or rural nature of a given location.

- b. Specifically address the southeast counties where the City's employees live i.e. Broward, Palm Beach, Miami-Dade, Monroe and Martin Counties.

Our GeoAccess reports included in Tab III of this proposal indicate we have a 99.9 percent match.

6. Please provide your continuity of care policy with respect to the following medical conditions existing on the proposed effective date with care provided by non-network providers.

- a. Follow up care required for surgery performed prior to effective date
- b. Pregnancies
- c. Outpatient mental health
- d. Treatment of dread diseases
- e. Members currently participating in substance abuse programs
- f. Cancer

We recognize the critical importance of successfully transitioning open cases such as follow-up care for surgery, pregnancies, outpatient mental health treatment, treatment of chronic diseases and cancer, and members in treatment for substance abuse. These open cases represent covered employees and their family members who have previously been identified for outreach and are already dealing with a high-acuity health issue and engaged in an existing program.

The implementation team has spent considerable time and resources developing an effective and efficient open case transition processes. First, we commit to safeguarding the clinical status of active participants so that they continue to receive support.

To minimize member disruption, a rigorous transition of care process is used to move members at high risk to the new programs. Discussions of the transition and the protocols will be identified early in the implementation process. Within the first weeks of the implementation, data layouts will be sent to the prior vendor to identify members to be transitioned. Such data will be automatically downloaded prior to the launch date of the program. Communications will be sent to the transitioning members, and clinical staff will be prepared to contact members immediately after the program is launched.

Features of the transition of care approach include:

- **Work with well-designed processes that seamlessly bring open cases into end-to-end workflow, while allowing for tracking and trending, resulting in a better experience for the enrollee**
- **Transfer open high-acuity cases thru automated processes, eliminating potential for human error and ensuring scalability for application regardless of customer size**
- **Efforts of implementation project lead supported by many additional resources, including implementation data analyst supporting file design and testing**
- **Implementation process developed in close concert with other functional operational areas that will closely monitor the success of the City's transition**

- Early outreach to ensure continuity, with mailings typically triggered prior to nurse calls beginning upon launch

Further, we offer a streamlined Transition of Care service that lets new enrollees request that services for certain medical conditions from a non-network health care provider be covered at the network benefit level for a limited time; until the safe transfer of care to a participating health care professional or facility can be arranged. Members must apply for Transition of Care no later than 30 days after the effective date of coverage.

Since the services have already been initiated and will be ongoing, transition of care only applies to the review of the network status of the provider and the potential impacts of transitioning to a network provider, to determine at what benefit level the services will be covered (network or non-network).

The new member may apply for transition of care if they are undergoing treatment for one of the following conditions:

- End-stage renal disease (ESRD) and dialysis
- Non-surgical cancer therapies, including chemotherapy and radiation
- Pregnancy, low-risk: third trimester through six weeks postpartum for follow-up
- Pregnancy, moderate-risk or high-risk: First, second or third trimester through six weeks postpartum for follow-up
- Symptomatic AIDS
- Recent organ or blood/marrow transplants or on waiting list to obtain
- Conditions where transition of care coverage is required by federal or state law

To receive transition of care benefits, the member must apply for transition of care within 30 days after their effective date. The member is not eligible for transition of care if he or she applies after this date. Transition of care for elective, pre-authorized surgeries is not included. We instruct members to:

- Call the customer care center (the phone number located on the ID card or provided by their employer) within 30 days of enrollment to determine if he or she should apply for Transition of Care. If it is appropriate to apply, our customer care advocate will mail an application for transition of care application to the member.
- Complete the application fully with his or her non-network physician and mail or fax the application to the address located on the application

The care management team reviews the request and makes a determination within three business days of receipt of all necessary information. Notification of the decision is made in writing to the member and treating provider within this same time frame. The team documents the decision in the care management system.

7. What provisions are made for transition of care if a network provider is terminated?

If an enrolled individual were undergoing a course of treatment with a physician or other health care professional who was terminated for quality-of-care issues, we would work closely with the individual to find an alternative source for their care. If we feel an enrolled individual might be endangered by a physician's or other health care professional's care, we intervene immediately.

8. What are your company's hours of operation for telephonic customer service representatives? For your nurse hotline? For account service?

Advocate4Me is a concierge customer service model that focuses solely on solving the needs of our members across the full spectrum of health care. Available from 8 a.m. to 11 p.m. (ET), Monday through Friday, advocates focus on helping members access care, pay for care, and understand the care that they are receiving.

Through our NurseLine service, members have access to registered nurses 24 hours a day, 365 days a year, to receive symptom decision support, evidence-based health information and education and medication information.

Standard office hours are 8 a.m. to 5 p.m. for your account management team (AMT). However, the hours of individual team members may vary. The caller is connected to a voicemail system after hours or when a team member is unavailable. Team members return calls at the earliest opportunity.

Our standard is to return customer phone calls within 24 hours. If we are unable to completely resolve a request within that time frame, we acknowledge the call and share the next steps that will be taken with the customer.

9. Provide your company's web address and all services available at that site. Provide a demo ID number that will allow navigation through the employee and employer portals.

Our member website is myuhc.com. A temporary login is not required and an unlimited number of users can access the demos at any time. The interactive demo of myuhc.com uses fictitious login and personal information that automatically populates information used for demonstration purposes. Anyone can access the interactive demo and videos anytime at welcometomyuhc.com.

We are committed to providing tools and information that is transparent, relevant, accessible and timely. The member portal is the starting point for members to access the tools and information specific to their plan. Available 24 hours a day, seven days a week, myuhc.com supports and engages members with information that can help them take charge of their health plan, evaluate the cost and quality of the care they receive and make informed decisions around health care options. Health4Me, our primary mobile application, extends the reach of these decision support and budget management tools to mobile members using the same myuhc.com username and password.

Once registered, the tools display information specific to that member's plan design and benefit options and work together to:

- Ensure cost and quality information is readily available.
- Provide cost estimation services with synchronized support available through customer service and our clinical support teams.
- Encourage members to become activated and confident; to be informed and empowered managers of their health, the quality of health care they receive and their health care expenditures.

The mobile app uses the same information that personalizes the member experience when they log onto myuhc.com. Whether accessing decision support tools on myuhc.com or Health4Me, results are relevant to the member. Our members appreciate the user-friendly interface and personalized results that get them to the information they need quickly no matter where they are. Our transparency tools are designed to help members:

- Print a temporary ID card or request a new one on myuhc.com
- Access ID cards via Health4Me to view and share via email or fax to providers at the point of service
- Learn more about benefits and coverage
- Connect to someone who can answer benefits or care questions
- Manage Claims
 - Find out how each claim was processed
 - Note claims to watch
 - Add personalized notes
 - Pay claims online
- Find a provider or facility based on personal preferences and cost and quality evaluation (and send the provider's information directly to a text-enabled cell phone)
- Access the Virtual Visit network for non-emergent care

- Estimate treatment costs and evaluate treatment options based on medical condition or the procedure needed, personal preferences and quality evaluation.
- Manage prescriptions and access pharmacy tools via the Pharmacies & Prescriptions tab (features depend on plan design)

Please visit our demo site at www.welcometomyuhc.com for a hands-on feel of the dynamic tools we have designed to inform and engage members in their health care and health care cost management.

EMPLOYER eSERVICES

Employer eServices is a secure, Web-based application that houses a suite of tools that will streamline specific benefit administration functions for the City of Fort Lauderdale (the City). Simple Web browser technology gives your benefit professionals, human resource representatives and other customer-designated personnel immediate access to your plan's most current eligibility and benefit data. Employer eServices improves communication timeliness, eliminates manual processes and simplifies health care administration—so users can make critical decisions, answer employee questions and resolve problems quickly.

Features available through Employer eServices include:

- Web-based or electronic eligibility management (adds, terminations, reinstatements and changes)
- Electronic billing and payment online customer reports
- Access to our national directory of hospitals, facilities, physicians and health care professionals, or to your customized directory, if applicable
- Access to the Communication Resource Center (Tools for Wellness) section of Employer eServices, a library of templates and other materials you can use to educate employees about wellness topics and the programs and services available to them through their benefit plan
- Access to your claim information in our Claims Status Inquiry feature includes the date and plan of service, the date the claim was processed, the provider, total amount charged and the total amount paid.

A guided tour and site demonstration of our employer portal, Employer eServices, is available at www.welcometoemployereservices.com. No user name or password is needed.

This demonstration site offers two ways to learn more about our Employer eServices website:

- Our interactive site demo provides a click-through, hands-on user experience, where you can try out the site—choosing what you want to learn about and setting your own pace.
- Our self-running guided tour is a narrated, automated tour that takes you through all the features and functions available on Employer eServices.

Also available on the site are topic-specific tours of the Communication Resource Center, a library of templates and other materials you can use to educate employees about wellness topics and the programs and services available to them through their benefit plan, electronic customer reporting, eligibility options and online enrollment.

10. Describe in detail your out-of-area coverage for dependent students attending school. Include your procedures for non-emergency and emergency care including follow-up visits.

We offer an extensive national network, meaning that eligible dependent children, students or spouses living apart from the employee can receive coverage for eligible health care services from a network physician in their area. Members may use myuhc.com to search our directories, or they can call toll-free to the customer care center for assistance in locating network physicians or other health care professionals.

Members also receive the network level of benefits for true medical emergencies, regardless of whether they receive care from a network or a non-network physician or other health care professional.

Today, our network includes approximately six out of every 10 available physicians and nine out of 10 hospitals nationwide. Our network currently consists of over 867,000 physicians and 5,300 hospitals and more than 66,000 pharmacies. Because of the long-term relationships we've built with physicians and hospitals, we are able to offer reliable and competitive costs in all geographies for all products.

As an additional value, we now also offer network coverage through walk-in convenience care clinics, available in over 2,200 locations nationwide, including many retail sites, with no appointment needed.

11. Are there any major changes anticipated over the next 12 months as it relates to your corporate organization, website and/or telephonic services, network access or other improvements as it relates to your proposed program?

While we have made, and will likely continue to make changes to our internal business structures, systems and product lines, these changes are typically invisible to our customers and members. Current customers are rarely impacted by our mergers or acquisitions. We strive to make our service delivery as consistent as possible in order to keep our quality and satisfaction rates high.

MEMBER TOOLS

We regularly update our online decision support tools and evaluate new technology and member and customer feedback to provide a personalized member/consumer experience. Some of the enhancements proposed for pilot or future release include:

- Personalized consumer messaging, reminders and savings tips (based on registered member's claims)
- Consumer ratings on providers and other feedback
- Continued integration of cost transparency components with online provider search results
- Add inpatient and outpatient conditions based on member trends (e.g., searching, medical spend, market direction), including radiology services, office visits, vaccines and surgeries
- Support custom and new network tiering strategies, including place of service
- Appointment scheduling
- Enhanced personalization (adding non-covered people, adding non-participating providers, adding notes)
- Seamless search integration across provider, dental, cost transparency, vision, pharmacy and mental health resources.
- Over time, we may include contextual information that consumers value, including provider photos and practice descriptions.
- Centers of Excellence designation

Release dates for enhancements are movable targets and additional details are available as functionality is implemented. We have several projects in pilot and on our roadmap, and we look forward to sharing these developments with our customers and members as they become available.

EMPLOYER TOOLS

Our Web-based application, Employer eServices was enhanced with streamlined navigation, intuitive design and innovative tools, making it easier for our customers to administer benefits online, access billing and reports, as well as launch workplace wellness initiatives.

These enhancements include:

- Navigation: Simple and streamlined navigation offers the user an intuitive experience.
- Dashboard: A common user dashboard provides one-click access to key functions such as updating an employee's eligibility data, adding a new employee, searching for an existing employee, invoicing, billing and reports.

- **Health and Wellness Tools:** The Tools for Wellness section makes it easy to plan and deploy a workplace wellness campaign, including simple planning tools and hundreds of ready-to-distribute materials that promote specific health topics.
- **Training and Resource Materials:** Tutorials, demos and wellness resources are accessible without logging in.

New releases of the portal are generally deployed quarterly, and business requirements for new releases are developed at least six months before the deployment date.

MEMBER SERVICES - OUR ADVOCATE4ME MODEL

Since its introduction in 2014, the Advocate4Me customer care model has set a new standard for health advocacy. Built on the solid foundation of a system that is fully integrated with our claims, eligibility and customer-specific benefit information systems, Advocate4Me not only incorporates those functions, but significantly enlarges the span of resources available to our members. With Advocate4Me, advocates spend less time directing the system and more time focusing on – and listening to – each caller.

ADVOCATE4ME UPDATES AND ENHANCEMENTS

Advocate4Me has expanded its reach, and now supports 18 million members across our enterprise. The Advocate4Me model itself will continue to expand with these upcoming additional components: Behavioral integration, Rx Lower Cost Alternatives (LCA), Virtual Hold Technology, Click to Chat and Click to Call enhancements. These enriching offerings will not translate into additional cost for our customers.

BEHAVIORAL HEALTH

We've expanded the scope of the benefit advocates' role to support behavioral health benefits and claims questions and referrals, as well as provide general information on behavioral health/substance abuse benefits. When needed, advocates are backed by a team of BH specialists. The member receives an even more efficient, streamlined service delivery model that is inclusive of behavioral health calls. The member benefits from the simplicity of speaking to one advocate for both medical and behavioral health needs using one telephony experience.

Continued deployment of these integrated services is scheduled for completion in 2017.

VIRTUAL HOLD TECHNOLOGY

Launched last summer, Key Account members now have Virtual Hold (VH) technology available to them. When hold times exceed the threshold (currently two minutes) the VH technology communicates the expected wait time to speak to an advocate, allowing members the option to either receive a callback or remain on hold. Advocates receive a new alert on their desktop to indicate that it is a VH call.

How it works...

- A caller who accepts the callback feature will hear simple instructions to enter their callback number and record their name.
- When the quoted time passes, the callback is placed and the member hears the UnitedHealthcare greeting and his/her recorded name upon answering.
- The member must acknowledge the call by pressing 1. *Virtual Hold will not connect answering machines or dead air to the queue. The member must acknowledge the callback.*
- The member is then placed at a high priority in the queue.
- The answering advocate receives a screen pop with the member's information and also an indication that the call is VH. Otherwise it appears as any other inbound call.
- Callers who prefer to wait simply stay on hold.

LOWER COST ALTERNATIVES (LCA)

The LCA initiative drives affordability savings by leveraging a new technology to push proactive LCA recommendations to advocates. The process begins when the member fills a specialty and/or traditional medication at a retail pharmacy or via OptumRx home delivery. The processed claim is sent to OptumRx; LCA opportunities are identified through pharmacy claims, eligibility and benefit plan information. The medication is matched to the LCA target drug list. The system then checks for any member and/or customer opt-outs. The LCA medication and price is obtained, and any applicable cost savings are identified. The opportunity is created and stored in the system.

At this stage the Advocate4Me dashboard (the data anchor) alerts the advocate when the member calls, regardless of the call reason. During the call, the advocate will discuss the LCA opportunity with the member. The LCA discussion and decision will be recorded and sent downstream to be captured for reporting.

LCA opportunities are identified and pricing is refreshed daily. The LCA drug list selection process occurs twice a year (at a minimum) and aligns with Prescription Drug List changes.

Noteworthy features include the following:

- Enhances member experience by proactively providing opportunities to save money
- Provides proactive savings opportunities aligned to member's pharmacy benefits
- Offers consistent messaging across business segments

CLICK TO CHAT

Introduced late year 2015, this new feature enables members to click the Chat icon on myuhc.com to initiate a chat with an advocate. Chat topics include Claims, Appeals, Benefits, Pharmacy, Technical or Other. Roll-out of this feature continues across all market segments (KA/PS, NA) for our current customers, with completion slated by September 2016.

This service is available Monday to Friday, 8 a.m. to 8 p.m., CT, and is currently only supported in English.

How it works...

- Member logs into myuhc.com with member credentials.
- If member's policy has Click to Chat enabled, member will see the Chat icon on all pages of myuhc.com.
- Member selects the Chat icon, then chooses a chat topic: Claim, Appeal, Benefit, Pharmacy, Technical, or Other.
- Agent starts the chat with a greeting and member begins the inquiry.
- Member receives satisfaction survey when chat is complete.

CLICK TO CALL

This service allows members to click the We'll Call You icon on myuhc.com to initiate a callback. Call types include Benefits, Enrollment or Technical. This service is available Monday to Friday, 7 a.m. to 9 p.m., CT, and is only supported in English.

How it works...

- Member logs into myuhc.com with member credentials.
- Member will see the icon on all pages of myuhc.com.
- Member selects the We'll Call You icon, then chooses a topic: Benefits, Enrollment or Technical.
- Member types in phone number.
- Member receives callback within 10 seconds, with no additional authentication required.

- An advocate will make three attempts to reach the member at the number they provided. If the number is incorrect, the member will need to make their request again.
- The call routes to the same advocate level as it would have if the member called the 800 number on the back of his/her card. All routing 'picks up' as it normally would.

We look forward to the continued expansion of Advocate4Me—and how this program can make the health care experience more simple and personal for our members and more rewarding for our employees as they continue to make a meaningful difference in our members' lives.

NETWORK ACCESS

We have the nation's largest single proprietary network with over 867,000 available physicians and 5,300 hospitals. Today, our network includes approximately six out of every 10 available physicians and nine out of 10 hospitals nationwide, making access to our network providers available to 98 percent of the U.S. population. Because our reach is at this level we are refocusing our expansion efforts on programs that increase value and quality. Our ongoing initiatives include the following areas:

- ***UnitedHealth Premium Designation program.*** We will add an additional state to the program in April of 2016.
- ***UnitedHealthcare Core Narrow Network.*** Extensive expansion occurred in the beginning of 2015.
- ***Value-Based Contracting.*** We currently have value-based contracts in place with more than 1,000 hospitals and 100,000 unique physicians participating in our Accountable Care Platform. More than \$45 billion of our network health care spend is tied to value-based contracts across our commercial, Medicare and Medicaid businesses. We expect this figure to increase to \$65 billion by the end of 2018. We will also continue to add ACO programs in the coming years.

12. Please confirm your company's ability to accept payment for administration fees via the City's P-Card program.

We do not accept credit cards as a payment method at this time; however, we do accept checks as a form of manual payment. As a standard method, we collect the initial payment and ongoing monthly payments using direct debit initiated by our organization, which provides an immediate transfer of funds. Direct debit is cost-effective for our customers, as it reduces payment processing time and first-month invoice creation time. We can also accommodate the following payment options for ongoing monthly payments, which may incur an additional cost:

- Online payment remittance through Employer eServices Billing
- Automated Clearing House (ACH)*
- Wire transfer*
- Check

* *If paying via wire or ACH, the electronic remittance must reference the customer number. We also ask that you send a separate notification to the billing department indicating date, amount and items being paid.*

We ask that our billing summary/ statement accompany the payment. If paying via wire transfer or ACH, the electronic remittance should reference the customer number. In addition, we ask that you send a separate notification to the billing department indicating date, amount and items being paid.

ADMINISTRATIVE QUESTIONS

13. Do you agree to have available plan representatives at all open enrollment and informational session meetings upon request?

Yes. We will send plan representatives to help conduct enrollment meetings. Our general guidelines for open enrollment meetings or informational sessions are shown below.

Number of employees – a minimum of 40 employees per site, per meeting is requested for presentations and Q&A sessions where employee attendance is mandatory

Notification time needed to prepare – a 10-day notice is standard for enrollment meetings. All other requests are based on availability.

ADDITIONAL RESOURCES

We also understand the challenge of communicating with employees in smaller locations and can offer the following at no additional cost:

- Teleconferences for smaller locations in which our representatives can answer employee questions and provide employees with information as they enroll for health care coverage
- Live webcast meetings
- Train-the-trainer sessions to prepare benefit professionals and managers to conduct enrollment meetings
- Articles for benefit/employee newsletters

HEALTH FAIRS

The field account manager (FAM) will meet with the City to create a customized open enrollment strategy. Customers may choose to host either enrollment meetings or question-and-answer sessions only, or they may opt to host a health fair. If a health fair is chosen, the FAM will assist the City in selecting topics to focus on, e.g., wellness, myuhc.com member website, smoking cessation, etc. Following creation of the strategy, the AM will suggest appropriate collateral materials, giveaways, etc. Additionally, the FAM will work with City to coordinate a flu shot station, body mass index (BMI) station, etc., which are available for an additional fee.

14. Provide a timeline for a new client implementation. For each timeframe indicated transition tasks, include key milestones, deliverables and responsible parties. Be sure to include the milestones, deliverables and responsible parties to ensure mail delivery of all ID cards before January 1st.

We request an implementation period of 45-60 days to allow for enough time to perform all the steps necessary to accurately set up a customer's benefit plan.

The actual time needed to perform all the steps varies, depending on the complexity of the benefit design, plan structure and size of the customer. During the initial implementation period, the implementation manager (IM) presents the customer with an implementation timeline and discusses key deliverable dates required to achieve an on-time and successful implementation.

Please refer to the Sample Implementation Timeline included in Section 7 of this proposal.

15. How will you communicate with the city regarding the progress of the conversion and implementation effort? How do you propose to make the City's experience easy?

We look at the implementation as an opportunity to make a great first impression on you and your employees. We will communicate regarding the process of the conversion and implementation throughout the process.

We propose to make the City's implementation experience easy with help, communication and technology.

- We will help your benefits team by handling many of the administrative tasks that would otherwise take their focus away from their everyday priorities.
- We will help your employees by providing clear print and online communications and one-call-solves-all access to friendly customer service advocates during open enrollment.
- We will help you by providing quick and easy access to an experienced implementation manager (IM) who will be ready to answer your questions and address issues quickly and effectively.

We listen first then we act.

We take the time upfront to properly assess and learn about your company culture, communication style and on-boarding preferences before we assign an IM. We seek the individual whose skills, qualifications, expertise and customer experience most closely match your requirements, program components and unique company characteristics.

Once assigned, the IM is trained on your specific culture and the nuances of your business. Your IM will serve as the point person during the implementation, providing expertise and value-added services, and ensuring case readiness and customer satisfaction.

Sit back, we'll take care of the details.

After the IM has been assigned and we understand the level of detail that you want to see in the implementation plan, we develop a customized plan. You can rest assured that we have every detail covered and will share as much or as little as you would like.

Regular (weekly if requested) meetings between our team and the City ensure that we are on track for a successful implementation by your effective date. Throughout the course of the implementation, multiple tests and system checks ensure accuracy and your service satisfaction.

Your AMT will discuss ongoing communication, such as frequency of meetings, preferred communication method and issue resolution/escalation process.

Advanced technology at work for you behind the scenes

- We conduct a benefit implementation audit which consists of controlled simulations of claims processing on our system for a series of claim scenarios. The purpose of this audit is to validate that we have correctly programmed your benefit plans and to ensure that there is clarity with regard to benefit intent and interpretation.
- Our standard implementation process contains internal quality checks and processes to help ensure cases are built according to your requirements. In addition, 100 percent of our customer implementations are audited by an independent quality team within UnitedHealthcare.
- We have a dynamic inventory management system that provides management with transparency every step of the way. We also hold daily meetings to review current inventory and escalated issues.

A seamless transition to your account management team

Once the implementation is complete, typically 31 days following the case-ready date, responsibility for serving the City shifts from the IM to your AMT, which consists of a strategic account executive (SAE), an account manager (AM) and a dedicated client service manager (DCSM). The SAE is responsible for acting on your behalf to design, develop and deploy optimum solutions by leveraging expertise and resources throughout our organization. The SAE and the AM cooperate to assess customer-specific trends, develop tactical solutions and maintain the highest levels of service. The AM and DCSM work together to resolve service-related requests.

Best in class dedicated service

- In our most recent study, we scored best in class as a dedicated or designated service provider.
- Quick response and issue resolution were the key reasons for high satisfaction.
- Customers rated us higher on courtesy and respect.
- Our DCSMs were top-rated on being well trained on products and services.
- First-time issue resolution was another competitive advantage
- Customers also rated our ability to resolve issues within the expected time frame significantly higher than our competition.

Continuous improvement

Once the implementation is complete, we send an implementation survey to you to obtain feedback on the AMT and on key components of the implementation. We use customer feedback to recognize good performance and identify improvement opportunities. We never stop taking feedback from our customers and we are always looking to evolve our AMT and implementation process.

Together we look forward to a successful implementation process that will be the beginning of a long and mutually beneficial relationship between the City and UnitedHealthcare.

16. In order to complete Open Enrollment, specify what services/resources are you willing to commit to after award prior to contract effective date.

Your assigned account management team will help guide you through the open enrollment process. We will send plan representatives to help conduct enrollment meetings. Our general guidelines for open enrollment meetings or informational sessions are shown below.

Number of employees – a minimum of 40 employees per site, per meeting is requested for presentations and Q&A sessions where employee attendance is mandatory

Notification time needed to prepare – a 10-day notice is standard for enrollment meetings. All other requests are based on availability.

ADDITIONAL RESOURCES

We also understand the challenge of communicating with employees in smaller locations and can offer the following at no additional cost:

- **Teleconferences for smaller locations in which our representatives can answer employee questions and provide employees with information as they enroll for health care coverage**
- **Live webcast meetings**
- **Train-the-trainer sessions to prepare benefit professionals and managers to conduct enrollment meetings**
- **Articles for benefit/employee newsletters**

HEALTH FAIRS

The field account manager (FAM) will meet with the City to create a customized open enrollment strategy. Customers may choose to host either enrollment meetings or question-and-answer sessions only, or they may opt to host a health fair. If a health fair is chosen, the FAM will assist the City in selecting topics to focus on, e.g., wellness, myuhc.com member website, smoking cessation, etc. Following creation of the strategy, the AM will suggest appropriate collateral materials, giveaways, etc. Additionally, the FAM will work with City of Fort Lauderdale to coordinate a flu shot station, body mass index (BMI) station, etc., which are available for an additional fee.

CUSTOMER CARE SUPPORT

We have customer care support available to your employees and their dependents during open enrollment. Employees may use the toll-free number provided during implementation to contact us with open enrollment questions.

The hours of operation for this open enrollment support are Monday through Friday from 8 a.m. to 11 p.m. (CT). Callers dialing the toll-free number before or after these times will receive a message stating the office hours.

17. Does your company have a system to communicate changes in legislation or rules from the federal or state levels regarding the administration of the plan? How do you ensure the City's plan documents comply with all federal and state regulation i.e. HIPAA, FMLA, HCR, CHIPRA, COBRA, etc. on an annual basis?

Yes. New laws impacting our business are disseminated to our relevant business areas. We may provide periodic summaries to our self-funded customers with respect to new laws, or changes to existing laws that impact group health plans.

In addition, we may provide recommendations to our self-funded customers on benefit design changes that are required to comply with certain federal mandates, including the reforms under the Affordable Care Act. There may be a charge for such services. We will not assume the responsibility for a customer's compliance with these laws, which remains a matter to be determined between the customer and its own legal counsel.

We partner with our self-funded customers to ensure that new summary plan descriptions (SPDs) or amendments are developed to respond to ongoing changes in legislation

18. How often is information updated on your website?

Our member tools and mobile applications are integrated and access multiple core systems. Updates to those systems vary by function. For example, claims data on myuhc.com is updated nightly and members can view claims as soon as the information is submitted and the data has been refreshed.

The online provider search tool is refreshed weekly, and changes would be reflected in the next refresh based on when the change becomes effective.

Some member changes are reflected in real time. For example, members can make changes to certain information (e.g., update email addresses or update coordination of benefits information).

19. How frequently do you conduct plan member satisfaction surveys?

We use the following member survey tools as a means to regularly monitor member satisfaction:

- **United Experience Survey:** Our post-call United Experience Survey (UES) is a standard call selection for every call to customer care. Callers choose to opt into the survey before being connected to an advocate. After the call is completed, the member stays on the line and participates in a brief survey. Our advocates serve as educators, helping members access value-added programs. They take ownership of the member's situation and stay involved – as necessary – until the issue is resolved. Overall member UES satisfaction scores are currently at 95.4.
- **UnitedHealthcare Claimant Satisfaction Survey:** We also conduct an annual telephonic assessment of members who have submitted a claim to us. Satisfaction levels are measured through the question: "Overall, how satisfied are you with the way UnitedHealthcare administers your medical health insurance plan?" Results from our members have exceeded 80 percent for the past five years, as shown below.
 - 2015 – 86 percent
 - 2014 – 87 percent
 - 2013 – 87 percent
 - 2012 – 88 percent
 - 2011 – 89 percent
- **CAHPS:** This annual satisfaction survey is a collaborative effort between UnitedHealthcare and the Center for the Study of Services, an NCQA-certified survey vendor. CAHPS measures member satisfaction with health care services and plan administration, at the health plan or state level. For the 2015 survey, respondents were asked about experiences with their health plan in 2014, including getting care, finding information in written materials or online, how much to pay for services, customer care, claim timeliness and accuracy.
 - For all self-funded plans and fully insured PPO plans, more than 59 percent of respondents rated their 2014 health plan an eight, nine or 10 (using a one to 10 range, with 10 as the best score).

MEASURING CALL QUALITY

Our customer care centers use end-to-end call audits to ensure telephone customer care quality. We randomly audit up to five calls (roughly 2 percent) for each advocate throughout the month, and conduct quality feedback and coaching sessions to reinforce the goal of customer care excellence.

CRITERIA AND CORRESPONDING WEIGHTS

- **Issue Resolution (20 pts)** – handles issue correctly, provides accurate and complete information
- **Positive Engagement (20 pts)** – takes accountability for resolution, listens and responds with empathy/compassion, builds trust through integrity and positive interaction
- **Verification, Privacy, Alerts and Triggers (20 pts)** – follows verification/privacy requirements, handles alerts and triggers appropriately

- **Business Requirements (20 pts)** – follows appeals/grievances and mandated Medicaid process and policies
- **Documentation, Internal Procedures and Education (20 pts)** – follows documentation and commitment requirements and complies with internal procedures

Our ongoing random audits help ensure your members receive the highest quality customer care service at all times.

NATIONAL RESULTS

Call Quality Standard	Actual Results		
	2013	2014	2015
95%	96.8%	99.2%	98.5%

		COMPLY/AGREE YES/NO*	COMMENTS/EXPLANATION *If you answer NO, briefly explain why
GENERAL INFORMATION			
20.	Will you assign a dedicated full-time onsite customer service representative?	Yes.	
21.	Is your company capable of providing online access for the purpose of determining member eligibility and claim status and to initiate enrollment changes?	Yes.	
22.	If enrollment changes are made, are changes effective in real time or is there a delay (specify time for both medical and pharmacy)?	See explanation.	<p>Eligibility updated via our Employer eServices online portal is made in real time to our eligibility system. Claims and member services systems will be updated within 24 to 48 hours as we rely on overnight batch feeds to our other internal systems. If eligibility is being updated electronically via our eligibility system, the updates will be made within 24 hours of receipt of a clean file.</p> <p>Scheduled electronic eligibility files overlay all existing eligibility records; therefore, to ensure that our eligibility information is updated and accurate at all times, your internal systems should be updated when submitting changes through our eligibility system.</p> <p>We encourage you to perform eligibility updates using Employer eServices. With Employer eServices, employee eligibility data</p>

		<p>can be entered from your computers directly to our eligibility system. New employees can now be enrolled in a matter of minutes, not days or weeks. Updating a member's information—changing an address, adding a dependent or updating a status—can also be done quickly and easily. To ensure that our eligibility information is updated and accurate at all times, it is important for you to update your internal systems when submitting eligibility changes via Employer eServices between electronic submissions.</p> <p>We generally receive eligibility data from our customers via Secure Internet File Transfer Protocol (SFTP). SFTP uses an Internet connection rather than a mainframe-to-mainframe connection. Internet SFTP is a fast, efficient and secure way to transfer both large and small amounts of data electronically.</p>

GENERAL INFORMATION

23.	Is your company willing to actively recruit specified providers currently utilized by City members that are not currently in your network? Describe your efforts to recruit, including an estimate of the number of days from initial contact to contract completion.	Yes.	The average time it takes to contract and credential an individual physician or group of physicians is 90 to 180 days. The time it takes to target and contract with a hospital will vary. Hospitals generally require significant negotiation prior to final contract execution. In addition, the facility must go through the credentialing process. Key provider information and contracted rates must also be added to our network database before the hospital, physician or other health care professional is considered a network provider.
24.	Does your company anticipate any changes in your physician and hospital networks in 2017 other than normal turnover? If yes, please describe these changes in general.	No.	
25.	Is there any pending litigation regarding your firm as it relates to your proposed services? If so, please list the nature, date and amount of damages requested.	Yes.	<p>We can share some general comments about our litigation history; however, for confidentiality reasons, we are unable to disclose detailed information.</p> <p>In providing health benefit services and claims administration services, we have been involved in litigation. The majority of suits are brought by those seeking to challenge benefit decisions, or to allege liability for malfeasance of some nature.</p> <p>Our law department conducts an initial assessment of each suit filed against us, and recommends whether the matter should be resolved or referred to local counsel for defense. Many of the suits against the company are resolved by settlement or by dispositive motions. None has had a known,</p>

			material impact on our businesses or practices.
26.	Is your company under review or currently subject to sanctions from the state health insurance department or consumer protection agencies in any state in which you service clients? If yes, please provide details including any corrective action taken.	See explanation.	In the ordinary course of business, we have occasionally had fines assessed against us by state or governmental agencies or authorities. To the best of our knowledge, none of these fines have been material or significant to our business. For confidentiality reasons, we do not disclose specific information regarding any fines levied against our organization.
27.	Has your claims department been audited by a third party for accuracy and security? If yes, how recently and what type of audit(s)?	Yes.	<p>Annually, Deloitte & Touche, LLP (Deloitte), our independent public accountants, perform a comprehensive examination, including testing, of our general procedures and controls related to our claim administration transaction system. The examination includes all critical processes and systems, including claim adjudication, provider installation, enrollment and quality management.</p> <p>Details of the examination, together with Deloitte's opinion as to the effectiveness of our procedures and controls, are reported in a Statement on Standards for Attestation Engagement No.16 (SSAE16) report. We will provide the report upon request.</p> <p>During the annual review and scoping, customer feedback is considered. However, UnitedHealthcare makes the final decision as to the frequency of the report, scope of the report and the report coverage date. Our most recent audit results became available on</p>

			December 15, 2015 for the timeframe January 1, 2015 through October 31, 2015.
28.	In the event of termination, is your company willing to provide specific disease management utilization information for the purpose of transitioning DM members from your program to the newly selected program with the appropriate authorizations?	Yes.	
29.	Can your company's utilization reports provide comparisons between the City's utilization data and regional norms?	Yes.	
30.	Between re-credentialing cycles, do you conduct ongoing monitoring of practitioner sanctions, complaints and quality issues?	Yes.	
31.	Proposer agrees that no minimum participation requirements will apply to any proposed plan.	Yes.	
32.	Proposer agrees to meet quarterly with City staff to review the status of the disease management and wellness programs.	Yes.	
33.	Will your company attend meetings, at least quarterly, to review plan performance and ongoing service issues?	Yes.	
34.	Proposer agrees to provide a Summary Plan Description (SPD) within 90 days of effective date.	Yes.	If we are awarded the customer's business, we produce a draft administrative services agreement (ASA) within weeks of receiving the new business award. With respect to member materials, including summary plan descriptions (SPDs), the timing is contingent upon the number of plan designs offered, existence of a current SPD to use as a source of design information (provided it is not anticipated the plan design will change), and whether the customer prefers to use our standard SPD. If we use our SPD template, a draft is created within 60 business days of receiving final sign-off on our benefit template document. The benefit template is a detailed

			analysis of coverage requirements, limitations and exclusions.
35.	Proposer agrees that no commission or remuneration of any kind is included in the quoted premiums or will be paid out in connection with the bid proposal.	Yes.	

OPEN ACCESS PLANS (HMO & POS)

36. What is your company's current average length of stay for hospitalization for your proposed network located in Broward, Palm Beach, Miami-Dade, Martin and Monroe Counties?

Currently, our average length of stay for hospitalization is 4.31 days nationwide.

37. Who is financially responsible if a network only physician refers to a non-network provider?

Our standard physician contracts require network physicians to refer members to network physicians, hospitals and other health care professionals, unless otherwise authorized by UnitedHealthcare. Members seldom need to go outside the network because our networks are already broad and contain needed services and an adequate number of high-quality providers.

However, if the recommended medical service or specialty is not available in our current network, then we may approve non-network services to be paid at the network level of benefits. The member's network physician works with our care management representatives for approval of any non-network services. These situations are reviewed on a case-by-case basis.

Please keep in mind that our UnitedHealthcare Choice Plus plan provides both network and non-network benefits. Therefore, non-network services not authorized by UnitedHealthcare are still eligible for payment at the non-network level of benefits under the UnitedHealthcare Choice Plus plan.

	COMPLY/AGREE YES/NO*	COMMENTS/EXPLANATION *If you answer NO, briefly explain why
OPEN ACCESS PLANS		
38.	Does your company contract with a separate company to provide lab tests and durable medical equipment? If yes please provide the name of the company(ies).	Yes. We have a national agreement with one of the largest national clinical laboratory service organizations in the country, Laboratory Corporation of America (LabCorp). LabCorp is a national leader in laboratory services and provides the full scope of laboratory services, including routine blood work, esoteric tests, pathology services, infectious disease, oncology, allergy, toxicology and genetic testing and counseling. Currently, LabCorp offers more than 4,400 types of laboratory tests and processes more than 360,000 specimens daily for 220,000 physicians and other customers.

			<p>Our agreement with LabCorp as a leading national provider, in combination with our extensive network of more than 1,500 other regional and local laboratory services providers and our national network of specialty and genetic testing laboratories, offers our customers and members an optimal combination of network affordability, quality, usability and access.</p> <p><u>DURABLE MEDICAL EQUIPMENT</u></p> <p>We have national, multi-site contracts with a variety of durable medical equipment (DME) vendors, including:</p> <ul style="list-style-type: none"> ■ Advanced Respiratory (aka Hill-Rom, The Vest Company) ■ Animas Diabetes Care ■ Apria Healthcare ■ Arriva Medical ■ Bioventus ■ Breast Pumps at Target ■ Byram Healthcare ■ Cardionet ■ Centrad healthcare ■ DJ Orthopedics ■ EBI, LP (BioMet) ■ Edgepark Medical Supply
--	--	--	--

			<ul style="list-style-type: none"> ■ ElectroMed ■ Electrostim Medical Services ■ EMPI ■ Genadyne Biotechnologies ■ Gordian ■ Hill-Rom ■ KCI USA ■ Liberty Medical Supply ■ LifeWatch ■ Lincare ■ Linkia Hanger ■ McKesson ■ Medline Industries ■ Medtronic – MiniMed ■ Orthofix ■ Otto Back Orthopedic Services ■ RespirTech ■ Roche Insulin Delivery Systems ■ Rotech ■ Wheelchair Professionals ■ Zoll Lifecore ■ Zynex Medical <p>In addition to the national DME providers, we also contract with multiple local DME providers throughout</p>
--	--	--	--

			the country.
39.	Are physicians required to exclusively order testing, labs and durable medical equipment through network providers?	Yes.	
40.	If your company contracts with a company to provide lab services, are members required to use that lab service if the participating physician's office has a lab?	See explanation.	<p>Network physicians are required to refer laboratory services to a participating laboratory provider in our network, except as otherwise authorized by us. We maintain a robust network of national, regional and local providers of laboratory services. These participating laboratories provide a comprehensive range of laboratory services on a timely basis to meet the needs of the physicians participating in our network. This network's vast size ensures physicians will have no difficulty locating and using a network laboratory.</p> <p>In the unusual circumstance that a specific laboratory test is required for which no participating laboratory appears to be available, physicians are instructed to contact us to confirm that the specific laboratory test is covered. We then work with the physician to assure that covered laboratory tests are performed, even if that means the use of a non-participating laboratory.</p> <p>We do not expressly prohibit physicians from owning or having financial involvement in outpatient facilities such as laboratories or ambulatory surgical treatment centers, or with other specialists or other health care professionals. As needed, network providers are contractually obligated to use reasonable efforts to direct members to network facilities, specialists and</p>

			other health care professionals. Our standard contracts also stipulate that network providers will abide by all applicable federal and state laws and regulations, including but not limited to federal Stark and anti-kickback laws and regulations.
--	--	--	---

CASE MANAGEMENT

41. Describe the circumstances under which case management is engaged. Is it based on diagnosis, paid claim amount or both? Be specific.

Our referral mechanisms allow us to identify members early; in fact, we often identify members before they access health care services and before any health care expense. The criteria for case management are product-driven and include both diagnosis and paid claim amount, along with the following methods:

- **Our eSync platform—More than 930 rules that drive a future risk score**
- **Hospital Discharges—Members identified at risk for readmission per our proprietary risk scoring tool and readmission eSync intelligence rules**
- **High-cost Claimants—\$50,000 or more in claims within a 12-month rolling period**
- **Health Survey—Self-reported high inpatient and high emergency room use**
- **NurseLine—Select diagnoses with immediate plan for urgent care or emergency room use**
- **Notifications/Precertification—Home health care (HHC) more than 20 visits, requests for private duty nurses (PDN), network or non-network intravenous immunoglobulin (IVIG), durable medical equipment (DME)**
- **Direct Referral—Self-referral and referrals from other sources, such as the health care provider**

42. What are the criteria for members to be discharged from case management?

Our case management program supports members by developing individual treatment plans and tailored goals. We drive length of engagement by the health care needs of the individual. Assessments and interventions continue until the identified gaps in care have been resolved (the identified opportunities may be confirmed) and the participant has successfully achieved the mutually agreed upon health care goals outlined in the plan of care.

Cases can also close successfully if the member no longer requires intervention after assessment and first call (this may be the situation for transitional case management calls).

		COMPLY/AGREE YES/NO*	COMMENTS/EXPLANATION *If you answer NO, briefly explain why
CASE MANAGEMENT			
43.	Are there any types of cases the case management program does not manage? If yes, describe.	No	
44.	Is the case management/utilization management function a part of your company or is it subcontracted to a vendor?	Yes	Our case and utilization management functions are provided internally by our own employees.

TPA SERVICES

Claims Administration

45. Describe your internal claim audit function.

A description of our internal claim audit function is below.

The National Claim Quality Review Program is our comprehensive program powered by Smart Audit Master (SAM). SAM is a powerful, Web-based tool designed to boost front-end claim quality.

SAM provides reliable measurement data and supports operations to continuously improve the quality of our claim service. The comprehensive program with distinct elements is designed to:

- Provide a consistent process for measuring the quality of claim processing
- Satisfy internal and external performance reporting requirements
- Facilitate continuous quality improvement and defect reduction

COMPONENTS OF THE NATIONAL CLAIM QUALITY REVIEW PROGRAM

STATISTICAL REVIEW

SAM selects daily samples for the Statistical Review Program. The Statistical Review Program:

- Provides a baseline measure of performance for offices, teams and customers
- Provides statistically reliable results with a high degree of precision to satisfy both internal and external reporting needs
- Supports performance guarantee reporting
- Monitors improvement over time
- Provides data for the individual transaction specialist accuracy review
- Identifies opportunities for improvement
- Facilitates prompt individual feedback
- Enables rapid corrective action

INDIVIDUAL TRANSACTION SPECIALIST ACCURACY REVIEW

The purpose of this review is to:

- Provide individual feedback on performance
- Identify opportunities for improvement
- Enable rapid corrective action

FOCUSED RETROSPECTIVE REVIEWS

Focused audit reviews are conducted on problematic areas identified through our other quality review processes. The purpose of focused audit reviews is to:

- Examine transactions for specific problematic topics to identify patterns and root causes
- Enable development of targeted improvements
- Improve individual transaction specialist performance through additional reviews, remedial training and intensive coaching
- Examine high-dollar transactions to minimize financial risk
- Enable development of targeted improvement

CLAIM QUALITY REPORTS

Data from SAM statistical grading, baseline grading and sample grading are compiled and presented in various online quality reports. We can view these reports on a national, office, division, market, team or individual processor level. The service center management staff and quality leaders analyze these reports to determine the quality and amount of work processed.

CUSTOMER-SPECIFIC AUDITS

We use customer-specific audits to monitor trends and performance for customers that have performance guarantees or other special agreements. These audits identify contract-specific issues, training needs and potential process improvements for the service team. The audits are designed to produce statistically reliable results with a high degree of precision.

COMPONENTS

Quality assurance is more than just inspecting claims for accuracy and reporting quality results. While the activities below may extend beyond the individuals who perform the audits, each of the following activities takes place in the service center. The basic components of quality assurance are:

- **Auditing/inspection** – Includes statistical review, processor review, focused review and high-dollar reviews
- **Provide feedback and coaching** – Our processors receive both positive and negative feedback about performance, and they receive help in areas that need improvement.
- **Initiate error correction** – If an error is identified, the first action should be to have the error corrected. The quality assurance team initiates the adjustment process on any claim where an error is found.
- **Compile trending data** – We compile trending data from the various reviews that are performed to determine what areas need to initiate quality improvements. Trending data is compiled from reviews and other defect correction areas, such as adjustments, telephone calls, check returns and recovery reasons.
- **Analyze data** – We analyze data to determine the root cause of why a problem occurs. The process owners (those who routinely perform the work or have accountability for the work) are included in this important stage so that they can determine the true root cause.
- **Develop recommendations** – The process owners help determine the steps to correct the root causes identified in the analysis stage.
- **Implement preventive recommendations** – Just as the role of quality assurance includes the initiation of adjustment requests to correct a given claim for the short term, quality assurance champions process changes to produce long-term gains in accuracy by preventing the opportunity for the errors to exist.
- **Follow-up on action plans** – Once we choose a course of action, quality assurance keeps track of steps taken, and remaining activities that have not yet been completed, to ensure a successful error reduction project.

STATISTICAL PROCESS CONTROL PROGRAM

Statistical Process Control is used to analyze claim quality, enrollment quality and adjustments. The result will be continuous improvement over time through the ability to systematically reduce variation and exercise greater control over processes.

46. The City currently pays claims through a weekly wire transfer with an imprest account being held by the carrier. If your company is selected to provide TPA services, what is the standard banking arrangement that the City would be expected to follow? Include information on how and when the account is funded and the options available for reimbursement frequency.

An overview of our standard banking arrangement is below.

We will open and administer a demand deposit account (DDA) on your behalf under our tax identification number (TIN) at Bank of America, the bank we use to issue payment of benefits from our check writing/electronic payment bank accounts under the plan. The funding of the DDA occurs from your designated external bank account.

The establishment of the DDA supports claim payments we make on your behalf. We open the account under our tax identification number and retain ownership and control of the account; however, the funds within the account are those of the City and will only be used to fund plan activity. The bank charges us for any costs related to transactions and/or overdraft fees. The cost of setting up this banking arrangement is included as part of your initial administrative services start-up fees. Multiple bank accounts and/or multiple bank plans are subject to additional fees.

We ask you to maintain a minimum unassigned liability balance, also called an imprest balance, to cover the amount of checks cashed and non-draft payments made daily, one banking day prior to assigning the charges to the unique DDA. This balance is used to fund claim payments during the time period between the date on which the claim check is cashed and/or non-draft is charged to UnitedHealthcare and the day on which supporting funds are received from your own external claim funding account. We determine the imprest amount based on the expected daily plan benefit payments, with appropriate adjustments for anticipated non-daily activities (e.g., prescription drug benefits or administrative fee payments), funding frequency and method. We also consider your financial condition when determining the minimum balance. This balance is drawn down daily to reimburse us for the benefit plan payments we have been charged once your liability has been assigned to the DDA.

After issued checks are presented at Bank of America, the bank transmits the daily check presentment file to our treasury system, which then matches them to the original issued checks. This automatic reconciliation process reduces the potential for fraud and banking errors. The matched paid checks are then sent to our banking/funding system for assignment to the various DDAs. The banking system computes the daily amount chargeable to each customer DDA, based on the sum of matched checks, balance to be maintained, non-check/draft adjustments and maximum policyholder obligation offsets (if aggregate stop loss is applicable to you).

Non-check/draft adjustments may include, but are not limited to, items such as state surcharges/assessments, provider federal withholding tax (if applicable), coordination of benefits (COB) settlements occurring after draft issuance, recovery credits, vendor payments, prescription drugs and electronic payments. This calculated amount is charged daily to each customer DDA at the designated bank, to reimburse UnitedHealthcare. Every day, we send a request to transfer funds from your designated external funding bank account to the DDA at Bank of America to cover the amount of funds that must be replenished from the withdrawal from the DDA for the prior business day's liability. This transfer of funds may occur via a UnitedHealthcare initiated wire transfer, also known as a FED 1031 drawdown wire. This is a same-day settlement transfer that is initiated by the bank based on established repetitive wire transfer instructions from us. With this funding method, you enter into an agreement with your own funding bank that allows us to draw on your own designated external funding account. We send a wire transfer request to Bank of America in the morning, and the funds are transferred from the external funding account into the claim funding account the same day. It is also possible to transfer funds using a UnitedHealthcare initiated Automated Clearing House (ACH) debit transfer, which is a second-day settlement transaction. An ACH requires there be no debit block and an acceptable debit limit for UnitedHealthcare's company ID on the designated funding account to allow for the debit to transact.

The key benefit of our banking approach is the cash flow advantage it provides to our customers since our claim funding approach is based on presentments and credits are delivered to the DDA as they arrive. You do not need to fund the claim payments made by draft until the draft is presented to our bank and cashed. This way, you retain the float on these amounts until they are needed. You also do not need to wait until the following month to receive any credits we receive on your behalf. These will apply directly to the DDA, reducing your next funding advice amount due.

REPORTING

We conduct a real-time DDA bank account reconciliation and provide monthly information in a series of standard banking reports and daily online data. You can easily access these reports in PDF format (daily detailed data are in .csv format) through the Employer eServices Customer Reporting portal, after the fifth business day of the month. The PDF reports remain online for 36 rolling months; the detailed data are online for 90 days. These standard reports include:

- **Summary Report** – Displays aggregated charged activity for each work day (the day UnitedHealthcare was charged), and bank day (the day the DDA was charged) of the month
- **Daily Detailed Report** – Lists all gross charges and their associated issued components
- **Net Charge Distribution Report** – Summarizes monthly charged activity and allocation of charges to the DDA
- **Issued Not Paid-Outstanding Detail Report** – Lists all issued check components/items recorded for the month, not presented for payment
- **Aged Outstanding with Stop Payment Placed** – Lists all check components/items aged at 12 months from issue to assist you with the filing of unclaimed property (escheatment). Data are online in .csv format to easily download into your abandoned property reporting/filing process.

We also provide charged claim detail for the current month through Employer eServices. The data, presented in .csv format, are updated daily with the prior day's information. Data are maintained online for 90 days and then removed. Once the month has ended, a PDF file of the information is generated and kept on file for 36 months.

If you desire daily account activity notification as a weekly funding customer, we can provide daily fax and/or email advising of pending transfers from your external funding bank account. The notification can be sent to multiple individuals by either method.

47. Describe your policy regarding claim subrogation. Include fee basis if billed separately from the administration fee.

We provide a fully integrated subrogation solution that protects the customer's rights of recovery. The legal right of subrogation exists only after a claim is paid. With our integrated subrogation service, we assume responsibility for all aspects of subrogation – right of reimbursement or third-party liability recovery – including identification, evaluation, notification to all impacted parties, file management, negotiation and settlement, recovery and electronic fund transfer to the customer's bank account.

TRIGGERS FOR SUBROGATION

Common types of accidents or injuries that trigger subrogation include:

- **Auto accidents**
- **Workers' compensation**
- **Medical malpractice**
- **Product liability**
- **Property liability (homeowners)**
- **General liability**

We administer no-fault automobile claims according to the coordination of benefits (COB) provisions, and workers' compensation claims according to the exclusion in the summary plan description (SPD).

THE IDENTIFICATION AND INVESTIGATION PROCESS

The process begins when we identify subrogation cases by:

- **Accident-related diagnosis codes on medical claims**
- **Telephone or written inquiries from injured persons, other insurers and attorneys**
- **Analytic-driven data matching with national databases**

Once claims are identified, we open cases for investigation. Questionnaires are electronically generated and sent to the appropriate parties. Up to two follow-up letters are sent out if no response is received. Returned questionnaires are reviewed for potential recovery and assigned to analysts. Analysts make contact via phone and mail with the attorneys, insurance companies and enrollees.

Generally, after we have obtained the accident details from the individual, all further contacts by us are made directly to the liability insurer and/or the individual's legal counsel to obtain recovery.

When a recovery is secured, the analyst negotiates and finalizes the settlement with the parties involved. Settlement analysis assesses special circumstances, and determines the proper disposition of recovered dollars. Refunds are sent electronically to UnitedHealthcare. The recovered dollars are posted to the appropriate claim and financial systems and the refund is applied to the customer's account. The subrogation contingency fee – 33.33 percent of the recovered dollars – is deducted electronically. (This fee is all-inclusive and consists of any legal fees, filing fees, witness fees, etc.) The SPD is used to assert the legal rights of the plan and support litigation, should legal action be necessary to secure an equitable recovery. We have developed, and can provide for your review, the plan language we recommend to support subrogation and right of reimbursement activity.

SUBROGATION STAFF

We have provided subrogation services since 1990 and are nationally recognized for our expertise with the identification, management and successful recovery of subrogation claims on behalf of health care services companies and commercial insurers. We have an experienced staff of 300 subrogation professionals to handle all types of subrogation cases. Casework is balanced across offices in Frederick, Maryland; Eden Prairie, Minnesota; Green Bay and Wauwatosa, Wisconsin.

RECOVERY RESULTS

Average recoveries for most self-funded plans range from \$10.00 - \$15.00 per member per year (PMPY) up to as high as \$25.00. In aggregate, we recover more than \$26 million a month for our customers.

COST

There is no fee for subrogation services until a recovery is obtained. Only then is there a contingency fee of 33.33 percent of the dollars recovered. This fee is all-inclusive and consists of any legal fees, filing fees and witness fees. There are no fees if the subrogation attempt is unsuccessful.

We prefer to use our own subrogation service, which is standard for self-funded customers unless you notify us that you do not want this service.

Customers may choose to use an external vendor to provide subrogation services; however, we charge an administrative fee for any documentation or support required (i.e., claim extracts, copies of claims, proof of payment).

48. Please provide a list of reinsurers for which your firm is approved to pay claims.

This is not applicable. Because we actively underwrite both individual stop loss (ISL) and aggregate stop loss (ASL) coverage, we do not contract with independent stop loss insurance carriers.

We work with most major stop loss carriers and can develop an interface with any stop loss carrier that can accept our standards. Reporting to support stop loss reimbursement is provided at no additional charge through our standard reporting package. A higher level of detail can be provided through supplemental reporting, which can be purchased for an additional fee.

49. Describe your procedures for tracking and reporting specific stop-loss claims. What system capabilities do you have for such tracking and reporting?

Customers can track potential stop loss claimants online using our Employer eServices Customer Reporting Solutions tool, which provides preformatted reports with customized sort and selection options. Once produced, the reports can be browsed, stored, printed or downloaded for further manipulation.

Employer eServices Customer Reporting Solutions offers a number of online statistical and financial reports that are useful in tracking large loss claimants, including:

- Large Loss Report

- Detail Payment Report
- Payments by Month Report
- Claim Expense by Size of Payment Report

It is important to note that when we administer the stop loss, there is no need for you to submit stop loss claims for reimbursement. Stop loss claim payments are automatically credited to your bank account when the individual stop loss (ISL) level or the aggregate stop loss (ASL) attachment point is exceeded.

Our standard reporting package may provide the information needed by a third-party stop loss insurer. If more information is needed, we also offer supplemental external stop loss reporting for an additional fee. The reporting meets the requirements of most insurers and supports a customer's filing of individual stop loss (ISL) claims.

50. What is your average length of time to process "clean" claims? The process includes the time from actual receipt to the date an EOB is mailed.

<p>Our corporate standard is to process a <u>minimum</u> of:</p> <ul style="list-style-type: none"> ■ 94 percent of all claims within 10 business days ■ 98 percent of all claims within 20 business days. 	<p>Our most recent national average results were:</p> <ul style="list-style-type: none"> ■ 98.9 percent processed within 10 business days ■ 99.9 percent processed within 20 business days
---	---

We measure the percentage of claims processed within a pre-defined time period as opposed to the average turnaround time for claims.

Our transaction centers continue to significantly increase the number of claims processed in 10 business days while maintaining superior procedural and dollar accuracy rates.

51. a. What is your current backlog of claims in calendar days?

Through the first quarter of 2016, our average backlog is 1.63 days.

b. What is your goal for backlog in calendar days? What provisions or systems do you have in place to assure that you meet your clients' needs with respect to timely claims processing?

We do not identify a goal for backlog in calendar days. Our transaction centers produce daily claim inventory, production and service level reports. These reports monitor the status of each claim from the time it is received to the time the claim has been processed to completion. Managers use this information to identify issues that need to be addressed at a team or office level.

52. Describe any software edits you have in place that automatically flag errors or the need for additional information before a claim can be processed.

We use a variety of payout control initiatives that catch coding errors prior to claim payment. Among them are:

REBUNDLING

A procedure code rebundler module identifies unbundled claims where the physician or other health care professional has incorrectly coded services provided. Specifically, the professional bills for several different services that are part of a more comprehensive service. For example, "removal of tonsils" and "removal of adenoids" are more accurately combined into the one code for "removal of tonsils and adenoids."

Our system performs clinical practice review, before claim payment, to apply uniform billing and medical appropriateness rules to professional claims. We review all outpatient claims, including visits, surgeries, laboratory and x-rays. Automated clinical modules are an indispensable part of claim payment.

Objectives for this clinical practice review are:

- Reduce claim payout for our customers and for us
- Promote consistency by automating manual procedures
- Increase the number of services reviewed (although it is not cost-effective to manually review low-dollar claims, we can achieve substantial savings through this automated review program.)
- Provide automated clinical claim processing before payment, significantly reducing the need for manual nurse review

KEYER ACCURACY AUDITS

We conduct keyer accuracy audits to monitor the accuracy of data entry keyers prior to any data translation by the transaction processing system. Accuracy is calculated using various formulas (e.g., number of fields correct divided by total number of fields).

AUTOMATED SYSTEM CONTROLS AND DETECTION

Our claim system has unique cost-containment features that automatically perform functions such as:

Provision	Completely Automated	Partially Automated	Manual
Deductible calculation	X		
Out-of-pocket maximum calculation	X		
Family maximums	X		
Catastrophic accident/illness	X		
Benefit maximums:			
■ Chiropractic limits		X	
■ Mental health/substance abuse limits	X		
■ Preventive care limits	X		
■ Routine newborn limits	X		
■ Well baby limits	X		
■ Home health care limits	X		
Applying coordination of benefits (COB)			X
Benchmark charge fee application	X		
PPO discount application	X		
History recalculations post-claim adjustments		X	
Unbundling/upcoding prevention	X		
Post-termination benefit cut-off	X		
FSA payments	X		
Duplication claim detection (duplicate charges)	X		
Utilization review requirements (medical necessity of services – notification)	X		
Assistant surgeon fees	X		
Second and third surgical procedures	X		
Benefit waiting periods	X		
Benefit extension periods (COBRA)	X		
Dependent student status	X		
On inpatient claims, the number of days confined against admission and discharge dates	X		
Potential experimental, cosmetic, chiropractic, mental/nervous claims	X		
Reconciles diagnostic code to procedure code for consistency	X		
Negotiated physician arrangements, including specialist referrals	X		

Provision	Completely Automated	Partially Automated	Manual
Workers' compensation benefits (accident and sickness benefits)	X (There is an edit, but we do not pay these claims.)		

Through the system, experienced transaction specialists manage costs using strict system guidelines. Claims that exceed guidelines are automatically flagged for further review. Claims designated as excessive are denied, audited, or receive limited payment.

NON-NETWORK CHARGE DETERMINATION

We offer two options for non-network charge determination:

- **Benchmark Charge Data** – The customer can choose the percentile with this option. The standard percentile is 80 percent in a range from 50 percent to 90 percent.
- **Maximum Non-network Reimbursement Plan (MNRP)** – MNRP is a reimbursement approach for non-network physicians and facilities on covered services. Plan expenses are reimbursed according to standards used in the federal Medicare program.

Customer-specified parameters are loaded onto our claim system as automatic edits.

HIGH-DOLLAR CLAIM REVIEWS

We also conduct high-dollar claim reviews to verify high-dollar claim accuracy. We correct errors before payment to prevent any negative financial or service impact. Audits are performed on all claims with dollar amounts exceeding a transaction specialist's payment authority level. Payment authority is set within our claim system based on internal security guidelines. System safeguards prevent issuance of a check without this review.

53. a. What is your claim accuracy rate over the past 12 months?

Our claim accuracy rate has been 99.7 percent.

b. How do you calculate this rate?

The following outlines our definition of procedural accuracy:

- **Definition:** Percent of claims without non-financial errors
- **Calculation formula:** Total number of claims in the population minus weighted number of claims with non-financial procedural errors divided by total number of claims in the population
- **Standard:** 97 percent

c. How frequently do you calculate this rate? What is your accuracy goal?

Our standard for procedural accuracy is 97 percent. We track metrics on a monthly, quarterly and annual basis.

54. Describe any software or manual procedures you have in place to identify provider fraud or abuse with respect to services, procedure coding, etc.

Our internal fraud, waste and abuse program, can automatically detect fraud and abuse.

Our claim system also has unique cost-containment features that screen claims prior to disbursement, automatically performing functions such as:

- **Eligibility determination**
- **Identification and denial of duplicate charges**
- **Benchmark charge allowance limitations**

- **Appropriate diagnostic categories**
- **Review claims for bundling/unbundling or other inappropriate billing**

Through the claim system, experienced transaction specialists manage costs using strict system guidelines. Claims that exceed guidelines are automatically flagged for further review. Claims that may be considered excessive are denied, audited, or receive limited payment.

Some of the automated edits our transaction specialists receive and use to reduce health care cost include:

- **Duplicate submission detection and investigation**
- **Systematic review and editing of billing for:**
 - **Unbundling/fragmenting of procedures**
 - **Inappropriate service levels coded**
 - **Inappropriate location**
 - **Inconsistencies in coding**
- **Automated clinical review triggered (forwarded to nurse reviewer)**
- **Flagging physicians or other health care professionals who have been identified for prior questionable billing practices**
- **Editing is continually updated to reflect changes in medical capabilities (investigational, non-FDA approved)**
- **Coordination of benefits (COB) editing (known and investigational)**
- **Gender-specific procedures (edited if billed incorrectly)**
- **Compliance with state mandates to ensure penalties are avoided**
- **Benchmark charge allowances**

55. What percentage of services requested were denied due to lack of medical necessity in 2014 and 2015? Of those denials, what percentage were appealed and subsequently approved? Use the following chart to summarize the information. Please describe what types of services are most frequently denied and why these services are denied.

	2014	2015
% Denied	2.7 percent	5.1 percent
% Appealed	1.11 per thousand members per year	1.03 per thousand members per year
Subsequently approved	58.40% upheld	65.70% upheld

We may make denials based on medical necessity and based on what is covered under the plan, per the plan documents. The most common denials are for cosmetic or unproven procedures, as well as for services that require more information so that our medical directors can have peer-to-peer discussions with the treating physician—either to obtain sufficient information to ensure the procedure is warranted, or to discuss an alternative treatment plan that may be more appropriate.

56. Provide a list of all medical services that require prior authorization. What is the average turn-around time as well as the maximum allowed time for providing authorizations?

We have provided a Prior Authorization List as an attachment to this proposal response. We comply with NCQA regulations by adhering to the following time frames for notification of non-behavioral healthcare utilization management decision-making. For non-urgent pre-service decisions, we give electronic or written notification of the decision to practitioners and members within 15 calendar days of the request. For urgent pre-service decisions, we give electronic or written notification of the decision to practitioners and members within 72 hours of the request.

57. Describe the claims appeal role your company will assume including your defense of member claims appeals through Level Two of a grievance procedure for both medical and pharmacy claims.

We are willing to serve as claim fiduciary if this designation is reflected in the plan documents.

The claim fiduciary is responsible for the final decision concerning whether benefits are to be paid under the terms of the plan. If benefits are denied, the claim fiduciary is responsible for providing the required appeal process for claimants. The claim fiduciary has the responsibility to act prudently in the best interest of participants in accordance with the plan documents. The claim fiduciary procedure for reviewing denied claims will be in compliance with the plan, which must comply with ERISA, the appeals process requirements established under the Affordable Care Act (for non-grandfathered plans), as well as regulations issued by the United States Department of Labor (DOL).

The agreement would confer discretionary authority and final claims decision-making on the claim fiduciary, rather than on the customer. There is an additional charge for this service.

Whenever we make an adverse determination, the member and/or his or her physician or other health care professional has the right to appeal the determination within 180 days from the date of the determination. We explain the appeal process to the attending physician or other health care professional or member as part of the notification of an adverse determination. In addition, all written notifications include an explanation of the appeal process, as well as other statements required by applicable state laws.

The following are our operating principles related to the appeals process:

- **A member, his or her physician or other health care professional, including a hospital or a member's guardian or other representative, may request an appeal. All appeals requests must be made in writing, with the exception of urgent care appeals, which can be made verbally.**
- **Generally, we recommend two levels of appeal (pre-service and post-service).**
- **All appeal reviews are subject to applicable, specific state and/or federal regulations and benefit plan language that may supersede this protocol.**
- **A health care professional with appropriate expertise in the field, who was not involved in the original or initial determination or in the review of the previous appeal and who is not a subordinate of the individual who conducted the prior determinations, reviews all clinical appeals.**
- **We will follow state laws regulating internal appeals to the extent state laws are more beneficial to the insured.**
- **The appeals process for the notice of appeal determination will vary based on the type of claim involved: urgent, pre-service or post-service claims. The time frames and content requirements for each are based on the Department of Labor (DOL) claim procedures regulation.**
- **Voluntary appeal reviews (including voluntary external review), if offered, must take place after exhaustion of the internal appeals process. Customers choosing to offer voluntary appeals after the internal appeals process may choose UnitedHealthcare's voluntary external review process or another program of their own.**
- **Internal appeals must be exhausted before the claimant can file suit under ERISA.**

URGENT CARE CLAIM APPEALS

Urgent care appeals are those services that require notification or approval prior to receiving medical care, where a delay in treatment could seriously jeopardize the participant's life, health or the ability to regain maximum function or, in the opinion of a physician with knowledge of the member's medical condition, could cause severe pain. Generally, urgent care appeals are handled orally through calls to our care management department. The date of the call is the date we enter into our care management system, which is used to track required turnaround times under the DOL regulation.

For urgent care claims, we offer one level of appeal, with the notice of appeal determination provided no later than 24 hours after the request, taking into account the seriousness of the member's condition.

For immediately expedited appeals, we give verbal notification of the appeal determination on the same business day the determination is made. We verbally notify the following individuals of the determination: the attending physician or designated representative, member (if not hospitalized) or designated representative and the facility billing or business office, if applicable, or other ancillary provider. We provide a written notification of the appeal determination within 72 hours of the determination and must mail the determination to the above list of persons, as applicable.

PRE-SERVICE CLAIM APPEALS

A first appeal is the initial appeal request for benefit coverage after an adverse determination has been made. First-appeal determinations may authorize the requested care/service(s) or uphold the initial adverse determination and are conducted within 15 days after receipt of the claimant's first appeal request.

A second appeal is a request for benefit coverage made subsequent to a first appeal determination that upheld the original adverse determination. Second-appeal determinations may authorize the requested care/service(s) or uphold the previous first appeal and initial adverse determinations. Second appeals are conducted within 15 days after receipt of the claimant's second appeal request.

POST-SERVICE CLAIM APPEALS

A first appeal is the initial appeal request for benefit coverage after an adverse determination has been made. First-appeal determinations may authorize the requested care/service(s) or uphold the initial adverse determination and are conducted within 30 days after receipt of the claimant's first appeal request.

A second appeal is a request for benefit coverage made subsequent to a first appeal determination that upheld the original adverse determination. Second-appeal determinations may authorize the requested care/service(s) or uphold the previous first appeal and initial adverse determinations. The second appeal is conducted within 30 days after receipt of the claimant's second appeal request.

CONTENTS OF APPEAL NOTICES

The contents of the appeal determination notice include:

- Specific reason or reasons for the adverse determination
- Reference to specific plan provisions on which the benefit determination is based
- The notice of appeal determination also includes the following statements where applicable:
- "You have the right to receive, upon request and free of charge, reasonable access to and copies of all documents, records and other information relevant to your claim." *[Note: All levels of mandatory internal appeal notices contain this statement.]*
- "You have the right to receive, upon request and free of charge, a copy of the internal rule, guideline or protocol that we relied upon in making the non-coverage decision for your claim." *[Note: This statement is only applicable when the benefit determination was based on an internal rule, guideline or protocol.]*
- "You have the right to receive, upon request and free of charge, an explanation of the scientific basis or clinical judgment that we relied upon in making the non-coverage decision for your claim." *[Note: This statement is only applicable when the benefit determination is based on medical necessity, experimental treatment or other exclusion or limit.]*

- "You may have the right to file civil action under ERISA if all required reviews of your claim have been completed." *[Note: This statement should only be used on the last level of appeal permitted by the plan. Appeal levels must be exhausted before a suit may be filed.]*
- "Your plan offers a voluntary appeals procedure. Please contact [name and phone number] if you would like additional information about this process." *[Note: This statement is only required for plans with a voluntary appeals procedure and would be used after the final level of internal appeal.]*
- "Your decision to submit your appeal to a voluntary level will have no effect on your right to any other benefits under the plan." *[Note: This statement is only required upon request for plans that offer voluntary appeals procedures not required by state law.]*

When all appeals have been exhausted, the member, their representative or the health care provider who does not provide additional information when expressing dissatisfaction with a review outcome is able to pursue the grievance process or independent review based on state-specific regulations, as applicable, or based on state laws, as applicable.

Upon request, we can provide an appeals report containing a summary of the number of appeals received, the number overturned, as well as reason codes for the appeals.

We provide quarterly Customer Complaints and Appeals Reports. Reports show the following metrics:

- Total number of complaints and appeals
- Complaints and appeals by type (access/availability, administration, benefit, billing/financial or service/attitude)
- Complaints and appeals summary, including numbers (including appeals or complaints per 1,000 enrollees), types (pre-service or post-service), level (first or second), outcome (overturned, upheld or withdrawn) and dollar value of overturned appeals

		COMPLY/AGREE YES/NO*	COMMENTS/EXPLANATION *If you answer NO, briefly explain why
TPA SERVICES			
58.	Does your company agree to expedite the credentialing process for the physician and nurse's assistant hired by the City's near-site health center?	Yes.	
59.	As the selected proposer, will you comply with the following as it relates to the City's health center?	Yes.	
	a. Electronic transmission of lab data (for biometric import) and Health Risk Assessment completions annually		
	b. Electronic transmission of claims data monthly	Yes.	
	c. Assistance with referrals	Yes.	
	d. Coordination of programs for outreach, wellness and other health services	Yes.	
	e. Quarterly reporting on utilization and unit cost by category including primary care, specialty care, emergency department, hospital inpatient and outpatient and ancillary services. Reports will	Yes.	

	include utilization and per capita costs for members utilizing the health center versus members not utilizing the center and overall.		
	f. Access to the TPA account manager and dedicated onsite service representative to coordinate services, resolve problems and continually improve services to the City of Fort Lauderdale	Yes.	
60.	As the single-source, managed care TPA, do you agree to provide the City with the components listed below?	Yes.	
	a. Comprehensive administrative processes, claims adjudication for health and pharmacy claims, utilization review, managed care and member communications.		
	b. Assertive disease management programs that fully integrate with medical and pharmacy claims data and existing wellness plans and initiatives.	Yes.	
	c. Competitive medical claim discounts.	Yes.	
	d. Pharmacy benefit management using a transparent pricing model, with 100% of the discounted claims and rebates passed through to the City.	Yes.	Transparent pricing model with 100% of discounted claims and rebates passed through to the City at a rebate guarantee of \$72.90 Per Retail/Specialty Brand Script and \$235.50 Per Mail Order Brand Script.
	e. Large local and national provider network(s) with minimal disruption of the existing provider network.	Yes.	
	f. A fully insured Employee Assistance Program (EAP) with convenient access to a diverse and broad network of mental health and substance dependency clinicians for short-term counseling, financial and legal counseling and support, discounts on local work/life services and consultation on critical incidents and any other organization issues that may arise.	Yes.	
	g. Performance Agreement	Yes.	
	h. Minimum discount guarantees	Yes.	
	i. Administrative fee guarantees	Yes.	
	j. Performance service agreements	Yes.	

	k. Ability to continue utilizing the ChoiceLinx Online Benefit Enrollment System with any applicable fees included in the proposed TPA fees.	Yes.	
	l. Management wellness plan	Yes.	
61.	Does your claim eligibility system have the ability to track different addresses for dependents?	Yes.	
62.	Can the City provide City-specific 6-digit ID numbers to be used to identify members?	No.	Customers can also provide us with a numeric, nine-digit alternate identification number to identify members. We encourage you to consult your account management team (AMT) for specific information on how we can accommodate this process.
63.	Does your software have a predictive modeling component? If so, describe it in detail and how and when the City would be provided with this information?	Yes.	<p>Our clinical programs run off our proprietary eSync Platform, which synchronizes multiple health care-management data points and delivers personalized health-management solutions. The platform contains the processes to identify and segment populations through predictive modeling; execute clinically robust, highly personalized health management programs; engage and activate members and providers; and monitor and measure outcomes.</p> <p>Synchronization brings medical histories, personal preferences and lifestyle choices together with health care systems to develop an effective, simple, personalized action plan that creates health care value. By constantly synchronizing data from across populations, the eSync Platform develops a holistic member view and proactively identifies health care opportunities; this results in Total Population Health Optimization. The platform proactively identifies health care</p>

			opportunities daily, identifying potential member health issues and facilitating intervention before major health events occur.
64.	Proposed plan includes a network with national access.	Yes.	
65.	Proposer will process all uncontested claims within 3 business days.	No.	Our corporate standard is to process a minimum of: 94 percent of all claims within 10 business days 98 percent of all claims within 20 business days.
66.	Proposer will assist City and Benefits Consultant with annual FLOIR and GASB OPEB reporting requirements for government entity self-insured plans.	Yes.	
67.	Proposer will exchange all data (file transmission, e-mail, media, etc.) between Proposer, City and designated business associates in an encrypted format that will only be de-encrypted by the specified recipient. In addition, Proposer is required to use a secure venue to exchange files to and from third party vendors outside of the organization. All electronic files will be in the current HIPAA compliant format.	Yes.	
68.	Proposer will provide an employer portal for online access to eligibility, claims and reporting (standard and ad-hoc).	Yes.	

ELIGIBILITY			
69.	The City will determine eligibility for coverage.	Yes.	
70.	The City will collect, determine and maintain dependent documentation and eligibility.	Yes.	
71.	Proposer will accept City enrollment processes, including enrollment form and electronic enrollments, via Choicelinx or other designated enrollment system..	Yes.	<p>Our standard is to accept eligibility data electronically via Secure File Transfer Protocol (SFTP) using one of two file formats: Gateway Standard Format (GSF) layout (our proprietary layout) and HIPAA 834 (government standard). You may also use the Employer eServices online website, at no additional cost, to enter eligibility data directly into our eligibility system.</p> <p>We are able to interface with the City's eligibility and enrollment systems, provided we receive the following eligibility file layouts:</p> <ul style="list-style-type: none"> ■ UnitedHealthcare Gateway Standard Format (GSF)—this is our standard electronic file format that incorporates data fields from the HIPAA-compliant 834 format, as well as our previous standard layouts ■ HIPAA-compliant 834 file format—this is the industry-standard format.
72.	Proposer will accept retroactive enrollments/terminations back ninety (90) days from the eligibility or termination date.	Yes.	
73.	The City must approve any member communication materials prior to distribution. Proposer is responsible for all costs of printing, producing and mailing/distributing adequate quantities of member information. Summary Plan Descriptions and Certificates of Coverage will be available on City website.	No.	<p>We are happy to provide samples of communications to the City for review and approval prior to distribution.</p> <p>Post enrollment, certain member communications and messages may not be as readily available. These may include compliance communications, communications required to administer the employee's benefit plan, and confidential communications produced in accordance with a member's wellness program, care</p>

			<p>management program, clinical program or claims. In addition, the majority of these communications are not customizable due to legal and compliance requirements.</p> <p>We try to print and deliver communications in the most cost-effective way. Therefore, we have guidelines for print and distribution requests:</p> <p><u>PRINTING</u></p> <p>The standard turnaround time for all print production is 10 business days, with the exception of folders and envelopes, which can require up to 10 additional business days. Any requests that would require the production of materials in less time could result in additional charges for the City.</p> <p><u>DISTRIBUTION</u></p> <p>The standard distribution method for all communications is bulk shipping using ground transportation, as it is the most cost effective means of delivery. A standard ground delivery takes seven to 10 business days.</p> <p>Distribution costs will vary, depending on the quantity, weight and shipping method. Any requests that would require the delivery of materials in fewer than seven days could result in additional charges for the City.</p> <p>We typically share the cost to produce and distribute standard communications materials with our customers.</p> <p><u>SUMMARY PLAN DESCRIPTION</u></p> <p>Since we are quoting a self-funded plan, we will provide a Summary Plan Description (SPD) for your website. A certificate of coverage (COC) is not applicable for self-funded plan.</p>
74.	Proposer will provide quality enrollment and informative materials that fully explain the benefits, limitations and exclusions of each plan to participants in	Yes.	

	electronic format. Materials shall meet all requirements of the Affordable Care Act, and must be updated as needed.		
75.	Proposer will provide documents for posting on the City's website or distribution through electronic media in an ADA compliant format.	Yes.	
76.	Proposer will provide assistance, technically and creatively, in the on-going development and preparation of various employee communication materials.	Yes.	
77.	Proposer will provide at Proposer's expense one full-time onsite representative with the ability to travel to other City work sites as scheduled, Proposer will also provide onsite backup when full-time representative is scheduled to be away. Selection of representative will be subject to approval by the City.	Yes.	
78.	Proposer will review and update applicable sections of the City's annual benefit summary book, (currently titled Employee Handbook) to ensure information is compliant with the plan documents.	Yes.	For administrative services provided by our organization, the contract account executive assigned to each customer's account will provide up to two responding reviews of customer-produced summary plan descriptions (SPDs) sent to us to ensure that the customer's description of the benefits matches our administration (particularly claims administration) of the program. Any additional reviews requested by the customer or by its consultant/broker may incur a fee. The contract account executive may involve subject matter experts, as needed. Our company does not perform a legal review of a self-funded customer's summary plan description (SPD), as compliance with ERISA and other federal laws rests with the self-funded customer.
79.	Proposer agrees to provide all the reports requested in Section 4 of this RFP.	Yes, with one exception.	There is no separation of claim type provided through the weekly self-funded invoice banking process; however, we do provide monthly claims utilization by diagnosis through the Select and Expanded-level Employer eServices Customer Reporting (eCR) reporting packages.

80.			
81.	Will your proposed contract allow for an annual audit by the City? List any limitations and specifically address the limits on claims samples and approval of City designated personnel conducting the audit.	Yes.	<p>We are agreeable to an audit provision that affords the City or a mutually acceptable entity the opportunity to audit us once per calendar year to determine whether we are fulfilling our performance under our administrative services agreement (ASA). We permit on-site annual claim processing audits that are consistent with generally acceptable auditing standards, such as a statistically valid, random sample audit that employs acceptable sampling and audit methodologies. Our audit provision provides for the following:</p> <ul style="list-style-type: none"> ■ The time, place, duration and frequency of the audit are reasonable and agreed to by the parties. ■ The information reviewed relates to the calendar year in which the audit is conducted and/or the immediately preceding calendar year, during the term of the ASA, and at any time within six months following its termination. ■ The parties pay for their own audit costs. In addition, The City will pay us for any unanticipated costs we incur, any costs of an audit after termination, and any costs associated with more than one audit per year. ■ A mutually agreeable third party may be allowed or designated to conduct the audit. ■ The audit will be conducted pursuant to agreed-upon confidentiality commitments. ■ We will be given a

			reasonable opportunity to review and comment on any audit conclusions.
82.	Choicelinx Corp provides online benefit enrollment services for the City. As the successful proposer, you will be required to engage with Choicelinx and identify any related costs in the proposed ASO fees.	Yes.	

WELLNESS AND DISEASE MANAGEMENT

83. Describe how your firm would take over and administer the City's management wellness program. Include the procedures your company will follow for monitoring the program and providing incentives and reward to participants for achieving their goals. The current program provides the following:

- a. Completion of a Health Risk Assessment (to be taken on your web portal) and biometric screening (provided through area providers) at the beginning and end of a 12-month period.

We will provide our Rally Health Survey on our website. We offer a variety of Onsite Wellness programs that help members become aware of their current health risks through screening and educational health promotion services. Our biometric screenings measure total cholesterol, high-density lipoprotein (HDL) and ratio cholesterol screening, glucose screening, blood pressure and Body Mass Index (BMI). For additional fee, we can add LDL and triglycerides among many other screenings.

- b. Ongoing telephonic mentoring calls by the carrier's coaches monthly or quarterly, depending on risk stratification.

An initial engagement call is made within two weeks of case identification. Once that call is made, the frequency of subsequent calls is determined by the coach and the member, which is typically within two to four weeks. Sufficient time is included to allow for the member to make behavior changes agreed upon.

- c. Special programs and initiatives provided by the carrier to support smoking cessation, weight loss, exercise and nutrition counseling.

Our Wellness Coaching programs include the following:

- Tobacco cessation
- Weight management
- Diabetes lifestyle
- Heart healthy lifestyle
- Stress management
- Exercise
- Nutrition

In addition, we are also proposing our Healthy Weight program, which is an intensive weight management wellness coaching program that helps members lose weight and keep it off. The Healthy Weight program includes multiple features, such as:

- Up to 10 scheduled telephonic coaching sessions delivered over four to six months
- Unlimited inbound calls and an immediate re-enrollment option
- Direct access to exercise and nutritional experts

- Print and online support materials provided by the coach
- Highly customized and targeted interventions such as tailored activity training plans, specific nutritional plans for those with complicated needs, and plans that address triggers associated with weight gain (emotional, inactivity, poor nutrition, stress, etc.)

d. Individual web portal for each member to access and review their HRA and biometric results as well as general wellness information.

Our Rally web portal/social networking platform includes a login and access for each member, so that their biometric results and wellness information tailored to their needs is easily accessible.

84. Describe how your firm would provide a wellness program to all non-Management employees that would expand and enhance the current HRA and biometric screenings.

Our wellness programs synchronize with programs across our care management portfolio to improve the health of each member, regardless of status—whether they are in good health, living with a chronic condition or trying to live a healthier lifestyle. By leveraging the power of our eSync platform, our programs, including Wellness Coaching, our nurses are able to see a holistic member view, which helps to proactively identify health care opportunities. eSync integrates medical and behavioral information and enables common views for our wellness coaches, nurses and advocates.

Our Wellness Coaching programs integrate with Rally, our premier, web-based portal and engagement tool. Wellness coaches are able to view any biometric screening result the member has, as well as other data provided by their Health Survey, through Rally. While this functionality works best when we are the biometric provider, if there is a desire to use another vendor, we can accommodate such requests.

Rally's design integrates with a variety of services, such as the Health Survey, biometrics, coaching, Challenges and incentives into a single interface across web and mobile formats. Rally is a consistent experience for all members on the plan or off, employees or not, high risk or low risk. Members of different segments are not singled out, and Rally becomes the glue that holds various components together. Members accessing Rally will have an enhanced digital member experience—one that is easy to use, personalized and relevant. Wellness Coaches have access to Rally and can leverage it as an additional support tool when working with members. Members are also able to schedule their next wellness coaching appointment on the portal.

Besides integration with our internal programs, we are able to integrate with external programs and vendors as well. We routinely facilitate referrals in and out of our wellness programs to deliver the best outcomes for our members.

As part of our offering, we would include a wellness portal (Rally) that increases member engagement and rewards for all of the City of Fort Lauderdale employees through our Rally coins. Members will be able to obtain Rally coins, by completing their Health Survey (HRA), as well as by participating in a variety of other Missions and Challenges. These Rally coins are then able to be used by members to enter a variety of sweepstakes for prizes that are fulfilled by UnitedHealthcare at no additional expense to the City.

We are also offering the City of Fort Lauderdale our Real Appeal, weight loss program which would be available to all members over 18 who are covered on the medical plan at no per member per month fee to the City. This ground breaking program takes advantage of a provision in health care reform that allows for an invasive lifestyle intervention (ILI) program to be offered as a preventive service which is covered at 100% to the member. The City of Fort Lauderdale would only be charged a claim for members who are (1) attending the online sessions and (2) on track for their weight loss.

Real Appeal is unique in that it can demonstrate a return on investment (ROI) for a wellness program based on the weight loss that members achieve and their lowered claim risk score. The lowered risk score directly correlates to lowered claims costs which we can directly show for members who participate and lose weight verses those members who do not participate. We have one public sector client in Florida who has implemented Real Appeal with great successes in the number of members participating, their percentage of weight loss and their satisfaction with the program.

85. Provide a method for expanding these initiatives as well as measuring, rewarding, and reporting these activities.

We engage members using a health marketing approach to member communications, rather than the traditional health education approach used by many of our competitors. Health marketing leverages member marketing and behavioral economic principles to motivate members to take action based on insights we identified through extensive member research.

Our communications appeal members' senses, values, emotions and aspirations through messages that focus on how they can make lasting behavior changes that lead to a healthier life. We have also found using social norms as an effective way to influence behavior change.

We measure and report on our Wellness programs as part of our Population Health Report, which integrates the entire scope of experience and value that our clinical management programs have delivered. The report is concise and clear, and simplifies the answer to how we are improving the health and well-being of members and reducing customer cost. This holistic analysis incorporates a wide range of information - from wellness and condition management programs to biometric screening and Health Survey results - to give you a complete integrated view across all benefits offerings, including incentive and reward activity.

86. Describe your organization's dedicated wellness and health promotion internet and communications to employees provided during the term of the contract related to wellness, disease prevention and healthy lifestyles.

We know that effective communication is critical to achieving maximum participation in our health and wellness offerings. That is why we work with our customers, such as the City, who choose to opt in to the communication campaign, to build program awareness and increase enrollment by reaching members at home and in the workplace.

We will provide the City with a member-facing communication offering, at no additional cost, that engages members using various campaign elements, including:

- Email
- Workplace eToolkits using personal URLs (PURLs)

Annual Email Campaign

The City's full population will receive our email series, which includes up to four member email campaigns distributed throughout the year.

Wellness Workplace eToolkit

Engaging members in the workplace offers the City a great opportunity to build a culture of health within your organization. To support this, we offer a robust, turnkey Wellness Workplace eToolkit that includes both print-ready and electronic media options for a variety of promotional tactics to build program awareness in the worksite, such as posters, flyers, table tents, email content and Intranet banner ads. Creative messaging provides members with helpful information so they can act immediately. All of these pieces include the program name and highlight the benefits members will receive.

87. Describe the lifestyle management programs and wellness initiatives available to City members. Address the program's format, costs, completion criteria and ability to link completion with carrier-administered, City-designed incentives.

As part of our Rally digital platform, we currently offer a 3-day, 5-day, 7-day and 14-day walking/running Challenge. As a user walks/runs in real life and tracks their mileage using a device or the Rally mobile app, their distance is applied to a virtual course within one of these cities: San Francisco, Washington DC, Twin Cities, Chicago, New York, Los Angeles, or Tuscany (Private only). Challenges are available to all registered members throughout the year and all users can compete with each other to be the leader.

- 3-day - San Francisco or Washington DC
- 5-day - Twin Cities and New York
- 7-day – Chicago and Las Vegas
- 14-day - Los Angeles

In addition to these Challenges, we also offer individual activities called Missions. Missions are activities that encourage healthy habits by helping members eat better, feel better, move more, and take care of their health. Missions are recommended to each individual based on responses they provide in their Health Survey and help our members begin their journey toward health ownership. With more than 50 Missions, there is something for everyone to try.

We link our Challenges and Missions to our UnitedHealth Personal Rewards incentive program, which encourages your employees to make optimal health care decisions through personalized action plans. The program includes:

- Outcomes, activity and compliance-based incentives, including employer-sponsored incentives
- Personalized health actions

- Mailed and online personalized scorecards that allow members to track their progress and includes appropriate health actions, rewards and rewards earned, earning potential, and health action targets/markers. Mailed scorecards are optional and can be mailed to a member's home up to four times during a program year. Ongoing communications and education to encourage self-care

88. Describe additional wellness and health improvement programs and services that are available and any corresponding charges for such services. Include an approximation of costs of all programs listed.

The wellness programs we offer as core services include Wellness Coaching, our Rally digital engagement platform, our Personal Health Support clinical program, our Condition Management programs for heart failure, coronary artery disease, diabetes and asthma, and our Rally digital engagement platform. Optional services we are proposing include our telephonic Wellness Coaching, our Healthy Weight program, and our Healthy Back program.

Telephonic Wellness Coaching

Our personalized, behavior change Wellness Coaching programs assist members with making healthy lifestyle choices, which can improve their quality of life and enhance workplace performance. Wellness Coaching features up to five outbound calls combined with unlimited inbound calls, generally over a twelve to sixteen week period.

The goal of our Wellness Coaching program is to help members take a proactive and long-lasting approach to health and wellness through modifiable lifestyle changes that serve to decrease or prevent chronic disease and increase productivity. Our Wellness Coaching programs build independence, self-efficacy and self-care skills to help members effectively manage high-risk lifestyle behavior or chronic conditions on an ongoing, long-term basis through telephonic, online and mail-based interventions.

Healthy Weight

As described in question #83, Healthy Weight is an intensive weight management wellness coaching program that helps members lose weight and keep it off.

Healthy Back

Healthy Back is a program targeting low back pain, the largest musculoskeletal cost category. The program offers a unique approach to low back pain management, blending broad program enrollment and human interaction to effectively support individuals with back pain. In addition, the program also provides referrals to high-quality and high-efficiency providers, as appropriate.

We empower individuals to be more proactive in self-care and self-management by addressing back pain across the healthcare continuum, regardless of acuity and risk level. The Healthy Back program attempts to enroll all members with back pain (identified through Health Survey or claims) through telephonic outreach. The Healthy Back program provides participating individuals with education and training on evidence-based treatment modalities, assistance with addressing psychosocial and lifestyle barriers, and other techniques for getting the right services for treatment. The goals of the program include preparing individuals for future back events, raising their confidence in exploring treatment options other than surgery, enhancing their ability to live with pain and keeping their back pain from disrupting job attendance and productivity. The program also offers support for depression or other lifestyle barriers.

To achieve these goals, the Healthy Back team provides clinically based outreach activities. Examples include:

- Member education
- Examples of back exercises and stretching
- Online back resources
- Clinically determined interventions (such as referral to behavioral health provider, condition management programs or other wellness coaching programs)
- Education on other activities to address lifestyle and comorbidity challenges

89. Confirm that your company will provide the required \$87,000 annual wellness allowance (see Section 2 of this RFP).

Confirmed.

		COMPLY/AGREE YES/NO*	COMMENTS/EXPLANATION *If you answer NO, briefly explain why
WELLNESS AND DISEASE MANAGEMENT			
90.	The City has a Management Wellness plan that provides management employees with a \$500 incentive based on completion of the defined activities. Will your company, along with the designated onsite service representative, track the activities of participants and provide a monthly report identifying the members who completed the activities required for incentive payout?	Yes	
91.	Do your services include smart phone applications? If so, please list them.	Yes	<p>The Rally platform is browser based and available on desktop, laptop, tablet, and smartphone devices. Our solution is currently supported on:</p> <ul style="list-style-type: none"> • IE8 and higher • Google Chrome (latest) • Google Chrome (Android) • Mozilla Firefox (latest) • Apple Safari (desktop) • Apple Safari (mobile)
92.	Proposer agrees to provide an \$87,000 annual wellness allowance.	Yes	
93.	Will your company allow the City to roll over unused funds to the following year?	Yes	
94.	Proposer agrees to complete and submit on a quarterly basis 45 days after end of quarter (paper copy and electronic), an Executive Summary Analysis, Dashboard, financial/trend analysis, membership and health utilization summary, high dollar claims, health management and wellness program key indicators, performance standards and guarantee measures, and accounting of completed and ongoing activities. Satisfaction of this requirement will be subject to performance guarantees.	No	<p>We provide quarterly reporting. Because much of Population Health Reporting is focused on outcomes and integrates activity, outreach, value delivered and member behavior modification, it is recommended that a rolling 12-month basis with a three-month claim lag be incorporated. This information would be scheduled for delivery 90 days after the end of the</p>

			three-month claims run out.
95.	Proposer agrees to provide cost and disease prevalence data, technical, creative, financial, clinical and wellness resources and program and performance metrics.	Yes	
96.	Proposer agrees to provide monthly, quarterly, and annual utilization reports broken down by employee, dependents and type of service. Such reports should also include details on the types of illnesses.	Yes	Reporting is delivered on a monthly, quarterly and annual basis. Quarterly reporting is designed to help customers understand their population's health and the activities they are participating in. Quarterly reports typically include program utilization statics, claim spend and trends. Annual reporting includes a more complete analysis of the population's health with a full year of data. Our Population Health Reporting is organized around the three areas our customers have said they want to understand as they review reports: population profile (demographics, health status, spend and trend); engagement (for the population profiled, the extent to which they are engaging with available health and wellness resources), and impact (the extent to which the engagement is having an impact on both on the health and medical spend for the population).
97.	Proposer agrees to provide full monthly electronic claim extract files to any City designated vendor who has completed a BAA agreement within 20 days of the end of a month. There shall be no additional fees associated with the production of the extract files. Please indicate when the file will be available (i.e., how many days following the end of the month)	Yes	
98.	Proposer agrees to provide a wellness portal on the member webpage where members can access an online wellness program including a Health	Yes	

	Risk Assessment tool.		
99.	Proposer agrees to implement, at a minimum, the following six (6) disease management programs: Asthma, Chronic Obstructive Pulmonary Disease (COPD), Congestive Heart Failure (CHF), Coronary Artery Disease (CAD), Diabetes and Hypertension.	Yes	Hypertension is included as part of our Care Management program.

NETWORK

100. a. How do you measure provider performance and quality - be specific and transparent in logic and rating scale?

The UnitedHealth Premium physician designation program recognizes providers who meet standards for quality and cost efficiency. The UnitedHealth Premium program is designed to support patient care and help members make informed, appropriate choices for their medical care. The program uses a transparent methodology and data sources grounded in evidence-based, medical society and national industry standards to evaluate physicians across 27 specialties.

The Premium program uses national industry, evidence-based and medical specialty society standards to evaluate physicians across 27 specialties to advance safe, timely, effective, efficient, equitable and patient-centered care. Evidence-based standards for care exist for all 27 specialties, representing the greatest opportunity to reduce variations in care quality and cost. Physician designations for the 27 specialty areas of focus are currently available across 163 markets in 43 states, making this the most expansive program of its type in the industry.

The program consists of both quality and cost efficiency evaluations with quality serving as the primary measurement. This emphasis on quality demonstrates our commitment to evidence-based practice as only those physicians who meet quality criteria or who do not have enough data to assess quality are evaluated for cost efficiency. The results of these quality and efficiency evaluations are used together to determine a designation result that we display on UnitedHealthcare's public websites.

- Quality evaluations compare each physician's observed practice to the UnitedHealthcare national rate among other physicians who are responsible for the same interventions. The quality standards are based on evidence-based medicine and national industry guidelines.
- Cost efficiency evaluations compare each physician's health care costs to the case-mix adjusted costs of peers in the same specialty and market. The cost efficiency standards are based on local market benchmarks for the efficient use of resources in providing care.

QUALITY STANDARDS

The clinical quality measures consist first of the National Quality Forum's NQF-Endorsed measures when available for the conditions being evaluated, and in accordance with the principles of the Consumer-Purchaser Disclosure Project's Patient Charter. Consistent with the Patient Charter, those measures are supplemented with others as necessary to evaluate clinically important conditions and specialties. Additional measures are developed using published literature and information from organizations such as the following:

- The AQA Alliance (formerly the Ambulatory Care Quality Alliance)
- The National Committee for Quality Assurance (NCQA)
- American Medical Association Physician Consortium for Performance Improvement (PCPI)
- Specialty societies relevant to a specific disease and clinical condition
- Government agencies
- Other national expert panels

A physician's quality outcome is determined by comparing the number of times their patients received the recommended care with a benchmark number based on the UnitedHealthcare national rate of the same recommended care for each quality measure. Physicians must perform at a level that meets or exceeds the equivalent of the 50th percentile performance for all physicians measured to meet the quality of care criteria.

COST-EFFICIENCY STANDARDS

The evaluation of physicians for cost efficiency uses population cost and/or episode cost measurement as appropriate depending on the specialty being assessed. Population cost measurement is used for the cost efficiency evaluation for both primary care physicians and for select specialty physicians. The cost efficiency criteria are met when a physician has a lower population cost result. or a lower episode cost result.

For population cost measurement, patients are attributed to no more than one eligible physician within each specialty category. An annualized risk-adjusted cost record is created for a patient within each specialty category. The physician's annualized risk-adjusted patients' costs are organized into sets of patients from other physicians according to the same types of patients.

For episode cost measurement, Episode Treatment Group (ETG) and Procedure Episode Group (PEG) software generate episodes of care and allow for case-mix and severity adjustments. Episode costs are attributed to a single responsible physician. The physician's actual costs are organized into sets of costs from other physicians according to the same types of cases and severity levels.

For both episode cost and population cost measurement, the physician's costs within each set are evaluated against their peer group's costs by ordering the costs from lowest to highest cost. The costs are converted into percentiles to allow comparison across different types of cases or patients. Then the outliers are removed. Sets of comparable costs for all peer group physicians are combined and ranked from lowest to highest percentile. If the sample size is adequate, the Wilcoxon rank-sum test is applied to determine the statistical significance of the individual physician's ranks compared with their peer group's rank at the 75th percentile cost level (the boundary of the highest quartile of costs.) An overall cost efficiency outcome is assigned based on the population cost/episode cost process.

- b. What metrics do you make available to members to identify and select "high performance / efficient" providers?

Our online Directories of Physicians and Health Care Professionals are designed to help people easily locate our network physicians, hospitals and other health care professionals. Members can access the online directory by logging onto myuhc.com, and then search for physicians. All results will list physicians with UnitedHealth Premium designations first. Physicians with these designations are recognized for their performance against national quality and market cost-efficiency standards.

Doctors who have met the criteria for quality and/or cost efficiency could have one of these four UnitedHealth Premium designations. These are shown on myuhc.com and in provider directories.

- Quality & Cost Efficiency
- Cost Efficiency & Not Enough Data to Assess Quality
- Quality & Not Enough Data to Assess Cost Efficiency
- Quality & Did Not Meet Cost Efficiency

Physicians will receive an additional Tier 1 symbol indicator when they receive the designation for

- Quality & Cost Efficiency OR
- Cost Efficiency & Not Enough Data to Assess Quality

Physicians who have met criteria established by NCQA for excellence in heart/stroke or diabetes care are also indicated. We also indicate if the physician is board-certified.

- c. What incentives do you offer providers that meet your performance criteria?

We do not change the contracted reimbursement rate or methodology when physicians are designated by the UnitedHealth Premium program. However, providers who receive UnitedHealth Premium program designation are recognized for their expertise and promoted on our member website, myuhc.com, and through personal support touch points such as customer care, NurseLine and Personal Health Support. As such, we anticipate that they will receive a greater market share of the patient base. The incentive of added patient volume will be further enhanced as more members migrate to benefit plans that offer a lower out-of-pocket cost for use of a UnitedHealth Premium physician.

101. Describe any Accountable Care Organizations currently included in your proposed network(s).

We are currently involved in nearly 60 Accountable Care Organizations (ACOs) in the following states across the country. The list of participating organizations includes:

■ Arizona

- The Southern Arizona partnership is designed around Arizona Connected Care (ACC), which includes Tucson Medical Center and independent physicians in the community. This ACO program is currently available to Medicare business and available for both self-funded and fully insured commercial business on our UNET platform and was effective in May of 2013.
- Arizona Care Network located in Phoenix is a physician-led and –governed clinically integrated network of more than 2,300 doctors, nine hospitals and numerous health care partners statewide. This partnership which launched in May of 2014 is available to fully and self-insured customers on the UNET platform.
- The Banner Health Network in the Phoenix area includes 3,000 health care providers and 13 hospitals. This ACO collaboration which began in July of 2014 is available to fully and self-insured customers on the UNET platform.
- Commonwealth Primary Care is located in Maricopa and Pinal counties and surrounding areas. This ACO relationship is UnitedHealthcare's first primary care, physician-led ACO in Arizona. It is available to both fully and self-insured customers on our UNET platform and was effective in November of 2014.

■ California

- The Palo Alto Medical Foundation is a physician group that is part of the Sutter Health system serving the San Francisco Bay area. This ACO program, launched January of 2012, is currently available to selected self-funded commercial customers on our UNET platform.
- Monarch is a physician group based in Southern California. The ACO collaboration began in January of 2014 and is available for both self-funded and fully insured commercial business on our UNET platform.

■ Colorado

- New West Physicians is a leading primary care group practice and medical management company with 65 physicians and 16 physician assistants and nurse practitioners at 16 office locations throughout the Denver metro area. The ACO collaboration was effective April of 2013 and serves both fully and self-funded customers on the UNET platform.
- Centura Health, located in the Denver area, is a provider network of more than 2,500 employed and independent affiliated physicians. The ACO collaboration was effective July of 2014 and is available to both fully insured and self-funded customers on the UNET platform.
- Primary Physician Partners is a primary physician group located in the Denver area. The ACO partnership was effective in December of 2013 and serves fully insured and self-funded customers on the UNET p
- South Metro Primary Care is a primary physician group also located in Denver. The ACO collaboration was launched in December of 2013 and is available for fully insured and self-funded customers on the UNET p

- **Connecticut**
 - This ACO is built around the ProHealth Physicians primary care physician organization. It is available to fully and self-insured members as of January 1, 2015.
- **Iowa**
 - The Iowa ACO is a collaboration with Unity Point Health Partners. It is available to fully and self-insured members in Cedar Rapids, Des Moines, Dubuque, Fort Dodge, Waterloo and the Quad Cities. It was effective October 1, 2014.
- **Louisiana**
 - The Louisiana ACO is designed around Ochsner and was available to both fully insured and self-insured UNET customers on August 1, 2014.
- **North Carolina**
 - This ACO is designed around Cornerstone, a physician group based in the Triad (Greensboro) area of North Carolina. This ACO program is currently available for both self-funded and fully insured commercial business on our UNET platform and Medicare and was effective in February of 2013.
 - WakeMed is a health care system located in Raleigh, North Carolina. The ACO collaboration services both fully insured and self-funded UNET customers effective and was effective in March of 2015.
- **New Jersey**
 - The Atlantic Health System in Morristown, New Jersey is our first ACO in this state. The collaboration was launched in June of 2014 and serves fully insured and self-funded customers on the UNET platform.
 - The Optimus ACO in Summit, New Jersey includes the Optimus Health Care Partners physicians and six hospitals. This program was effective June 1, 2014 and serves fully insured and self-funded customers on the UNET pl
- **New Mexico**
 - Presbyterian Healthcare Services is located throughout New Mexico and includes 8 hospitals and 700 providers. The ACO collaboration began in March of 2015 and services fully insured and self-funded UNET customers.
- **New York**
 - The WESTMED Medical Group located in Westchester County, New York is a large physician group practice staffed by more than 220 doctors. Our ACO was launched in March of 2012 and is available for both Oxford and UNET customers in that local area.
 - ProHealth NY is an integrated physician group practice located in the New York City area with locations throughout Long Island and the New York boroughs. The ACO collaboration began in January of 2015 and serves both Oxford and UNET customers in those areas.
 - Montefiore Medical Center in Bronx, New York, is made up of four hospitals and several primary care locations throughout the region. The ACO was effective August of 2014 for UNET and Oxford fully and self-insured customers.
 - North Shore Long Island Jewish Health System located in Long Island, New York includes 19 hospitals and over 400 practices with locations all over New York City metro and surrounding areas. This ACO relationship began in January of 2013 and is available to UNET customers that select the specific NSLIJ Advantage product.
 - The NYUPN Clinically Integrated Network is an alignment of University Physicians Network and NYU Langone Medical Center. Our ACO collaboration was launched in June of 2014 and services fully insured and self-funded UNET customer located in th

- **Ohio**
 - Mt. Carmel is a hospital system located in central Ohio. Our ACO was effective October of 2013 and serves fully insured and self-funded UNET platform cus
 - University Hospitals is located in Cleveland, Ohio. The ACO serves the central Ohio UnitedHealthcare membership and was effective October 1, 2013.
- **Rhode Island**
 - Coastal Medical is a physician-owned and physician-governed primary care group practice. Our ACO collaboration began in April of 2013 and is available to Rhode Island residents in fully or self-insured UNET plans.
 - Lifespan is a hospital system based in Providence, Rhode Island. The ACO was launched in July of 2014 and serves fully insured and self-funded customers on the UNET pl
 - Rhode Island Primary Care Physicians Corporation is an independent practice association. Our ACO relationship began in December of 2014 and is available to fully or self-insured UNET customers.
- **Texas**
 - The Seton Health Alliance is a hospital system based in central (Austin) Texas. The ACO was launched in August of 2013 and is available to self-funded and fully insured commercial UNET customers and Medicare.
 - Catalyst Health Network is located in northeastern (Dallas area) Texas. The ACO program was effective in January of 2015 and is currently available for both self-funded and fully insured commercial business on our UNET platform and Medicare.
 - Baylor Scott & White Quality Alliance is an integrated organization of physicians, hospitals and other providers located in northeastern Texas. The ACO collaboration is effective March 2015 for our commercial UNET customers.
 - The UTSW is a Dallas area hospital-based ACO partnership that includes the UTSW medical group. Effective in October of 2015 this ACO over 400 physicians, 48 of which are primary care. It is available to our commercial membership.
- **Wisconsin**
 - Our Milwaukee, Wisconsin ACO is designed around Quality Health Solutions. It is located in southeastern Wisconsin and includes four hospital systems. It was effective January 1, 2014.
- **Virginia**
 - HealthConnect IPA, located in northern Virginia, is an association of five independent primary care practices across 23 locations. The ACO was launched in August of 2014 and is available to commercial UNET customers with membership in that area.

Some of the many ways that we support the ACO initiative include the following:

- Work with the ACO to measure and distribute key clinical and cost performance measures and partner with the ACO to transition to the optimal structure to support successful delivery on those metrics for the benefit of consumers
- Initiate Total Cost of Care reporting and incentive contracts
- Facilitate ACO access to electronic medical records (EMR), decision support tools and data/information in order for the ACO to set up appropriate infrastructure to manage clinical and financial risk and patient outcomes
- Provide a comprehensive referral network for the ACO to work with, including cost and quality information

- Measure, report on and reward the ACO for quality and cost outcomes
- Make available wellness and prevention tools (e.g., Simply Engaged, eSync)
- Identify the defined patient population by running an attribution algorithm
- Provide relationships with employers

102. a. How do you process claims for non-contracted hospital based providers and services when selection is beyond the control of the patient?

Our claim system features numerous checkpoints allowing claims to be automatically adjudicated according to the network or non-network status.

Inpatient and outpatient claims from non-network radiologist, anesthesiologist, pathologist or laboratory (RAPL) providers would follow our notification (authorization) matching process. The claim is processed according to the notification information on file. If there is no notification in the claim system, the claim is processed as described below.

In order for a non-network RAPL claim to be processed at the network level of benefits, the claim must be linked to an outpatient surgical claim rendered at a network facility, and the date of service must be within one day of the service rendered at the facility.

Our system uses an automated recall process that allows RAPL claims to be automatically reprocessed after the referring claim is received.

If a network physician refers a member to a non-network hospital, specialist, or lab without our authorization, the physician may be sanctioned. Payment is made to the non-network physician, and the member is not held responsible.

EMERGENCY ROOM PHYSICIANS

Emergency room physicians are paid at the network level of benefits when services are a true emergency.

We offer a network gap exception process to provide network benefit coverage to members in need of medically appropriate care or services when a network area does not contain a reasonably available network physician or specialist. The process applies to members who cannot find the needed network specialist within a 30-mile radius of the employee home ZIP code. Customers have the option of electing a different mile radius (e.g., 25 miles).

The member or physician must contact an advocate or personal health support prior to receiving care, who will confirm whether a network specialist of the type needed can be found within the specified mile radius. If a network gap exception is approved, the member's record is documented so that the approved services are paid at the network benefit level, subject to benchmarking limitations. Benefits granted through this exception are subject to standard plan limitations.

- b. How do you propose making this cost neutral for City members, and dependents?

We offer several programs to maximum non-network savings.

SHARED SAVINGS PROGRAM

Our Shared Savings Program (SSP) works as an enhancement to our traditional UnitedHealthcare discounted network. Through the SSP, enrollees are able to take advantage of discounts on medical care when they use non-network hospitals, facilities, physicians and other health care providers affiliated with MultiPlan, First Health Group and other non-logo networks. The contracted vendors have more than 4,900 facilities and more than 740,000 physicians and other health care professionals as part of their practitioner panels. The vendor discounts range from 15 percent to 50 percent.

The SSP also includes hospital, physician and other health care provider fee negotiation for additional savings. Fee negotiation applies to physician and facility claims where neither our traditional UnitedHealthcare network discounts nor our SSP contracted vendor discounts apply. Fee negotiations produce average savings of 15 percent to 30 percent.

FACILITY R&C

Employers may also choose to elect the Facility R&C program as an additional program. This feature provides fee reductions through setting an appropriate rate for facility charges according to the geographic area where the service was performed. A difference for this service (as compared to the SSP) is that once the appropriate rate has been set for a particular claim, enrollees may be balance-billed from the facility. If an enrollee is balance-billed, the vendor will intervene and assist the enrollee in an attempt to secure the savings. Facility R&C produces average savings of 27 percent to 56 percent.

Facility R&C is administered after the SSP program and leverages that functionality. Facility R&C will not apply for groups electing our Maximum Non-Network Reimbursement Program (MNRP).

MAXIMUM NON-NETWORK REIMBURSEMENT PROGRAM

In addition, our Maximum Non-Network Reimbursement Program (MNRP) offers customers the opportunity to base their out-of-network benefit payment on a reimbursement schedule that is indexed to Medicare as an alternative to uncontrolled, charge-based prevailing fees. Medicare's payment methodologies are widely understood by physicians, other health care professionals and facilities.. If no Medicare rate exists for a particular service, then the eligible charges will default to 50 percent of billed charges. Adoption of MNRP can result in a significant reduction off billed charges for non-emergency, non-network benefit claims.

PAY THE ENROLLEE

We have also implemented a strategy for specific specialties of physicians and other providers with whom we have had challenges in contracting. Self-funded customers who wish to adopt this claim administrative practice for their benefit plans must amend their SPD to include wording that will allow us to override the assignment of benefits to the impacted providers. By sending payments directly to enrollees, the impacted non-network providers will assume the responsibility for billing and collecting payment from enrollees, which we believe strengthens provider incentive for contracting with us and reinforces the value of our contracted network.

- c. Additionally, how can you protect the member from being incorrectly billed and having to dispute claim(s)?

The physicians and other health care professionals that participate in our Shared Savings Program (SSP) have agreed contractually that they will not bill individuals for the difference between the discounted fees and their non-discounted rates.

103. Describe how your organization will ensure that providers in your network utilize In-Network laboratory and diagnostic testing/services, or propose your plan for cost neutrality for City members, and their dependents?

Network physicians are required to refer laboratory services to a participating laboratory provider in our network, except as otherwise authorized by us. We maintain a robust network of national, regional and local providers of laboratory services. These participating laboratories provide a comprehensive range of laboratory services on a timely basis to meet the needs of the physicians participating in our network. This network's vast size ensures physicians will have no difficulty locating and using a network laboratory.

In the unusual circumstance that a specific laboratory test is required for which no participating laboratory appears to be available, physicians are instructed to contact us to confirm that the specific laboratory test is covered. We then work with the physician to assure that covered laboratory tests are performed, even if that means the use of a non-participating laboratory.

		COMPLY/AGREE YES/NO*	COMMENTS/EXPLANATION *If you answer NO, briefly explain why
NETWORK			
104.	a. If covered services are not available within the contracted network, how will members obtain necessary services?	Please see the explanation.	In the unusual circumstance that a specific laboratory test is required for which no participating laboratory appears to be available,

			physicians are instructed to contact us to confirm that the specific laboratory test is covered. We then work with the physician to assure that covered laboratory tests are performed, even if that means the use of a non-participating laboratory.
	b. What fee schedule or payment approach do you utilize for these benefits and services?	Please see the explanation.	<p>The standard reimbursement method for laboratories is based on the Resource-Based Relative Value Scale (RBRVS). Our fee schedule is established by applying a conversion factor to RBRVS values.</p> <p>We have a national agreement with one of the largest clinical laboratory service organizations in the country, Laboratory Corporation of America (LabCorp). Our agreement with LabCorp as a leading national provider, in combination with our extensive network of more than 500 other regional and local laboratory services providers, offers our customers and members the best combination of network affordability, quality, usability and access. We have been able to decrease the cost of services by leveraging our national membership and volume of services used when negotiating reimbursement amounts.</p>

MENTAL HEALTH & SUBSTANCE ABUSE

105. Do you provide Mental Health & Substance Abuse services directly, through your own contracted and credentialed panel of providers and facilities, or do you sub-contract these services to a third party entity? If the latter, please indicate the third party and summarize the contracting and compensation in place.

We provide Mental Health and Substance Abuse services directly, through our directly contracted and credentialed network of provider and facilities.

106. Do enrollees call one telephone number for Mental Health/Substance Abuse needs including claim issues, benefit questions, network availability, and referral/authorization for care?

Yes. Members may access their behavioral health benefits through the same toll-free number they use to access their medical benefits, providing the convenience of a single point of access 24 hours a day, 7 days a week.

When a caller to the behavioral health program number needs medical care covered by UnitedHealthcare, the behavioral customer care professional warm-transfers him or her to our intake department, where the member is assisted in locating a medical practitioner whose professional capabilities, location and hours of access meet the member's needs.

The ease of member access and administrative efficiency of the integrated behavioral health and medical benefits provided by United Behavioral Health and UnitedHealthcare, respectively, assist in driving the City's costs down and improving clinical outcomes for its employees and their families.

107. What are your customer service hours? Do you have a 24-hour crisis line? If so, describe staff levels of training, and expertise. How are callers triaged?

Members always have access to the help they need through our toll-free line, which is continuously staffed 24 hours a day, seven days a week. Regardless of when a member or clinician calls, a licensed care advocate is always available for prompt assistance. This ensures members in an emergency never have to wait until the next business day to receive the necessary help. Triage occurs at the time of the initial call, through the analysis of the care advocate. At least one medical director also is available (on call 24 hours a day, seven days a week) to clinical staff for consultation.

All care advocates are licensed clinicians with at least three years of post-licensure clinical experience. In addition, we require the following:

- **A master's-level clinical degree with independent licensure (e.g., Licensed Professional Counselors, Licensed Social Workers, Psychologists, and Registered Nurses)**
- **In-depth experience in the full range of treatment settings**
- **Complete knowledge of the available treatment modalities and their relative effectiveness**

Medical director qualifications include the following:

- **An unrestricted license to practice medicine**
- **Completion of an accredited psychiatric residency program**
- **Certification by the American Board of Psychiatry and Neurology**
- **A minimum of five years of post-licensure experience, including experience in an organized health care setting and supervisory responsibility**

Our medical directors form a multidisciplinary team and include specialists in psychopharmacology, addiction, geropsychiatry, medical/psychiatric, eating disorders and the treatment of children and adolescents.

PBM

108. Will you agree to the proposed performance standards for claims adjudication accuracy, eligibility accuracy and payment to pharmacies?

We have included performance standards that are applicable to Pharmacy Administration.

109. List the tools available to assist members with obtaining information on medication options, medication pricing and education tools.

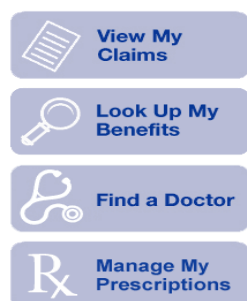

Our award-winning website is an effective tool to inform members about their pharmacy benefit and encourage a more active role in their health care. We feature integrated medical and pharmacy information to support total health care management and lower net medical and pharmacy costs.

Our ability to customize information found on myuhc.com to the member's specific pharmacy benefit design increases compliance to the program and provides the opportunity for increased customer savings. The City members have access to myuhc.com 24 hours a day, seven days a week.

ONLINE PHARMACY CAPABILITIES

Registered users of myuhc.com receive a personalized online experience every time they log in. Once registered, users simply enter their user name and password to access a host of online health care and pharmacy features.

One-click access. Members quickly perform basic transactions, such as:

- Check claim status and history
- Learn about plan benefits
- Locate a pharmacy
- Fill, refill, renew or request to transfer a Home Delivery Pharmacy prescription
- Find cost-saving opportunities
- Do much, much more

Health care management made simple. Members avoid unnecessary costs when they take charge of their health, money and pharmacy benefit---myuhc.com becomes an important part of that process. Informed decisions, health guidance and smart choices equal the winning formula.

Managing health care information is easier with myuhc.com.

Your Health	
Medication Information	Members search by brand or generic name for thousands of prescription medications. Key information includes instructions for use, side effects, potential interactions and other cautions.
Disease Information	Members review medications by disease for a variety of specialty pharmacy conditions.
Health Information	A health information library includes Health Tools and an Education Center. Educational and clinical materials support member awareness and knowledge of medication and specific disease states.
Generic Medications	We provide the latest information and updates from the Food and Drug Administration (FDA), including key summaries on FDA safety warnings and labeling changes.

Your Money	
Medication Pricing	Members view and compare pricing and coverage for both brand and generic medications through Home Delivery Pharmacy and any chosen retail pharmacy, based on specific benefit plan guidelines. The pricing tool provides general information about the primary medication and alternatives available.
Brand/Generic Alternatives	For a multi-source brand medication, we display generic alternatives, as well as cost and benefit information. Lower-copayment brand therapeutic alternatives are also identified, when available.

Your Plan	
Pharmacy Locator	Members easily locate network retail pharmacies in and around a specific zip code, city or state. Maps and turn-by-turn driving directions are also provided.

Your Plan	
For Your Doctor Visit	From the Manage My Prescriptions area, members may view and print a personalized prescription history and initiate the process to renew or transfer a new prescription. This information is shared with a physician to encourage a more productive discussion.
Real-time Benefits	A pharmacy benefit summary provides benefit information, such as payment history and coverage limits for retail or Home Delivery Pharmacy.
Prescription Drug List (PDL) Information	Members view medications, check coverage status and review lower-cost alternatives, when applicable.
Order Status and Estimated Delivery	Order status is available for Home Delivery Pharmacy, regardless of how the order was placed. Additionally, members receive HIPAA-compliant email notifications when their order status changes (e.g., order received, order shipped).
Claim History	Claim history— both Home Delivery Pharmacy and retail prescription—reviews up to 36 months of prescription history for covered household members, when authorized. Prescription details, such as last refill, number of refills remaining, physician's name and associated medication information, are easily accessible.
My Account	Members review Home Delivery Pharmacy status and make updates to their reminders and health care provider lists. Members also access and review their PDL.
Health and Savings Opportunities	As members navigate through our website, they see actionable, personalized messaging about savings opportunities available through switching to lower-cost alternatives or transferring prescriptions to our Home Delivery Pharmacy. Members with Optum Health benefits also see messaging about enrolling in applicable disease and care management, medication adherence and wellness programs. These messages help members take advantage of available health and savings opportunities and take the best next steps to manage their health.

Members have easy access to a variety of services to effectively manage their pharmacy benefit.

Online Reminders and Fulfillment Services	
Refill Reminders	HIPAA-compliant refill reminders are sent to members who order Home Delivery Pharmacy medications online. Members may also set up convenient refill and dosage reminders for retail and Home Delivery Pharmacy prescriptions by text message.
Order Refills, Renewals and Transfers	<p>An online dashboard includes up-to-date listings of prescriptions available for refill or renewal through Home Delivery Pharmacy. Members may also transfer prescriptions from retail to Home Delivery Pharmacy.</p> <p>When authorized by the appropriate household member, members view prescription history and place refill or renewal orders for other covered household members.</p>
Order New Prescriptions	New prescriptions are initiated from the site by printing, completing and sending documentation to our Home Delivery Pharmacy along with a prescription. Alternatively, members and prescribing physicians may fax the documentation.
Quick View Calendar	Upcoming refill and renewal dates are highlighted and may be synced with personal member calendars.

Online Reminders and Fulfillment Services	
Frequently Used Links and Forms	Members have easy access to frequently used areas of the website, including downloadable Home Delivery Pharmacy and paper claim forms. Forms may be pre-populated with personal medication information for faster and more accurate processing by both physicians and pharmacists.
Order Convenience Items	Non-prescription products may be purchased, including over the counter medications, vitamins, herbal remedies and health care products, without leaving the site.

Members can also manage medications for family members in the same household.

Simplified Medication Management for Family Members	
Family View	Members can manage pharmacy benefits and medications for their family members through a single profile. To do this, members designate a head of household to make decisions for dependents and family members, such as ordering medications, requesting refills and submitting requests for renewals.
Privacy Settings for Sensitive Conditions	Individual family members over the age of 13 have to register through the website before granting access and delegating management functions to the head of household. This additional step provides privacy around sensitive conditions—such as pregnancy, sexually transmitted diseases, communicable diseases, and alcohol or substance abuse—to young adult members between the ages of 13 and 17 years. Additionally, the member's spouse—once registered through the website—can also manage medications for minors. As with the head of household, the spouse must also request access to the young adult's account. The head of household and spouse cannot view health benefit information for young adults without their consent.

Online Customer Service	
Customer Service Center	Common questions or issues are addressed, such as, how to order a prescription, use the PDL, check order status and view order history. Members may also trouble-shoot technical issues and find information on updated billing and how to use the online account. Additionally, self-guided tours are available, as well as tips and commonly used forms.
Click-to-Call	Members may conveniently and confidentially ask a customer service representative or pharmacist about their benefit and medications. When members submit a phone number, they receive a callback within one, three or five minutes (depending on their preference).
Site-wide Search	Members may search the entire website for specific information by entering one or more keywords or phrases in a search box appearing on each page.
My Message Inbox	Members use this new tool to ask customer service questions about their benefit. Customer service responds directly to the member through the My Message Inbox tool.

myuhc.com provides personalized information when it is needed most—
knowledgeable members make better choices.

We provide a comprehensive source of information about everything related to a member's pharmacy benefit, including a number of interactive health management tools to educate and empower members to make wise health care decisions.

Visit our demo site at welcometomyuhc.com/resources
for a hands-on feel of what this dynamic tool has to offer.

In addition, members can manage their pharmacy and medical benefits from their smartphones through the Health4Me app. Through the app, members can perform the following key functions to manage their prescriptions:

- Refill and renew Home Delivery Pharmacy prescriptions
- Easily transfer retail prescriptions to our Home Delivery Pharmacy
- Look up plan-specific drug costs and view lower-cost options for specific prescriptions
- Check the status of Home Delivery Pharmacy orders
- Search their plan-specific Prescription Drug List (PDL)
- Check account balances and benefit amounts
- Pay for medical and pharmacy claims
- Locate and receive navigational assistance to an in-network pharmacy using the smartphone's GPS

110. Is your pre-authorization process administered in house or by a third party?

Our prior authorization programs are administered in-house.

111. If you can't offer the City's formulary listing, please provide a listing of how your formulary listing differs from the one shown in Attachment 4.

The City would be required to adhere to our PDL. Please refer to Exhibit 1 for a copy of our PDL.

We would be happy to provide a formulary disruption upon receipt of at least a years worth of claims data containing, at a minimum, 11-digit NDC numbers and customer tier or formulary indicators.

112. Is your company willing and able to adjust formulary to accommodate or minimize disruption from the existing formulary?

While the PDL itself cannot be customized, the City may achieve customization of drug coverage through strategies such as benefit design—including rules or limitations for coverage—exclusions and cost share structure. The account executive works with the City to define pharmacy management goals, select the appropriate benefit design and suggest clinical programs to meet specific objectives.

In addition, we work with each customer to develop appropriate grandfathering policies by offering recommendations for specific circumstances when application may have a positive impact on member care and satisfaction. Throughout our relationship with a customer, we recommend grandfathering strategies in some cases when benefit or coverage changes occur, such as removal of a brand name drug from the PDL or addition of Prior Authorization/Notification requirements. Our technical platform fully supports programming of grandfathered policies within our claims system at the plan and member level. We implement exceptions in real time, to limit member disruption at the point of service and reduce pharmacist or help desk interventions.

We further support the grandfathering process by developing effective member communications. These materials, distributed before a particular benefit or plan change takes effect, may include details on who is eligible for a grandfathering exception and contact information for questions or concerns.

113. Provide information on your company's mail order pharmacy facility that will be used for City members. List the name, locations and years your company has used this facility.

We own and operate four Home Delivery Pharmacy dispensing facilities based in Carlsbad, California; Overland Park, Kansas; Las Vegas, Nevada and Jeffersonville, Indiana. These facilities feature state-of-the-art automated fulfillment equipment, climate and access controlled production environments, and in-house pharmacists that provide hands-on verification of every order.

Over 545,000 combined square feet of licensed pharmacy space

Our facilities operate on a completely integrated platform, which enables us to balance workloads and monitor inventories across our facilities. Integration also allows us to provide members with consistent, efficient, and timely fulfillment of their Home Delivery Pharmacy prescriptions in the event of product shortages, periods of high volume, or other disruptions.

The City's members may receive their prescription shipments from any one of our four integrated fulfillment pharmacies located in Overland Park, Kansas; Carlsbad, California; Jeffersonville, Indiana, and Las Vegas, Nevada. Fulfillment location is determined by a matrix of criteria including member shipping address, stock availability and workload balancing.

Standard hours of operation for our Home Delivery Pharmacy facilities are noted below. Weekend hours may apply during periods of increased volume.

The Carlsbad facility is open Monday through Friday, 5:30 a.m. to 11 p.m. PT. The Overland Park facility is open Monday through Friday, 7 a.m. to 3:30 p.m. CT. Overland Park also operates a second shift Sunday through Thursday, 4:30 p.m. to 12:30 a.m. CT. The Las Vegas and Jeffersonville facilities are open 7 a.m. to 7:30 p.m. Monday through Friday.

In addition to these facilities, which handle all of our dispensing and fulfillment operations, we also operate four additional Home Delivery Pharmacy locations across the country that provide order intake, processing and other administrative functions that support our mail service operation.

		COMPLY/AGREE YES/NO*	COMMENTS/EXPLANATION *If you answer NO, briefly explain why
PBM			
114.	Do you agree to incorporate administration of the City's current benefits including but not limited to the following services? a. Pharmacy benefit management	Yes.	Transparent pricing model with 100% of discounted claims and rebates passed through to the City at a rebate guarantee of \$72.90

	with transparent pricing and 100% of the discounted claims and rebates passed on to the City.		Per Retail/Specialty Brand Script and \$235.50 Per Mail Order Brand Script
	b. Monthly reporting of claims, eligibility and utilization.	Yes.	
	c. Comprehensive network of pharmacies including Walgreens and CVS specifically in tri-county area (Broward, Miami-Dade, Palm Beach) and statewide and national network.	Yes.	
	d. Drug formulary should closely match the City's current formulary.	No.	We would be happy to provide a formulary disruption upon receipt of at least a years worth of claims data containing, at a minimum, 11-digit NDC numbers and customer tier or formulary indicators.
	e. Exclusive specialty pharmacy service that includes patient education.	Yes.	
	f. Program should include step therapy and prior authorization programs similar to the current plan.	Yes.	
	g. Assistance with step therapy and prior authorization programs that include communicating with physicians and implementing a process that does not harm physician-patient relationship.	Yes.	
	h. Procedures to encourage the utilization of mail order pharmacies for maintenance medications.	Yes.	
	i. Monitoring of medication compliance and actions to ensure member adherence.	Yes.	
	j. Outreach and assistance to members taking two or more medications on a regular basis.	Yes.	
115.	Can your claims adjudication system administer brand drug deductibles, copays for generics along with copays and coinsurance for brand drugs and lower copays for specific individuals enrolled in health management programs?	Yes.	
116.	Will your company make available a pharmacist for pharmacy management, ongoing clinical consultation and performance improvement activities? List any limitations.	Yes.	A designated clinical pharmacist is assigned to the City's account as part of the account management team. Specifically, the pharmacist consults with the City about goals and

			<p>objectives and is responsible for clinical support services, including:</p> <ul style="list-style-type: none"> ■ Collaborates with the City to establish achievable but aggressive clinical program goals, including generic dispensing rate improvements, implementation of utilization management programs, improvement in medication adherence rates, improvements in therapy gaps for key chronic disease states, and PDL compliance targets ■ Provides superior clinical consultation and clinical account management with a focus on customer satisfaction and retention, and trend management ■ Explains PDL and clinical program recommendations ■ Provides clinical market intelligence to customers regarding potential and future medications ■ Communicates drug information to customers and responds to plan-specific clinical inquiries ■ Formulates and delivers strategic clinical recommendations based on available customer-specific data ■ Synchronizes clinical efforts with the care team <p>Your designated pharmacist maximizes total health care value by collaborating with the City's health care service partners to identify cross-</p>
--	--	--	---

			functional opportunities and provide solutions that improve outcomes. While many cross-functional areas are within the UnitedHealth Group business entities, the pharmacist can also collaborate with partners outside UnitedHealth Group.
117.	Can pharmacies access your service representatives 24 hours a day? If not, what hours are available?	Yes.	
118.	Can certain drugs be limited to specific diagnoses, specific specialty or require pre-authorization or step therapy? Describe.	Yes.	<p>Yes. Medications can be limited to a specific diagnosis or specialty. They may also require Prior Authorization/Notification or step therapy.</p> <p>Specific Diagnosis</p> <p>Medications may be limited to a specific diagnosis to prevent inappropriate off-label use. Screening for a particular diagnosis may be handled through the prior authorization process, or, in some situations, by an electronic edit that will search for specific medications that would serve as a proxy for a particular diagnosis.</p> <p>Prior Authorization/Notification</p> <p>For certain medications, physicians are required to provide additional information to our Prior Authorization Unit to determine if coverage is consistent with the member's benefit design or meets clinical criteria. Certain medications use contingency edit technology. Our claims system automatically searches the member's prescription history at the point of service for specific medication markers, such as trial of first-line medications, or member-specific requirements, such as age. If the processed</p>

			<p>claim meets pre-defined criteria, the medication is dispensed without further review. Our standard Prior Authorization/Notification coverage is based on approved or proven uses of medications and includes several therapeutic classes/categories, such as acne medications, immune modulators, oral oncology medications and medications for opioid addiction.</p> <p>Step Therapy Step Therapy encourages use of less expensive, but equally effective, medications while keeping member and physician disruption to a minimum. When a member presents a Step 2 prescription at the pharmacy, claims history is checked for a Step 1 prescription. If the member has a claims history of the Step 1 prescription, the Step 2 prescription is processed. If there is no claims history of the Step 1 medication, the physician is asked to evaluate therapy and prescribe a Step 1 alternative. Coverage review is also available to evaluate a Step 2 medication if contraindication exists for the Step 1 medication.</p>
119.	Do you have your own mail service prescripion drug program? If so, is it fully integrated with your retail network?	Yes.	We own our Home Delivery Pharmacy Program and facilities. This program is fully integrated with our retail network and program.

EAP

120. How long have you provided EAP services in Broward, Palm Beach and/or Miami-Dade counties? Of these, how many groups employ over 1,000 employees?

We do not track our history on a state by state basis. However, we began providing EAP services in 1979. We have 334 employer customers with membership in Florida. Of this, 23 have over 1000 covered employees. This is based on Direct Employer only.

121. How many face-to-face service providers are in your local (tri-county) EAP network? Specify the number of providers by county.

122. Please describe the recruitment and selection criteria for providers in your network.

We select and retain a broad panel of physicians, specialists and other health care professionals in each health plan to provide our customers with reasonable access to health care professionals and the complete spectrum of medical services. Generally, we target 50 percent to 80 percent of physicians in a given market, 50 percent to 60 percent of eligible specialists and 70 percent to 90 percent of eligible hospital beds. However, each market analyzes network adequacy based on membership, local market conditions and other factors.

We target all physician specialties and recruit specialists based on projected membership in a specific network and the availability of physicians in that area. We also attempt to contract with all types of facilities in our networks. In addition, we contract with Centers of Excellence facilities to provide solutions for individuals with complex, unusual or rare medical conditions.

123. What are the minimum licensing requirements for the following providers:

a. Mental Health Professionals

All behavioral clinicians, at a minimum, are master's level and licensed in their field. They are qualified to treat general behavioral issues such as substance use disorders, depression, anxiety, and mood disorders. We have a full spectrum of clinicians including:

- **Certified Employee Assistance Professionals (CEAP)**
- **Certified Pastoral Counselors**
- **Christian Counselors**
- **Community Mental Health Centers**
- **Employee Assistance Professionals (EAP)**
- **Independent/Qualified Medical Examiners**
- **Nurse with Prescriptive Privileges**
- **Psychiatrists**
- **Psychologist with Prescriptive Privileges**
- **Psychologists**
- **Social Workers**
- **Substance Abuse Experts (SAE)**
- **Substance Abuse Professionals (SAP)**

b. Substance Abuse Professionals

Substance abuse clinicians are also required to be master's level clinicians and be licensed in their fields, as above.

c. Financial Counseling

Our partner in providing legal and financial services, CLC, has 29 financial specialists on staff, averaging more than 17 years of experience in the financial services arena. All specialists are Certified Credit Counselors and have at least five years of experience in the financial services industry (such as accounting, tax, banking, credit issuers, investments, and insurance or debt management services). Coaches are required to have a predisposition to assisting people in need and a personality that lends itself to the habit of lifelong learning. We fully train all coaches to support members with financial fundamentals: budget, debt, credit and financial hardship. Individual coaches also maintain professional designations that allow them to specialize in a particular area of personal finance.

d. Legal Counseling

Our partner CLC has more than 22,000 attorneys in the United States, Canada and Puerto Rico, averaging more than 18 years of experience.

124. What promotional materials will you provide? Include format (hard copy or electronic). Will there be a limit on any promotional materials that are provided free of charge to the City? What is your guaranteed delivery time for any hard copy promotional materials after they are requested by the City? Detail any associated fees.

We recognize that everyone learns differently. That's why we offer a variety of ways to help employees understand and choose the right benefits. Here is a summary of the communication support that we provide. In addition, we offer a number of communications that are customizable, at no additional cost, to help give employees more personal and relevant information. Some communication support may require additional cost.

PRINT COMMUNICATIONS

Print materials continue to be a preferred means for employees to receive and learn about their benefits. We offer:

- **Benefit plan brochures and flyers:** These materials help introduce the plan, how it works and highlights additional services and support available. They can be distributed at employee locations and at benefit events, either in bulk or in kits;
- **Promotional posters and table tents:** These materials are useful for placement in cafeterias, break rooms and employee meeting areas. They help to promote and build awareness of new plans, open enrollment dates, and upcoming benefit presentations.
- **Postcards/direct mail:** Direct mail is an effective way to reach your employees, including the primary health care decision maker. We can provide templates and content should you choose to pursue home mailings.

Nearly all print materials are available in English and Spanish. We also provide translation support for Japanese, Korean, Mandarin Chinese, Vietnamese and more.

WEB-BASED AND DIGITAL COMMUNICATIONS

Whether you are looking for green solutions or seeking new ways to reach your employees, we can deliver high-quality benefits content that can be accessed on computers, smartphones and tablets:

- **Pre-member websites:** These flexible and robust websites are available to employees 24/7. Employees can search for network doctors and hospitals, learn about their plan option(s), watch videos and use tools and more.
- **Digital brochures and kits:** We can create digital versions of brochures and kits using our Digi-Mag tool and other software. Digital brochures include links to videos and other resources for easy use.
- **Brainshark presentations:** This resource provides an ability to create, share and track video presentations so you can reach employees whenever and wherever needed.
- **Videos:** We offer a variety of short, original videos to create an engaging way for employees to learn about plans and services.
- **Emails:** Another effective way to reach employees; we can provide templates and content, useful for communicating important plan information, enrollment dates and more.

EDUCATIONAL WEB RESOURCES

If engaging employees is the goal, pushing communications out to them isn't always effective. We've created a number of resources to help pull employees in, not just to educate, but also entertain. These resources can even be linked from your company intranet site.

- **CDH Toolkit:** Only for employers, this website is a resource full of communications to help introduce and communicate the value of consumer-driven health plans.

- **Cost estimator tools:** Cost is usually the first thing that employees want to know. We offer the standard plan cost estimator to help employees to estimate and compare the cost of a health plan. We also offer the standard drug-pricing tool, which helps employees estimate the prescription costs and find lower-cost options.
- **Source4Women (uhc.com/source4women):** This website isn't just for women. It's a resource created to provide answers to health benefit questions. It also offers interactive seminars, healthy recipes and tips from the experts.
- **Just Plain Clear English and Spanish glossary (justplainclear.com):** Created by us, this glossary contains thousands of health and insurance terms that are defined in plain, clear language.

We try to print and deliver communications in the most cost-effective way. Therefore, we have guidelines for print and distribution requests:

PRINTING

The standard turnaround time for all print production is 10 business days, with the exception of folders and envelopes, which can require up to 10 additional business days. Any requests that would require the production of materials in less time could result in additional charges for the City.

DISTRIBUTION

The standard distribution method for all communications is bulk shipping using ground transportation, as it is the most cost effective means of delivery. A standard ground delivery takes seven to 10 business days.

Distribution costs will vary, depending on the quantity, weight and shipping method. Any requests that would require the delivery of materials in fewer than seven days could result in additional charges for the City.

We typically share the cost to produce and distribute standard communications materials with our customers.

125. How much time does your Company require for plan implementation once approved? What will be the City's role in the process?

We request an implementation period of 45-60 days to allow for enough time to perform all the steps necessary to accurately set up a customer's benefit plan.

The actual time needed to perform all the steps varies, depending on the complexity of the benefit design, plan structure and size of the customer. During the initial implementation period, the implementation manager (IM) presents the customer with an implementation timeline and discusses key deliverable dates required to achieve an on time and successful implementation.

Your implementation manager (IM) and strategic account executive (SAE) will coordinate closely with you to ensure a successful implementation. A detailed discussion of roles and responsibilities takes place with the City at the beginning of the process; however, several key responsibilities are listed below.

UNITEDHEALTHCARE

We are responsible for coordinating with the appropriate functional areas to complete the following tasks:

- Preparation for initial implementation meeting with the City.
- Confirmation and loading of benefit designs, account structure and eligibility data into the respective systems
- Distribution of ID cards and other communication materials
- Completion of billing statements
- Testing of claim system
- Production of contractual agreements

THE CITY OF FORT LAUDERDALE

We suggest that the City provide the following items prior to the initial implementation meeting:

- Complete description of benefit plan(s), including the prior carrier's benefit summaries, booklets, certificates and policies, if possible
- Contact information for benefits staff responsible for claims and administration at each customer location
- Claim history transfer contact for deductible, out-of-pocket, lifetime maximums, etc.
- Reporting requirements, including timeline and key milestone reporting
- Results of initial eligibility file discussions, including timing of the open enrollment file
- Enrollment and communication plan
- Transition-of-care issues

BROKER

Since the broker, Wakely Consulting Group, is hired by the City to work as a third party in negotiations with UnitedHealthcare, The City is responsible for determining the broker's responsibilities during implementation. The broker is responsible for being licensed and appointed; if not, the broker should consult with the account executive or SAE regarding credentialing paperwork.

126. Please describe your reporting capabilities, including the frequency.

We recognize the importance of accessible, comprehensive information for managing your benefit plans. We draw on our extensive database, software and analytic resources to provide quick, easy and secure access to information and expert analysis through our online reports via Employer eServices. You control access to Employer eServices by designating a client master administrator (CMA) from within your organization to sign on and grant access privileges to staff members, including consultants. This CMA then has security control over whom within your company, including your consultant, has access to the application, down to the specific features level.

Described below is our report frequency along with a list of the reports you will receive.

REPORT FREQUENCY

Our online reporting system is available 24 hours a day, seven days a week (with infrequent planned outages). Data to support reports are updated monthly, on the 10th business day following the reporting month. You can request reports at any time and review them online after a brief processing period.

REPORTS

We provide a wide variety of detailed reporting, including by financial program area, pharmacy, network plan performance and others. Each report is listed below.

FINANCIAL PROGRAM AREA

- Claim Expenses by Size of Payment
- Claim Lag Study
- Detail Payment¹
- Large Loss Claim Payment²
- Payments by Benefit Type
- Payments by Month

MANAGED PHARMACY PROGRAM AREA³

- Managed Pharmacy Plan Performance

- Managed Pharmacy Cost and Utilization by Month
- Managed Pharmacy Critical Indicators
- Key Generic Substitution Indicators by Month
- Managed Pharmacy Utilization by Gender and Age
- Top Drug Utilization Ranked by Total Net Paid
- Top Drug Utilization Ranked by Volume
- Top Therapeutic Class Utilization Ranked by Total Net Paid
- Top Therapeutic Class Utilization Ranked by Volume

MEDICAL MANAGEMENT PROGRAM AREA

- Costs and Utilization by Procedure
- Utilization by Diagnosis
- Inpatient Utilization by Diagnosis
- Outpatient Utilization by Diagnosis

NETWORK PERFORMANCE PROGRAM AREA

- Network Utilization
- Top Hospitals Ranked by Total Net Paid
- Top Physicians Ranked by Total Net Paid

PLAN PERFORMANCE PROGRAM AREA

- Claim Experience
- Health Care Cost Management Summary
- Cost and Utilization Summary
- Inpatient Utilization and Costs by Admission Type
- Member Cost Sharing Detail – Confidential
- Member Cost Sharing Detail – Non-Confidential
- Bill Count by Month
- Distribution of Discounts
- Distribution of Ineligible Charges
- Distribution of Other Savings
- Utilization and Costs by Provider Type
- Utilization by Age Group

MEMBERSHIP PROGRAM AREA

- Membership by Month
- Membership by Market
- Membership with Demographic and Geographic Factors

HIPAA regulations prohibit the release of protected health information (PHI) to fully insured customers. Claimant-identifying information is not included in reports provided to our fully insured customers or to dual-funded customers for the fully insured portion of their business with us.

- [1] The Detail Payment report is an optional report. Customers concerned with access to members' specific claims information and governing HIPAA guidelines may elect to exclude this report from their standard package or replace it with a non-confidential version that suppresses claimant identity.
- [2] The Large Loss Claim Payment report is generated in the self-funded customer-reporting package when one or more claimants present paid claim amounts for the reporting period in excess of a chosen threshold. This report does not reflect customer-specific stop loss contract provisions and is not intended to support either UnitedHealthcare or external stop loss programs.
- [3] Managed Pharmacy reports are only available to customers with managed pharmacy benefits provided through our organization.

127. What discounts are available to employees/dependents for childcare, elder care, financial planning and legal services?

Discounts are offered to members who obtain legal and mediation services through our subcontracted vendor, CLC, Inc. The initial 30-minute consultation is free and should a member choose to retain a referred attorney or mediator, ongoing services are offered at 25 percent below the normal fee. We also partner with a network of child resource and referral agencies throughout North America who provide our staff with up-to-date, accurate information for local resources in their specific geographic area. These agencies verify that resources meet member's needs including cost, hours and programs. Through our website, *liveandworkwell.com*, we provide access to state childcare directories tool links directly to each state's licensing department and they are updated based on each state's schedule.

Searchable elder care databases are also available on *liveandworkwell.com*. These databases house over 25 categories with over 200,000 profiles of providers and facilities. Categories include: adult day services, Area Agencies on Aging, geriatric care managers, home health care, assisted living, hospice, continuing care retirement communities and more. We provide a customized link to CareLike and continuously updated information.

128. Provide the name and contact information for the Account Manager that would service the account.

James Moore, Strategic Account Executive
3100 SW 145th Avenue, Suite 201, Miramar, FL 33027
James_J_Moore@uhc.com
O: 954.378.0525 | C: 786.367.2763 | F: 954.378.0775

129. Briefly describe your process for ensuring reasonable access for face to face assessment, evaluation, counseling, and referral for all City locations. Provide a list of any additional networks necessary for implementation that would allow all members access.

We use a national network of nearly 140,000 individual clinicians in the United States to provide access to employees and their dependents anywhere in the country, and we are committed to maintaining a comprehensive network that ensures ease of access to clinicians and facilities. Network managers in our behavioral network services department regularly analyze the network and recruit new clinicians and facilities to enhance the depth and breadth of our network. Staff members maintain and continually update a detailed, state-by-state action plan that identifies the specific geographic, clinical and cultural recruitment needs for each state. As part of our general network development efforts, we:

- Run GeoAccess reports at least annually and then conduct focused recruitment in areas where access standards are not being met
- Maintain a "business needs" list of needed specialties, language needs and cultural diversity characteristics for which we are always looking to recruit

- **Monitor weekly and quarterly reports on accommodation arrangements made with non-network clinicians and facilities (instances when we authorized a member to seek out-of-network care at the in-network benefit level). We will recruit frequently used accommodation clinicians and facilities or secure a relationship with another clinician/facility with a similar specialty to fill the network need in the area with an identified gap to meet the future member needs are met.**

In addition to our network managers, who continually work to fill any gaps in our network, we now have a network expansion unit that explores specific geographic regions to help network managers conduct targeted recruitment when needed. Much of our ongoing efforts are driven by customer-specific needs, whether it is a new customer or a population change of an existing customer. When appropriate, we include a comprehensive network development plan with the implementation of a new group. We analyze network accessibility of the new group's population and recruit new clinicians and facilities in areas where access is lacking. The network development team also looks at the number of clinicians and facilities in regions where a new group has high concentrations of employees and ensures there is diverse and abundant network access consistent with the membership base in that area.

130. Describe your telephonic services for EAP counseling and support. Include the hours of operation and note if the initial assessment is counted toward the total number of sessions allowed per problem.

All EAP clinical calls are answered by master's-level employee assistance specialists 24 hours a day, seven days a week. Our employee assistance specialists conduct assessments, risk screening, solution-focused consultation, full benefit exploration and advocacy. They also provide personalized referrals to network clinicians who specialize in the member's presenting issue(s) (from our national network of 140,000 carefully credentialed clinicians), as well as offer community resource referrals. These initial calls do not count toward the EAP session limit.

131. Describe the referral process beginning with the employee/dependent's first contact with your EAP program through termination of EAP services. Is the employee/dependent responsible for making initial contact with a local provider?

Our employee assistance specialists have specific training in determining appropriateness of referring members to the EAP or directly to a behavioral health clinician. Members seeking medication, post-hospital care, long-term treatment for complex mental disorders or psychological assessments are all appropriate for behavioral health referral. Members who present with emotional, relationship or work concerns for which brief counseling is likely to be effective are appropriate for EAP services. Unless a member clearly needs behavioral health services, he/she is referred for either face-to-face counseling with a licensed clinician. The full number of sessions offered through the EAP benefit are authorized up front.

For assessment or short-term counseling under the EAP benefit, we make the authorization process as simple as possible for the member and authorize all available visits during the initial member call. Over the telephone, the employee assistance specialist gives the member a choice of three clinicians in his or her area and communicates clinician contact information to the member. As part of this process, an EAP authorization letter is automatically generated and sent to the member who is instructed to provide a copy of the letter to the clinician for claims submission. Since authorizations are member-specific, members do not have to call us back for an authorization after selecting a clinician or if they change clinicians.

Time-pressed members also have the option of selecting a clinician through our clinician search directory on Live and Work Well. The directory includes clinical specialties and maps/directions to office locations. Once the member selects a clinician, he or she can request and receive visit certification immediately through the website which generates an authorization letter from our case management system.

Because we recognize that members prefer to personally interview clinicians for compatibility and schedule their own appointments, we do not schedule appointments for members. Our clinical staff will offer to assist members who may be having difficulty scheduling an appointment or want assistance finding the first available appointment. We do follow up with 100 percent of members (with permission) to make sure they are able to connect with the clinician or other referral source, and to collect member satisfaction information. In addition, follow up within 24 hours is required for all urgent or emergency cases.

132. What is the average wait time for face-to-face counseling sessions and/or assessments?

Clinical calls are answered 24 hours a day with an average speed of answer of 30 seconds or less. We continually monitor staffing and service levels to make sure we meet/exceed these standards. After each assessment and at the time of the initial call, employee assistance specialists provide referrals to network clinicians. We provide members with all of the information necessary to schedule an appointment. Based on member preference, employee assistance specialists also can assist in finding first available appointments. For prompt assistance once members have made the decision to seek counseling, we have identified acuity-specific appointment turnaround times as follows:

- **Members in life-threatening emergency. Receive immediate intervention, which may include transport to a hospital emergency department.**
- **Members in non-life-threatening emergency situations. We offer an appointment within six hours of calling the EAP. The employee assistance specialist finds an available appointment and coordinates with the member and clinician to make sure the member is able to attend the appointment.**
- **Members with urgent problems. We offer an appointment within 24 hours of calling the EAP. The employee assistance specialist finds an available appointment and coordinates with the member and clinician to make sure the member is able to attend the appointment.**
- **Routine cases. The network clinician must return the member's call within 24 hours and offer an appointment within 10 days of the first contact. Most members have an appointment scheduled within two working days that meets their request.**

133. Under what circumstances are more intensive services recommended for the employee/dependent?

Clinical calls are answered 24 hours a day with an average speed of answer of 30 seconds or less. We continually monitor staffing and service levels to make sure we meet/exceed these standards. After each assessment and at the time of the initial call, employee assistance specialists provide referrals to network clinicians. We provide members with all of the information necessary to schedule an appointment. Based on member preference, employee assistance specialists also can assist in finding first available appointments. For prompt assistance once members have made the decision to seek counseling, we have identified acuity-specific appointment turnaround times as follows:

- **Members in life-threatening emergency. Receive immediate intervention, which may include transport to a hospital emergency department.**
- **Members in non-life-threatening emergency situations. We offer an appointment within six hours of calling the EAP. The employee assistance specialist finds an available appointment and coordinates with the member and clinician to make sure the member is able to attend the appointment.**
- **Members with urgent problems. We offer an appointment within 24 hours of calling the EAP. The employee assistance specialist finds an available appointment and coordinates with the member and clinician to make sure the member is able to attend the appointment.**
- **Routine cases. The network clinician must return the member's call within 24 hours and offer an appointment within 10 days of the first contact. Most members have an appointment scheduled within two working days that meets their request.**

134. Describe the referral process if additional or alternative services are required and any associated costs.

Employee assistance specialists assess the member's needs, identify presenting issue(s) and refer to the appropriate clinician or resource. Our employee assistance specialists are trained to distinguish between those cases that are appropriate for a short-term counseling EAP model and those that require a referral to the behavioral health benefit, as described above.

We also frequently refer callers to the following community resources to address their particular needs and as a valuable adjunct to counseling:

- **12-step programs**

- Support groups
- Self-help groups
- AIDS-related assistance
- Community mental health agencies
- Geriatric services
- United Way agencies
- Battered women's shelters
- Family service agencies
- Child abuse services

Our specialists also provide referrals to community child and elder resource and referral agencies and to geriatric services, as needed by our members. Our EAP includes searchable databases and directories on the Live and Work Well website to support the child, parenting, adult and elder needs of members. These referrals are included in the overall EAP benefit.

135. What capabilities do you have to refer to mental health providers that are in the City's health plan network? required to refer in network, what systems are in place

Preferred clinicians are automatically listed first in our clinician searches and also come up first in the clinician mapping for intake referrals. This allows employee assistance specialists to direct members to higher-performing or City-preferred clinicians when making referrals.

136. Please specify the number of Masters-level (LMFT, LMHC, LCSW) clinicians and psychologists (Ph.D., Psy.D.) available in your network by county (Broward, Miami-Dade, Palm Beach).

Provider Type	Broward	Miami-Dade	Palm Beach
Master's Level Clinicians	422	536	336
Psychologists	165	170	86

		COMPLY/AGREE YES/NO*	COMMENTS/EXPLANATION *If you answer NO, briefly explain why
EAP			
137.	As the successful vendor, will your company include a comprehensive fully-insured Employee Assistance Program proposal with benefits that mirror the current Cigna EAP?	Yes	
138.	Are you an active member of the Employee Assistance Trade Association (EASNA)? If so, how long have you been a member?	No	We have streamlined our EAP processes to deliver the highest quality of services in the most efficient and effective ways possible. The current Committee on Accreditation (COA)—which is administered by Employee Assistance Society of North American

			<p>(EASNA)—does not allow the degree of customization requested by our customers. We have chosen to meet the business requirements of our customers rather than pursuing COA accreditation.</p> <p>Recognizing that some members may need to continue in treatment beyond the brief counseling provided through the EAP, clinicians in our EAP specialty network are part of our larger integrated EAP/behavioral health network and, as part of this network, are credentialed according to NCQA standards.</p>
139.	Is your Employee Assistance Program currently accredited by the Council of Accreditation? If so, please provide your initial accreditation date as well as a tentative date for your next program review.	No	As stated above, the current Committee on Accreditation (COA)—which is administered by Employee Assistance Society of North American (EASNA)—does not allow the degree of customization requested by our customers. We have chosen to meet the business requirements of our customers rather than pursuing COA accreditation.
140.	Please confirm your availability for attendance at health fairs, benefit meetings and open enrollment. Indicate how much notice will be required for your attendance at any such meeting.	Yes	To assure the quality of an on-site program such as health fairs, we require a 90-day lead time.
141.	Do you agree to incorporate administration of the City's current benefits including but not limited to the following services?	Yes	
	a. Short-term counseling for 10 sessions per problem per year, with no maximum on the number of problems.		
	b. Referrals to community resources and appropriate mental health providers when continued and/or more intensive mental health services are required.	Yes	
	c. 24/7 access to telephonic and	Yes	

	online services.		
	d. Unlimited telephonic management consultation.	Yes	
	e. Financial and legal information.	Yes	
	f. Employee training and informational seminars (onsite and/or web-based).	Yes	
	g. Utilization reporting on both a quarterly and annual basis.	Yes	
	h. Promotional and communication materials.	Yes	
142.	Do you offer confidential video EAP sessions (web-based)? Please describe.	No	We launched our myLiveandworkwell EAP app in both Apple and Android Stores in January of 2016. The first release of this application enables members to click-to-call, look up their benefits, search for a clinician, request an authorization and access our Live and Work Well website content. We are exploring video counseling with our network clinicians, but have currently not found a national EAP tele-health provider which complies with our strict NCQA credentialing requirements and that can assure full HIPAA and security compliance, nor accept our fee schedule for EAP sessions.
143.	Is there a maximum number of problem areas that can be addressed within a 12-month period?	No	
144.	Do you have the ability to provide on-site EAP counseling? If so, please describe the frequency of visits, requirements and any additional costs.	Yes	On-site EAP services are available for an additional fee. Currently, we employ 86 licensed EAP counselors who provide on-site EAP services to 23 customers in 97 locations. On-site EAP counselors provide a wide variety of services, such as employee orientations, face-to-face counseling, management referrals support, Critical Incident Response Services (CIRS), on-site training, new manager support and assistance with workplace policies (e.g., violence prevention). In addition,

			counselors support and coach managers on topics, such as performance management, trauma affecting the workplace, organizational change, identifying and assisting employees in crisis and help new employees manage work life balance.

EAP MANAGEMENT SERVICES

145. Describe your process for receiving and addressing management/supervisor referrals.

Clinically licensed management consultants provide telephonic consultations, as needed, to managers with troubled employees, including assistance with management referrals. A worksite manager (or other employer representative) may request a management referral when a documented performance problem, behavioral disturbance or violation of company policy in the workplace exists. If determined that the manager has an employee issue requiring a management referral, the management consultant will work with the referring manager to establish the appropriate balance among key objectives. These objectives will support the employee's recovery, delineate specific performance expectations and provide effective workplace supervision.

Mandatory management referrals require employees to seek and comply with EAP recommendations to maintain their employment (e.g., last-chance agreements regarding employment or employees who test positive on drug screenings). Managers can request an EAP evaluation for a particular employee or group of employees for potentially harmful situations in the workplace (e.g., mental health or substance abuse). The details of the process include:

- The management consultant completes an initial management consultation with the manager that sets expectations and projected outcomes of the management referral process.
- He or she coordinates obtaining the Release of Information (by fax, secure email or mail), confirms that the manager has talked with his/her human resources or legal department regarding conditions of employment and reviews the employee's benefit options for coverage and service.
- The management consultant recommends that the manager meet with the employee to explain the organization's policy and discuss expectations with the employee, the significance of signing the Release of Information and the potential for job jeopardy if the employee does not keep the appointment.
- He or she authorizes an assessment and determines with the manager the types of benefits to use (such as EAP for short-term counseling or behavioral health for long-term treatment).

Following the discussion with the supervisor, the management consultant conducts a telephonic clinical screening with the employee, which includes a risk assessment to gather additional information about the situation and identify the appropriate clinician specialty for the case.

The management consultant then arranges for an evaluation by a network clinician with the appropriate specialty. He or she will explain to the clinician the reason for the referral, the urgent time frame, the need for a prompt appointment and ongoing feedback to us, and that we will follow up in 24 to 72 hours or as mutually agreed. The management consultant gives the employee the clinician's name, address and phone number, and he or she instructs the employee to call the clinician to confirm the appointment. The employee meets with the clinician for an assessment within 24 to 72 hours. With the employee's consent, the clinician reports the results of the evaluation and any EAP recommendations to the management consultant. The circumstances of the case determine the decisions regarding certification of additional treatment. The management consultant coordinates with the clinician, monitors the treatment and assumes responsibility for communicating treatment compliance consistent with the Release of Information to the referring manager at agreed-upon intervals, and offers guidance for any necessary ongoing supervision and/or return to work.

We customize the follow-up depending on the individual clinical situation, as well as the employer policies and procedures to make sure the employee has no risk for relapse and to support the employee's recovery.

146. What information, if any, is disclosed to the employer in conjunction with a management referral?

Our EAP stresses confidential access and assistance for all employees. Therefore, if an employee self-refers into the benefit, we will not report back to the employer, even if the employee is in a safety-sensitive position. However, we will notify the employer if the employer's policies and procedures contain a notification provision regarding safety-sensitive personnel who voluntarily seek treatment. In such cases, companies should have communicated the policy (we have HIPAA-compliant business agreements in place with these customers) to the employee population and we will try to obtain a signed Release of Information document giving permission for us to notify the employer if the employee requests assistance with a substance abuse issue or concern. If we are unable to obtain the signed Release of Information, we will still notify the customer if there is imminent risk.

147. Are management services provided face-to-face, telephonic or both?

Management referrals are provided telephonically. We do provide management-specific on-site training programs.

148. Describe the consultation and counseling services provided in the event of a critical incident. Include information regarding any session and/or maximums per incident and any additional fees that may apply.

Our internal team of trained Critical Incident Response Services (CIRS) coordinators assumes responsibility for coordinating all on-site assistance following a critical event. They provide immediate consultation and support to the manager, and together, they develop a plan for the timing and level of support at the worksite. The CIRS coordinator arranges for a licensed CIRS specialist to be on-site within 24 hours (in metro areas, they typically can be on site as soon as two hours) through our specialty vendor, R3 Continuum. Our partnership with R3 Continuum allows us to provide the Client with the highest level of coverage nationally, with more than 6,500 CIRS specialists. The CIRS specialist provides consultation and guidance to the manager addressing the immediate issue(s) such as how each employee may react differently to the current event. The CIRS specialist then meets with the employees and provides group and/or individual interventions and management consultation services, as needed. The dual goal of on-site services is to help the group regain their focus on work while providing acknowledgment of the situation that has occurred. We look for the level of resiliency of the people involved. Most people will draw on this resilience and return quickly to full functioning. For those who need additional emotional support, the full range of EAP services remains available and employees are encouraged to use them. Our focus is on providing information, support and coping skills to help those employees affected return to their jobs and regain normal levels of productivity. CIRS may be charged against the optional bank of 16 on-site service hours in our quote or purchased on a fee-for-service basis at a rate of \$225/hour (travel charges of \$100/hour also apply).

149. What capabilities do you have to provide seminars on the following topics and indicate if they are on-site, web-based or both. Specify any additional fees that apply.

All seminars described below can be purchased as part of the City's bank of 16 services hours or on a fee-for-service basis.

- a. Management/Supervisor Training

Professional development seminars for Managers and Supervisors are available online and on-site. These seminars help managers enhance their supervisory and communication skills, understand organizational dynamics and enhance morale and motivation in the workplace. Topics range from Effective Performance Appraisals to Managing Trauma to Dealing with Conflict.

- b. Personal Development Workshops

We offer a wide range of on-site and online programs and services designed to help organizations address workplace challenges by heightening awareness of the program, developing employee workplace and life management skills and honing managers' supervisory skills. Our internal team of training consultants works closely with our customers to plan on-site services. The City can purchase training sessions through a bank of service hours or on a fee-for-service basis.

- c. Legal Guidance

We provide routine legal and financial consultations telephonically, and these consultations are available Monday to Friday, 6 a.m. to 5 p.m. PT. Non-emergency after-hours legal referral and financial calls are returned on the next business day while emergency calls are referred to our subcontractor, CLC, for immediate assistance.

In an emergency (usually involving someone being arrested), the employee assistance specialist can access on-call legal assistance for the member 24 hours a day, seven days a week.

If a member calls with a legal or financial concern after these hours, a specialist will assist the member and, if the member desires, arrange for a legal consultant or financial coach to call back at a time that is convenient for the member.

d. Financial Planning

Seminars on financial planning are available online and on-site. Additionally, as part of our basic EAP benefit, we offer free telephonic consultation with a financial coach (such as a licensed certified public accountant and a certified financial planner). The subject of these calls is not restricted and may involve any question regarding financial planning, debts, investments or taxes. Members receive up to 60 minutes of no-cost telephonic consultation per financial issue. We provide services in 30-minute increments. Financial coaches assess the caller's needs, assist them in identifying any underlying issues and help them develop an action plan.

e. Parenting, Child & Elder Care

We offer Wellness and WorkLife Seminars the include parenting, child and elder care topics online and on-site. These workshops promote healthy lifestyles, providing practical skills for dealing with common problems facing individuals and families. Programs address such topics as Smoking Cessation, Balancing Work and Home and Developing Capable Kids. These seminars help members deal with sources of stress, both in and away from the workplace.

f. Other Life Management Coaching

We offer Information Fairs online and on-site. These resource events highlight a selection of educational articles and bibliographies related to a particular life-event theme and offer added convenience for employees who otherwise cannot take an hour out of their day to attend a regular workshop or training session. Topics include Busy Life, Healthy Life, Finding Quality Childcare and Fitting in Fitness.

We also offer Sampler Programs online and on-site. These 30-minute sessions give customers a sample of our training programs, perfect for worksites with scheduling and time constraints. Topics include a variety of life management issues such as Communicating without Words, Stress and Healthy Living.

**CITY OF FORT LAUDERDALE
GENERAL CONDITIONS**

These instructions are standard for all contracts for commodities or services issued through the City of Fort Lauderdale Procurement Services Division. The City may delete, supersede, or modify any of these standard instructions for a particular contract by indicating such change in the Invitation to Bid (ITB) Special Conditions, Technical Specifications, Instructions, Proposal Pages, Addenda, and Legal Advertisement. In this general conditions document, Invitation to Bid (ITB) and Request for Proposal (RFP) are interchangeable.

PART I BIDDER PROPOSAL PAGE(S) CONDITIONS:

- 1.01 BIDDER ADDRESS:** The City maintains automated vendor address lists that have been generated for each specific Commodity Class item through our bid issuing service, BidSync. Notices of Invitations to Bid (ITB'S) are sent by e-mail to the selection of bidders who have fully registered with BidSync or faxed (if applicable) to every vendor on those lists, who may then view the bid documents online. Bidders who have been informed of a bid's availability in any other manner are responsible for registering with BidSync in order to view the bid documents. There is no fee for doing so. If you wish bid notifications be provided to another e-mail address or fax, please contact BidSync. If you wish purchase orders sent to a different address, please so indicate in your bid response. If you wish payments sent to a different address, please so indicate on your invoice.
Noted.
- 1.02 DELIVERY:** Time will be of the essence for any orders placed as a result of this ITB. The City reserves the right to cancel any orders, or part thereof, without obligation if delivery is not made in accordance with the schedule specified by the Bidder and accepted by the City.
Noted.
- 1.03 PACKING SLIPS:** It will be the responsibility of the awarded Contractor, to attach all packing slips to the OUTSIDE of each shipment. Packing slips must provide a detailed description of what is to be received and reference the City of Fort Lauderdale purchase order number that is associated with the shipment. Failure to provide a detailed packing slip attached to the outside of shipment may result in refusal of shipment at Contractor's expense.
Noted.
- 1.04 PAYMENT TERMS AND CASH DISCOUNTS:** Payment terms, unless otherwise stated in this ITB, will be considered to be net 45 days after the date of satisfactory delivery at the place of acceptance and receipt of correct invoice at the office specified, whichever occurs last. Bidder may offer cash discounts for prompt payment but they will not be considered in determination of award. If a Bidder offers a discount, it is understood that the discount time will be computed from the date of satisfactory delivery, at the place of acceptance, and receipt of correct invoice, at the office specified, whichever occurs last.
Noted.
- 1.05 TOTAL BID DISCOUNT:** If Bidder offers a discount for award of all items listed in the bid, such discount shall be deducted from the total of the firm net unit prices bid and shall be considered in tabulation and award of bid.
Noted.
- 1.06 BIDS FIRM FOR ACCEPTANCE:** Bidder warrants, by virtue of bidding, that the bid and the prices quoted in the bid will be firm for acceptance by the City for a period of one hundred twenty (120) days from the date of bid opening unless otherwise stated in the ITB.
Noted.
- 1.07 VARIANCES:** For purposes of bid evaluation, Bidder's must indicate any variances, no matter how slight, from ITB General Conditions, Special Conditions, Specifications or Addenda in the space provided in the ITB. No variations or exceptions by a Bidder will be considered or deemed a part of the bid submitted unless such variances or exceptions are listed in the bid and referenced in the space provided on the bidder proposal pages. If variances are not stated, or referenced as required, it will be assumed that the product or service fully complies with the City's terms, conditions, and specifications.
- By receiving a bid, City does not necessarily accept any variances contained in the bid. All variances submitted are subject to review and approval by the City. If any bid contains material variances that, in the City's sole opinion, make that bid conditional in nature, the City reserves the right to reject the bid or part of the bid that is declared, by the City as conditional.
Noted.
- 1.08 NO BIDS:** If you do not intend to bid please indicate the reason, such as insufficient time to respond, do not offer product or service, unable to meet specifications, schedule would not permit, or any other reason, in the space provided in this ITB. Failure to bid or return no bid comments prior to the bid due and opening date and time, indicated in this ITB, may result in your firm being deleted from our Bidder's registration list for the Commodity Class Item requested in this ITB.
Noted.
- 1.09 MINORITY AND WOMEN BUSINESS ENTERPRISE PARTICIPATION AND BUSINESS DEFINITIONS:** The City of Fort Lauderdale wants to increase the participation of Minority Business Enterprises (MBE), Women Business Enterprises (WBE), and Small Business Enterprises (SBE) in its procurement activities. If your firm qualifies in accordance with the below definitions please indicate in the space provided in this ITB.

Minority Business Enterprise (MBE) "A Minority Business" is a business enterprise that is owned or controlled by one or more socially or economically disadvantaged persons. Such disadvantage may arise from cultural, racial, chronic economic circumstances or background or other similar cause. Such persons include, but are not limited to: Blacks, Hispanics, Asian Americans, and Native Americans.

The term "Minority Business Enterprise" means a business at least 51 percent of which is owned by minority group members or, in the case of a publicly owned business, at least 51 percent of the stock of which is owned by minority group members. For the purpose of the preceding sentence, minority group members are citizens of the United States who include, but are not limited to: Blacks, Hispanics, Asian Americans, and Native Americans.

Women Business Enterprise (WBE) a "Women Owned or Controlled Business" is a business enterprise at least 51 percent of which is owned by females or, in the case of a publicly owned business, at least 51 percent of the stock of which is owned by females.

Form G-107 Rev. 02/15

Small Business Enterprise (SBE) "Small Business" means a corporation, partnership, sole proprietorship, or other legal entity formed for the purpose of making a profit, which is independently owned and operated, has either fewer than 100 employees or less than \$1,000,000 in annual gross receipts.

BLACK, which includes persons having origins in any of the Black racial groups of Africa.

WHITE, which includes persons whose origins are Anglo-Saxon and Europeans and persons of Indo-European decent including Pakistani and East Indian.

HISPANIC, which includes persons of Mexican, Puerto Rican, Cuban, Central and South American, or other Spanish culture or origin, regardless of race.

NATIVE AMERICAN, which includes persons whose origins are American Indians, Eskimos, Aleuts, or Native Hawaiians.

ASIAN AMERICAN, which includes persons having origin in any of the original peoples of the Far East, Southeast Asia, the Indian subcontinent, or the Pacific Islands.

Noted. UnitedHealth Group is a Fortune 500, publically traded company which does not qualify as a certified diverse supplier under any of the following designations: Minority Owned Business Enterprise (MBE); Woman Owned Business Enterprise (WBE); Veteran Owned Business Enterprise (VBE); Disabled Veteran Owned Enterprise (DVBE); Disability Owned Business Enterprise (DOBE); Small Business Enterprise (SBE); or Lesbian, Gay, Bisexual or Transgender Owned Business Enterprise (LGBTBE).

1.10 MINORITY-WOMEN BUSINESS ENTERPRISE PARTICIPATION

It is the desire of the City of Fort Lauderdale to increase the participation of minority (MBE) and women-owned (WBE) businesses in its contracting and procurement programs. While the City does not have any preference or set aside programs in place, it is committed to a policy of equitable participation for these firms. Proposers are requested to include in their proposals a narrative describing their past accomplishments and intended actions in this area. If proposers are considering minority or women owned enterprise participation in their proposal, those firms, and their specific duties have to be identified in the proposal. If a proposer is considered for award, he or she will be asked to meet with City staff so that the intended MBE/WBE participation can be formalized and included in the subsequent contract.

Noted. UnitedHealth Group is a Fortune 500, publically traded company which does not qualify as a certified diverse supplier under any of the following designations: Minority Owned Business Enterprise (MBE); Woman Owned Business Enterprise (WBE); Veteran Owned Business Enterprise (VBE); Disabled Veteran Owned Enterprise (DVBE); Disability Owned Business Enterprise (DOBE); Small Business Enterprise (SBE); or Lesbian, Gay, Bisexual or Transgender Owned Business Enterprise (LGBTBE).

1.11 SCRUTINIZED COMPANIES

This Section applies to any contract for goods or services of \$1 million or more:

The Contractor certifies that it is not on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List and that it does not have business operations in Cuba or Syria as provided in section 287.135, Florida Statutes (2011), as may be amended or revised. The City may terminate this Contract at the City's option if the Contractor is found to have submitted a false certification as provided under subsection (5) of section 287.135, Florida Statutes (2011), as may be amended or revised, or been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List or has engaged in business operations in Cuba or Syria, as defined in Section 287.135, Florida Statutes (2011), as may be amended or revised.

Confirmed.

1.12 DEBARRED OR SUSPENDED BIDDERS OR PROPOSERS

The bidder or proposer certifies, by submission of a response to this solicitation, that neither it nor its principals and subcontractors are presently debarred or suspended by any Federal department or agency.

Confirmed.

Part II DEFINITIONS/ORDER OF PRECEDENCE:

2.01 BIDDING DEFINITIONS The City will use the following definitions in its general conditions, special conditions, technical specifications, instructions to bidders, addenda and any other document used in the bidding process:

INVITATION TO BID (ITB) when the City is requesting bids from qualified Bidders.

REQUEST FOR PROPOSALS (RFP) when the City is requesting proposals from qualified Proposers.

BID – a price and terms quote received in response to an ITB.

PROPOSAL – a proposal received in response to an RFP.

BIDDER – Person or firm submitting a Bid.

PROPOSER – Person or firm submitting a Proposal.

RESPONSIVE BIDDER – A person whose bid conforms in all material respects to the terms and conditions included in the ITB.

RESPONSIBLE BIDDER – A person who has the capability in all respects to perform in full the contract requirements, as stated in the ITB, and the integrity and reliability that will assure good faith performance.

FIRST RANKED PROPOSER – That Proposer, responding to a City RFP, whose Proposal is deemed by the City, the most advantageous to the City after applying the evaluation criteria contained in the RFP.

SELLER – Successful Bidder or Proposer who is awarded a Purchase Order or Contract to provide goods or services to the City.

CONTRACTOR – Successful Bidder or Proposer who is awarded a Purchase Order, award Contract, Blanket Purchase Order agreement, or Term Contract to provide goods or services to the City.

CONTRACT – A deliberate verbal or written agreement between two or more competent parties to perform or not to perform a certain act or acts, including all types of agreements, regardless of what they may be called, for the procurement or disposal of equipment, materials, supplies, services or construction.

CONSULTANT – Successful Bidder or Proposer who is awarded a contract to provide professional services to the City.

The following terms may be used interchangeably by the City: ITB and/or RFP; Bid or Proposal; Bidder, Proposer, or Seller; Contractor or Consultant; Contract, Award, Agreement or Purchase Order.

Noted.

2.02 SPECIAL CONDITIONS: Any and all Special Conditions contained in this ITB that may be in variance or conflict with these General Conditions shall have precedence over these General Conditions. If no changes or deletions to General Conditions are made in the Special Conditions, then the General Conditions shall prevail in their entirety,

Noted.

PART III BIDDING AND AWARD PROCEDURES:

- 3.01 SUBMISSION AND RECEIPT OF BIDS:** To receive consideration, bids must be received prior to the bid opening date and time. Unless otherwise specified, Bidders should use the proposal forms provided by the City. These forms may be duplicated, but failure to use the forms may cause the bid to be rejected. Any erasures or corrections on the bid must be made in ink and initialed by Bidder in ink. All information submitted by the Bidder shall be printed, typewritten or filled in with pen and ink. Bids shall be signed in ink. Separate bids must be submitted for each ITB issued by the City in separate sealed envelopes properly marked. When a particular ITB or RFP requires multiple copies of bids or proposals they may be included in a single envelope or package properly sealed and identified. Only send bids via facsimile transmission (FAX) if the ITB specifically states that bids sent via FAX will be considered. If such a statement is not included in the ITB, bids sent via FAX will be rejected. Bids will be publicly opened in the Procurement Office, or other designated area, in the presence of Bidders, the public, and City staff. Bidders and the public are invited and encouraged to attend bid openings. Bids will be tabulated and made available for review by Bidder's and the public in accordance with applicable regulations.
Noted.
- 3.02 MODEL NUMBER CORRECTIONS:** If the model number for the make specified in this ITB is incorrect, or no longer available and replaced with an updated model with new specifications, the Bidder shall enter the correct model number on the bidder proposal page. In the case of an updated model with new specifications, Bidder shall provide adequate information to allow the City to determine if the model bid meets the City's requirements.
Not applicable.
- 3.03 PRICES QUOTED:** Deduct trade discounts, and quote firm net prices. Give both unit price and extended total. In the case of a discrepancy in computing the amount of the bid, the unit price quoted will govern. All prices quoted shall be F.O.B. destination, freight prepaid (Bidder pays and bears freight charges, Bidder owns goods in transit and files any claims), unless otherwise stated in Special Conditions. Each item must be bid separately. No attempt shall be made to tie any item or items contained in the ITB with any other business with the City.
This is not applicable to the services we are proposing to provide to the City of Fort Lauderdale. Our agreements are not traditional goods agreements; they are based on a complex array of services that are uniquely packaged to fit each individual customer's needs.
- 3.04 TAXES:** The City of Fort Lauderdale is exempt from Federal Excise and Florida Sales taxes on direct purchase of tangible property. Exemption number for EIN is 59-6000319, and State Sales tax exemption number is 85-8013875578C-1.
Noted.
- 3.05 WARRANTIES OF USAGE:** Any quantities listed in this ITB as estimated or projected are provided for tabulation and information purposes only. No warranty or guarantee of quantities is given or implied. It is understood that the Contractor will furnish the City's needs as they arise.
This is not applicable to the services we are proposing to provide to the City. Our agreements are not traditional goods agreements; they are based on a complex array of services that are uniquely packaged to fit each individual customer's needs.
- 3.06 APPROVED EQUAL:** When the technical specifications call for a brand name, manufacturer, make, model, or vendor catalog number with acceptance of APPROVED EQUAL, it shall be for the purpose of establishing a level of quality and features desired and acceptable to the City. In such cases, the City will be receptive to any unit that would be considered by qualified City personnel as an approved equal. In that the specified make and model represent a level of quality and features desired by the City, the Bidder must state clearly in the bid any variance from those specifications. It is the Bidder's responsibility to provide adequate information, in the bid, to enable the City to ensure that the bid meets the required criteria. If adequate information is not submitted with the bid, it may be rejected. The City will be the sole judge in determining if the item bid qualifies as an approved equal.
This is not applicable to the services we are proposing to provide to the City. Our agreements are not traditional goods agreements; they are based on a complex array of services that are uniquely packaged to fit each individual customer's needs.
- 3.07 MINIMUM AND MANDATORY TECHNICAL SPECIFICATIONS:** The technical specifications may include items that are considered minimum, mandatory, or required. If any Bidder is unable to meet or exceed these items, and feels that the technical specifications are overly restrictive, the bidder must notify the Procurement Services Division immediately. Such notification must be received by the Procurement Services Division prior to the deadline contained in the ITB, for questions of a material nature, or prior to five (5) days before bid due and open date, whichever occurs first. If no such notification is received prior to that deadline, the City will consider the technical specifications to be acceptable to all bidders.
Noted.
- 3.08 MISTAKES:** Bidders are cautioned to examine all terms, conditions, specifications, drawings, exhibits, addenda, delivery instructions and special conditions pertaining to the ITB. Failure of the Bidder to examine all pertinent documents shall not entitle the bidder to any relief from the conditions imposed in the contract.
Noted.
- 3.09 SAMPLES AND DEMONSTRATIONS:** Samples or inspection of product may be requested to determine suitability. Unless otherwise specified in Special Conditions, samples shall be requested after the date of bid opening, and if requested should be received by the City within seven (7) working days of request. Samples, when requested, must be furnished free of expense to the City and if not used in testing or destroyed, will upon request of the Bidder, be returned within thirty (30) days of bid award at Bidder's expense. When required, the City may request full demonstrations of units prior to award. When such demonstrations are requested, the Bidder shall respond promptly and arrange a demonstration at a convenient location. Failure to provide samples or demonstrations as specified by the City may result in rejection of a bid.
Noted.
- 3.10 LIFE CYCLE COSTING:** If so specified in the ITB, the City may elect to evaluate equipment proposed on the basis of total cost of ownership. In using Life Cycle Costing, factors such as the following may be considered: estimated useful life, maintenance costs, cost of supplies, labor intensity, energy usage, environmental impact, and residual value. The City reserves the right to use those or other applicable criteria, in its sole opinion that will most accurately estimate total cost of use and ownership.
This is not applicable to the services we are proposing to provide to the City. Our agreements are not traditional goods agreements; they are based on a complex array of services that are uniquely packaged to fit each individual customer's needs.
- 3.11 BIDDING ITEMS WITH RECYCLED CONTENT:** In addressing environmental concerns, the City of Fort Lauderdale encourages Bidders to submit bids or alternate bids containing items with recycled content. When submitting bids containing items with recycled content, Bidder shall Form G-107 Rev. 02/15

provide documentation adequate for the City to verify the recycled content. The City prefers packaging consisting of materials that are degradable or able to be recycled. When specifically stated in the ITB, the City may give preference to bids containing items manufactured with recycled material or packaging that is able to be recycled.

Noted.

- 3.12 USE OF OTHER GOVERNMENTAL CONTRACTS:** The City reserves the right to reject any part or all of any bids received and utilize other available governmental contracts, if such action is in its best interest.

Noted.

- 3.13 QUALIFICATIONS/INSPECTION:** Bids will only be considered from firms normally engaged in providing the types of commodities/services specified herein. The City reserves the right to inspect the Bidder's facilities, equipment, personnel, and organization at any time, or to take any other action necessary to determine Bidder's ability to perform. The Procurement Director reserves the right to reject bids where evidence or evaluation is determined to indicate inability to perform.

We will agree to a pre-implementation audit. The audit must be performed by one of the following:

- **A qualified and independent third-party audit firm agreed to by UnitedHealthcare and the City that has demonstrated experience in medical claim auditing**
- **The City's qualified internal audit department**

Other limitations regarding factors such as sample size and audit locations may apply. The following items will be reviewed: intranet Benefits-at-a-Glance (IBAAG) details (the benefits script, which is loaded into our member service system, claims system and our member Web site), the summary plan description (SPD) and administrative services agreement (ASA).

- 3.14 BID SURETY:** If Special Conditions require a bid security, it shall be submitted in the amount stated. A bid security can be in the form of a bid bond or cashier's check. Bid security will be returned to the unsuccessful bidders as soon as practicable after opening of bids. Bid security will be returned to the successful bidder after acceptance of the performance bond, if required; acceptance of insurance coverage, if required; and full execution of contract documents, if required; or conditions as stated in Special Conditions.

Noted.

- 3.15 PUBLIC RECORDS/TRADE SECRETS/COPYRIGHT:** The Proposer's response to the RFP is a public record pursuant to Florida law, which is subject to disclosure by the City under the State of Florida Public Records Law, Florida Statutes Chapter 119.07 ("Public Records Law"). The City shall permit public access to all documents, papers, letters or other material submitted in connection with this RFP and the Contract to be executed for this RFP, subject to the provisions of Chapter 119.07 of the Florida Statutes.

Any language contained in the Proposer's response to the RFP purporting to require confidentiality of any portion of the Proposer's response to the RFP, except to the extent that certain information is in the City's opinion a Trade Secret pursuant to Florida law, shall be void. If a Proposer submits any documents or other information to the City which the Proposer claims is Trade Secret information and exempt from Florida Statutes Chapter 119.07 ("Public Records Laws"), the Proposer shall clearly designate that it is a Trade Secret and that it is asserting that the document or information is exempt. The Proposer must specifically identify the exemption being claimed under Florida Statutes 119.07. The City shall be the final arbiter of whether any information contained in the Proposer's response to the RFP constitutes a Trade Secret. The city's determination of whether an exemption applies shall be final, and the proposer agrees to defend, indemnify, and hold harmless the city and the city's officers, employees, and agent, against any loss or damages incurred by any person or entity as a result of the city's treatment of records as public records. Proposals purporting to be subject to copyright protection in full or in part will be rejected.

EXCEPT FOR CLEARLY MARKED PORTIONS THAT ARE BONA FIDE TRADE SECRETS PURSUANT TO FLORIDA LAW, DO NOT MARK YOUR RESPONSE TO THE RFP AS PROPRIETARY OR CONFIDENTIAL. DO NOT MARK YOUR RESPONSE TO THE RFP OR ANY PART THEREOF AS COPYRIGHTED.

Noted.

- 3.16 PROHIBITION OF INTEREST:** No contract will be awarded to a bidding firm who has City elected officials, officers or employees affiliated with it, unless the bidding firm has fully complied with current Florida State Statutes and City Ordinances relating to this issue. Bidders must disclose any such affiliation. Failure to disclose any such affiliation will result in disqualification of the Bidder and removal of the Bidder from the City's bidder lists and prohibition from engaging in any business with the City.

Noted.

- 3.17 RESERVATIONS FOR AWARD AND REJECTION OF BIDS:** The City reserves the right to accept or reject any or all bids, part of bids, and to waive minor irregularities or variations to specifications contained in bids, and minor irregularities in the bidding process. The City also reserves the right to award the contract on a split order basis, lump sum basis, individual item basis, or such combination as shall best serve the interest of the City. The City reserves the right to make an award to the responsive and responsible bidder whose product or service meets the terms, conditions, and specifications of the ITB and whose bid is considered to best serve the City's interest. In determining the responsiveness of the offer and the responsibility of the Bidder, the following shall be considered when applicable: the ability, capacity and skill of the Bidder to perform as required; whether the Bidder can perform promptly, or within the time specified, without delay or interference; the character, integrity, reputation, judgment, experience and efficiency of the Bidder; the quality of past performance by the Bidder; the previous and existing compliance by the Bidder with related laws and ordinances; the sufficiency of the Bidder's financial resources; the availability, quality and adaptability of the Bidder's supplies or services to the required use; the ability of the Bidder to provide future maintenance, service or parts; the number and scope of conditions attached to the bid.

If the ITB provides for a contract trial period, the City reserves the right, in the event the selected bidder does not perform satisfactorily, to award a trial period to the next ranked bidder or to award a contract to the next ranked bidder, if that bidder has successfully provided services to the City in the past. This procedure to continue until a bidder is selected or the contract is re-bid, at the sole option of the City.

Noted.

3.18 LEGAL REQUIREMENTS: Applicable provisions of all federal, state, county laws, and local ordinances, rules and regulations, shall govern development, submittal and evaluation of all bids received in response hereto and shall govern any and all claims and disputes which may arise between person(s) submitting a bid response hereto and the City by and through its officers, employees and authorized representatives, or any other person, natural or otherwise; and lack of knowledge by any bidder shall not constitute a cognizable defense against the legal effect thereof.
Noted.

3.19 BID PROTEST PROCEDURE: ANY PROPOSER OR BIDDER WHO IS NOT RECOMMENDED FOR AWARD OF A CONTRACT AND WHO ALLEGES A FAILURE BY THE CITY TO FOLLOW THE CITY'S PROCUREMENT ORDINANCE OR ANY APPLICABLE LAW MAY PROTEST TO THE DIRECTOR OF PROCUREMENT SERVICES DIVISION (DIRECTOR), BY DELIVERING A LETTER OF PROTEST TO THE DIRECTOR WITHIN FIVE (5) DAYS AFTER A NOTICE OF INTENT TO AWARD IS POSTED ON THE CITY'S WEB SITE AT THE FOLLOWING LINK: http://www.fortlauderdale.gov/purchasing/notices_of_intent.htm

THE COMPLETE PROTEST ORDINANCE MAY BE FOUND ON THE CITY'S WEB SITE AT THE FOLLOWING LINK:
<http://www.fortlauderdale.gov/purchasing/protestordinance.pdf>
Noted.

PART IV BONDS AND INSURANCE

4.01 PERFORMANCE BOND: If a performance bond is required in Special Conditions, the Contractor shall within fifteen (15) working days after notification of award, furnish to the City a Performance Bond, payable to the City of Fort Lauderdale, Florida, in the face amount specified in Special Conditions as surety for faithful performance under the terms and conditions of the contract. If the bond is on an annual coverage basis, renewal for each succeeding year shall be submitted to the City thirty (30) days prior to the termination date of the existing Performance Bond. The Performance Bond must be executed by a surety company of recognized standing, authorized to do business in the State of Florida and having a resident agent.

Acknowledgement and agreement is given by both parties that the amount herein set for the Performance Bond is not intended to be nor shall be deemed to be in the nature of liquidated damages nor is it intended to limit the liability of the Contractor to the City in the event of a material breach of this Agreement by the Contractor.
Noted.

4.02 INSURANCE: If the Contractor is required to go on to City property to perform work or services as a result of ITB award, the Contractor shall assume full responsibility and expense to obtain all necessary insurance as required by City or specified in Special Conditions.

The Contractor shall provide to the Procurement Services Division original certificates of coverage and receive notification of approval of those certificates by the City's Risk Manager prior to engaging in any activities under this contract. The Contractor's insurance is subject to the approval of the City's Risk Manager. The certificates must list the City as an ADDITIONAL INSURED for General Liability Insurance, and shall have no less than thirty (30) days written notice of cancellation or material change. Further modification of the insurance requirements may be made at the sole discretion of the City's Risk Manager if circumstances change or adequate protection of the City is not presented. Bidder, by submitting the bid, agrees to abide by such modifications.

Noted.

PART V PURCHASE ORDER AND CONTRACT TERMS:

5.01 COMPLIANCE TO SPECIFICATIONS, LATE DELIVERIES/PENALTIES: Items offered may be tested for compliance to bid specifications. Items delivered which do not conform to bid specifications may be rejected and returned at Contractor's expense. Any violation resulting in contract termination for cause or delivery of items not conforming to specifications, or late delivery may also result in:

- Bidders name being removed from the City's bidder's mailing list for a specified period and Bidder will not be recommended for any award during that period.
- All City Departments being advised to refrain from doing business with the Bidder.
- All other remedies in law or equity.

Noted.

5.02 ACCEPTANCE, CONDITION, AND PACKAGING: The material delivered in response to ITB award shall remain the property of the Seller until a physical inspection is made and the material accepted to the satisfaction of the City. The material must comply fully with the terms of the ITB, be of the required quality, new, and the latest model. All containers shall be suitable for storage and shipment by common carrier, and all prices shall include standard commercial packaging. The City will not accept substitutes of any kind. Any substitutes or material not meeting specifications will be returned at the Bidder's expense. Payment will be made only after City receipt and acceptance of materials or services.

Noted.

5.03 SAFETY STANDARDS: All manufactured items and fabricated assemblies shall comply with applicable requirements of the Occupation Safety and Health Act of 1970 as amended, and be in compliance with Chapter 442, Florida Statutes. Any toxic substance listed in Section 38F-41.03 of the Florida Administrative Code delivered as a result of this order must be accompanied by a completed Safety Data Sheet (SDS).

This is not applicable to the services we are proposing to provide to the City. Our agreements are not traditional goods agreements; they are based on a complex array of services that are uniquely packaged to fit each individual customer's needs.

5.04 ASBESTOS STATEMENT: All material supplied must be 100% asbestos free. Bidder, by virtue of bidding, certifies that if awarded any portion of the ITB the bidder will supply only material or equipment that is 100% asbestos free.

This is not applicable to the services we are proposing to provide to the City. Our agreements are not traditional goods agreements; they are based on a complex array of services that are uniquely packaged to fit each individual customer's needs.

5.05 OTHER GOVERNMENTAL ENTITIES: If the Bidder is awarded a contract as a result of this ITB, the bidder may, if the bidder has sufficient capacity or quantities available, provide to other governmental agencies, so requesting, the products or services awarded in accordance with the terms and conditions of the ITB and resulting contract. Prices shall be F.O.B. delivered to the requesting agency.

Noted.

5.06 VERBAL INSTRUCTIONS PROCEDURE: No negotiations, decisions, or actions shall be initiated or executed by the Contractor as a result of any discussions with any City employee. Only those communications which are in writing from an authorized City representative may be considered. Only written communications from Contractors, which are assigned by a person designated as authorized to bind the Contractor, will be recognized by the City as duly authorized expressions on behalf of Contractors.

Noted.

5.07 INDEPENDENT CONTRACTOR: The Contractor is an independent contractor under this Agreement. Personal services provided by the Proposer shall be by employees of the Contractor and subject to supervision by the Contractor, and not as officers, employees, or agents of the City. Personnel policies, tax responsibilities, social security, health insurance, employee benefits, procurement policies unless otherwise stated in this ITB, and other similar administrative procedures applicable to services rendered under this contract shall be those of the Contractor.

Noted.

5.08 INDEMNITY/HOLD HARMLESS AGREEMENT: The Contractor agrees to protect, defend, indemnify, and hold harmless the City of Fort Lauderdale and its officers, employees and agents from and against any and all losses, penalties, damages, settlements, claims, costs, charges for other expenses, or liabilities of every and any kind including attorney's fees, in connection with or arising directly or indirectly out of the work agreed to or performed by Contractor under the terms of any agreement that may arise due to the bidding process. Without limiting the foregoing, any and all such claims, suits, or other actions relating to personal injury, death, damage to property, defects in materials or workmanship, actual or alleged violations of any applicable Statute, ordinance, administrative order, rule or regulation, or decree of any court shall be included in the indemnity hereunder.

As part of the development of our ASA, we will partner with you to produce indemnification language that is acceptable to both of our organizations.

Provided below is a sample of the type of indemnification language we prefer to use for our self-funded business. The final indemnification language agreed upon by both organizations will survive the termination of the ASA.

United will indemnify Customer and hold Customer harmless against any and all losses, liabilities, penalties, fines, costs, damages and expenses that Customer incurs, including reasonable attorneys' fees, which arise out of:

- **United's or its vendors' gross negligence or willful misconduct in the performance of United's or its vendors', subcontractors' or authorized agents' obligations under the agreement**
- **United's material breach of the agreement, all as determined by a court or other tribunal having jurisdiction of the matter**

Notwithstanding the foregoing, Customer will remain responsible for payment of benefits and United's indemnification will not extend to indemnification of Customer or the Plan against any claims, liabilities, damages, judgments or expenses that constitute payment of Plan benefits. This provision shall survive the termination of the Agreement.

Customer will indemnify United and hold United harmless against any and all losses, liabilities, penalties, fines, costs, damages and expenses we incur, including reasonable attorneys' fees, which arise out of:

- **Customer or its vendors', subcontractors' or authorized agents' gross negligence or willful misconduct in the performance of Customer or its vendors', subcontractors' or authorized agents' obligations under the agreement, or any other agreements entered into with such third parties on Customer's behalf**
- **Customer's material breach of the agreement**
- **A breach of any other agreements United enters into with such third parties on Customer's behalf, all as determined by a court or other tribunal having jurisdiction of the matter**
- **Third party claims brought against United as the claims administrator (e.g., a claim raised by the federal government based on the federal Medicare Secondary Payor laws)**
- **Customer's operation of a Health Savings Account (HSA) as an ERISA plan; failure to act in accordance with applicable provisions of the IRC and associated guidance issued by the Internal Revenue Service (IRS)/Treasury Department with respect to Customer's HSA; and/or claims against United relating to an HSA utilized by Customer's enrolling Employees**

This provision shall survive the termination of the Agreement.

5.09 TERMINATION FOR CAUSE: If, through any cause, the Contractor shall fail to fulfill in a timely and proper manner its obligations under this Agreement, or if the Contractor shall violate any of the provisions of this Agreement, the City may upon written notice to the Contractor terminate the right of the Contractor to proceed under this Agreement, or with such part or parts of the Agreement as to which there has been default, and may hold the Contractor liable for any damages caused to the City by reason of such default and termination. In the event of such termination, any completed services performed by the Contractor under this Agreement shall, at the option of the City, become the City's property and the Contractor shall be entitled to receive equitable compensation for any work completed to the satisfaction of the City. The Contractor, however, shall not be relieved of liability to the City for damages sustained by the City by reason of any breach of the Agreement by the Contractor, and the City may withhold any payments to the Contractor for the purpose of setoff until such time as the amount of damages due to the City from the Contractor can be determined.

Below is the type of termination language included in our standard ASA that we would include in our agreement with you, along with any language suggested by you and agreed upon by both parties:

This Agreement will terminate under the following circumstances: (i) The Plan terminates, (ii) Both parties agree in writing to terminate the Agreement, (iii) After the initial Term, either party gives the other party at least sixty (60) days prior written notice, (iv) United gives Customer notice of termination because Customer did not pay the fees or other amounts

Customer owed United when due under the terms of this Agreement, (v) United gives Customer notice of termination if Customer fails to provide the required funds for payment of benefits under the terms of this Agreement, (vi) Either party is in material breach of this Agreement, other than by non-payment or late payment of fees owed by Customer or the funding of Plan benefits, and does not correct the breach within thirty (30) days after being notified in writing by the other party, (vii) United may terminate this Agreement in the event of a filing by or against the Customer of a petition for relief under the Federal Bankruptcy Code, (viii) Any state or other jurisdiction prohibits a party from administering the Plan under the terms of this Agreement, or imposes a penalty on the Plan or United and such penalty is based on the administrative services specified in this Agreement. In this situation, the party may immediately discontinue the Agreement's application in such state or jurisdiction. Notice must be given to the other party when reasonably practical. The Agreement will continue to apply in all other states or jurisdictions, or (ix) As otherwise specified in this Agreement.

5.10 TERMINATION FOR CONVENIENCE: The City reserves the right, in its best interest as determined by the City, to cancel contract by giving written notice to the Contractor thirty (30) days prior to the effective date of such cancellation.

As stated above, this agreement will terminate when:

- Both parties agree in writing to terminate
- After the initial agreement period either party gives at least 60 days' prior written notice
- We give you notice for nonpayment of fees owed us when due under agreement terms
- Either party is in material breach of the agreement and doesn't correct the breach within 30 days after receiving written notification
- We give you notice because of a filing by or against you of a petition for relief under the Federal Bankruptcy Code
- Any state or jurisdiction prohibits a party from administering the plan under the terms of the agreement, or imposes a penalty based on the administrative services specified therein. The party may immediately discontinue the agreement's application only in such state or jurisdiction, but must give notice when reasonably practical.
- As otherwise specified in the agreement.

5.11 CANCELLATION FOR UNAPPROPRIATED FUNDS: The obligation of the City for payment to a Contractor is limited to the availability of funds appropriated in a current fiscal period, and continuation of the contract into a subsequent fiscal period is subject to appropriation of funds, unless otherwise authorized by law.

As stated above, this agreement will terminate when:

- Both parties agree in writing to terminate
- After the initial agreement period either party gives at least 60 days' prior written notice
- We give you notice for nonpayment of fees owed us when due under agreement terms
- Either party is in material breach of the agreement and doesn't correct the breach within 30 days after receiving written notification
- We give you notice because of a filing by or against you of a petition for relief under the Federal Bankruptcy Code
- Any state or jurisdiction prohibits a party from administering the plan under the terms of the agreement, or imposes a penalty based on the administrative services specified therein. The party may immediately discontinue the agreement's application only in such state or jurisdiction, but must give notice when reasonably practical.
- As otherwise specified in the agreement.

5.12 RECORDS/AUDIT: The Contractor shall maintain during the term of the contract all books of account, reports and records in accordance with generally accepted accounting practices and standards for records directly related to this contract. The Contractor agrees to make available to the City Auditor or designee, during normal business hours and in Broward, Miami-Dade or Palm Beach Counties, all books of account, reports and records relating to this contract should be retained for the duration of the contract and for three years after the final payment under this Agreement, or until all pending audits, investigations or litigation matters relating to the contract are closed, whichever is later.

We maintain a records schedule that describes record types generated and maintained by the organization and identifies the corresponding retention period. Retention periods are based on federal and state statutes, agency regulations, and operational needs.

The retention schedule in its entirety is comprehensive. Below is a small sampling of some of the types of documents we retain and their corresponding retention period.

Record Category	Description of Category	Total Retention Period
Claims – Government & Commercial Programs	<p>Records of claims that have been submitted for reimbursement of services rendered by providers. Includes:</p> <ul style="list-style-type: none"> ■ Claim submissions ■ Explanation of Benefits (EOBs) ■ Adjudication and processing ■ Payment authorizations and payments ■ Benefit accumulators ■ Coordination of Benefits 	Payment Date + 10 Years

Record Category	Description of Category	Total Retention Period
Eligibility & Enrollment Records – Government & Commercial Programs	Includes enrollee filings for Medicaid, Medicare Advantage, Managed Care and governmental fee-for-service programs. May include: <ul style="list-style-type: none"> ■ Applications, eligibility, elections, enrollment ■ Renewal options, changes ■ Eligibility reconciliation, status for enrollees ■ Disenrollment records 	10 Years
Member Care Case Files	Records supporting a care management plan for a member. May include: <ul style="list-style-type: none"> ■ Patient medical records obtained through physician offices ■ Patient demographics and diagnostic code ■ Referrals, prior authorizations, denials ■ Pharmacy records ■ Clinical case notes ■ Assessments and treatment plan ■ Transition to care planning 	Duration of Case + 10 Years
Plan Administration & Plan Reporting	Plan administration records for both insurance and non-insurance plans. May include: <ul style="list-style-type: none"> ■ Census of plan participants ■ Plan contributions and reimbursements ■ Plan reporting ■ Correspondence related to client transactions ■ Plan-wide communications to plan participants ■ Plan-specific provider directories 	10 Years

AUDIT

We are agreeable to an audit provision that affords the City or a mutually acceptable entity the opportunity to audit us once per calendar year to determine whether we are fulfilling our performance under our ASA. We permit on-site annual claim processing audits that are consistent with generally acceptable auditing standards, such as a statistically valid, random sample audit that employs acceptable sampling and audit methodologies. Our audit provision provides for the following:

- The time, place, duration and frequency of the audit are reasonable and agreed to by the parties.
- The information reviewed relates to the calendar year in which the audit is conducted and/or the immediately preceding calendar year, during the term of the ASA, and at any time within six months following its termination.
- The parties pay for their own audit costs. In addition, the City will pay us for any unanticipated costs we incur, any costs of an audit after termination, and any costs associated with more than one audit per year.
- A mutually agreeable third party may be allowed or designated to conduct the audit.
- The audit will be conducted pursuant to agreed-upon confidentiality commitments.
- We will be given a reasonable opportunity to review and comment on any audit conclusions.

5.13 PERMITS, TAXES, LICENSES: The successful Contractor shall, at their own expense, obtain all necessary permits, pay all licenses, fees and taxes, required to comply with all local ordinances, state and federal laws, rules and regulations applicable to business to be carried out under this contract.
Noted.

5.14 LAWS/ORDINANCES: The Contractor shall observe and comply with all Federal, state, local and municipal laws, ordinances rules and regulations that would apply to this contract.
Confirmed. We confirm that our organization is currently operating in material compliance with all relevant laws and regulations relating to the services we are proposing. We will provide administrative services consistent with the City's plan design(s), in accordance with the terms of our ASA with the City, and in accordance with all relevant laws and regulations. However, the self-funded customer retains ultimate responsibility for the legal sufficiency of its plan design and summary plan description (SPD) content, in accordance with applicable laws.

5.15 NON-DISCRIMINATION: There shall be no discrimination as to race, sex, color, creed, age or national origin in the operations conducted under this contract.
Noted.

5.16 UNUSUAL CIRCUMSTANCES: If during a contract term where costs to the City are to remain firm or adjustments are restricted by a percentage or CPI cap, unusual circumstances that could not have been foreseen by either party of the contract occur, and those circumstances significantly affect the Contractor's cost in providing the required prior items or services, then the Contractor may request adjustments to the costs to the City to reflect the changed circumstances. The circumstances must be beyond the control of the Contractor, and the requested adjustments must be fully documented. The City may, after examination, refuse to accept the adjusted costs if they are not properly documented, increases are considered to be excessive, or decreases are considered to be insufficient. In the event the City does not wish to accept the adjusted costs and the matter cannot be resolved to the satisfaction of the City, the City will reserve the following options:

1. The contract can be canceled by the City upon giving thirty (30) days written notice to the Contractor with no penalty to the City or Contractor. The Contractor shall fill all City requirements submitted to the Contractor until the termination date contained in the notice.
2. The City requires the Contractor to continue to provide the items and services at the firm fixed (non-adjusted) cost until the termination of the contract term then in effect.
3. If the City, in its interest and in its sole opinion, determines that the Contractor in a capricious manner attempted to use this section of the contract to relieve them of a legitimate obligation under the contract, and no unusual circumstances had occurred, the City reserves the right to take any and all action under law or equity. Such action shall include, but not be limited to, declaring the Contractor in default and disqualifying him for receiving any business from the City for a stated period of time.

If the City does agree to adjusted costs, these adjusted costs shall not be invoiced to the City until the Contractor receives notice in writing signed by a person authorized to bind the City in such matters.
Noted.

5.17 ELIGIBILITY: If applicable, the Contractor must first register with the Department of State of the State of Florida, in accordance with Florida State Statutes, prior to entering into a contract with the City.
Noted.

5.18 PATENTS AND ROYALTIES: The Contractor, without exception, shall indemnify and save harmless the City and its employees from liability of any nature and kind, including cost and expenses for or on account of any copyrighted, patented or un-patented invention, process, or article manufactured or used in the performance of the contract, including its use by the City. If the Contractor uses any design, device, or materials covered by letters, patent or copyright, it is mutually agreed and understood without exception that the bid prices shall include all royalties or costs arising from the use of such design, device, or materials in any way involved in the work.
Noted.

5.19 ASSIGNMENT: Contractor shall not transfer or assign the performance required by this ITB without the prior written consent of the City. Any award issued pursuant to this ITB, and the monies, which may become due hereunder, are not assignable except with the prior written approval of the City Commission or the City Manager or City Manager's designee, depending on original award approval.

We would agree that neither party can assign this contract, or any rights or obligations under this contract, to anyone without the other party's written consent. Notwithstanding, we need the ability to assign this contract, including all of our rights and obligations, to our affiliates; to an entity controlling, controlled by, or under common control with us; or a purchaser of all, or substantially all of our assets, subject to notice to the City of the assignment. We need this discretion in the utilization of our sister companies. We cannot agree to have one customer have veto power over our business choice to assign the arrangement to a sister company, because that business decision affects our entire book of business.

5.20 LITIGATION VENUE: The parties waive the privilege of venue and agree that all litigation between them in the state courts shall take place in Broward County, Florida and that all litigation between them in the federal courts shall take place in the Southern District in and for the State of Florida.

Mediation is our preferred means for resolving contractual disputes, with a final outlet to court. We would also prefer not to restrict actions to any one particular venue.

5.21 LOCATION OF UNDERGROUND FACILITIES: If the Contractor, for the purpose of responding to this solicitation, requests the location of underground facilities through the Sunshine State One-Call of Florida, Inc. notification system or through any person or entity providing a facility locating service, and underground facilities are marked with paint, stakes or other markings within the City pursuant to such a request, then the Contractor, shall be deemed non-responsive to this solicitation in accordance with Section 2-184(5) of the City of Fort Lauderdale Code of Ordinances.

Noted.

5.22 PUBLIC AGENCY CONTRACTS FOR SERVICES: if applicable, for each public agency contract for services, Contractor is required to comply with F.S. 119.0701, which includes the following:

a) Keep and maintain public records that ordinarily and necessarily would be required by the public agency in order to perform the service.

(b) Provide the public with access to public records on the same terms and conditions that the public agency would provide the records and at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law.

(c) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law.

(d) Meet all requirements for retaining public records and transfer, at no cost, to the public agency, all public records in possession of the contractor upon termination of the contract and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to the public agency in a format that is compatible with the information technology systems of the public agency.

Noted.

SECTION 2 – SPECIAL TERMS AND CONDITIONS

2.1 General Conditions

RFP General Conditions (Form G-107, Rev. 02/15) are included and made a part of this RFP.
Noted.

2.2 Addenda, Changes, and Interpretations

It is the sole responsibility of each firm to notify the Buyer utilizing the question / answer feature provided by BidSync and request modification or clarification of any ambiguity, conflict, discrepancy, omission or other error discovered in this competitive solicitation. Requests for clarification, modification, interpretation, or changes must be received prior to the Question and Answer (Q & A) Deadline. Requests received after this date may not be addressed. Questions and requests for information that would not materially affect the scope of services to be performed or the solicitation process will be answered within the question / answer feature provided by BidSync and shall be for clarification purposes only. Material changes, if any, to the scope of services or the solicitation process will only be transmitted by official written addendum issued by the City and uploaded to BidSync as a separate addendum to the RFP. Under no circumstances shall an oral explanation given by any City official, officer, staff, or agent be binding upon the City and should be disregarded. All addenda are a part of the competitive solicitation documents and each firm will be bound by such addenda. It is the responsibility of each to read and comprehend all addenda issued.

Noted.

2.3 Changes and Alterations

The Proposer may change or withdraw a Proposal at any time prior to Proposal submission deadline; however, no oral modifications will be allowed. Modifications shall not be allowed following the Proposal deadline.

Noted.

2.4 Proposer's Costs

The City shall not be liable for any costs incurred by Proposers in responding to this RFP.

Noted.

2.5 Pricing/Delivery

All pricing should be identified on the Cost Proposal page provided in this RFP. No additional costs may be accepted, other than the costs stated on the Cost Proposal page. Failure to use the City's Cost Proposal pages and Actuary re-pricing forms and provide costs as requested in this RFP may deem your proposal non-responsive

Prices proposed shall be valid for at least One-Hundred and Twenty (120) days from time of RFP opening unless otherwise extended and agreed upon by the City and Proposer.

Noted.

2.6 Invoices/Payment

Payment will be made within forty-five (45) days after receipt of an invoice acceptable to the City, in accordance with the Florida Local Government Prompt Payment Act. If, at any time during the contract, the City shall not approve or accept the Proposer's work product, and agreement cannot be reached between the City and the Proposer to resolve the problem to the City's satisfaction, the City shall negotiate with the Proposer on a payment for the work

completed and usable to the City.

Partial billing will not be accepted. The City will pay 100% of the contract price after all items/services have been delivered and accepted.

Noted.

2.7 Related Expenses/Travel Expenses

All costs including travel are to be included in your proposal. The City will not accept any additional costs.

Noted.

2.8 Payment Method

The City of Fort Lauderdale has implemented a Procurement Card (P-Card) program which changes how payments are remitted to its vendors. The City has transitioned from traditional paper checks to payment by credit card via MasterCard or Visa. This allows you as a vendor of the City of Fort Lauderdale to receive your payment fast and safely. No more waiting for checks to be printed and mailed. Payments for administration fees will be made utilizing the City's P-Card (MasterCard or Visa). Accordingly, firms must presently have the ability to accept credit card payment or take whatever steps necessary to implement acceptance of a credit card before the commencement of a contract. See Contract Payment Method form attached.

Not confirmed. As our standard method, we collect the initial premium payment and ongoing monthly payments using direct debit initiated by our organization, which provides an immediate transfer of funds. Direct debit is cost-effective as it reduces payment processing time and first-month invoice creation time.

We can also accommodate the following payment options for ongoing monthly payments:

- Online payment remittance through Employer eServices Billing
- Automated Clearing House (ACH)
- Wire transfer
- Check

We ask that our billing summary/ statement accompany the payment. If paying via wire transfer or ACH, the electronic remittance should reference the customer number. In addition, we ask that you send a separate notification to the billing department indicating date, amount and items being paid

2.9 Mistakes

The Proposer shall examine this RFP carefully. The submission of a Proposal shall be prima facie evidence that the Proposer has full knowledge of the scope, nature, and quality of the work to be performed; the detailed requirements of the specifications; and the conditions under which the work is to be performed. Ignorance of the requirements will not relieve the Proposer from liability and obligations under the Contract.

Noted.

2.10 Acceptance of Proposals / Minor Irregularities

2.10.1 The City reserves the right to accept or reject any or all proposals, part of proposals, and to waive minor irregularities or variances to specifications contained in proposals which do not make the proposal conditional in nature and minor irregularities in the solicitation process. A minor irregularity shall be a variation from the solicitation that does not affect the price of the contract or does not give a respondent an advantage or benefit not enjoyed by other respondents, does not adversely impact the interests of other firms or, does not affect the fundamental fairness of the solicitation process. The City also reserves the right to reissue a Request for Proposal.

Noted.

2.10.2 The City reserves the right to disqualify Proposer during any phase of the competitive solicitation process and terminate for cause any resulting contract upon evidence of collusion with intent to defraud or other illegal practices on the part of the Proposer.

Noted.

2.11 Sample Contract Agreement

A sample of the formal agreement template, which will be required to be executed by the awarded vendor can be found at our website

http://fortlauderdale.gov/purchasing/AWARDS/CONTRACT_TEMPLATE_SERVICES.pdf. It is required that the selected vendor accept the City's agreement whose provisions will supersede any contradictory provisions contained in other vendor agreements.

We encourage our self-funded customers to use our standard administrative services agreement (ASA). The agreement relating to our products and services is designed to clearly, accurately and mutually define the roles of the parties to the agreement, including the services that our organization will be providing to the customer. Our proposed pricing is also contingent upon certain assumptions built into our agreement. We will agree to customize our ASA by supplementing the agreement terms with special provisions contained in the customer's draft contract, and we will be more than willing to discuss contractual language changes requested by the customer.

2.12 Responsiveness

In order to be considered responsive to the solicitation, the firm's proposal shall fully conform in all material respects to the solicitation and all of its requirements, including all form and substance.

Noted.

2.13 Responsibility

In order to be considered as a responsible firm, firm shall be fully capable to meet all of the requirements of the solicitation and subsequent contract, must possess the full capability, including financial and technical, to perform as contractually required, and must be able to fully document, to the City's satisfaction, the ability to provide good faith performance.

Noted.

2.14 Minimum Qualifications

This RFP requires TPA, PBM and EAP bidders to be a single-provider, carrier based managed care organization that includes a proprietary network for the majority of providers and has the capability to integrate all data and the administration related to claims, eligibility, disease management and wellness programs as defined in Section 1.1. In order to be considered, a Proposer must, as of the proposal return date stated in this RFP and throughout the duration of the program, meet the following applicable minimum qualifications. Proposer

City of Fort Lauderdale
Single Source TPA, Pharmacy Benefit Management
And Employee Assistance Program
RFP # 565-11755

must provide documentation of existing qualifications in Tab VII of their proposal. See Section 5 of this RFP for complete instructions for submitting your proposal.

Confirmed.

Third Party Health Plan Administrator (TPA) and Pharmacy Benefit Manager (PBM)

- Authorized by the State of Florida Department of Financial Services Department to provide the services requested in the RFP.
- Operating as a TPA for a minimum of ten (10) years in Florida at the time of the proposal due date.

Confirmed.

Employee Assistance Plan

- Authorized to do business in the State of Florida.
- Minimum of five (5) years of experience in providing assessment, counseling and referral services for a public or private organization with 500 or more employees in the State of Florida.
- Network of mental health providers who are in compliance with State of Florida licensing requirements as outlined by the Department of Health.

Confirmed.

2.14.1 Before awarding a contract, the City reserves the right to require that a Proposer submit such evidence of qualifications, as the City may deem necessary. Further, the City may consider any evidence of the financial, technical, and other qualifications and abilities of a firm or principals, including previous experiences of same with the City and performance evaluation for services, in making the award in the best interest of the City.

Noted.

2.14.2 Firm or principals shall have no record of judgments, pending lawsuits against the City or criminal activities involving moral turpitude and not have any conflicts of interest that have not been waived by the City Commission.

Confirmed.

2.14.3 Neither firm nor any principal, officer, or stockholder shall be in arrears or in default of any debt or contract involving the City, (as a party to a contract, or otherwise); nor have failed to perform faithfully on any previous contract with the City.

Confirmed.

2.14.4 Firm and those performing the work must be appropriately licensed and registered in the State of Florida.

Confirmed.

2.15 Lobbying Activities

Any Proposer submitting a response to this solicitation must comply, if applicable, with City of Fort Lauderdale Ordinance No. C-00-27 & Resolution No. 07-101, Lobbying Activities. Copies of Ordinance No. C-00-27 and Resolution No. 07-101 may be obtained from the City Clerk's Office on the 7th Floor of City Hall, 100 N. Andrews Avenue, Fort Lauderdale, Florida. The

ordinance may also be viewed on the City's website at:
http://www.fortlauderdale.gov/clerk/LobbyistDocs/lobbyist_ordinance.pdf .

Noted.

2.16 Protest Procedure

2.16.1 Any Proposer or Bidder who is not recommended for award of a contract and who alleges a failure by the city to follow the city's procurement ordinance or any applicable law may protest to the director of procurement services division (director), by delivering a letter of protest to the director within five (5) days after a notice of intent to award is posted on the city's web site at the following link:
http://www.fortlauderdale.gov/purchasing/notices_of_intent.htm.

Noted.

2.16.2 The complete protest ordinance may be found on the city's web site at the following link: <http://www.fortlauderdale.gov/purchasing/protestordinance.pdf>.

Noted.

2.17 Public Entity Crimes

Proposer, by submitting a proposal attests she/he/it has not been placed on the convicted vendor list. A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a proposal on a contract to provide any goods or services to a public entity, may not submit a proposal on a contract with a public entity for the construction or repair of a public building or public work, may not submit proposals on leases of real property to a public entity, may not be awarded or perform work as a Proposer, supplier, sub-contractor, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, Florida Statutes, for Category Two for a period of 36 months from the date of being placed on the convicted vendor list.

To the best of our knowledge, none of our employees or subcontractors are felons who have been convicted of a crime related to the job they are hired to perform.

We perform background checks on potential employees prior to hiring them and, with discretion, throughout the course of employment.

In addition, we have an office of ethics and integrity that requires employees and contractors to report all suspected illegal or unethical conduct, including violations of law, contractual obligations and company policies or concerns about accounting, internal controls, auditing matters or suspected fraud and abuse.

If misconduct occurs, we investigate the matter, take disciplinary action, if necessary, and implement corrective measures to prevent future violations. We also have fidelity/crime insurance coverage, which protects our organization from losses arising from employee dishonesty, forgery, theft, robbery, burglary and fraud.

In addition, our procurement contract negotiators routinely include an exhibit attached to a master services agreement that addresses background checks for vendor personnel who require independent access to our information systems and/or physical facilities.

2.18 Subcontractors

- 2.18.1** If the Proposer proposes to use subcontractors in the course of providing these services to the City, this information shall be a part of the bid response. Such information shall be subject to review, acceptance and approval of the City, prior to any contract award.

We provide most of our core services directly through the UnitedHealth Group family of companies. This enables us to offer affordable solutions through integrated data elements and systems, streamlined implementations and unified account management support. For certain services, we may work through external vendors and subcontractors. In these cases we will remain fully responsible for these services and for the performance of these vendors or subcontractors. We hold our vendors and subcontractors to the same standards and requirements that we accept under our agreement with the City.

Because of the broad spectrum of UnitedHealth Group businesses and vendor relationships, we are unable to provide a complete list of proposed vendors/subcontractors at this time. Where vendors/subcontractors are required to support a customer relationship, we would typically select the vendors/subcontractors based upon the customer's specific requirements.

- 2.18.2** Proposer shall ensure that all of Proposer's subcontractors perform in accordance with the terms and conditions of this Contract. Proposer shall be fully responsible for all of Proposer's subcontractors' performance, and liable for any of Proposer's subcontractors' non-performance and all of Proposer's subcontractors' acts and omissions. Proposer shall defend, at Proposer's expense, counsel being subject to the City's approval or disapproval, and indemnify and hold harmless the City and the City's officers, employees, and agents from and against any claim, lawsuit, third-party action, or judgment, including any award of attorney fees and any award of costs, by or in favor of any Proposer's subcontractors for payment for work performed for the City.

Confirmed. We will be responsible for services provided by our subcontractors to the same extent that we would have been, had we performed those services without the use of a subcontractor.

- 2.18.3** Proposer shall require all of its subcontractors to provide the required insurance coverage as well as any other coverage that the Proposer may consider necessary, and any deficiency in the coverage or policy limits of said subcontractors will be the sole responsibility of the Proposer.

Confirmed. We require our contractors to maintain sufficient amounts of insurance coverage.

2.19 Insurance Requirements

- 2.19.1** The Proposer shall furnish proof of insurance requirements as indicated below. The coverage is to remain in force at all times during the contract period. The following minimum insurance coverage is required. The City is to be added as an "additional insured" with relation to General Liability Insurance. This MUST be written in the description section of the insurance certificate, even if you have a check-off box on your insurance certificate. Any costs for adding the City as "additional insured" will be at the Proposer's expense.

Confirmed.

2.19.2 The City of Fort Lauderdale shall be given notice 10 days prior to cancellation or modification of any stipulated insurance. The insurance provided shall be endorsed or amended to comply with this notice requirement. In the event that the insurer is unable to accommodate, it shall be the responsibility of the Proposer to provide the proper notice. Such notification will be in writing by registered mail, return receipt requested and addressed to the Procurement Services Division.

Not confirmed. We agree to notify the City of Fort Lauderdale within 30 days of the loss of any licenses, liability insurance coverage or bonding necessary to the performance of our obligations under our ASA with the City of Fort Lauderdale.

2.19.3 The Proposer's insurance must be provided by an A.M. Best's "A-" rated or better insurance company authorized to issue insurance policies in the State of Florida, subject to approval by the City's Risk Manager. Any exclusions or provisions in the insurance maintained by the Proposer that precludes coverage for work contemplated in this RFP shall be deemed unacceptable, and shall be considered breach of contract.

Confirmed.

Workers' Compensation and Employers' Liability Insurance

Limits: Workers' Compensation – Per Florida Statute 440
Employers' Liability - \$500,000

Any firm performing work on behalf of the City of Fort Lauderdale must provide Workers' Compensation insurance. Exceptions and exemptions will be allowed by the City's Risk Manager, if they are in accordance with Florida Statute. For additional information contact the Department of Financial Services, Workers' Compensation Division at (850) 413-1601 or on the web at www.fldfs.com.

Confirmed. We maintain workers' compensation coverage, with the statutory limits. We maintain Employer's Liability with a limit of \$1,000,000 each accident/disease.

Commercial General Liability Insurance

Covering premises-operations, products-completed operations, independent Proposers and contractual liability.

Limits: Combined single limit bodily injury/property damage \$1,000,000. This coverage must include, but not limited to:

- a. Coverage for the liability assumed by the Proposer under the indemnity provision of the contract.
- b. Coverage for Premises/Operations
- c. Products/Completed Operations
- d. Broad Form Contractual Liability
- e. Independent Proposers

Confirmed. We carry commercial general liability coverage through Old Republic Insurance Company in the amount of \$1 million per occurrence and \$3 million in the aggregate.

Automobile Liability Insurance

Covering all owned, hired and non-owned automobile equipment.

Limits: Bodily injury \$250,000 each person, \$500,000 each occurrence
Property damage \$100,000 each occurrence

Confirmed. We maintain automobile liability insurance in the amount of \$2 million combined single limit, per accident. This coverage is with Old Republic Insurance Company.

Professional Liability (Errors & Omissions)

Limits: \$2,000,000 per occurrence

Confirmed. We maintain professional liability insurance, which includes errors and omissions coverage, of at least \$5 million each claim and \$5 million in the aggregate. This coverage is with Old Republic Insurance Company.

2.19.4 A copy of ANY current Certificate of Insurance should be included with your proposal. **Please refer to the Certificates of Insurance included in Section VIII of this proposal.**

2.19.5 In the event that you are the successful Proposer, you will be required to provide a certificate naming the City as an "additional insured" for General Liability. Certificate holder should be addressed as follows:

City of Fort Lauderdale
Procurement Services Division
100 N. Andrews Avenue, Room 619
Fort Lauderdale, FL 33301
Noted.

2.20 Award of Contract

A Contract (the "Agreement") may be awarded by the City Commission. The City reserves the right to execute or not execute, as applicable, a contract with the Proposer(s) that is determined to be in the City's best interests. The City reserves the right to award a contract to more than one Proposer, at the sole and absolute discretion of the in the City.

Noted.

2.21 Uncontrollable Circumstances ("Force Majeure")

The City and Proposer will be excused from the performance of their respective obligations under this agreement when and to the extent that their performance is delayed or prevented by any circumstances beyond their control including, fire, flood, explosion, strikes or other labor disputes, act of God or public emergency, war, riot, civil commotion, malicious damage, act or omission of any governmental authority, delay or failure or shortage of any type of

transportation, equipment, or service from a public utility needed for their performance, provided that:

We agree that a force majeure provision should be added to the ASA, and suggest the period of time our services shall be suspended shall equate to the period of time we are unable to perform due to the event, versus the length of the event itself.

2.21.1 The non performing party gives the other party prompt written notice describing the particulars of the Force Majeure including, but not limited to, the nature of the occurrence and its expected duration, and continues to furnish timely reports with respect thereto during the period of the Force Majeure;

We agree that a force majeure provision should be added to the ASA, and suggest the period of time our services shall be suspended shall equate to the period of time we are unable to perform due to the event, versus the length of the event itself.

2.21.2 The excuse of performance is of no greater scope and of no longer duration than is required by the Force Majeure;

We agree that a force majeure provision should be added to the ASA, and suggest the period of time our services shall be suspended shall equate to the period of time we are unable to perform due to the event, versus the length of the event itself.

2.21.3 No obligations of either party that arose before the Force Majeure causing the excuse of performance are excused as a result of the Force Majeure; and

We agree that a force majeure provision should be added to the ASA, and suggest the period of time our services shall be suspended shall equate to the period of time we are unable to perform due to the event, versus the length of the event itself.

2.21.4 The non performing party uses its best efforts to remedy its inability to perform.

Notwithstanding the above, performance shall not be excused under this Section for a period in excess of two (2) months, provided that in extenuating circumstances, the City may excuse performance for a longer term. Economic hardship of the Proposer will not constitute Force Majeure. The term of the agreement shall be extended by a period equal to that during which either party's performance is suspended under this Section.

We agree that a force majeure provision should be added to the ASA, and suggest the period of time our services shall be suspended shall equate to the period of time we are unable to perform due to the event, versus the length of the event itself.

2.22 Canadian Companies

The City may enforce in the United States of America or in Canada or in both countries a judgment entered against the Proposer. The Proposer waives any and all defenses to the City's enforcement in Canada, of a judgment entered by a court in the United States of America. All monetary amounts set forth in this Contract are in United States dollars.

Confirmed.

2.23 News Releases/Publicity

News releases, publicity releases, or advertisements relating to this contract or the tasks or projects associated with the project shall not be made without prior City approval.

Confirmed.

2.24 Contract Period

The initial contract term shall commence January 1, 2017 and shall expire three years from that date. The City reserves the right to extend the contract for three, additional one year periods, pursuant to the negotiation provisions set forth in Section 2-199, Code of Ordinances for the City of Fort Lauderdale, Florida. The selected proposer must be able to have the plan(s) in place by October 1, 2016 in preparation for the City's Open Enrollment period for a benefit effective date of January 1, 2017.

In the event services are scheduled to end because of the expiration of this contract, the Proposer shall continue the service upon the request of the City as authorized by the awarding authority. The extension period shall not extend for more than one hundred eighty (180) days beyond the expiration date of the existing contract. The Proposer shall be compensated for the service at the rate in effect when this extension clause is invoked by the City.

Noted.

2.25 Audits

The City may request an audit of medical and pharmacy claims in order to determine if the re-pricing information submitted to the City in their proposal is being followed. The City may use an independent third party auditor, provided that they adhere to the treatment of confidential information defined in the RFP under State of Florida statutes, Health Insurance Portability and Accountability Act (HIPAA) and the Health Information Technology for Economic and Clinical Health. (HITECH) Act

In addition, the successful Proposer must agree to full disclosure of all pharmacy administrative fees, planned and actual discounts, dispensing fees and other administrative fees for the purpose of auditing claims to ensure compliance with the pricing guarantees and provisions contained in the proposal. Refer to the current Administrative Services Only (ASO) Pharmacy Benefit Manager (PBM) agreement for acceptable conditions.

We are agreeable to an audit provision that affords the City of Fort Lauderdale or a mutually acceptable entity the opportunity to audit us once per calendar year to determine whether we are fulfilling our performance under our ASA. We permit on-site annual claim processing audits that are consistent with generally acceptable auditing standards, such as a statistically valid, random sample audit that employs acceptable sampling and audit methodologies. Our audit provision provides for the following:

- **The time, place, duration and frequency of the audit are reasonable and agreed to by the parties.**
- **The information reviewed relates to the calendar year in which the audit is conducted and/or the immediately preceding calendar year, during the term of the ASA, and at any time within six months following its termination.**
- **The parties pay for their own audit costs. In addition, the City of Fort Lauderdale will pay us for any unanticipated costs we incur, any costs of an audit after termination, and any costs associated with more than one audit per year.**
- **A mutually agreeable third party may be allowed or designated to conduct the audit.**

- The audit will be conducted pursuant to agreed-upon confidentiality commitments.
- We will be given a reasonable opportunity to review and comment on any audit conclusions.

2.26 Substitution of Personnel

In the event the Proposer wishes to substitute trained, qualified, personnel for those listed in the proposal, the City shall receive prior notification and have the right to review, test and approve such substitutions, if deemed necessary. If the City has reasonable evidence to believe that an employee of the Proposer is incompetent, or has performed his or her employment in an objectionable manner, the City shall have the right to require the Proposer to resolve the situation to the City's satisfactions, provided, however, that the Proposer shall not be required to institute or pursue to completion any action if to do so would violate any law, state statute, city ordinance, contract or employment or union agreement.

We encourage you to meet with the strategic account executive (SAE) and field account manager (FAM) we intend to assign prior to the contract effective date to ensure a positive working relationship. The selection of alternate representatives is considered, if necessary, to guarantee a successful partnership with you.

We recognize the importance of functional expertise, teamwork and partnership in delivering excellent service to our customers. We assess your particular service requirements and program components to ensure that we select the individuals best suited to the account, appointing those whose expertise and experience most closely match a customer's characteristics and service needs.

2.27 Insurance for Collection of Credit Card Payments

The successful Proposer will need to provide proof that they maintain insurance coverage in an amount of not less than \$1,000,000 specifically for cyber related crimes relating to the transmission of credit card information over their website that can include but are not limited to criminal activity involving the information technology infrastructure, including illegal access (unauthorized access), illegal interception (by technical means of non-public transmissions of computer data to, from or within a computer system), data interference (unauthorized damaging, deletion, deterioration, alteration or suppression of computer data), systems interference (interfering with the functioning of a computer system by inputting, transmitting, damaging, deleting, deteriorating, altering or suppressing computer data), misuse of devices, forgery (ID theft), and electronic fraud.

Confirmed. We maintain cyber liability insurance in the amount of \$10 million each claim and \$10 million in the aggregate. This coverage is with Old Republic Insurance Company.

2.28 Service Organization Controls

The Contactor shall provide a current SSAE 16, SOC 2, Type I report with their proposal. Awarded Proposer will be required to provide an SSAE 16, SOC 2, Type II report annually during the term of this contract. If the Proposer cannot provide the SSAE 16, SOC 2, Type I report at time of proposal submittal, a current SOC 3 report will be accepted.

We make SSAE16 reporting available to our self-funded customers each year. The annual SSAE16 report is available by December 15th for the coverage dates of January 1st through October 31st.

The SSAE16 is performed annually by independent auditors, in accordance with the Statement on Standards for Attestations Engagements (SSAE) No.16, and addresses the controls pertaining to our medical and pharmacy claim administration processes. However, the pharmacy controls only pertain to customers that have their pharmacy benefits through UnitedHealthcare. Our SSAE16 report is the more extensive Type II report. This means that our report includes an evaluation of the control design, plus an evaluation of the effectiveness of the operating controls.

The SSAE16 is available on demand at our employer Web portal, employereservices.com. Copies of the report may also be requested through the customer's account management team.

We will make a copy of our SSAE16 report available to the City of Fort Lauderdale upon finalist notification.

2.29 Business Associate Agreement

The City shall require recommended awarded Proposer, and possibly any sub-contractor to execute a Business Associate Agreement. A Sample Business Associate Agreement is attached as Exhibit 14. The sample document does not need to be executed and provided with your RFP, but will need to be executed upon award of contract.

We encourage our self-funded customers to use our standard ASA, which includes appropriate business associate amendment language. The agreement is designed to clearly and accurately define our products and services, as well as the critical obligations of the parties. Our proposed pricing is also contingent upon certain assumptions built into our agreement.

We are willing to negotiate and customize the terms based on the City of Fort Lauderdale's suggested changes, assuming the suggestions are reasonable and accurately portray the services we have agreed to perform under the ASA.

When finalized, the ASA, which reflects the agreement reached by the parties, will be the controlling document.

END OF SECTION

SECTION 3 - TECHNICAL SPECIFICATIONS/SCOPE OF SERVICES

3.1 Overview

The City of Fort Lauderdale implemented a self-funded health plan in September 2000. There are approximately 1,514 active employees and 88 retirees and 4 COBRA participants (3,537 members) enrolled in the plan. Participating groups include the General Employees (Teamsters), Firefighters, International Association of Firefighters (IAFF), Supervisors and Professional (Federation) and Management-Confidential (non-union). The Fraternal Order of Police (FOP) is currently not eligible to participate in the City's EAP, health and pharmacy plans. The City's census data is attached as "Exhibit 1 Estimated summary enrollment information:

Coverage Tier	HMO 1	HMO 2	CDHP	Total
Employee Only	332	91	291	714
Employee + Spouse	116	30	86	232
Employee + Child	78	7	48	133
Employee + Children	44	12	66	122
Employee + Family	142	29	234	405
Total	712	169	725	1,606

Cigna has provided the TPA and PBM services since January 2012. Subscribers may choose from three (3) different plan options: OAPIN1 (high option HMO), OAPIN2 (low option HMO) and a Consumer Driven Health Plan (CDHP) that utilizes a POS network. The CDHP includes a Health Reimbursement Account (HRA) for active employees in the amount of \$750 for single coverage, \$1,000 for employee + 1 dependent and \$1,500 for family coverage. Amounts not used during the year are carried over to the next year. The Cigna fully insured EAP was effective January 1, 2015.

In 2013, the City established a near site Health and Wellness Center (Center) for employees and dependents participating in the City's self-funded health plan. The Health and Wellness Center administration is provided by Marathon Health, Inc (Marathon). The Center staff includes a primary care physician and a family nurse practitioner as well as two administrative support staff. Primary care physician services are available without charge to eligible members. In addition, the Center also supplies certain generic medications without charge. The successful TPA will be required to expedite the credentialing process for the physician and nurse practitioner hired by Marathon. The selected TPA will also be required to comply with the following:

- Expedited credentialing of all Health and Wellness Center medical staff with the process completed within 60 of contract award.
Noted.
- Electronic transmission of lab data (for biometric import) and Health Risk Assessment completions annually.
Noted.
- Electronic transmission of claims data monthly.
Noted.

City of Fort Lauderdale
Single Source TPA, Pharmacy Benefit Management
And Employee Assistance Program
RFP # 565-11755

- Adjudication of run out claims for 12 months without additional fees in the event the contract is terminated.
Noted.
- Assistance with referrals.
Noted.
- Coordination of programs for outreach, wellness and other health services.
Noted.
- Quarterly reporting on utilization and unit cost by category including primary care, specialty care, emergency department, hospital inpatient and outpatient and ancillary services. Reports will include utilization and per capita costs for members utilizing the health center versus members not utilizing the center and overall.
Noted.
- Access to the TPA account manager and dedicated onsite service representative to coordinate services, resolve problems and continually improve services to the City of Fort Lauderdale.
Noted.

The City also has a Management Wellness plan that provides management employees with a \$500 incentive based on completion of the defined activities. The TPA and the designated onsite service representative will be required to track the activities of participants and provide a monthly report to the City's Benefits Office identifying the members who complete the activities required for incentive payout.

Noted.

In addition to the health and pharmacy benefit administration, the successful vendor is required to include a comprehensive fully insured Employee Assistance Program proposal with benefits that mirror the current Cigna EAP in place. A copy of the current EAP is attached as Exhibit "2."

Noted.

Last year the City engaged the services of Choicelinx Corp, now operating as Benefits Technology Solutions (or referred to as Benefits Insight), to provide online benefit enrollment services. The successful TPA will be required to engage with Benefits Technology Solutions and to include any related costs in the proposed ASO fees. The City is actively engaged in the process to acquire a Enterprise Resource Planning System (ERP) software and will not consider the implementation of any other software at this time. Proposers who do not currently have a relationship with Benefits Technology Solutions will need to reach out to the contact below. It is required that any Benefits Technology Solutions related fees would be removed from the ASO fee when the new ERP System is implemented. The fee for Benefits Technology Solutions is \$82,000 per year and must be included in the proposed TPA fee. This fee is already included in the cost page.

Noted.

City of Fort Lauderdale
Single Source TPA, Pharmacy Benefit Management
And Employee Assistance Program
RFP # 565-11755

The following programs are not currently administered by the TPA and are not part of this Request for Proposals:

- The City's COBRA administration and FSA plan will continue to be provided by a third party vendor.
Noted.
- The City's specific stop loss policy is currently underwritten by Cigna. This coverage will be marketed later this year.
Noted.

Certificates of coverage and summary plan descriptions of the current plans are attached as "Exhibit 3."

Noted.

3.2 Objectives

It is the City's objective to contract with a single-provider, managed care TPA that will provide the City with the following components:

- a. Comprehensive administrative processes, claims adjudication for health and pharmacy claims, utilization review, managed care and member communications.
Noted.
- b. Assertive disease management programs that fully integrate with medical and pharmacy claims data and existing wellness plans and initiatives.
Noted.
- c. Competitive medical claim discounts and minimum discount guarantees.
Noted.
- d. Pharmacy benefit management using a transparent pricing model, with 100% of the discounted claims and rebates passed through to the City. Currently, the City is using a traditional pricing model.
Noted.
- e. Large local and national provider network(s) with minimal disruption of the existing provider network.
Noted.
- f. A fully insured Employee Assistance Program (EAP) with convenient access to a diverse and broad network of mental health and substance dependency clinicians for short-term counseling, financial and legal counseling and support, discounts on local work/life services and consultation on critical incidents and any other organization issues that may arise.
Noted.
- g. Network performance guarantees, administrative fee guarantees and performance service agreements.
Noted.
- h. Ability to continue utilizing the Benefits Technology Solutions Online Benefit Enrollment System with any applicable fees included in the proposed TPA fees.
- i. Implementation and administration of the City's Wellness Program
Noted. .

3.3 Scope of Services

Third Party Administration, Health Plan

City of Fort Lauderdale
Single Source TPA, Pharmacy Benefit Management
And Employee Assistance Program
RFP # 565-11755

The successful administrator will incorporate administration of the City's current benefits including but not limited to the following services:

- a. Timely and accurate claims processing.
Noted.
- b. Local and national provider networks.
Noted.
- c. Utilization review components.
Noted.
- d. Member access to telemedicine services
Noted.
- e. Disease management, including participant outreach through mail, internet, and telephonic coaching.
Noted.
- f. Full integration of the existing Management Wellness Plan including the administration of activity tracking and identification of incentive achievement on a monthly basis.
Noted.
- g. Internet, phone, and print-based participant communications.
Noted.
- h. Reporting capabilities biweekly, monthly and quarterly (claims, disease management, wellness participation and outcomes, comparative data, predictive modeling, eligibility audits, etc.) Ad Hoc reporting may be requested on an as needed basis with no additional charges.
Noted.
- i. Integration of reinsurance claims data and reporting for stop-loss carrier.
Noted.
- j. Integration with City's existing Benefits Technology Solutions online benefit enrollment system.
Noted.
- k. A dedicated full-time on-site service representative with duties including but not limited to: assisting with organizing open enrollment meetings, health fairs, wellness events and providing assistance to employees with claim and benefit issues.
Noted.
- l. Full cooperation with the integration of the City's Health and Wellness Center and the operation of the City's self-funded health plan.
Noted.
- m. Website and mobile application services to include network provider finder, claim status and other member support tools.
Noted.
- n. Complete development of all Summary Plan Descriptions (SPDs), Schedules of Benefits, Certificates, applicable riders, and Summary of Benefits Coverage (SBC).
Noted.

Pharmacy Benefit Management

- a. Pharmacy benefit management with transparent pricing and 100% of the discounted claims and rebates passed on to the City.
Noted.
- b. Comprehensive network of pharmacies including Walgreens and CVS specifically in tri-county area (Broward, Miami-Dade, Palm Beach) and statewide and national networks.
Noted.

City of Fort Lauderdale
Single Source TPA, Pharmacy Benefit Management
And Employee Assistance Program
RFP # 565-11755

- c. A Drug formulary that closely matches the City's current formulary.
Noted.
- d. An exclusive specialty pharmacy service that includes patient education.
Noted.
- e. Program should include step therapy and prior authorization programs.
Noted.
- f. Assistance with step therapy and prior authorization programs that include communicating with physicians and implementing a process that does not harm physician-patient relationship.
Noted.
- g. Procedures to increase the use of mail order pharmacies for maintenance medications.
Noted.
- h. Monitoring of medication compliance and actions to ensure member adherence.
Noted.
- i. Outreach and assistance to members taking two or more medications on a regular basis.
Noted.
- j. Monthly reporting of claims, eligibility and utilization.
Noted.
- k. Administration of a zero dollar copay benefit that provides certain chronic medications at no cost to the members.
Noted.
- l. Website and mobile application services to include a network provider finder, formula information status and other member support tools.
Noted.

Employee Assistance Program

- a. Short-term counseling for 10 sessions per issue, per year, with no maximum on the number of issues (subject to EAP authorization).
Noted.
- b. Referrals to community resources and appropriate mental health providers when continued and/or more intensive mental health services are required.
Noted.
- c. 24/7 access to telephonic and online services.
Noted.
- d. Unlimited telephonic management consultation.
Noted.
- e. Financial and legal information.
Noted.
- f. Employee training and informational seminars (onsite and/or web-based).
Noted.
- g. Utilization reporting on both a quarterly and annual basis.
Noted.
- h. Promotional and communication materials.
Noted.

END OF SECTION

SECTION 4 - GENERAL PLAN PROVISIONS

4.1 Retirees

Retirees and their spouses and eligible dependents can continue coverage for as long as they choose. These options are available only at the time of retirement. Retirees who discontinue enrollment in the group health plan will not be eligible to re-enroll.

Noted.

4.2 Waiting Period

The waiting period is defined in the employee benefits handbook included in Section 9 of this RFP.

Noted.

4.3 Contributions

Employer contributions are based on a defined contribution amount per employee based on bargaining group and employee contributions vary by bargaining group.

Noted.

4.4 Dependent Coverage

Eligible dependents shall include a covered employee's spouse (if not divorced or legally separated)/domestic partner and a covered employee's/domestic partner's child (ren) to the end of the year in which the child reaches age 26, as provided in the Healthcare Reform guidelines. The City also provides coverage to dependents ages 26 to 30 as defined by Florida statute.

Noted.

4.5 HRA Allowance

Active employees enrolled in the CDHP receive an HRA allowance as follows:

Employee only	\$750
Employee + 1 dependent	\$1,000
Employee + family	\$1,500

Unused funds carry over to the next plan year as permitted by Internal Revenue Service guidelines. A complete description of the benefit plan options is included in the plan documents located in Section 8 of this RFP.

Noted.

4.6 Determination of Claim Liability

Final determination of any claim liability shall rest with the selected plan administrator in accordance with the plan benefits and the outcome of a pre-established appeals processes.

Noted.

4.7 Plan Year Defined

The plan year shall be on a calendar year basis.

Noted.

4.8 ID Cards, Documents, Communications to Members

The Proposer shall provide identification cards, master plan documents (summary plan description) and communications regarding the network and various utilization review, disease management, and wellness services. ID cards and welcome packet must be mailed directly to plan enrollees. The City must approve all communications to members.

We mail ID cards directly to members' homes via the United States Postal Service (USPS). This service is provided for no additional cost.

We will produce the ASA and assist with preparation of the summary plan description (SPD) for all self-funded arrangements. We welcome the opportunity to produce the SPD from start to finish, as a value-added service. The contract account executive assigned to the account would prepare a customized draft SPD and two responding drafts to the customer's suggested changes, if any, in order to ensure that the customer's description of the benefits matches our administration (particularly claims administration) of the program. The contract account executive may involve subject matter experts in our organization, as needed.

Our SPD is clear, user-friendly, visually appealing and easily understood. The advantages to using our SPD are numerous and include:

- **Savings of your time and resources**
- **A clear, easily-read, accurate reference guide for members**
- **Definitive and accurate SPDs describing the way we administer the customer's benefits. This means participating employees know what they can expect from their medical plan and what their medical plan can expect from them.**
- **Fewer appeals, faster clinical determinations, satisfied employees and, ultimately, fewer burdens on your benefit staff**
- **SPD references to decision support tools and resources that will help employees play a more active role in their own health care**

Print materials continue to be a preferred means for employees to receive and learn about their benefits. We offer:

- **Benefit plan brochures and flyers:** These materials help introduce the plan, how it works and highlights additional services and support available. They can be distributed at employee locations and at benefit events, either in bulk or in kits;
- **Promotional posters and table tents:** These materials are useful for placement in cafeterias, break rooms and employee meeting areas. They help to promote and build awareness of new plans, open enrollment dates, and upcoming benefit presentations.
- **Postcards/direct mail:** Direct mail is an effective way to reach your employees, including the primary health care decision maker. We can provide templates and content should you choose to pursue home mailings.

Nearly all print materials are available in English and Spanish. We also provide translation support for Japanese, Korean, Mandarin Chinese, Vietnamese and more.

We are happy to provide samples of communications to the City of Fort Lauderdale for review and approval prior to distribution.

Post enrollment, certain member communications and messages may not be as readily available. These may include compliance communications, communications required to administer the employee's benefit plan, and confidential communications produced in accordance with a member's wellness program, care management program, clinical program or claims. In addition, the majority of these communications are not customizable due to legal and compliance requirements.

4.9 Communications Costs

The successful Proposer shall provide \$3,000 annually to the City for the purpose of printing the City's benefit brochure. Summary plan descriptions, certificates of coverage, plan riders and benefit plan outlines shall be made available online.

Noted.

4.10 Wellness Allowance

The successful Proposer shall provide an annual allowance of \$87,000 to be used for wellness programs and initiatives selected by the City. Any unused balances shall be rolled over to the following plan year.

Noted.

4.11 Standard Reports

The Proposer must include the following in the list of standard reports available without additional charges. Reports are to be broken out by the three plan options and for both active and retirees in the various employee groupings including Teamsters, Firefighters, Federation, Management/Confidential/Professional, and Special Group (COBRA, Adult Child, Beach Survivors). Monthly reporting will be delivered (available) within 15 business days from the end of the preceding month. Annual reporting will be delivered (available) within 15 business days from the end of the first quarter of the following year. Proposer is required to provide and present annual year-end reporting at City of Fort Lauderdale to go over Plan results and make recommendations, at no cost to the City. Ad Hoc reports may be requested from time to time with no charges by the selected TPA.

We assess a report-specific charge for ad hoc reports not available through Employer eServices Customer Reporting. Pricing for custom ad hoc reports is determined by a cost-calculation formula that incorporates all production cost factors, including hourly user and data processing staff costs, computer costs and non-salary expenses. Normally, we provide a cost estimate before we begin work on an ad hoc report.

- Weekly claims reimbursement (invoice) will also list all claims by provider name and include an identification of the diagnosis.
There is no separation of claim type provided through the weekly self-funded invoice banking process; however, we do provide monthly claims utilization by diagnosis through the Select and Expanded-level Employer eServices Customer Reporting (eCR) reporting packages.
- Monthly paid claims separated by option, by network, non-network and by the five basic employee groups, Teamsters, Fire, Management, Supervisory/Professional and Confidential.
Confirmed.
- Monthly hospital inpatient utilization reports separated by option, network, non-network.
Confirmed.

- Monthly hospital inpatient utilization by admission type.
Confirmed.
- Monthly large claims for claims exceeding \$10,000 identified by option, by employee, retiree or COBRA and by dependent (spouse, child). Reports should include diagnosis and claim status (active or completed). Companies will be required to provide prognosis on a periodic basis.
Confirmed.
- Monthly claims cost by major service type, including discount amount, ineligible amount, allowed amount, copay amount, coinsurance amount, savings from COB, total paid and number of claims.
Confirmed.
- Monthly claims cost by major service type by employee, spouse, and dependent.
Confirmed.
- Monthly claims cost by top 20 principal diagnoses.
Confirmed.
- Monthly claims cost by the top 20 servicing providers.
Confirmed.
- Annual utilization report including an analysis of experience by option and network versus non-network utilization. Summary diagnosis, prescription and provider information must also be included.
Confirmed.
- Monthly enrollment report by option and tier including Reports also need to be identified by the adult dependents (26-30) and a special category to be identified.
Confirmed.
- Monthly claims lag report.
Confirmed.
- Provider reports on request to include hospitals (inpatient and outpatient) and physicians, including tax ID number, address, number of claims, dollar amount of claims.
Confirmed.
- Monthly report providing the summary of total net claims paid and incurred for the most recent 12 months.
Confirmed.
- Health Reimbursement Account Reporting including the tracking of current year and carry over individual balances.
Confirmed.

4.12 Performance Guarantees

The City wants the successful TPA to be a true partner in the administration of the health plan and is requesting that the following performance guarantees be included in your proposal. Each standard is to be measured quarterly and reported to the City by the end of the month following the quarter.

City of Fort Lauderdale
Single Source TPA, Pharmacy Benefit Management
And Employee Assistance Program
RFP # 565-11755

Implementation Performance Guarantees	Performance Commitment	Liquidated Damages % Amount	UnitedHealthcare Response
Identification Card Delivery Performance Standard	98% of Identification Cards mailed within 10 business days of receipt of complete and accurate eligibility data.	0.25% of annual Administrative Fee	Agreed. 98% of identification cards will be mailed within 10 business days after eligibility data has been received, system loaded, passed a quality assurance check, passed a system load test, and has been released to the ID card production area.
SPD Delivery Performance Standard	SPDs available 30-days following as of Plan effective date	0.25% of annual Administrative Fee	Agreed. Contract will provide draft SPDs 30 days after the effective date contingent upon the receipt of final source of truth documents. Final SPDs will be provided once drafts are approved by the customer. The customer needs to understand that the initial document is a draft.
Call Readiness Performance Commitment	Service Center(s) ready to respond to customer inquiries as of Plan effective date.	0.25% of annual Administrative Fee	Agreed.
Secure Internet Portals Commitment	Employer and member portals fully functional and available to City and participants on effective date	0.25% of annual Administrative Fee	Agreed.
Overall Satisfaction with Implementation Services Performance Standard	Based on a mutually agreed upon Satisfaction Survey (standard will be measured and reported to Employer annually after open enrollment	0.25% of annual Administrative Fee	Agreed. Based on request detailing that survey will be set up with standard survey frequency and language. Standard

SECTION 5 – SUBMITTAL REQUIREMENTS

5.1 Instructions

This is a paper RFP with CD and a re-pricing posting on a secure website. All proposals must be received by the City of Fort Lauderdale, in the Procurement Services Department, Room 619, City Hall, 100 North Andrews Avenue, Fort Lauderdale, Florida 33301 prior to 2 p.m. on the date specified in the RFP. The claims re-pricing information must be posted on the Wakely Consulting Group's secure website by 2 p.m. on the due date. Submittal of response by fax or email will not be acceptable.

Noted.

5.1.1 Although proposals are accepted 'hard copy', the City of Fort Lauderdale uses Bidsync (www.bidsync.com) to administer the competitive solicitation process, including but not limited to soliciting proposals, issuing addenda, responding to questions / requests for information. There is no charge to register and download the RFP from Bidsync. Proposers are strongly encouraged to read the various vendor Guides and Tutorials available in Bidsync well in advance of their intention of submitting a proposal to ensure familiarity with the use of Bidsync. The City shall not be responsible for a Proposer's inability to submit a proposal by the end date and time for any reason, including issues arising from the use of Bidsync.

Noted.

City of Fort Lauderdale
Single Source TPA, Pharmacy Benefit Management
And Employee Assistance Program
RFP # 565-11755

- 5.1.2** Careful attention must be given to all requested items contained in this RFP. Proposers are invited to submit proposals in accordance with the requirements of this RFP. Please read entire solicitation before submitting a proposal. Proposers must provide a response to each requirement of the RFP. Proposals should be prepared in a concise manner with an emphasis on completeness and clarity. Notes, exceptions, and comments may be rendered on an attachment, provided the same format of this RFP text is followed.

Noted.

- 5.1.3** All information submitted by Proposer shall be typewritten or provided as otherwise instructed to in the RFP. Proposers shall use and submit any applicable or required forms provided by the City and attach such to their proposal. Failure to use the forms may cause the proposal to be rejected and deemed non-responsive.

Noted.

- 5.1.4** Proposals shall be submitted by an authorized representative of the firm. Proposals must be submitted in the business entities name by the President, Partner, Officer or Representative authorized to contractually bind the business entity. Proposals shall include an attachment evidencing that the individual submitting the proposal, does in fact have the required authority stated herein.

Noted.

- 5.1.5** All proposals will become the property of the City. The Proposer's response to the RFP is a public record pursuant to Florida law, which is subject to disclosure by the City under the State of Florida Public Records Law, Florida Statutes Chapter 119.07 ("Public Records Law"). The City shall permit public access to all documents, papers, letters or other material submitted in connection with this RFP and the Contract to be executed for this RFP, subject to the provisions of Chapter 119.07 of the Florida Statutes. Any language contained in the Proposer's response to the RFP purporting to require confidentiality of any portion of the Proposer's response to the RFP, except to the extent that certain information is in the City's opinion is a Trade Secret pursuant to Florida law, shall be void. If a Proposer submits any documents or other information to the City which the Proposer claims is Trade Secret information and exempt from Florida Statutes Chapter 119.07 ("Public Records Laws"), the Proposer shall clearly designate that it is a Trade Secret and that it is asserting that the document or information is exempt. The Proposer must specifically identify the exemption being claimed under Florida Statutes 119.07. The City shall be the final arbiter of whether any information contained in the Proposer's response to the RFP constitutes a Trade Secret. The city's determination of whether an exemption applies shall be final, and the Proposer agrees to defend, indemnify, and hold harmless the city and the city's officers, employees, and agent, against any loss or damages incurred by any person or entity as a result of the city's treatment of records as public records. In the event of Contract award, all documentation produced as part of the Contract shall become the exclusive property of the City.

Noted.

- 5.1.6** One (1) original and four (4) copies plus (six) electronic (soft) copies of your proposal shall be delivered in a sealed package with the RFP number, due and open date, and

City of Fort Lauderdale
Single Source TPA, Pharmacy Benefit Management
And Employee Assistance Program
RFP # 565-11755

RFP title clearly marked on the outside by the due date and time (deadline) to the address specified in Section I, 1.2 – Submission Deadline. The re-pricing file must be posted on the Wakely Consulting Group secure website by 2 p.m. by the due date. The City's Actuary will comply with non-disclosure agreements as it pertains to the requested re-pricing information. The Actuary will provide the re-pricing results on an aggregate basis so as not to disclose any data considered to be a trade secret. It is the sole responsibility of the respondent to ensure their proposal is received on or before the date and time stated, in the specified number of copies and in the format stated herein.

Noted.

- 5.1.7** By submitting a response Proposer is confirming that the firm has not been placed on the convicted vendors list as described in Section §287.133 (2) (a) Florida Statutes; that the only person(s), company or parties interested in the proposal as principals are named therein; that the proposal is made without collusion with any other person(s), company or parties submitting a proposal; that it is in all respects fair and in good faith, without collusion or fraud; and that the signer of the proposal has full authority to bind the firm.

To the best of our knowledge, none of our employees or subcontractors are felons who have been convicted of a crime related to the job they are hired to perform.

We perform background checks on potential employees prior to hiring them and, with discretion, throughout the course of employment.

In addition, we have an office of ethics and integrity that requires employees and contractors to report all suspected illegal or unethical conduct, including violations of law, contractual obligations and company policies or concerns about accounting, internal controls, auditing matters or suspected fraud and abuse.

If misconduct occurs, we investigate the matter, take disciplinary action, if necessary, and implement corrective measures to prevent future violations. We also have fidelity/crime insurance coverage, which protects our organization from losses arising from employee dishonesty, forgery, theft, robbery, burglary and fraud.

In addition, our procurement contract negotiators routinely include an exhibit attached to a master services agreement that addresses background checks for vendor personnel who require independent access to our information systems and/or physical facilities.

END OF SECTION

SECTION 6 - REQUIRED INFORMATION / PROPOSAL ORGANIZATION

The City deems certain documentation and information important in the determination of responsiveness and for the purpose of evaluating proposals. Proposals should seek to avoid information in excess of that requested, must be concise, and must specifically address the issues of this RFP. The City prefers that proposals utilize recyclable materials as much as practical. Elaborate binders are neither necessary nor desired. Please place the labeled DVD/CD in a paper sleeve. The proposals shall be organized and divided into the sections indicated herein. These are not inclusive of all the information that may be necessary to properly evaluate the proposal and meet the requirements of the scope of work and/or specifications. Additional documents and information should be provided as deemed appropriate by the respondent in proposal to specific requirements stated herein or through the RFP.

Proposers are instructed to read and follow the instructions carefully as any misinterpretation or failure to comply with instructions may lead to the submittal being rejected.

Forms that are to be submitted in Microsoft Word or Microsoft Excel format should be formatted with standard extensions (.doc, .docx, .xls, .xlsx) with no encryption. Submitting files that are encrypted may lead to the submittal being rejected.

6.1. Proposal Organization BDM

This section of the RFP provides the Proposer with instructions concerning required information that must be submitted as part of their proposal. Proposers must arrange their proposal in the order outlined in these instructions. Failure to provide any of the required information or required documents or failure to arrange the proposal in accordance with these instructions may result in the proposal being rejected.

Proposal Cover Sheet (cover letter optional)

Tab I	Benefits - Deviations from current benefit plan that your company is not able to administer
Tab II	Administration cost. See Section 8, Attachments 1-3 "TPA Pricing, EAP Premiums, and PBM Fees Forms"
Tab III	Network Forms and Geo Access Report
Tab IV	Responses to Questionnaire (Attachment 12)
Tab V	Deviations to Other Specifications
Tab VI	References (Attachment 6)
Tab VII	Other Information and Documentation. In addition to forms included in this RFP (see Section 8), provide an executed and notarized Certification of Accuracy of the claims re-pricing form that you are providing to Wakely Consulting.

Tab VIII Required Forms and Required Documents (see Section 8)

Noted.

6.2 Proposal Cover Sheet

Use this sheet as the first page of the proposal. A cover letter may be included after the cover sheet.

Noted.

6.3 Proposer's Identification and Proposer's Warranty

Include these forms, which are provided in Section 8 of this document in Tab VII of your response (Attachments 8 and 9).

Please refer to the requested information included in Tab VII of this proposal.

6.4 Addendum Acknowledgment

If any addendums are issued, the Proposer must acknowledge compliance with the addendum by submitting a signed copy of the addendum in this section. This form (Attachment 7) will be issued as part of the addendum process, if any addendums are issued. Proposer may also acknowledge the addendums on the Bid/Proposal Signature Page attached to this RFP. If no addendums are issued, this section only needs to be acknowledged as "none received." Label this Response to Section 6.4 and include in Tab VII of the proposal.

Please refer to the requested information included in Tab VII of this proposal.

6.5 Public Entity Crimes

NOTE: Proposer, by submitting a proposal attests they have not been placed on the convicted vendor list.

A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a proposal on a contract to provide any goods or services to a public entity, may not submit a proposal on a contract with a public entity for the construction or repair of a public building or public work, may not submit proposals on leases of real property to a public entity, may not be awarded or perform work as a Contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, Florida Statutes, for Category Two for a period of 36 months from the date of being placed on the convicted vendor list.

The Proposer must disclose if the company has been placed on the convicted vendor list. Label this Response to Section 6.5 and include in Tab VII of the proposal.

Please refer to the requested information included in Tab VII of this proposal.

6.6 No Bid Form

If your company is not submitting a proposal in response to the RFP, please complete the No Bid Form (Attachment 10) found in Section 8 and send to the City at

Attn.: Procurement Services Department
City of Fort Lauderdale
Suite 619

RFP # 565-11755
100 N. Andrews Avenue
Fort Lauderdale, FL 33301

Noted.

6.7 Benefit Plan Descriptions

Proposer must provide deviations to the current benefits that your company will not be able to administer. These deviations should be labeled Response to Section 6.7 and placed in Tab I of the proposal. Proposer must try to mirror the City's current plans. Descriptions of the current benefits are attached in Section 9 of this RFP.

Noted.

6.8 Rate Forms

Proposers must complete the rate forms (Attachments 1-3) included in Section 8 of this document. These forms should be placed in Tab II of the proposal.

Noted.

6.9 Capitation Rate

Provide your capitation rate schedules, if applicable, and list of associated services by CPT code and description. Include in Tab II of the proposal.

Not applicable.

6.10 Mandatory Re-pricing Process

The City has engaged the plan actuary, Wakely Consulting Group, to conduct the re-pricing analysis of the proposed networks and pharmacy claims. A network re-pricing form prepared by the Actuary will be provided to responders upon request. Please contact Alison Pool at alisonp@wakely.com for the form. Please include the RFP information in the subject line. This form must be completed and submitted before the RFP due date to the Actuary's secure web site. If in fact you consider this re-pricing information to be a Trade Secret, and treated as confidential information under Florida sunshine rules, the file should be labeled Trade Secrets. THE ATTACHED DOCUMENT MUST BE SUBMITTED TO WAKELY CONSULTING GROUP AT THEIR SECURED WEBSITE AT: <https://www.wakely.com/clients/> THEIR USER ID IS: wakely1 and PASSWORD IS: janutr5d

Noted.

6.11 Network Forms

Proposers must complete the network forms included in Section 8 of this document. These completed forms should be placed in Tab III of the proposal.

Please refer to the requested information included in Tab III of this proposal.

6.11.1 Network Summary

Indicate the number of providers for each listed specialty by County for each proposed plan (as indicated in Section 8, Attachment 4). Include only those primary care physicians who are accepting patients. Each provider should be counted only once even if he or she has more than one office. Also provide the forms in Excel format (standard .xls or .xlsx with no encryption) placed in Tab III.

Please refer to the requested information included in Tab VII of this proposal.

6.11.2 Specific Provider Network

The attached Excel workbook, **Specific Provider Network.xlsx**, (Attachment 5) contains two lists of providers currently utilized by City members, one list for PCPs and one for specialists. Indicate which of the providers are included in your network. Also provide this form in Excel format (standard .xls or .xlsx with no encryption) placed in Tab III.

Confirmed.

6.12 Geo-Access Report

Provide a geo-access report for members included on the attached census, within 10 miles for primary care, 5 miles for specialists and 10 miles for hospitals, for all zip codes listed. The analysis should include an out of area (South Florida) component. Include this report in Tab III of your proposal.

Confirmed.

6.13 Provider Directories

Proposers must provide a copy of their proposed provider network directories on disk (CD). Label the directories Response to Section 6.13 and include in Tab VII of the proposal.

Please refer to the requested information included in Tab VII of this proposal.

6.14 Prescription Drug Formulary

Proposers must provide a copy of their current drug formulary. In addition, proposers must complete the attached form (Attachment 11), **highly utilized, high cost medications.xlsx**, included in Section 8 of this document, indicating your company's formulary tier for each medication and noting if prior authorization or step therapy is required. Label this Response to Section 6.14 and include in Tab VII of the proposal.

Please refer to the requested information included in Tab VII of this proposal.

6.14 Questionnaire

Proposers must respond to the questionnaire (see Attachment 12). These responses must be placed in Tab IV of the proposal.

Please refer to the requested information included in Tab IV of this proposal.

6.15 Grievance and Appeal Procedure

Proposers must provide a description of the grievance and appeal procedure to be conducted on behalf of the City's health plan. Label this information Response to Section 6.15 and include in Tab VII of the proposal.

Please refer to the requested information included in Tab VII of this proposal.

6.16 Audited Financial Statement and/or Annual Report

Proposers must furnish their most recent independently audited financial statement and/or 2015 Annual Report (or most current). Label this information Response to Section 6.16 and include in Tab VII of the proposal.

Please refer to the requested information included in Tab VII of this proposal.

6.17 Service Organization Controls

The Contactor shall provide a current SSAE 16, SOC 2, Type I report with their proposal. Awarded Contractor will be required to provide an SSAE 16, SOC 2, Type II report annually during the term of this contract. If the Contractor cannot provide the SSAE 16, SOC 2, Type I report at time of proposal submittal, a current SOC 3 report will be accepted.

We make SSAE16 reporting available to our self-funded customers each year. The annual SSAE16 report is available by December 15th for the coverage dates of January 1st through October 31st.

The SSAE16 is performed annually by independent auditors, in accordance with the Statement on Standards for Attestations Engagements (SSAE) No.16, and addresses the controls pertaining to our medical and pharmacy claim administration processes. However, the pharmacy controls only pertain to customers that have their pharmacy benefits through UnitedHealthcare. Our SSAE16 report is the more extensive Type II report. This means that our report includes an evaluation of the control design, plus an evaluation of the effectiveness of the operating controls.

The SSAE16 is available on demand at our employer Web portal, employereservices.com. Copies of the report may also be requested through the customer's account management team.

We will make a copy of our SSAE16 report available to the City of Fort Lauderdale upon finalist notification.

6.18 Incorporation/Licensing

Proposers must provide proof of State of Incorporation and State in which licensed. Label this information Response to 6.18 and include in Tab VII of the proposal.

Please refer to the requested information included in Tab VII of this proposal.

6.19 Authorization to Provide Services

Proposers must provide certification from the appropriate State offices that the firm is authorized to provide the services contained in the proposal. Label this information Response to Section 6.19 and include in Tab VII of the proposal.

Please refer to the requested information included in Tab VII of this proposal.

6.20 References

Proposers must provide a list of current group TPA clients including three (3) government entities with more than 1,000 covered employees (preferably with as many or more employees than the City of Fort Lauderdale). In addition, provide references for two (2) EAP clients. Also include references for 2 accounts that have terminated services within the past 24 months. Include names of persons and phone numbers who may be contacted for references. A reference form (Attachment 6) is included in Section 8 of this document. The completed form(s) should be placed in Tab VI of the proposal.

Please refer to the requested information included in Tab VII of this proposal.

6.21 Information Regarding the Company

In order to evaluate the ability of the Proposer to perform the services requested, information about each firm must be provided to determine the firm's ability to meet all of the requirements as stated in this RFP. Provide a brief summary of the corporate/company history of the firm, which should include the number of years the firm has administered self-funded group health plans in Florida (minimum of five (5) years required). Label this Response to 6.21 and include in Tab VII of the proposal.

Please refer to the requested information included in Tab VII of this proposal.

6.22 Statement of Minimum Qualification

Proposer must provide documentation of minimum qualification as outlined in Section 2.14 - (Minimum Qualifications of Proposer) of this document. Label this information Response to Section 6.22 and include in Tab VII of your proposal.

Please refer to the requested information included in Tab VII of this proposal.

6.23 Proposed ASO & PBM Agreement

Proposer must include any and all proposed sample agreements, that may be requested to be executed by the City under the proposed plans, or your RFP response may be deemed non-responsive. Label this information Response to Section 6.23 and include proposed contract in Tab VII of the proposal.

Please refer to the requested information included in Tab VII of this proposal.

6.24 Additional Agreements

Proposers must include a sample of any additional administrative agreement they may require. (A proposed Banking Agreement is attached in Section 9 as Exhibit 11) Any provisions contained in the agreements that conflict with City requirements and/or the response to the RFP will be deemed null and void. Label this Response to Section 6.24 and include in Tab VII of your proposal.

Please refer to the requested information included in Tab VII of this proposal.

6.25 Service Performance Guarantees Agreement

Proposers must agree to the service performance agreement allowing for liquidated damages for non-conformance to identified standards and the details for this agreement including liquidated damages as noted in Section 4.12. Provide your company's understanding and acceptance of these terms, label this Response to Section 6.25 and include in Tab VII of your proposal.

Noted. Please refer to the requested information included in Tab VII of this proposal.

6.26 Utilization Review

Provide a brief description of each utilization review component outlined below. This should include a description of services, an explanation of how they work, time frame and turn-around time. If your UR program does not include one of the components, please provide a statement to this effect.

- A. Pre-admission authorization
- B. Continued stay review
- C. Retrospective utilization review
- D. Discharge planning
- E. Outpatient utilization review
- F. Medical case management
- G. Psychiatry/substance abuse review
- H. Diagnostic X-ray and lab/ advanced imaging authorizations
- I. Surgical procedure authorization
- J. Physical Therapy medical necessity determination

Label this information Response to Section 6.26 and include in Tab VII of the proposal.

Please refer to the requested information included in Tab VII of this proposal.

6.27 Disease Management/Health Promotion

Proposer must provide a description of all disease management programs that will be offered as part of this proposal and any associated cost for this program. This information should include:

- Specific services and interventions of the program.
- Staffing resources as well as frequency and availability of these services.
- Description of the approach to managing each of the disease states.
- Description of the enrollment process for the disease management programs.
- •Description of any incentives your company uses to encourage participation in the programs.
- Description of the type and frequency of reporting your company uses to track, analyze and assess disease management program cost savings.

Label this information Response to Section 6.27 and include in Tab VII of the proposal.
Please refer to the requested information included in Tab VII of this proposal.

6.28 Organ Transplants, Alternative Medicines

Proposer must provide a description of current practices regarding organ transplants, alternative medicines, investigative drugs, new medical devices and procedures. Include a list of your company's Centers of Excellence that describes the procedures available at each Center. Also provide information about experimental procedures that will not be covered. Label this information Response to Section 6.28 and include in Tab VII of the proposal.
Please refer to the requested information included in Tab VII of this proposal.

6.29 Acknowledgement of Compliance or Non-Compliance

Provide a summary of any RFP specifications, requirements, terms, conditions and provisions that the Proposer will not conform to. This summary should include a justification and an alternative to the Sections(s) that are not acceptable. If the proposal being submitted is in compliance with all RFP specifications, requirements, terms, conditions and provisions, the Proposer should acknowledge compliance to all Sections. Label this Response to Section 6.29 and include in Tab V of the proposal.
Please refer to the requested information included in Tab V of this proposal.

END OF SECTION

Variance to P-Card

UnitedHealthcare has a variance in the P-Card arrangement. We have offered an alternative solution to this explained in our response documents.

Variance to Contract – Suggested Changes

Sample Agreement for Services

- The City's Sample Agreement for Services forms a good basis for establishing numerous legal terms, but since it is consulting/services based contract for City business it does not address a number of critical elements regarding plan and claim administration and who is responsible for that administration. For example, the agreement does not describe how to establish and fund a bank account for the payment of plan benefits; does not set forth how claims will be processed and appeals handled; does not address additional product and service offerings such as transplant management, care management, network management; and does not describe who will create SPDs, etc. United proposes to add terms addressing items unique to claims administration such as:

- Claims Determinations and Appeal Procedures
- Customer Responsibilities Regarding the Plan
- Fees
- Fraud and Abuse Management
- Subrogation Services
- Mediation
- Network Access, Management and Administration
- Plan Benefits Litigation
- Establishment of Bank Account for Payment of Claims
- Providing Funds For Benefits
- Medical Benefit Drug Rebate Payments
- Records, Information, Audits
- Recovery Services
- System Access
- Use of Subcontractors
- Schedule of Services which identifies the services and products you purchase

- VI. General Conditions, A. Indemnification

Contractor shall protect and defend at Contractor's expense, counsel being subject to the City's approval, and indemnify and hold harmless the City and the City's officers, employees, volunteers, and agents from and against any and all losses, penalties, fines, damages, settlements, judgments, claims, costs, charges, expenses, or liabilities, including any award of attorney fees and any award of costs, in connection with or arising directly or indirectly out of any grossly negligent act or omission by the Contractor or by any officer, employee, agent, invitee, subcontractor, or sublicensee of the Contractor. The provisions and obligations of this section shall survive the expiration or earlier termination of this Agreement. ~~To the extent considered necessary by the City Manager, any sums due Contractor under this Agreement may be retained by City until all of City's claims for indemnification pursuant to this Agreement have been settled or otherwise resolved, and any amount withheld shall not be subject to payment of interest by City.~~

- VI. General Conditions, C. Terminate for Cause

The aggrieved party may terminate this Agreement for cause if the party in breach has not corrected the breach within ~~ten (10)~~ thirty (30) days after written notice from the aggrieved party identifying the breach. Contractor may terminate this Agreement because the City fails to pay

fees or other amounts owed Contractor when due under the terms of this Agreement, Contractor may terminate this Agreement when Contractor gives City notice of termination if City fails to provide the required funds for payment of benefits under the terms of this Agreement.

The City Manager may also terminate this Agreement upon such notice as the City Manager deems appropriate under the circumstances in the event the City Manager determines that termination is necessary to protect the public health or safety. The parties agree that if the City erroneously, improperly or unjustifiably terminates for cause, such termination shall be deemed a termination for convenience, which shall be effective thirty (30) days after such notice of termination for cause is provided.

This Agreement may be terminated for cause for reasons including, but not limited to, Contractor's repeated (whether negligent or intentional) submission for payment of false or incorrect bills or invoices, failure to perform the Work to the City's satisfaction; or failure to continuously perform the work in a manner calculated to meet or accomplish the objectives as set forth in this Agreement.

• VI. General Conditions, I. Rights in Documents and Work

Any and all reports, photographs, surveys, and other data and documents provided or created in connection with this Agreement that contains no confidential or proprietary business information of Contractor are and shall remain the property of City; and Contractor disclaims any copyright in such materials. In the event of and upon termination of this Agreement, any reports, photographs, surveys, and other data and documents prepared by Contractor that contains no confidential or proprietary business information of Contractor, whether finished or unfinished, shall become the property of City and shall be delivered by Contractor to the City's Contract Administrator within seven (7) days of termination of this Agreement by either party. ~~Any compensation due to Contractor shall be withheld until Contractor delivers all documents to the City as provided herein.~~

• VI. GENERAL CONDITIONS, J. AUDIT RIGHT AND RETENTION OF RECORDS

During the term of the Agreement and at any time within six (6) months following its termination, City or a mutually agreeable entity shall have the right to audit the books, records, and accounts of Contractor and Contractor's subcontractors that are related to this Agreement once each calendar year. Contractor shall keep, ~~and Contractor shall cause Contractor's subcontractors to keep,~~ such books, records, and accounts as may be necessary in order to record complete and correct entries related to this Agreement. All books, records, and accounts of Contractor ~~and Contractor's subcontractors~~ shall be kept in written form, or in a form capable of conversion into written form within a reasonable time, and upon request to do so, Contractor ~~or Contractor's subcontractor, as applicable,~~ shall make same available at no cost to City in written form.

~~Contractor and Contractor's subcontractors shall preserve and make available, at reasonable times for examination and audit by City in Broward County, Florida, all financial records, supporting documents, statistical records, and any other documents pertinent to this Agreement for the required retention period of the Florida public records law, Chapter 119, Florida Statutes, as may be amended from time to time, if applicable, or, if the Florida Public Records Act is not applicable, for a minimum period of three (3) years after termination of this Agreement. If any audit has been initiated and audit findings have not been resolved at the end of the retention period or three (3) years, whichever is longer, the books, records, and accounts shall be retained until resolution of the audit findings. If the Florida public records law is determined by City to be applicable to Contractor and Contractor's subcontractors' records, Contractor and Contractor's subcontractors shall comply with all requirements thereof; however, Contractor and Contractor's subcontractors shall violate no confidentiality or non-disclosure requirement of either federal or state law. Any incomplete or incorrect entry in such books, records, and accounts shall be a basis for City's disallowance and recovery of any payment upon such entry. Contractor shall, by written contract, require Contractor's subcontractors to agree to the requirements and obligations of this Section.~~

The Contractor shall maintain during the term of the contract all books of account, reports and records in accordance with generally accepted accounting practices and standards for records directly related to this contract.

PLAN DESIGN REVIEW

After reviewing City of Fort Lauderdale's plan designs, we find they are compatible with our claim system with a few exceptions which are outlined below. We have recommended alternatives that will increase auto-adjudication capabilities, and thereby increase plan savings for City of Fort Lauderdale.

UnitedHealthcare will duplicate the requested plan of benefits in principle and in a manner compatible with our understanding of the basic plan designs. Our quotation may be adjusted contingent upon review of all medical plan design specifics. Based upon this review, our fees may be adjusted, or changes to the plans may be required to enable us to administer claim payments.

COMPATIBILITY REVIEWS

Plan Name	Category	Benefit Requested	Reason for Decision	Alternative Solution
HRA, HDHP Retiree, OAP Plans 1 & 2	Mammograms	One or more mammograms upon the recommendation of a physician will be covered for any woman who is at risk for breast cancer due to her family history or has a biopsy proven benign breast disease or has not given birth before age 30.	Our claim system is unable to determine coverage for mammograms based on if a patient is at risk or has a family history of breast cancer.	We suggest removing risk factors in determining coverage for mammograms.
HRA, HDHP Retiree, OAP Plans 1 & 2	Clinical Trials	This benefit plan covers routine patient care costs related to a qualified clinical trials.	Our claim system is unable to identify clinical trial services.	Clinical trial services and procedures must be identified through care coordination.
HRA, HDHP Retiree, OAP Plans 1 & 2	Genetic Testing	Genetic counseling is covered if a person is undergoing approved genetic testing, or if a person has an inherited disease and is a potential candidate for genetic testing. Genetic counseling	Our claim system is unable to cover genetic testing only if a person has symptoms or signs of a genetically-linked inheritable disease or it has been determined that a person is at risk for carrier status.	We suggest removing symptoms, signs, or risk factors in determining coverage for genetic testing.

Plan Name	Category	Benefit Requested	Reason for Decision	Alternative Solution
		is limited to 3 visits per calendar year for both pre- and post-genetic testing.		
OAP Plan 1 & 2	Urgent Care Facility	Waive the Urgent Care Facility copay if admitted inpatient.	Our claim system is unable to waive the urgent care copay if the patient is admitted to hospital.	We suggest applying the urgent care copay when urgent care facility services are rendered.
OAP Plan 1 & 2	Advanced Radiological Imaging	Advanced Radiological Imaging (i.e. MRIs, MRAs, CAT Scans and PET Scans) are subject to a copay per scan.	Our claim system is unable to apply a copay per category or type of scan for advanced radiological imaging.	We suggest replacing the copay per category or type of scan for advanced radiological imaging with a copay per date of service.

TPA Administrative Pricing Form

The City is requesting that all cost factors of the services requested be fully identified on this form. It is preferred that these fees be inclusive of all cost and supplemental fees be minimal. If requested services are not included and/or other services are included in your fee, list as deviations and include this information in Tab V of your proposal. Please provide these fees on a **per subscriber per month basis**. Proposers are requested to provide a **minimum of a three (3)-year rate guarantee** with a desired maximum of five (5) years. Include this form in Tab II of your proposal.

Fees should be based on estimated 1,631 subscribers.

Fully-Insured EAP Premium Form

It is preferred that these fees be inclusive of all costs. If additional fees apply for any proposed services, detailed pricing and explanation of the service should be listed in Tab II of your proposal. Please provide these fees on a **per employee per month basis**. Proposers are requested to provide a minimum of a three-year rate guarantee. Any pricing conditions should also be provided in this cost page.

Health Plan Enrollment 1,606

	Years 1 through 3	Year 4	Year 5	Year 6
EAP Premium PEPM	<u>\$2.36 – guaranteed for years one and two only. 10 Visit EAP. Please refer to Section 2 for further detail.</u>	<u>\$TBD</u>	<u>\$TBD</u>	<u>\$TBD</u>

Fee Quotation for City of Fort Lauderdale

Service	Per Employee Per Month (PEPM)
10 Visit EAP	\$2.36 PEPM
8 Visit EAP	\$1.79 PEPM
5 Visit EAP	\$1.34 PEPM
Bank of 16 Hours	\$0.17 PEPM
Bank of 32 Hours	\$0.33 PEPM
WorkLife	\$0.25 PEPM

Pricing Assumptions:

- Effective Period: 01/01/2017 - 12/31/2017.
- EAP and WorkLife rates are guaranteed for one year.
- EAP and WorkLife rates are based on an enrolled population of 1,800 City of Fort Lauderdale employees. If the enrolled population varies by more than 10% or the plan design changes, then OptumHealth reserves the right to revise the rates.
- EAP and WorkLife rates represent coverage for all City of Fort Lauderdale employees regardless of medical carrier and medical enrollment status.
- Pricing assumes one EAP model purchased for all Employees.
- EAP rates do not include hours to be used for Specialized Onsite Services. Hours have been quoted separately above. Additional hours can be purchased on a fee for service basis (see grid below).
- WorkLife program rates include a 2 product discount, and must be sold alongside EAP to be valid.
- WorkLife program does not include educational kits.
- Pricing assumes standard delivery model with standard communication materials.
- Pricing is net of commissions.
- Pricing excludes all control reporting and customer audit functions. Control reporting covers a number of frameworks and any of the following at a minimum: SSAE16, SOC1 (formerly SAS-70), SOC2, EHNAC, ISO, HITRUST, NIST, FedRAMP, MARS-E. Optum is part of a large public company that is subject to significant regulatory and financial audit activity. Therefore pricing is available at Optum's discretion for a limited set of specific reports and audits where clients meet minimum revenue and membership thresholds and require additional assurances beyond current regulatory standards.

Specialized On-Site Support Service	Fee for Service
Management Development Programs	\$175/on-site hour*
Employee Development Programs	\$175/on-site hour*
Wellness Seminars	\$175/on-site hour*
Information Resource Events	\$175/on-site hour*
Critical Incident Response Services	\$225/on-site hour*
Travel Time & Trainer Downtime	\$100/hour

* Travel Time and Trainer Downtime charges apply when Hours are purchased on a fee for service basis.

Assumptions

The quote is based on the following assumptions. Changes to these assumptions may result in an adjustment to the rates or revocation of the quote. Please refer to the Financial Commentary for further assumptions.

- Rates are guaranteed for the contract period of 1/1/17 through 12/31/19.
- UnitedHealthcare is the only carrier offered.
- UnitedHealthcare reserves the right to adjust rates in the event of (i) any changes in federal, state or other applicable law or rules; (ii) changes in Plan design required by the applicable regulatory authority (e.g. mandated benefits) or by the Plan Sponsor; (iii) any taxes, surcharges, assessments or similar charges being imposed by a governmental entity on the Plan or UnitedHealthcare; or, (iv) as otherwise permitted in our policy.
- This quote assumes a Fixed Rx Rebate arrangement. It also assumes the United Rx National Network is used; the Traditional Preferred Drug list (PDL); and the plan design is Closed.
- Quote does not include commissions.
- Quote does not include Facility Discount Program. Quote includes Shared Savings Program. When a non-UHC network is accessed to obtain medical savings, 35% of network savings will be billed.
- Quote includes Advanced Analytics and Recovery Service.
- Our quotation includes the processing of runoff claims upon the termination of our contract. We will complete the processing of runoff claims for twelve months following the termination of our contract.
- The Plan or its sponsor is responsible for state or federal surcharges, assessments, or similar taxes or fees imposed by governmental entities or agencies on the Plan, Plan Sponsor, or us, including but not limited to those imposed pursuant to the Patient Protection and Affordable Care Act of 2010 (PPACA), as amended from time to time. This includes responsibility for determining the amount due, funding, and remitting the PPACA PCORI reinsurance fee which is remitted to the government (federal and/or state).
- The fees quoted do not include state or federal surcharges, assessments, or similar taxes/fees imposed by governmental entities or agencies on the Plan, Plan Sponsor, or UnitedHealthcare. We reserve the right to adjust the rates (i) in the event of any changes in federal, state or other applicable legislation or regulation; (ii) in the event of any changes in plan design or procedures required by the applicable regulatory authority or by the sponsor; and (iii) as otherwise permitted in our Administrative Service Agreement.
- If awarded this business, UnitedHealthcare, on your behalf and under your employer identification number, will open and maintain a bank account to provide us the means to access your funds for the sole purpose of payment of Plan benefits, expenses, and taxes/fees. You agree to hold UnitedHealthcare harmless for any and all federal, state, local or other governmental demand, charge or tax (by whatever name) assessed against or imposed upon UnitedHealthcare arising out of the administration of the plan.

The Standard Medical Service Fees (excluding Optional and Non-Standard Fees) and that portion of the Standard Medical Service Fees attributable to Commission Funds, if applicable, (hereinafter referred to as "Fees") payable by Customer under this Agreement will be adjusted through a credit to Customer's Service Fees in accordance with the arrangements set forth below unless otherwise noted.

Unless otherwise specified, these arrangements apply to pharmacy benefits and are effective for the period beginning 01/01/2017 and ending on 12/31/2019 (each twelve month period is a "Guarantee Period"). With respect to the aspects of United's performance addressed in this exhibit, these fee adjustments are Customer's exclusive financial remedies.

The arrangements will become effective upon the later of (1) the effective date of the Guarantee Period; or (2) the date the Agreement is signed by both parties. In the event these arrangements become effective later than the effective date of the Guarantee Period the arrangements will commence with the Agreement Period during which the Agreement is signed by both parties.

United reserves the right from time to time to replace any report or change the format of any report referenced in these guarantees. In such event, the guarantees will be modified to the degree necessary to carry out the intent of the parties. United shall not be required to meet any of the guarantees provided for in this Agreement or amendments thereto to the extent United's failure is due to Customer's actions or inactions or if United fails to meet these standards due to fire, embargo, strike, war, accident, act of God, acts of terrorism or United's required compliance with any law, regulation, or governmental agency mandate or anything beyond United's reasonable control.

Prior to the end of the Guarantee Period, and provided that this Agreement remains in force, United may specify to Customer in writing new arrangements for the subsequent Guarantee Period. If United specifies new arrangements, United will also provide Customer with a new Exhibit that will replace this Exhibit for that subsequent Guarantee Period.

Pharmacy Financials			
Definition	Pharmacy rate guarantees.		
Measurement and Criteria		01/01/2017	01/01/2018
		01/01/2019	
	Combined Discount Guarantee		
	Retail Brand, Average Wholesale Price (AWP) less	17.9%	17.9%
	Retail Generic - 30 Day, AWP less	77.0%	77.0%
	Mail Order Brand, AWP less	23.0%	23.0%
	Mail Order Generic, AWP less	79.0%	79.0%
	The Guaranteed Discount amount will be determined by multiplying the AWP by the guaranteed discount off AWP by each component and adding the amounts together.		
	Dispensing Fee Guarantee		
	Retail Brand	\$1.10	\$1.10
	Retail Generic	\$1.10	\$1.10
	Dispensing fee totals are calculated by multiplying the actual scripts for each type by the contracted rate for that script type.		
	Fixed Rebate Guarantee		
	Basis, per script	Brand	Brand
Level	Customer Specific		
Period	Annually		
Payment Period	Annually		
Payment Amount -- Discounts	The amount the actual discounts are less than the combined guaranteed discount amount.		
Payment Amount -- Dispensing Fees	The amount the combined actual dispensing fee exceeds the combined guaranteed dispensing fee.		
Payment Amount -- Rebates	The amount the combined actual Rebate amount are less than the combined guaranteed Rebate amount.		

<p>Conditions</p> <p>PTRX (05/2015)</p>	<p>Discount Specific Conditions</p> <ul style="list-style-type: none"> • Discounts are based on actual Network Pharmacy brand and generic usage of retail and mail order drugs. The guaranteed discount amount will be determined by multiplying the AWP by the contracted discount rate off AWP by component. • Does not apply to items covered under the Plan for which no AWP measure exists. • Discounts calculated based on AWP less the ingredient cost; discount percentages are the discounts divided by the AWP. Discounts for retail and mail order generic prescriptions represent the average AWP based on savings off Maximum Allowable Cost (MAC) pricing for MAC generics and percentage discount savings off AWP for non-MAC generics. All other discounts represent the percentage discount savings off of AWP. • The arrangement excludes all specialty drugs, generic medications launched as an 'at-risk' product, generic medication with pending litigation, compound drugs, retail out of network claims, mail order drugs (for dispensing fee arrangement) and non-drug items. • The retail and mail order generic discounts exclude any generic drug that has only one generic manufacturer; the retail and mail order brand discounts include any generic drug that has only one generic manufacturer. <p>Rebate Specific Conditions</p> <p>United reserves the right to modify or eliminate this arrangement as follows based upon changes in Rebates:</p> <ul style="list-style-type: none"> • if changes made to United's PDL, for the purpose of achieving a lower net drug cost for Customer and United's other ASO customers, result in significant reductions to the Rebate level • in the event that there are material deviations to the anticipated timing of drugs that will come off patent and no longer generate Rebates • if Customer changes or does not elect an Incented plan design • United will pay Fixed Rebates consistent with the Agreement. To the extent Rebates paid to United exceed the Fixed Rebate amount, We will retain the excess, including any Rebates United may earn on prescription drug products in any tiers not included in this arrangement and any related interest. <p>General Conditions</p> <ul style="list-style-type: none"> • On mail order drugs and specialty drugs, We will retain the difference between what we reimburse the Network Pharmacy and Your payment for a prescription drug product or service. • The lessor of three logic (non-ZBL) will apply to Participant payments. Participants pay the lessor of the discounted price, the usual and customary charge or the cost share amount. • All pricing guarantees require the selection of United as the exclusive mail provider and a mail benefit design as applicable to the historical data provided for the purpose of this cost proposal. All rates and fees are subject to change otherwise. • United reserves the right to revise or revoke this arrangement if: a) changes in federal, state or other applicable law or regulation require modifications; b) there are material changes to the AWP as published by the pricing agency that establishes the AWP as used in these arrangements; c) Customer makes benefit changes that impact the arrangements; d) there is a material industry change in pricing methodologies resulting in a new source or benchmark; e) it is not accepted within ninety (90) days of the issuance of our initial quote; f) if Customer changes their mail service benefit.
---	---

The Standard Medical Service Fees (excluding Optional and Non-Standard Fees) and that portion of the Standard Medical Service Fees attributable to Commission Funds, if applicable, (hereinafter referred to as "Fees") payable by Customer under this Agreement will be adjusted through a credit to Customer's Service Fees in accordance with the arrangements set forth below unless otherwise noted.

Unless otherwise specified, these arrangements apply to pharmacy benefits and are effective for the period beginning 01/01/2017 and ending on 12/31/2017 (each twelve month period is a "Guarantee Period"). With respect to the aspects of our performance addressed in this exhibit, these fee adjustments are Customer's exclusive financial remedies.

The arrangements will become effective upon the later of (1) the effective date of the Guarantee Period; or (2) the date the Agreement is signed by both parties. In the event these arrangements become effective later than the effective date of the Guarantee Period the arrangements will commence with the Agreement Period during which the Agreement is signed by both parties.

United reserves the right from time to time to replace any report or change the format of any report referenced in these guarantees. In such event, the guarantees will be modified to the degree necessary to carry out the intent of the parties. United shall not be required to meet any of the guarantees provided for in this Agreement or amendments thereto to the extent United's failure is due to Customer's actions or inactions or if United fails to meet these standards due to fire, embargo, strike, war, accident, act of God, acts of terrorism or United's required compliance with any law, regulation, or governmental agency mandate or anything beyond United's reasonable control.

Prior to the end of the Guarantee Period, and provided that this Agreement remains in force, United may specify to Customer in writing new arrangements for the subsequent Guarantee Period. If United specifies new arrangements, United will also provide Customer with a new Exhibit that will replace this Exhibit for that subsequent Guarantee Period.

Specialty Pharmacy					
Specialty Pharmacy Discount Guarantee					
Definition	Specialty drug discount level based on actual specialty drug utilization for the specialty drugs dispensed through United's specialty Pharmacy Network				
Measurement	Discount targets for individual drugs dispensed through United's specialty Pharmacy Network. See chart below.				
Criteria	Actual utilization, using Average Wholesale Price (AWP) in dollars, using our data, of specialty drugs through Our specialty Pharmacy Network will be multiplied against the discount targets for the individual drugs to determine the overall discount target dollars. This total will be compared to actual discounts achieved for these drugs during the Guarantee Period.				
Level	Customer Specific				
Period	Annual				
Payment Period	Annual				
Payment Amount	The amount the combined actual specialty drug discounts are less than the sum of the individual specialty drug discount targets as computed above.				
Conditions	<ul style="list-style-type: none"> Discounts calculated based on the AWP less the ingredient cost; discount percentages are the discounts divided by the AWP. Discounts for retail generic prescriptions represent the average savings off AWP based on Maximum Allowable Cost (MAC) pricing for MAC generics and percentage discount savings off AWP for non-MAC generics. All other discounts represent the percentage discount savings off of AWP. Specialty drugs dispensed outside United's specialty Pharmacy Network, drugs for which no AWP measure exists and non-drug items are excluded. United reserves the right to revise or revoke this guarantee if: a) changes in federal, state or other applicable law or regulation require modifications; b) there are material changes to the AWP as published by the pricing agency that establishes the AWP as used in this guarantee; c) Customer makes benefit changes that impact the guarantee; d) there is a material industry change in pricing methodologies resulting in a new source or benchmark

UnitedHealthcare Choice Network Savings Guarantee

The Network Savings Guarantee is effective during the incurred period 1/1/2017 through 12/31/2019 and applies only to in-network claims paid within 3 months following the end of the Network Savings Guarantee Period.

Commitment

Actual Discount Range	Fees At Risk
Less Than 59.5%	15.0%
59.5% - 60.5%	12.0%
60.5% - 61.5%	9.0%
61.5% - 62.5%	6.0%
62.5% - 63.5%	3.0%
Greater Than 63.5%	0.0%

We agree to reimburse CITY OF FORT LAUDERDALE the applicable percentage of the standard medical fees (excluding optional and non-standard fees) at risk noted in the table above based on the shortfall in network discounts achieved and the defined range the result falls into up to a maximum of 15.0% of the standard medical fees (excluding optional and non-standard fees).

The UnitedHealthcare Choice product and savings as presented in this document are available under the following assumptions and conditions*:

- Employees enrolled in a UnitedHealthcare Choice Network 1,586
- Target Network Savings Percentage (Illustrative) 65.5%
- Risk Free Corridor 2.0%
- For the UnitedHealthcare Choice network to be accessed, a sufficient benefit differential between in and out of network benefits must exist to promote in-network usage. Whether a sufficient benefit differential exists will be measured by UnitedHealthcare with the measurement based on coinsurance differentials, deductible differentials, out of pocket maximum differentials, and combinations of the former, among others.
- Savings are defined as the sum of: (1) the difference between the covered billed charges (excluding ineligible and not covered charges) submitted by the network provider and the amount based on the negotiated rate with that provider. This may also include specially negotiated discounts with network providers in outlier claim situations. No reasonable and customary (R&C) reductions are taken when a negotiated rate is in place with a network provider. The calculation is performed before the application of copayments, deductibles, or other coinsurance. (2) savings that result from the application of claims payment logic that bundles claims, consistent with provisions in our provider contracts.
- We reserve the right to exclude claims billed utilizing billing software, showing billed charges (excluding ineligible and not covered charges) equal to the negotiated rate from this guarantee.
- We reserve the right to exclude all claims for claimants with covered charges \$75,000 or greater during the guarantee period.
- Claims where UnitedHealthcare is the secondary payor are excluded from the Network Savings and Network Savings Factor determination.
- Mental Health/Substance Abuse claims are excluded.

The table below provides the in-network savings for those markets with the largest number of employees based on the CITY OF FORT LAUDERDALE network match. These savings will be utilized to determine CITY OF FORT LAUDERDALE's final Target In-Network Savings Percentage based on actual enrollments by market.

Market Name	Employees	Employee %	In-network Savings
MIAMI	1,566	98.7%	65.6%
Other	20	1.3%	55.4%
Total/Average*	1,586	100.0%	65.5%

Groups added by CITY OF FORT LAUDERDALE after the plan's effective date will be factored into this guarantee according to their date, size and enrollment by network.

UnitedHealthcare reserves the right to revise this quotation under the following circumstances:

- The benefits requested and/or quoted change prior to or after the effective date of this quotation.
- Changes in federal, state or other applicable legislation or regulation require changes to this quotation.

UHC reserves the right to adjust the discount guarantee should provider chargemaster increases (the rate by which provider charges increase) vary from assumed levels.

* These numbers are estimated only. Final numbers will depend on actual enrollment by network.

At the time of reconciliation, discounts will be calculated per the language set forth in this guarantee and may not match figures shown in other client reports produced throughout the year.

UnitedHealthcare MHSA Network Claim Guarantee

The MHSA Network Claim Guarantee is effective during the incurred period 01/01/17 through 12/31/17 and applies to in-network claims paid within 3 months following the end of the MHSA Network Claim Guarantee Period. Policy periods beginning 01/01/18 and beyond are subject to negotiation of terms.

We are confident we will deliver to City of Fort Lauderdale in network MHSA paid claims that are significantly below costs for these services that are capitated with your current carrier. As a result, we will guarantee that City of Fort Lauderdale will pay not more than \$19.30 pepm for in-network MHSA claims.

If at year-end, actual in-network MHSA claims are more than this, UnitedHealthcare will provide City of Fort Lauderdale an invoice credit for the difference. This exhibit summarizes terms and conditions of this guarantee.

In addition, we've also provided a minimum savings analysis that compares this guaranteed maximum to projected capitation costs with current carrier based on per employee per month capitation cost factors developed from information provided in the proposal.

Guaranteed MHSA In-Network Claim Guarantee \$ 19.30 per employee per month

The UnitedHealthcare MHSA Claim Target Guarantee as presented in this document is available under the following assumptions and conditions:

- Applicable to the 01/01/17 through 12/31/17 policy period
- Network MHSA benefits will match those quoted within our proposal
- Non-Network MHSA benefits are excluded from this guarantee
- Final reconciliation and invoice credit, if required, will be completed with 120 days after the end of policy period in conjunction with overall policy reconciliation

UnitedHealthcare reserves the right to revise this quotation under the following circumstances:

- MHSA benefits requested and/or implemented change prior to or after the effective date of this quotation.
- Changes in federal, state or other applicable legislation or regulation require changes to this quotation.

Savings Analysis

Annual Savings	\$	392,832.73	

Clinical Guarantees

Guarantee Terms & Conditions

- Our guarantees become effective on the later of the service implementation date or execution of a services agreement; we shall not be required to meet any guarantees in the event of early termination of our services agreement; performance guarantees shall not apply to contract renewals or extensions of less than twelve months.
- We shall not be required to meet any guarantee to the extent our failure is due to your actions or inactions, including failure to provide 85% valid contact information, including member email, cell, work and home phone on a timely basis; or failure to execute agreed-upon communications or incentive strategies.
- Penalties are waived in all cases where our performance failure is caused in whole or part by fire, embargo, strike, war, accident, acts of God, acts of terrorism, or pandemic; our required compliance with any law, regulation, or governmental agency mandate; or anything beyond our reasonable control.
- Prior to the end of the guarantee period, and provided that this agreement remains in force, we may specify to you in writing new performance guarantees for the subsequent guarantee period. If we specify new performance guarantees, we will also provide you with a new exhibit that will replace this exhibit for that subsequent guarantee period.
- We reserve the right to revise these guarantees should the services implemented vary from those quoted here, communications or incentive strategies change from the information and descriptions provided to us at the time of this quote. In the event that the membership falls below 3,000, these guarantees will be measured at the book of business for that year.
- We will measure and report results for each standard on a calendar year basis unless otherwise indicated; results will be rounded to the nearest whole number unless the target is specified with more precision. A minimum of 50 qualified members for a specific measure are required to provide client specific measurement for any guarantee otherwise the book of business results will be used, although individual programs/guarantees may have additional higher thresholds. Performance guarantees that are no completion of measurement are considered void.
- Customer agrees that the penalties payable under this Agreement are Customer's sole remedies for such Performance Standards hereunder, and that failure of Optum to meet a Performance Standard for which a penalty has been paid or is payable shall not, by itself, constitute a terminable breach under the Agreement.
- All measurement are based on membership participating in UHC health plans

City of Fort Lauderdale
Finance Department – Procurement Services
100 North Andrews Avenue
Fort Lauderdale, Florida 33301

RE: RFP # 565-11755 City of Fort Lauderdale Single Source TPA, Pharmacy Benefit Management and Employee Assistance Program

Ms. Diaz:

Thank you for the opportunity to respond to the City of Fort Lauderdale's request for proposal. We are confident that this proposal demonstrates how we can help you achieve your benefits plan goals and provide superior cost effective plan administration.

We understand the complex challenge you face in balancing comprehensive health care coverage for your employees and their families with the pressure to control health care costs. Our proposal includes an integrated set of solutions designed to generate improved financial, network and clinical outcomes for the City of Fort Lauderdale.

In accordance to the criteria used for evaluation, a summary of our proposal includes:

EXTENSIVE PROVIDER NETWORK

UnitedHealthcare's local and national network provides broad access to the City of Fort Lauderdale's employees and family members. Our Choice Plus network is the largest proprietary commercial health insurance network in the United States. More importantly, it is the largest network in the South Florida market – inclusive of Fort Lauderdale in Broward County.

We are matching 99.5% to the Geo Access criteria for Primary Care Physicians, Specialists and Hospitals; and the network disruption results are 97%. In addition, our Choice Plus network will capture many of the out-of-network providers your members currently utilize.

QUESTIONNAIRE & PERFORMANCE GUARANTEES

We are pleased to have provided succinct responses to the questionnaire fully outlining our capabilities and demonstrating the value of UnitedHealthcare to your employees and their members for all areas identified in this section.

Our proposed Performance Guarantees have matched and, in some cases, enhanced those identified in the RFP.

ADMINISTRATIVE SERVICES

We are able to administer all services currently included in the City's benefit plan. Our enhanced reporting suite offers a complete view of the City's benefit program. From reviewing overall plan spend, to condition-specific cost drivers to place of service costs – our reporting package gives the City the tools and consultation needed to holistically understand and address how and where claims dollars are spent, *and* what can be done to reduce those costs.

PROVEN WELLNESS SOLUTIONS

Along with mirroring the City's current management wellness initiatives, we have included a number of suggestions designed to engage your overall population.

We are offering full access to our Regional Health & Wellness strategies team. Our goal is to partner with the City to supplement and complement the current wellness program. Together, we can advance wellness education, engagement and enrichment for your members. Our tools, knowledge and resources assist our members in further taking an active, educated position in their health decisions. This is all part of our mission of helping people live healthier lives.

REFERENCES

We have offered for your consideration several high-profile current clients – all of which are municipalities or related, located in the State of Florida and of comparable size and scope.

TOTAL ANNUAL COST

We have clearly defined the components of our TPA and PBM fees. Our proposal offers a fee inclusive all of the services we offering, as well as additional options for the City's consideration. Additionally, there are a number of included components which we feel will substantially improve the City's financial position.

Specific to the PBM services, we are offer an increase to the discounts and rebates passed through today. This further solidifies our promise to bring improved financial outcomes to the City.

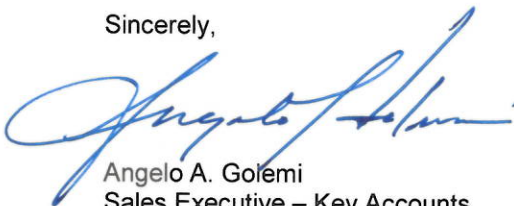

We are proposing Network Savings, Clinical, Pharmacy and Performance Guarantees that are among the best-in-class. Further, we have included fees at risk for all of these as part of our commitment to the City of Fort Lauderdale.

Overall, our overall proposal projects savings of over \$300,000 in year 1 to the City of Fort Lauderdale.

In summary, our goal is for this proposal to illustrate the level of support, dedication, engagement and leading-edge market solutions that a partnership between the City of Fort Lauderdale and UnitedHealthcare will bring..

We look forward to discussing a strategic partnership with City of Fort Lauderdale.

Sincerely,

Angelo A. Golemi
