

SOFTWARE LICENSE AGREEMENT

AGREEMENT NUMBER: _____

THIS SOFTWARE LICENSE AGREEMENT (the “Agreement”) is made between **Infor Public Sector, Inc.**, a California corporation authorized to transact business in the State of Florida, (“Infor” or “Contractor”) and the **City of Fort Lauderdale**, a Florida municipality, (“Licensee” or “City”) as of the Effective Date. The parties agree as follows:

1. Definitions.

(a) “**Affiliate**” means any entity, directly or indirectly, controlling, controlled by, or under common control with, Infor.

(b) “**Component System**” means any one of the computer software programs which is identified in the applicable Order Form as a Component System. “**Component Systems**” refers, collectively, to every Component System listed in the applicable Order Form between the parties.

(c) “**Confidential Information**” means non-public information of an Affiliate or a party to this Agreement that is identified as confidential and/or proprietary and that is contained in a record that is in its entirety or in part confidential or exempt from disclosure pursuant to Florida law or that is not contained in a record but is confidential pursuant to Florida law. Confidential Information includes the Component System and related documentation and user manuals provided by Infor to Licensee, including all algorithms, methods, techniques, and code (Source Code and Object Code), to the extent any of them are trade secrets pursuant to Florida law. Confidential Information does not include information that: (i) is or becomes known to the public without fault or breach of the Recipient; (ii) the Discloser regularly discloses to third parties without restriction on disclosure; (iii) the Recipient obtains from a third party without restriction on disclosure and without breach of a non-disclosure obligation; (iv) is independently developed by the Recipient without access to Confidential Information; or (v) is contained in a record that is

not in its entirety or in part confidential or exempt from disclosure pursuant to Florida law or is not contained in a record and is not confidential pursuant to Florida law.

(d) “**Delivery Address**” means the Licensee shipping address set forth in the applicable Order Form as the Delivery Address.

(e) “**Delivery Date**” means, for each Component System, the earliest of (a) the date that Infor places the Component System with a shipping agent, F.O.B. Shipping Point, for shipment to the Delivery Address or such other address Licensee specifies, (b) the date Infor provides Licensee electronic access to the Component System by, for example, providing Licensee a URL, where the Component System is available for immediate electronic download along with access codes permitting download and access to the Component System, or (c) the date that Licensee actually receives the Component System.

(f) “**Discloser**” means the party providing Confidential Information hereunder.

(g) “**Documentation**” means the then-current Infor-provided operating and technical documentation relating to the features, functions and operation of a Component System.

(h) “**Documented Defect**” means a material deviation between the then-current, general release version of the Component System and its Documentation, for which Documented Defect Licensee has given Infor enough information for Infor to replicate the deviation on a computer

configuration which is both substantially similar to the Equipment and is under Infor's control.

(i) "**Effective Date**" means the date identified on the signature page of this Agreement as the Effective Date.

(j) "**Equipment**" means the hardware and/or systems software configuration (e.g., the computer, computer platform, operating systems and/or data base management system) specified in the Order Form.

(k) "**Intellectual Property Rights**" means any and all rights in patents, patent applications, copyrights, copyright registrations, trade secrets, trademarks and service marks (including, where applicable, all derivative works of the foregoing).

(l) "**Licensee Employees**" means: (i) Licensee's employees with a need to know the in Licensee's reasonable opinion; and (ii) third party consultants engaged by Licensee who have a need to know in Licensee's reasonable opinion, who have been pre-approved in writing by Infor, and who, prior to obtaining access to the Component Systems, have executed an Infor-approved non-disclosure agreement and paid any applicable fees.

(m) "**Marketing Associate**" means a third party entity specified on an Order Form which has an agreement with Infor authorizing such third party to market the Component Systems and related services, maintenance and support to Licensee.

(n) "**Object Code**" means computer programs assembled, compiled, or converted to magnetic or electronic binary form, which are readable and useable by computer equipment.

(o) "**Order Form**" means each order form or similar ordering document (including all Software Supplements) between the parties incorporating the terms of this Agreement and/or the Support Agreement that sets forth the Component Systems, associated fees and User Restrictions, among other terms.

(p) "**Order Form Date**" means the date identified on the applicable Order Form as the Order Form Date.

(q) "**Recipient**" means the party receiving Confidential Information hereunder.

(r) "**Software Supplement**" means, with respect to a Component System, the addendum attached to the applicable Order Form that contains additional terms, conditions, limitations and/or other information pertaining to that Component System. If any terms of a Software Supplement conflicts with any other terms of this Agreement or the applicable Order Form, the terms of the Software Supplement will control.

(t) "**Source Code**" means computer programs written in higher-level programming languages and readable by humans.

(u) "**Support Agreement**" means the Software Support Agreement entered into between the parties as of the Effective Date.

(v) "**Third Party Licensor**" means a third party whose software products ("**Third Party Products**") have been made available to Infor for distribution and licensing under the terms of its agreement with Infor (a "**Third Party Agreement**").

(w) "**User Restriction**" means any Component System user restriction identified in an Order Form (for example, and without limitation, number of named or concurrent users).

2. Right to Grant License and Ownership. Infor has the right to grant Licensee this license to use the Component Systems. Infor either owns all right, title and interest to, or has the right to license, the Component Systems.

3. License. Subject to the terms and conditions of this Agreement and the applicable Order Form (including, without limitation, with respect to termination), Infor grants Licensee (including any then-current Licensee employees or contractors of Licensee having a need, as determined by the Licensee, to use the Component Systems and who

are under strict confidentiality and non-disclosure requirements pertaining to such use) a perpetual (unless otherwise specified on the Order Form), non-exclusive, non-transferable license (without the right to sublease or sublicense) to use the Component Systems (including any updates, enhancements or modifications to such Component Systems that Infor provides under the Support Agreement) on the Equipment for Licensee's own, internal computing operations. The computer readable media containing the Component Systems may also contain software programs for which Licensee is not granted a license for use. Licensee may not make any use of any such software programs for which Licensee is not expressly obtaining a license for use under this Agreement. Any rights not expressly granted in this Agreement are expressly reserved.

(a) Copies. Except as otherwise provided in the applicable Software Supplement, Licensee may make a reasonable number of copies of the Documentation for each Component System for its internal use in accordance with the terms of this Agreement. Licensee may also make copies of the Infor software that are part of the Component System for back-up and archival purposes.

(b) Additional Restrictions on Use of the Component Systems. Licensee's use of the Component Systems is subject to any User Restrictions specified in the applicable Order Form. Except to the extent contrary to applicable law, Licensee is prohibited from causing or permitting the reverse engineering, disassembly or de-compilation of the Component Systems. Licensee is prohibited from using the Component Systems to provide service bureau data processing services or to otherwise provide data processing services to third parties, except to the extent provided in this Agreement. Licensee will not allow the Component Systems to be used by, or to the extent they are trade secrets pursuant to Florida law, disclose all or any part of the Component Systems to, any person except Licensee Employees. Licensee acknowledges and agrees that U.S. export control laws and other applicable export and import laws govern its use of the Component Systems and Licensee will

neither export or re-export, directly or indirectly, the Component Systems, nor any direct product thereof in violation of such laws, or use the Component Systems for any purpose prohibited by such laws. Licensee acknowledges that a special security program or code ("Key") may be required to operate the Component System. Any such Key may prevent the Component System from operating (i) on any configuration other than the Equipment or (ii) for more than the maximum number of users specified in an Order Form.

(c) Intellectual Property Rights Notices. Licensee is prohibited from removing or altering any of the Intellectual Property Rights notice(s) embedded in or that Infor otherwise provides with the Component Systems. Licensee must reproduce the unaltered Intellectual Property Rights notice(s) in any full or partial copies that Licensee makes of the Component Systems.

(d) Notice. To use any of the Component Systems, Licensee may also need to obtain, install and maintain Infor-supported versions of certain software products, database software products and certain software/hardware peripherals. By this notice, Infor is advising Licensee that Licensee should request information about such necessary software products, database software products and software/hardware peripherals.

(e) Source Code. Unless otherwise explicitly provided in an Order Form, Licensee has no license to access or use, or any other rights in or to, the Source Code for a particular Component System. If the Order Form grants Licensee a license to use Source Code for a particular Component System, then Licensee has the limited right to use such Source Code to modify such Component System for its own, internal computing operations. Subject to the foregoing, Licensee will not disclose all or any part of the Source Code for a Component System to any person except Licensee Employees who, before obtaining access to the Source Code, have been informed by Licensee in writing of the non-disclosure obligations imposed on both Licensee and such Licensee Employees under this Agreement. Infor will own all right, title and interest to all derivative works of the Component

System ("**Derivative Works**"), even if solely created by Licensee pursuant to a license to use Source Code hereunder. Except as otherwise provided by the Florida public records law, Licensee hereby assigns to Infor absolutely all of its rights, title and interest in and to any Derivative Works created by the Licensee together with all Intellectual Property Rights therein. Subject to the terms and conditions of this Agreement, Infor grants Licensee (if licensed to use Source Code hereunder) a perpetual (unless otherwise specified in the Order Form), non-exclusive, non-transferable license (without the right to sublease or sublicense) to use and copy for use the Derivative Works created by Licensee or created by Infor at Licensee's request and payment, for Licensee's own, internal computing operations. Upon Infor's request, Licensee will provide Infor with a copy (including all documentation related thereto) of all Derivative Works created by Licensee and will execute and deliver to Infor any documents reasonably necessary to vest in Infor all right, title and interest therein.

(f) **Machines.** Licensee may transfer the Component System to other Licensee servers and computers as needed for Licensee's internal business purposes and provided Licensee is in compliance with this Agreement.

(g) **Mandated Changes.** So long as Licensee is current under Infor's applicable support agreement, Licensee will receive any updates, upgrades and enhancements to the Component Systems that are mandated by federal law or regulation, and are the then-current, general release version of such Component System that are not separately priced or licensed as new products, at no additional charge.

4. **Delivery.** Except as otherwise provided in the applicable Order Form, the Delivery Date shall not be later than thirty (30) days after the Order Form Date and is FOB shipping point.

5. **Payment and Taxes.**

(a) **Payment.** Licensee will pay Infor all license fees (as specified on an Order Form) within forty-five (45) days of the date of

Licensee's receipt of a proper invoice. Receipt of invoice shall mean the date that Infor emails invoices to Licensee's designee at the email address provided by Licensee. Late payments are subject to interest in accordance with the Florida Local Government Prompt Payment Act.

(b) **Taxes and Shipping Charges.** Except to the extent Licensee is exempt from taxation, Licensee is responsible for paying all taxes (except for taxes based on Infor's net income or capital stock) and shipping charges relating to this Agreement, the Component Systems, any services provided and payments made under this Agreement. Applicable tax amounts (if any) are not included in the fees set forth in this Agreement and any Order Form. Infor will invoice Licensee for shipping amounts and such invoices are due forty-five days after Licensee's receipt of proper invoice. Licensee will not be obligated to pay or reimburse Licensor for any sales taxes or other taxes for which Licensee has previously provided Infor with a valid tax exemption certificate.

6. **Limited Warranty, Disclaimer of Warranty and Remedies.**

(a) **Limited Software Warranty by Infor and Remedy For Breach.** Infor warrants that each Component System licensed to Licensee will operate without a Documented Defect for a period of ninety (90) days from the Delivery Date. Notwithstanding the foregoing, with respect to the Infor software licensed to under that certain Order Form executed by the Parties on or about September 7, 2011, the above referenced warranty shall be effective for a period of five (5) years, provided that the applicable Support Agreement between Licensee and Infor remains in effect and Licensee remains current on support payments thereunder. Infor warrants that the media on which the Component System is delivered will be free of material defects in material and workmanship for a period of ninety (90) days from the Delivery Date. Infor's sole obligation with respect to a breach of either of the foregoing warranties shall be to repair or replace the Component System or media giving rise to the breach of warranty to bring it into compliance with the Documentation.

If Infor is unable to repair or replace such Component System or media within a reasonable period of time, then, subject to the limitations set forth in Section 15 of this Agreement, Licensee may pursue its remedies at law to recover direct damages resulting from the breach of the applicable warranty. The remedies in this Section 6(a) are exclusive and in lieu of all other remedies, and represent Infor's sole obligations, for a breach of the foregoing warranties. Licensee must provide notice to Infor of any warranty claim within the warranty period.

(b) Malicious Code. Infor represents that it has used commercially reasonable best efforts utilizing generally accepted industry tools and practices to provide Subscription Software that does not contain any "time bombs," "worms," "viruses," "Trojan horses," "protect codes," "data destruct keys," or other programming devices that are intended to access, modify, delete, damage, deactivate or disable the Subscription Services ("Malicious Code"). As Licensee's sole remedy for breach of this representation, Infor shall take action immediately to investigate, identify and remove such Malicious Code from the Component System.

(c) Disclaimer of Warranty. The limited warranties in this Section 6 are made to Licensee exclusively and are in lieu of all other warranties. **INFOR MAKES NO OTHER WARRANTIES WHATSOEVER, EXPRESS OR IMPLIED, WITH REGARD TO THE COMPONENT SYSTEMS, IN WHOLE OR IN PART, OR ANY OTHER MATTER UNDER THIS AGREEMENT. INFOR EXPLICITLY DISCLAIMS ALL WARRANTIES OF NON-INFRINGEMENT, MERCHANTABILITY AND OF FITNESS FOR A PARTICULAR PURPOSE. INFOR EXPRESSLY DOES NOT WARRANT THAT THE COMPONENT SYSTEMS, IN WHOLE OR IN PART, WILL BE ERROR FREE, WILL OPERATE WITHOUT INTERRUPTION, WILL BE COMPATIBLE WITH ANY HARDWARE OR SYSTEMS SOFTWARE CONFIGURATION OTHER THAN THE**

EQUIPMENT, OR WILL MEET LICENSEE'S REQUIREMENTS.

(d) Abrogation of Limited Warranty. Infor will have no obligation under this Section 6 to the extent that any alleged breach of warranty is caused by: (i) any modification of the Component System; (ii) Licensee's failure to promptly implement changes that Infor provides to correct or improve the Component System; or (iii) the use or combination of the Component System with any computer, computer platform, operating system and/or data base management system other than the Equipment. To the extent that an alleged breach of warranty concerns a Third Party Product that is subject to a more limited warranty under a Third Party Agreement than specified in Section 6(a) above, Infor's obligations hereunder will be further limited accordingly. The limited warranty in Section 6(a) shall not apply to (x) updates, enhancements or modifications provided under the Support Agreement or (y) previously licensed Component Systems for which Licensee is changing User Restrictions (e.g., without limitation, adding users) under an Order Form.

(e) FAILURE OF ESSENTIAL PURPOSE. **THE PARTIES HAVE AGREED THAT THE LIMITATIONS SPECIFIED IN SECTIONS 6 AND 15 WILL SURVIVE AND APPLY EVEN IF ANY LIMITED REMEDY SPECIFIED IN THIS AGREEMENT IS FOUND TO HAVE FAILED OF ITS ESSENTIAL PURPOSE, AND REGARDLESS OF WHETHER LICENSEE HAS ACCEPTED ANY COMPONENT SYSTEMS OR SERVICE UNDER THIS AGREEMENT.**

(f) HIGH RISK ACTIVITIES. **THE COMPONENT SYSTEMS ARE NOT FAULT-TOLERANT AND ARE NOT DESIGNED, MANUFACTURED OR INTENDED FOR USE AS ON-LINE CONTROL EQUIPMENT IN HAZARDOUS ENVIRONMENTS REQUIRING FAIL-SAFE PERFORMANCE, SUCH AS IN THE OPERATION OF NUCLEAR FACILITIES, AIRCRAFT NAVIGATION OR AIRCRAFT COMMUNICATION SYSTEMS, MASS TRANSIT, AIR TRAFFIC CONTROL,**

DIRECT LIFE SUPPORT MACHINES, OR WEAPONS SYSTEMS, IN WHICH THE FAILURE OF THE COMPONENT SYSTEMS COULD LEAD DIRECTLY TO DEATH, PERSONAL INJURY, OR SEVERE PHYSICAL OR ENVIRONMENTAL DAMAGE ("HIGH RISK ACTIVITIES"). ACCORDINGLY, INFOR DISCLAIMS ANY EXPRESS OR IMPLIED WARRANTY OF FITNESS FOR HIGH RISK ACTIVITIES. LICENSEE AGREES THAT INFOR SHALL NOT BE LIABLE FOR ANY CLAIMS OR DAMAGES ARISING FROM OR RELATED TO THE USE OF THE COMPONENT SYSTEMS IN SUCH APPLICATIONS.

7. Confidential Information. Except as otherwise permitted under this Agreement, or except as otherwise provided by Florida law, the Except as otherwise permitted herein, Recipient will not disclose to any third party, or make any use of the Discloser's Confidential Information. The Recipient will use at least the same standard of care to maintain the confidentiality of the Discloser's Confidential Information that it uses to maintain the confidentiality of its own Confidential Information, but in no event less than reasonable care. Except in connection with the Component Systems and any software programs provided with the Component Systems, the non-disclosure and non-use obligations of this Agreement will remain in full force with respect to each item of Confidential Information for a period of ten (10) years after Recipient's receipt of that item. However, Licensee's obligations to maintain both the Component Systems and any software programs provided with the Component Systems, including all algorithms, methods, techniques, code and processes revealed therein, as confidential, to the extent they constitute trade secrets pursuant to Florida law, will survive in perpetuity.

8. Indemnity by Infor. Infor will defend, indemnify and hold Licensee harmless from and against any and all claims, judgments, settlements, penalties, losses, costs and expenses that Licensee incurs because of a third party claim that the Component System infringes any patent, copyright, or other United States intellectual

property right of others. Infor's obligations under this indemnification are expressly conditioned on the following: (i) Licensee must promptly notify Infor of any such claim; (ii) Licensee must in writing grant Infor sole control of the defense of any such claim and of all negotiations for its settlement or compromise (if Licensee chooses to represent its own interests in any such action, Licensee may do so at its own expense, but such representation must not prejudice Infor's right to control the defense of the claim and negotiate its settlement or compromise); (iii) Licensee must reasonably cooperate with Infor to facilitate the settlement or defense of the claim in which case Infor shall reimburse Licensee for all reasonable costs incurred by Licensee as a result of such cooperation. Infor will not have any liability hereunder to the extent the claim arises from (a) any modification of the Component System that is not authorized by Infor or Infor's personnel; or (b) the use or combination of the Component System with any computer, computer platform, operating system and/or data base management system, or other equipment, unless such combination is authorized by the Component System's technical, operational or functional specifications, by Infor or by Infor's personnel. If any Component System is, or in Infor's opinion is likely to become, the subject of a copyright, patent or claim arising from any other United States intellectual property right, then Infor, at its sole option and expense, will either: (A) obtain for Licensee the right to continue using the Component System under the terms of this Agreement; (B) replace the Component System with products that are substantially equivalent in function, or modify the Component System so that it becomes non-infringing and substantially equivalent in function; or (C) refund to Licensee the portion of the license fee paid to Infor for the Component System(s) giving rise to the infringement claim, less a charge for use by Licensee based on straight line depreciation assuming a useful life of five (5) years, provided that Licensee has discontinued its use of such Component System. Notwithstanding anything to the contrary herein, to the extent that a third party claim of copyright infringement concerns a Third Party Product that is subject to a more limited indemnification protection under a Third Party Agreement than specified herein,

Infor's obligations hereunder will be further limited accordingly. **THE FOREGOING SETS FORTH INFOR'S EXCLUSIVE OBLIGATION AND LIABILITY WITH RESPECT TO INFRINGEMENT OF INTELLECTUAL PROPERTY RIGHTS.**

9. Term and Termination.

(a) Right of Termination. If either party materially breaches any material obligation in this Agreement or an Order Form (including, without limitation, any obligation to pay license fees), and fails to remedy such breach (if such breach can be remedied) within sixty (60) days of receipt of written notice of such breach, the other party may terminate this Agreement (including all Order Forms hereunder). Notwithstanding the foregoing, to the extent such material breach cannot be remedied through efforts of the breaching party, the other party has the right to terminate this Agreement (including all Order Forms hereunder) on less than sixty days' written notice. Notice to Infor of an alleged breach of warranty will not constitute a notice of termination of this Agreement.

(b) Effect of Termination. Upon termination of this Agreement by either party, Licensee will discontinue further use of the Component Systems and, except to the extent otherwise provided by the Florida public records law, will promptly return to Infor or (at Infor's request) destroy all copies of the Component Systems, and will certify to Infor in writing, over the signature of a duly authorized representative of Licensee, that it has done so. Termination of this Agreement will not relieve either party from making payments which may be owing to the other party under the terms of this Agreement.

(c) Survival of Obligations. All obligations relating to non-use and non-disclosure of Confidential Information, indemnity, limitation of liability, and such other terms which by their nature survive termination, will survive termination of this Agreement.

(d) Termination Without Prejudice to Other Rights and Remedies. Termination of this

Agreement will be without prejudice to either party pursuing any other remedies available to it.

10. Notices. All notices and other communications required or permitted under this Agreement or required by law must be in writing and will be deemed given when: delivered personally; sent by registered or certified mail, return receipt requested; transmitted by facsimile confirmed by first class mail; or sent by overnight courier. Notices must be sent to a party at its address shown on the signature page of this Agreement, or to such other place as the party may subsequently designate for its receipt of notices in accordance with this Section. Licensee must promptly send copies of any notice of material breach and/or termination of the Agreement to Infor, Attention: General Counsel, 40 General Warren Blvd Suite # 110, Malvern, PA 19355, USA, FAX number 678-319-8949, or to such other place as Infor may subsequently designate for its receipt of notices.

11. THIS SECTION NOT USED

12. THIS SECTION NOT USED

13. No Waiver. A party's failure to enforce its rights with respect to any single or continuing breach of this Agreement will not act as a waiver of the right of that party to later enforce any such rights or to enforce any other or any subsequent breach.

14. THIS SECTION NOT USED

15. LIMITATIONS OF LIABILITY.

(a) LIMITED LIABILITY OF INFOR. THE TOTAL LIABILITY OF INFOR, ITS AFFILIATES AND THIRD PARTY LICENSORS IN CONNECTION WITH THE COMPONENT SYSTEMS, THIS LICENSE OR ANY OTHER MATTER RELATING TO THIS AGREEMENT (WHATEVER THE BASIS FOR THE CAUSE OF ACTION) SHALL NOT EXCEED THE FEE THAT LICENSEE ACTUALLY PAID TO INFOR (OR, IF NO DISCRETE FEE IS IDENTIFIED IN THE APPLICABLE ORDER FORM, THE

FEE REASONABLY ASCRIBED BY INFOR) FOR THE COMPONENT SYSTEM GIVING RISE TO THE LIABILITY.

(b) EXCLUSION OF DAMAGES. IN NO EVENT SHALL INFOR, ITS AFFILIATES OR THIRD PARTY LICENSORS BE LIABLE FOR ANY INCIDENTAL, SPECIAL, PUNITIVE, INDIRECT OR CONSEQUENTIAL DAMAGES OR DAMAGES FOR LOST PROFITS, WHETHER BASED ON BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE), PRODUCT LIABILITY, OR OTHERWISE, AND WHETHER OR NOT INFOR HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

16. Compliance With Laws. Licensee will comply with all laws, rules and regulations applicable to the use of the Component Systems.

17. Successor Software. Provided that: (i) Licensee is active under this Software License Agreement that is licensed pursuant to that certain Order Form executed on or about September 7, 2016, ("Infor Current Licensed Software"); and (ii) is current on payment of all applicable Support fees, then if Infor releases a new version of the Infor Current Licensed Software or a replacement version thereof, and makes it generally available to its Support-paying customers of the Infor Current Licensed Software at no additional charge, ("New Infor Licensed Software"), and provided it is not separately priced or licensed as

new products with no more than minimal differences in price, features and functionality, then Licensee shall also be entitled to such New Infor Licensed Software at no extra charge.

18. Miscellaneous. Infor and Licensee are independent contractors under this Agreement, and nothing herein will be construed to create a partnership, joint venture or agency relationship between them. This Agreement shall be construed as if drafted by both parties and shall not be strictly construed against either party. Infor is an Equal Employment Opportunity employer. As such, 41 CFR 60-1.4(a), 60-250.5, & 60-741.5 are herein incorporated by reference.

19. Entire Agreement. Except as otherwise provided in that certain Agreement For Enterprise Resource Planning (ERP) System Solution Software Licenses, Support and Subscription Services, this Agreement contains the entire understanding of the parties with respect to its subject matter, and supersedes and terminates all prior oral and written communications between the parties about its subject matter. Any purchase order or similar document that may be issued by Licensee in connection with this Agreement does not modify this Agreement. No modification of this Agreement will be effective unless it is in writing, is signed by each party, and expressly provides that it amends this Agreement.

THE PARTIES have executed this Agreement through the signatures of their respective authorized representatives.
