City Manager  
City of Fort Lauderdale

Dear Mr. Feldman:

Re: Lease Agreement – Fort Lauderdale Oral School Inc. and Nova University Inc.

Thank you for taking the time to speak with me regarding the subject Lease Agreement and an amendment to same.

At this time, I would like to request a 5-year extension to our existing 50 year lease that expires this month. With the announcement of the HCA hospital, this extension will help us to provide the necessary space needed to relocate several hundred faculty members and students, and would like to have this property as an option for this purpose. Attached is a suggested amendment to the existing lease that will fulfill such a request.

Your support to this request will be deeply appreciated.

Sincerely yours,
