

RIVERLAND ROAD COMPLETE STREETS IMPROVEMENTS

PROJECT#: 12273

Project Mgr: Karen Mendrala
Department: Transportation & Mobility
Fund: 331 CIP - General Fund
District: ☒ I ☒ II ☒ III ☒ IV
Address: Riverland
City: Fort Lauderdale
State: FL
Zip: 33311

Description: This project will be administered by the Broward Metropolitan Planning Organization utilizing a Tiger Grant. The City's will provide the local match for this grant in the total amount of \$850,000. This project includes the addition of traffic calming, bike facilities and enhancements to the pedestrian accommodations along Riverland Road based on neighborhood concerns, and the implementation of the Fast Forward 2035 Fort Lauderdale Vision and Connecting the Blocks Program. The work will tie in with the efforts being conducted by Broward County to connect the SR 84 Greenway to the City through Riverland Woods Park.

Justification: The project will implement a highly ranked project within the Connecting the Blocks Program to realize the neighbor's vision of having a connected community by 2035. The neighbors surrounding Riverland Road have been asking for safety improvements along this road for vehicles, pedestrians, and bicyclists. This roadway serves as a major cut-through roadway from US441/SR7 to Davie Boulevard, and has continually had issues with speeding and safety for all. Traffic calming will be included in this project. The existing sidewalk is narrow and is only on one side. The roadway does not contain any bike facilities. This has caused competing interests between pedestrian and bicycles that creates conflicts on the sidewalk. The project will increase safety conditions for walking and biking along this corridor. There were 64 accidents along this project area over the past five years.

Source Of the Justification: Connecting the Blocks Plan

Project Type: Streets and Sidewalks
