(a) **Right to Grant License.** Infor warrants that that it owns all right, title and interest in and to the Subscription Software or has obtained rights in such Subscription Software sufficient to grant the licenses granted to Licensee under this Agreement. Licensee's exclusive remedy, and Infor's exclusive obligation, for a breach of this warranty is set forth in Section 7 (Indemnity).

(b) **Limited Subscription Software Warranty by Infor and Remedy For Breach.** Infor warrants that the Subscription Software licensed to Licensee will operate without a Documented Defect for five (5) years, so long as Licensee pays the fees required hereunder. Infor's sole obligation with respect to a breach of the foregoing warranty shall be to repair or replace the Subscription Software giving rise to the breach of warranty. If Infor is unable to repair or replace such Subscription Software within a reasonable period of time, then, subject to the limitations set forth in Section 14 of this Agreement,

Licensee may pursue its remedies at law to recover direct damages resulting from the breach of this warranty. The remedies in this Section 5(b) are exclusive and in lieu of all other remedies, and represent Infor's sole obligations, for a breach of the foregoing warranty. Licensee must provide notice to Infor of any warranty claim within the warranty period. For clarity, Licensee's entitlement to Support (as defined in Section 3(b)) in connection with any Documented Defect shall continue throughout the Subscription Term.

(c) **Malicious Code.** Infor represents that it has used commercially reasonable best efforts utilizing generally accepted industry tools and practices to provide Subscription Software that does not contain any "time bombs," "worms," "viruses," "Trojan horses," "protect codes," "data destruct keys," or other programming devices that are intended to access, modify, delete, damage, deactivate or disable the Subscription Services ("Malicious Code"). As Licensee's sole remedy for breach of this representation, Infor shall take action immediately to investigate, identify and remove such Malicious Code from the Subscription Software.

(d) **Limited Services Warranty and Remedy For Breach.** Infor warrants to Licensee that, Infor will render the Subscription Services with commercially reasonable care and skill. Infor further warrants that the hosted environment will be available at all times throughout the Subscription Term, subject to the exceptions and allowances described in the Availability section of the applicable Service Level Description. The level of unavailability shall not exceed one half of one percent (0.5%) per month, excluding Scheduled Maintenance as described in the applicable Service Level Description (the "Down Time Warranty"). In the event of a breach of the foregoing warranty Infor shall apply service level credits based on the actual availability measure for the applicable period as follows:

<b><u>Availability</u></b>	<b><u>Service Level Credit</u></b>
99.500% or greater	No Service Level Credit
99.499% - 99.000%	5% of the monthly prorated subscription fee
98.999% - 98.500%	15% of the monthly prorated subscription fee
98.499% - 95.000%	25% of the monthly prorated subscription fee
Below 95.000%	35% of the monthly prorated subscription fee

Service level credits for Subscription Fees paid on an annual basis shall be based on a monthly equivalent fee. For example, a 5% service level credit on an annual subscription fee shall be 5% of 1/12 of the annual fee. Service level credits shall be applied to Licensee's next invoice or, if Licensee has paid the final invoice under this Agreement, service level credits shall be paid to Licensee within thirty (30) calendar days following the determination that the credit is due. The service level credit is the exclusive remedy and is in lieu of all other remedies for breach of the Down Time Warranty.

(e) Disclaimer of Warranties. The limited warranties in this Section 5 are made to Licensee exclusively and are in lieu of all other warranties. **INFOR MAKES NO OTHER WARRANTIES WHATSOEVER, EXPRESS OR IMPLIED, WITH REGARD TO THE SUBSCRIPTION SOFTWARE AND SUBSCRIPTION SERVICES PROVIDED UNDER THIS AGREEMENT AND/OR ANY ORDER FORM, IN WHOLE OR IN PART. INFOR EXPLICITLY DISCLAIMS ALL WARRANTIES OF MERCHANTABILITY AND OF FITNESS FOR A PARTICULAR PURPOSE. INFOR EXPRESSLY DOES NOT WARRANT THAT THE SUBSCRIPTION SOFTWARE OR SUBSCRIPTION SERVICES, IN WHOLE OR IN PART, WILL BE ERROR FREE, OPERATE WITHOUT INTERRUPTION OR MEET LICENSEE'S REQUIREMENTS.**

(f) Abrogation of Limited Warranty. Infor will have no obligation under this Section 5 to the extent that any alleged breach of warranty is caused by any modification of the Subscription Software not performed by or on behalf of Infor. To the extent that an alleged breach of warranty concerns a Third Party Product that is subject to a more limited warranty under a Third Party Agreement than specified in Section 5 above, Infor's obligations hereunder will be further limited accordingly.

(g) FAILURE OF ESSENTIAL PURPOSE. **THE PARTIES HAVE AGREED THAT THE LIMITATIONS SPECIFIED IN SECTIONS 5 AND 14 WILL SURVIVE AND APPLY EVEN IF ANY REMEDY SPECIFIED IN THIS AGREEMENT IS FOUND TO HAVE FAILED OF ITS ESSENTIAL PURPOSE, AND REGARDLESS OF WHETHER LICENSEE HAS ACCEPTED ANY SUBSCRIPTION SOFTWARE OR SUBSCRIPTION SERVICE UNDER THIS AGREEMENT.**

(h) HIGH RISK ACTIVITIES. **THE SUBSCRIPTION SOFTWARE IS NOT FAULT-**

**TOLERANT AND IS NOT DESIGNED, MANUFACTURED OR INTENDED FOR USE AS ON-LINE CONTROL EQUIPMENT IN HAZARDOUS ENVIRONMENTS REQUIRING FAIL-SAFE PERFORMANCE, SUCH AS IN THE OPERATION OF NUCLEAR FACILITIES, AIRCRAFT NAVIGATION OR AIRCRAFT COMMUNICATION SYSTEMS, MASS TRANSIT, AIR TRAFFIC CONTROL, DIRECT LIFE SUPPORT MACHINES, OR WEAPONS SYSTEMS, IN WHICH THE FAILURE OF THE SUBSCRIPTION SOFTWARE COULD LEAD DIRECTLY TO DEATH, PERSONAL INJURY, OR SEVERE PHYSICAL OR ENVIRONMENTAL DAMAGE ("HIGH RISK ACTIVITIES"). ACCORDINGLY, INFOR DISCLAIMS ANY EXPRESS OR IMPLIED WARRANTY OF FITNESS FOR HIGH RISK ACTIVITIES. LICENSEE AGREES THAT INFOR SHALL NOT BE LIABLE FOR ANY CLAIMS OR DAMAGES ARISING FROM OR RELATED TO THE USE OF THE SUBSCRIPTION SOFTWARE IN SUCH APPLICATIONS.**

## **6. Confidential Information.**

(a) Confidentiality. The Confidential Information disclosed under this Agreement may be used, disclosed or reproduced only to the extent necessary to further and fulfill the purposes of this Agreement. Except as otherwise permitted under this Agreement, or except as otherwise provided by Florida law, the Recipient will not knowingly disclose to any third party (excluding representatives of Licensee who have a need, as determined by Licensee, to know the Confidential Information and are under strict non-disclosure agreement with Licensee), or make any use of the Discloser's Confidential Information. The Recipient will use at least the same standard of care to maintain the confidentiality of the Discloser's Confidential Information that it uses to maintain the confidentiality of its own Confidential Information, but in no event less than reasonable care. The non-disclosure and non-use obligations of this Agreement will remain in full force with respect to each item of Confidential Information for a period of ten (10) years after Recipient's receipt of that item; provided, however, that Licensee's obligations to maintain the Subscription Software and Documentation as confidential, to the extent they constitute trade secrets pursuant to Florida law, will survive in perpetuity. Each of Licensee and Infor shall be responsible for the breach of the confidentiality terms contained in this Section 6 by any of its directors, officers, employees, Authorized Users, agents, accountants and advisors. Notwithstanding the foregoing, this Section is not intended to prevent (a) a Recipient from using Residual

Knowledge, subject to any Intellectual Property Rights of the Discloser, or (b) Infor from using aggregated data regarding the use of the Subscription Services to provide reports or analytics to Licensee or to improve the performance of Infor's products, provided such data does not contain any Personal Information regarding Licensee, its employees, customers or Authorized Users.

(b) Security Policies and Safeguards. Infor shall establish and maintain administrative, technical, and physical safeguards designed to protect against the destruction, loss, unauthorized access or alteration of Licensee Data and Personal Information in the possession or under the control of Infor or to which Infor has access, which are: (i) no less rigorous than those maintained by Infor for its own information of a similar nature; (ii) no less rigorous than generally accepted industry standards; and (iii) required by applicable laws. The security procedures and safeguards implemented and maintained by Infor pursuant to this Section 6(b) shall include, without limitation:

- (i) User identification and access controls designed to limit access to Licensee's Data to authorized representatives of Infor;
- (ii) the use of appropriate procedures and technical controls regulating data entering Infor's network from any external source;
- (iii) the use of encryption techniques when Licensee's Data is transmitted or transferred into or out of the hosted environment;
- (iv) physical security measures, including without limitation securing Licensee's Data within a secure facility where only authorized personnel and agents will have physical access to Licensee Data;
- (v) operational measures, including without limitation IT Service Management (ITSM) processes designed to ensure the correct and secure operations of information processing activities;
- (v) periodic Infor employee training regarding the security programs referenced in this Section; and
- (vi) periodic testing of the systems and procedures outlined in this Section.

(c) Review of Controls. Once in each 12-month period during the Subscription Term, Infor shall, at its cost and expense, engage a duly qualified independent auditor to conduct a review of the design and operating effectiveness of Infor's defined control objectives and control activities in connection with the Subscription Services. Infor shall cause such auditor to prepare a

report in accordance with the American Institute of Certified Public Accountants Statement on Standards for Attestation Engagements No. 16 (SSAE 16) or an equivalent standard, which may include ISAE 3402 (the "Audit Report"). Licensee shall have the right to request and receive a copy of the Audit Report and, if required by laws or regulations, Licensee may share a copy of such Audit Report with its auditors and regulators, provided that, such Audit Report shall be Infor's Confidential Information (as defined in this Agreement).

(d) Security Incident Response. In the event that Infor becomes aware that the security of any Licensee Data or Personal Information has been compromised, or that such Licensee Data or Personal Information has been or is reasonably expected to be subject to a use or disclosure not authorized by this Agreement (an "Information Security Incident"), Infor shall: (i) promptly (and in any event within 24 hours of becoming aware of such Information Security Incident), notify Licensee, in writing, of the occurrence of such Information Security Incident; (ii) investigate such Information Security Incident and conduct a reasonable analysis of the cause(s) of such Information Security Incident; (iii) provide periodic updates of any ongoing investigation to Licensee; (iv) develop and implement an appropriate plan to remediate the cause of such Information Security Incident to the extent such cause is within Infor's control; and (v) cooperate with Licensee's reasonable investigation or Licensee's efforts to comply with any notification or other regulatory requirements applicable to such Information Security Incident. Infor will defend, indemnify, and hold harmless Licensee and Licensee's officers, employees, and agents, from and against any third party; claim, judgment, fine, penalty, settlement, cost, and expense of any nature, including any award of costs and any award of reasonable attorney fees, that may be assessed or asserted against Licensee arising out of any Information Security Incident caused by Infor. **NOTWITHSTANDING ANYTHING TO THE CONTRARY IN SECTION 14, BELOW, INFOR'S MAXIMUM LIABILITY TO LICENSEE HEREUNDER SHALL NOT EXCEED ONE MILLION DOLLARS (\$1,000,000.00) IN THE AGGREGATE DURING THE TERM.**

**7. Indemnity by Infor.** In addition to Infor's indemnity obligations in Section 6, Infor will defend, indemnify and hold Licensee harmless from and against any and all claims, judgments, settlements, penalties, losses, costs and expenses to the extent arising from a third party claim against Licensee that the Subscription Software infringes any Intellectual Property Rights of others. Infor's obligations under this indemnification are expressly conditioned on the following: (i) Licensee must promptly notify Infor of any such claim; (ii)

Licensee must, in writing, grant Infor sole control of the defense of any such claim and of all negotiations for its settlement or compromise so long as such settlement or compromise does not result in payment of money by Licensee or an admission of guilt by Licensee (if Licensee chooses to represent its own interests in any such action, Licensee may do so at its own expense, but such representation must not prejudice Infor's right to control the defense of the claim and negotiate its settlement or compromise); (iii) Licensee must reasonably cooperate with Infor to facilitate the settlement or defense of the claim in which case Infor shall reimburse Licensee for all reasonable costs incurred by Licensee as a result of such cooperation. Infor will not have any liability hereunder to the extent the claim arises from (a) any modification of the Subscription Software by, on behalf of, or at the request of Licensee; or (b) the use or combination of the Subscription Software with any computer, computer platform, operating system and/or data base management system other than provided by Infor. If any Subscription Software is, or in Infor's opinion is likely to become, the subject of an Intellectual Property Rights infringement claim, then Infor, at its sole option and expense, will either: (A) obtain for Licensee the right to continue using the Subscription Software under the terms of this Agreement; (B) replace the Subscription Software with products that are substantially equivalent in function, or modify the Subscription Software so that it becomes non-infringing and substantially equivalent in function; or (C) refund to Licensee fees paid for the infringing software in the most recent twelve (12) month period paid to Infor, for the Subscription Software giving rise to the infringement claim and discontinue Licensee's use of such Subscription Software. **THE FOREGOING SETS FORTH INFOR'S EXCLUSIVE OBLIGATION AND LIABILITY WITH RESPECT TO INFRINGEMENT OF INTELLECTUAL PROPERTY RIGHTS.**

## **8. Term and Termination.**

(a) Term. The Term of this Agreement shall be twelve (12) years, as per the Infor Master ERP Agreement executed by the parties on even date herewith. With respect to the Subscription Software, the Initial Subscription Term shall be as set forth on the applicable Order Form. After the Initial Subscription Term, the Subscription Term shall automatically renew for successive one-year Renewal Terms, unless either party provides written notice of non-renewal to the other party at least ninety (90) days prior to expiration of the Initial Subscription Term or then current Renewal Term, as the case may be. Except as set forth in Section 8(b), the Subscription Term cannot be terminated prior to its expiration date.

(b) Right of Termination. If either party breaches any material obligation in this Agreement or an Order Form (including, without limitation, any obligation to pay Subscription Fees), and fails to remedy such breach (if such breach can be remedied) within thirty (30) days of receipt of written notice of such breach, the other party may terminate this Agreement (including all Order Forms hereunder). Notwithstanding the foregoing, to the extent such material breach cannot be remedied through efforts of the breaching party, the other party has the right to terminate this Agreement (including all Order Forms hereunder) on less than thirty days' written notice.

(c) Effect of Termination. Upon termination of this Agreement by either party, Licensee's license to access and use the Subscription Software and Subscription Services shall immediately terminate as of the effective date of such termination. Termination of this Agreement will not release either party from making payments which may be owing to the other party under the terms of this Agreement through the effective date of such termination. Termination of this Agreement will be without prejudice to the terminating party's other rights and remedies pursuant to this Agreement, unless otherwise expressly stated herein.

(d) Return of Licensee Data. Upon termination or expiration of this Agreement, Infor shall promptly make all Licensee Data available to Licensee as a native database export provided through Infor's FTP server along with documentation describing the native database export including a data dictionary defining all data elements in the native database export. In the event that Licensee requires the return of Licensee Data in an alternate format or requires any other termination assistance services, Infor and Licensee shall mutually agree upon the scope of such termination assistance services and the fees and expenses payable for such termination assistance services which will be provided by Infor at its standard hourly rates. Such termination assistance services shall not be unreasonably withheld by Infor.

(e) Offshore restrictions. The Subscription Software and Subscription Services provided pursuant to that certain SaaS Order Form executed by the Parties on or about ~~September 28, 2016~~ <sup>October 28, 2016</sup> shall be provided solely from within, and on computers, systems, networks and other infrastructure located in, the United States.

(f) Survival of Obligations. All obligations relating to non-use and non-disclosure of Confidential Information, limitation of liability, and such other terms which by their nature survive termination, will survive termination or expiration of this Agreement.

9. **Notices.** All notices and other communications required or permitted under this Agreement must be in writing and will be deemed given when: delivered personally; sent by registered or certified mail, return receipt requested; transmitted by facsimile confirmed by first class mail; or sent by overnight courier. Notices must be sent to a party at its address shown on the signature page of this Agreement, or to such other place as the party may subsequently designate for its receipt of notices in accordance with this Section. Licensee must promptly send copies of any notice of material breach and/or termination of the Agreement to Infor, Attention: General Counsel, 40 General Warren Blvd Suite # 110, Malvern, PA 19355, USA, FAX number 678-319-8949, or to such other place as Infor may subsequently designate for its receipt of notices.

10. NOT USED.

11. NOT USED

12. **No Waiver.** A party's failure to enforce its rights with respect to any single or continuing breach of this Agreement will not act as a waiver of the right of that party to later enforce any such rights or to enforce any other or any subsequent breach.

13. **Severability.** This Agreement is originally written in the English language and the English language version shall control over any translations. If any provision of this Agreement is found by a court of competent jurisdiction to be illegal or unenforceable, it will be deemed stricken from the Agreement and the remaining provisions of the Agreement will remain in full force and effect. The United Nations Convention on the International Sale of Goods (CISG) shall not apply to the interpretation or enforcement of this Agreement.

14. **LIMITATIONS OF LIABILITY.**

(a) **LIMITED LIABILITY OF INFOR. EXCEPT WITH RESPECT TO INTELLECTUAL PROPERTY INDEMNIFICATION OBLIGATIONS UNDER SECTION 7, THE TOTAL LIABILITY OF INFOR, ITS AFFILIATES AND THIRD PARTY LICENSORS IN CONNECTION WITH OR RELATED TO THE SUBSCRIPTION SOFTWARE, THE SUBSCRIPTION SERVICES, OR ANY OTHER MATTER RELATING TO THIS AGREEMENT**

(b) **EXCLUSION OF DAMAGES.** IN NO EVENT WILL INFOR, ITS AFFILIATES OR THIRD PARTY LICENSORS BE LIABLE FOR ANY SPECIAL, PUNITIVE, INCIDENTAL, INDIRECT OR CONSEQUENTIAL DAMAGES OR DAMAGES FOR LOST PROFITS, WHETHER BASED ON BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE), PRODUCT LIABILITY, OR OTHERWISE, AND REGARDLESS OF WHETHER INFOR HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES OR WHETHER ANY REMEDY SET FORTH HEREIN FAILS OF ITS ESSENTIAL PURPOSE.

Current Service Level Description for SaaS Order Form Executed on ~~October~~ <sup>September</sup> 28, 2016

**Infrastructure** - The services are supported by commercially reasonable redundant infrastructure including

- Power infrastructure that includes redundant sources (multiple power feeds, generators, battery backups), multiple power distribution systems, and redundant power supplies;
- Environmental controls that include highly available precision HVAC systems, humidity controls, and water detection systems;
- Network infrastructure that includes multiple Internet Service Providers, redundant edge routers, firewalls, and switches;
- Hardware and software redundancy in support of virtualized and physical servers; and
- Storage solutions that provide redundant back end data storage.

*Infor maintains a disaster recovery site where Licensee's data is replicated on a regular basis.*

**Technical Change Management** – Infor maintains change management system to ensure review and controlled implementation of changes that Infor may make from time to time in the support of the services. Changes require both a risk analysis and a peer review before being implemented in Infor's infrastructure.

**Security & Privacy** – Infor takes great care to protect non-public information provided to us by our customers. Infor may have access to non-public information from multiple sources that include:

- Directly from use of one of Infor's hosted applications.
- Directly from a customer's designated service representative or indirectly via batch data transfers.
- In the course of transactional activities as information is updated or processed by an Infor hosted application, or through data maintenance activities.
- Other sources as defined by one of our solutions.

Infor has implemented a defense-in-depth strategy to protect non-public information. This strategy is based upon best-practices designed to comply with applicable laws and regulations and is based upon widely accepted industry standards. Our security management system is based on the following:

- **Security Policies:** We require that all employees be responsible for the security of non-public information and follow the practices defined within the Information Security Management System.
- **Information Security Organization:** Infor's management is committed to security and has established an organization responsible for the security of non-public information.
- **Asset Management:** All assets are strictly controlled and all information is classified in order to determine the appropriate controls required for access and handling.
- **Human Resources Security Practices:** In the US, Infor conducts a comprehensive background check and screening at the time each employee is hired and requires that employees maintain familiarity and compliance with security responsibilities. When employees leave Infor, a formal process is established to remove their physical and virtual access to the Infor infrastructure.
- **Physical and Environmental Security:** Infor places critical components in physically controlled spaces with best-practices in place to secure infrastructure. Physical and environmental security measures include card and/or biometric access controls, and limited access to secure locations based on job function.
- **Communication and Operations Management:** Infor has implemented strong operational procedures to protect information. Our controls surrounding system planning, protection from malicious code, backup processes, network security, media handling and exchange of information are constantly being analyzed and monitored to insure they provide reasonable protection for your data. Third party service providers with access to confidential information are required to adhere to security and privacy requirements that are consistent with and at least as restrictive as Infor's own policies and procedures regarding the protection of confidential information.
- **Access Control:** All access to systems, networks, and applications is controlled down to the user and resource level with role-based privilege techniques. This access is reviewed on a periodic basis to ensure that a change of personnel or a change of role has not modified the access needs of the individual.
- **System Development:** Security requirements of all applications that handle confidential information are defined early in the development stage. Appropriate data protection techniques are designed into the application while changes to developed software must go through a mature change management process.
- **Incident Management:** In the unlikely event of an actual or reasonably suspected security incident, our teams immediately begin work to identify the scope of impact, mitigate any exposure, determine the root cause of the incident and take appropriate corrective action.
- **Compliance:** We are constantly analyzing the requirements of legal, regulatory, and contractual obligations to ensure we are abiding by the requirements that apply to the handling of your data.

**Scheduled Maintenance** – The services shall be subject to a regularly scheduled weekly maintenance window. Infor makes commercially reasonable efforts to establish maintenance windows during times that minimize impact to Licensee's users. While most of Infor's maintenance can be completed during regularly scheduled maintenance windows, from time to time maintenance must be performed outside of the scheduled maintenance windows to maintain the integrity and security of the services. In such cases, Infor will provide Licensee's primary point of contact as much advance notice of the planned maintenance as is technically feasible. The regularly scheduled weekly maintenance windows

and any period of unavailability due to maintenance for which Licensee is given at least 24 hours advance notice is considered “Scheduled Maintenance”.

**Availability** – Infor’s goal is to provide access to the services at Infor’s Internet gateway(s) twenty-four hours per day, seven days a week, except during Scheduled Maintenance. Infor’s service level objective is 99.5% Availability measured on a monthly basis.

Availability for the Subscription Services is measured monthly as a percentage of Scheduled Available Minutes.

- “Scheduled Available Minutes” are the total minutes in a month less the number of Scheduled Maintenance minutes in the applicable month.
- “Available Minutes” is the number of Scheduled Available Minutes in a month less the aggregate number of minutes the Subscription Services were unavailable outside of Scheduled Maintenance.
- “Availability” is a percentage calculated as the Available Minutes in a month divided by the Scheduled Available Minutes in the month.

For example, in a 30-day month with 4 weekly Scheduled Maintenance windows of 8 hours, there are 41,280 Scheduled Available Minutes ((60 min. x 24 hrs. x 30 days)-(60 min. x 8 hrs. x 4 weeks) = 41,280). If the Subscription Services experienced an outage of two hours outside of Scheduled Maintenance, there were 41,160 Available Minutes in the month (41,280 Scheduled Available Minutes – 120 minutes of unavailability). The resulting Availability percentage is  $41,160 / 41,280 = 99.7\%$ .

The following shall not be considered periods of unavailability for purposes of the Availability calculation:

- Outages due to factors outside of Infor’s reasonable control (for example, a network or device failure at Licensee’s site or between Licensee and Infor’s data centers);
- Delays in email or webmail transmission to or from the hosted application;
- Connectivity issues outside of Infor’s direct control (e.g. DNS issues);
- Force Majeure events;
- Outages attributable to the acts or omissions of Licensee or Licensee’s employees, agents, contractors, or vendors, or anyone gaining access to the services means of UserIDs or equipment controlled by Licensee;
- Periods of Down Time at Licensee’s request;
- Outages that result from Licensee’s equipment, software, or other technology and/or third party equipment, software or other technology (other than those which are under Infor’s direct control); and
- Performance degradation due to Licensee’s use of the services in excess of the scope of Licensee’s license, usage restrictions, or product limitations outlined in the applicable Agreement.
