Online Police Services

Franklin C. Adderley – Chief of Police

Michael G. Gregory – Assistant Police Chief

Presidents Task Force on 21st Century Policing

▶ 4.2.2 Action Item:

Law enforcement agencies should evaluate their patrol deployment practices to allow sufficient time for patrol officers to participate in problem solving and community engagement activities.

2015 Neighborhood Survey

Analysis was conducted to help departmental managers set priorities for their department. Services that are recommended as the top priorities within each department over the next two years are listed below:

- ▶ **Public Safety Services:** The City's efforts to prevent crime and the visibility of police in neighborhoods.
- 

Q9. Public Safety Issues That Should Receive the Most Emphasis from City Leaders Over the Next Two Years

Trends

Multi-Focused Community Policing Assessment

Critique:

- ▶ “Calls for service drive the organizational strategy. Solely responding to calls for service doesn’t give officers time to interact with the community or focus on serious crime issues.”
- 

Multi-Focused Community Policing Assessment

Community Policing Recommendation 2: FLPD should formalize a call for service reduction plan.

- ▶ Every department, to create more time for officers to engage the community, found that they had to devise a more efficient method to handle the massive non-emergency call for service workload.
 - ▶ In FLPD, as we find in so many other police departments, non-emergency radio calls for service stifle the opportunity for patrol officers to park and meet the residents they serve let alone focus their efforts on crime reduction activities.
- 

Objectives

- ▶ Free Up Officers' Available Patrol Time
 - For Community Engagement Activities
 - Increased Visibility in Neighborhoods
 - Proactive Crime Suppression
- ▶ Improve the Quality of Service Provided by the Police Department
 - Convenience to Make Incident Reports
 - Time Savings for Report Makers

Strategies

- ▶ Public Safety Aide program
 - ▶ Station Report program
 - Walk-in Service
 - Call-in Service
 - ▶ Online Reporting System
