

**CITY OF FORT LAUDERDALE  
City Commission Agenda Memo  
REGULAR MEETING**

**#16-1247**

---

**TO:** Honorable Mayor & Members of the  
Fort Lauderdale City Commission

**FROM:** Lee R. Feldman, ICMA-CM, City Manager

**DATE:** November 1, 2016

**TITLE:** Motion to Approve Contract for Backflow Prevention Services – Pipeline  
Plumbing Services of Broward, Inc. - \$590,570

---

**Recommendation**

It is recommended that the City Commission approve a one-year contract, in substantially the form attached, for the purchase of backflow prevention, testing and inspection services in the amount of \$590,570; and authorize the City Manager to approve two one-year renewal options, contingent upon appropriation of funds.

**Background**

The Department of Public Works is requesting approval of an annual contract to obtain backflow prevention services. The bid provides unit prices for individual services in addition to plumbing services which support the prevention of backflow and spillage on an as-needed basis. The majority of the work will be for water services on City property. Some of the work may be performed on private property under the City's direction.

The Procurement Services Division issued Invitation to Bid No. 463-11775 and received two bids. Pipeline Plumbing Services of Broward, Inc. has met all the specifications of the Invitation to Bid and has been deemed the lowest, most responsive and responsible bidder and is recommended for award.

**Resource Impact**

There will be a fiscal year impact to the City in the amount of \$590,570.

**Funds available as of October 11, 2016**
