Findings

The parties to this Agreement do hereby find and acknowledge the following:

- 2.1. The City Commission of the City adopted Resolution No. 95-86 on June 2, 1995 finding the existence of blight conditions in the Community Redevelopment Area, as more particularly described in that Resolution, in which the Property is located.
- 2.2. The Agency for the Area was created by Resolution No. 95-86 adopted by the City Commission of the City on June 20, 1995 pursuant to part III of Chapter 163, Florida Statutes.
- 2.3. By adoption by the City Commission of Resolution No. 95-170, the Redevelopment Plan was adopted on November 7, 1995 and has been amended.
- 2.4. By adoption of Resolution No. 95-1084 on November 26, 1995, the Broward County Board of County Commissioners approved the Redevelopment Plan and such plan has been subsequently amended in 2001, 2013 and 2016.
- 2.5. The Redevelopment Plan contemplates redevelopment in the Community Redevelopment Area.
- 2.6. Pursuant to the Redevelopment Plan, it is contemplated that the Agency will provide funding for certain streetscape improvements in the Community Redevelopment Area.
- 2.7. Developer owns the Property and has submitted plans for review for the construction of the Project on the Property.
- 2.8. The Project is consistent with and furthers the provisions of the Redevelopment Plan and the Agency desires to encourage redevelopment of the Property for use for the Project and to encourage Developer in its development, design, construction, use, ownership and operation of the Project.
- 2.9. Certain street improvements, which will include, but are not limited to, the Developer Streetscape Improvements are required to support the Project and will be necessary for the successful development of the Project.
- 2.10 In reliance on letters received from the Architect of record for the Project, Landscape Architect and Developer, the Agency finds that use of competitive bids for the Developer's Streetscape Improvements is not in the best interest of the Agency and formal or informal bids will not be

required. To require a competitive bid will jeopardize funding for the Project, materially increase the cost of the Project or create an undue hardship on the public health, safety or welfare.
