(d) Rights, Use Requirements and Restrictions.

(i) Licensee shall have the nonexclusive right to operate Adventure Park and Ziplines on the Facility Premises.

(ii) Licensee's rights under this Agreement are subject to all covenants, restrictions, easements, agreements, reservations and encumbrances upon, and all other conditions of title to the License Areas.

(iii) Licensee's rights under this Agreement are subject to all present building restrictions, regulations, zoning laws, ordinances, resolutions and orders of any local, state or federal agency, now or hereafter having jurisdiction over the License Areas or the Licensee's use of the License Areas.

(iv) Licensee may use the License Areas only for constructing, installing, operating, maintaining, and repairing the Adventure Park and Ziplines and Structures as permitted and no other use.

(f) Rights Reserved.

(i) Licensee acknowledges that its use of the License Areas is subject and subordinate to Owner's use of the License Areas. Licensee agrees that Owner's use of License Areas, including for any event held at the Facility, shall have precedence over any construction, installation and maintenance activities by Licensee. However, notwithstanding the foregoing, Owner shall use commercially reasonable efforts to provide fifteen (15) days advance written notice of any such Owner's use to the extent feasible and will in all instances provide Licensee with no less than two (2) business days' advance written notice of any such Owner's use, Owner's use will not otherwise interfere with the operation, of the Adventure Park and Ziplines, and Owner will protect and preserve Licensee's equipment and materials during such use. use or may be in use in the future. If such interference does occur, the Licensee must immediately discontinue using the equipment, methodology or technology that causes the interference until corrective measures are taken which must be made at no cost to Owner. Owner and the Licensee will use their best reasonable efforts to resolve immediately any interference problems, but if an interference problem is unavoidable, Owner's right to use Owner's own equipment remains paramount to any use of the License Areas by the Licensee and Licensee has the right to terminate this Agreement without penalty. In the event that such interference does occur and the Licensee installed equipment is related to the legitimate safety need or best safety-practices of Licensee, then Owner shall make commercially reasonable for a period of thirty (30) days efforts to provide for a resolution mutually agreeable Owner, Licensee and any other interested parties to allow such equipment to remain.

(iii) Owner may, at all times, enter upon the License Areas for any lawful purpose, provided the action does not unreasonably interfere with the Licensee's use or occupancy of the License Areas. Without limiting the generality of the foregoing, Owner and any furnisher of utilities and other services may, at their own cost, (A) enter upon the License Areas at any time to make repairs, replacements or alterations that, in the opinion of Owner or the furnisher of utilities and other services, may be necessary or advisable and from time to time to construct or install over, in, or under the License Areas systems or parts, and (B) in connection with any maintenance, use the License Areas for access to other parts in and around the License Areas; provided that in the exercise of these rights of access, repairs, alterations or new construction, Owner does not unreasonably interfere with the use and occupancy of the License Areas by the Licensee, including any obstruction of or other interference or functionality of the Adventure Park and Ziplines. The exercise of any of the foregoing rights by Owner or others does not constitute an eviction of the Licensee, nor be made the grounds for any abatement of license fees, or any claim for damages. Notwithstanding the foregoing, Owner shall at all times comply with Licensee's instructions, rules and regulations relating to safety or security in, on or around any Zipline Structure of which Owner shall have been provided notice of from Licensee.

The coverages, limits and/or endorsements required herein protect the primary interests of the City, and these coverages, limits and/or endorsements shall in no way be required to be relied upon when assessing the extent or determining appropriate types and limits of coverage to protect the Licensee against any loss exposures, whether as a result of this Agreement or otherwise. In addition, Licensee must provide confirmation of coverage renewal via an updated certificate should any policies expire prior to the expiration of this Agreement. 15. Relationship of the Parties.

(a) Licensee's relationship with Owner is that of an independent contractor and Licensee, and nothing in this Agreement is intended to, or should be construed to, create a partnership, agency, joint venture or employment relationship. Neither Licensee nor its employees are entitled to any of the benefits that Owner provides for its employees. Any person performing work under this Agreement on behalf of the Licensee shall at all times be under Licensee's exclusive direction and control. Licensee shall pay all wages, salaries and other amounts due such personnel in connection with their performance as an employee of Licensee as required by law. The Licensee shall be responsible for all reports and obligations respecting such persons, including, but not limited to, social security taxes, income tax withholding, unemployment insurance and workers' compensation. The Licensee's performance of services and hours worked shall be entirely within the Licensee's control, and the Owner shall rely upon the Licensee to devote the time reasonably necessary to perform in accordance with this Agreement.

(b) Owner shall not be responsible for covering Licensee under any workers' compensation insurance or unemployment compensation insurance plans. Licensee represents and warrants that it is covered by a workers' compensation insurance policy procured and paid for by it. Licensee shall notify Owner immediately if the status of said coverage, notice or sole proprietorship changes.

(c) The Licensee and its employees or agents shall have no authority or right to obligate Owner in any way. The Licensee shall identify itself as an independent contractor and shall not hold itself out as an employee or agent of Owner. Owner and its employees or agents shall have no authority or right to obligate Licensee in any way, and Owner shall not hold itself out as an employee or agent of Licensee.

(d) Except as otherwise specifically set forth in this Agreement, the parties agree that this is not an exclusive contract and that the parties are free to enter into agreements and contracts for similar or other services with other parties during the Term of this Agreement.

16. General Provisions.

(a) No Assignment. Licensee shall not assign, subcontract or otherwise transfer any interest under this Agreement to any individual or entity, without the prior written consent of Owner. Any such assignment shall be voidable by Owner and grounds for immediate termination of this Agreement. Notwithstanding anything to the contrary herein, Owner shall be permitted but not obligated, without prior consent, to assign this Agreement in its entirety if it sells, leases, or otherwise transfers substantially all of its ownership rights in Owner or the Facility Premises; provided, however, that if Owner sells, leases, or otherwise transfers substantially all of its ownership rights in the Facility Premises, but does not retain any rights in and to the License Areas, it shall either assign this Agreement to the new owner of the Facility Premises or cease to receive any further payments from Licensee in which event this Agreement shall be deemed terminated.

(b) Retention of Records. Licensee shall preserve and make available, at reasonable times for examination and audit by Owner in Broward County, Florida, all financial records, supporting documents, statistical records, and any other documents pertinent to this Agreement for the required retention period of the Florida public records law, Chapter 119, Florida Statutes, as may be amended from time to time, if applicable, or, if the Florida Public Records Act is not applicable, for a minimum period of three (3) years after termination of this Agreement. If any audit has been initiated and audit findings have not been resolved at the end of the retention period or three (3) years, whichever is longer, the books, records, and accounts shall be retained until resolution of the audit findings. If the Florida public records law is determined by Owner to be applicable to

Licensee's records, Licensee shall comply with all requirements thereof; however, Licensee shall violate no confidentiality or non-disclosure requirement of either federal or state law. Any incomplete or incorrect entry in such books, records, and accounts shall be a basis for Owner's disallowance and recovery of any payment upon such entry. The Licensee shall maintain during the term of the contract all books of account, reports and records in accordance with generally accepted accounting practices and standards for records directly related to this contract.

(c) Public Entity Crime Act. Licensee represents that the execution of this Agreement will not violate the Public Entity Crime Act, Section 287.133, Florida Statutes, as may be amended from time to time, which essentially provides that a person or affiliate who is a contractor, consultant, or other provider and who has been placed on

the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to Owner, may not submit a bid on a contract with Owner for the construction or repair of a public building or public work, may not submit bids on leases of real property to Owner, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with Owner, and may not transact any business with Owner in excess of the threshold amount provided in Section 287.017, Florida Statutes, as may be amended from time to time, for category two purchases for a period of 36 months from the date of being placed on the convicted vendor list. Violation of this section shall result in termination of this Agreement and recovery of all monies paid by Owner pursuant to this Agreement, and may result in debarment from Owner's competitive procurement activities.

(d) Licensee represents that each person who will render services pursuant to this Agreement is duly qualified to perform such services by all appropriate governmental authorities, where required, and that each such person is reasonably experienced and skilled in the area(s) for which he or she will render his or her services. Licensee shall perform Licensee's duties, obligations, and services under this Agreement in a skillful and respectable manner. The quality of Licensee's performance and all interim and final product(s) provided to or on behalf of Owner shall be comparable to the best local and national standards.

a. In the event Licensee engages any subcontractor in the performance of this Agreement, Licensee shall ensure that all of Licensee's subcontractors perform in accordance with the terms and conditions of this Agreement. Licensee shall be fully responsible for all of Licensee's subcontractors' performance, and liable for any of Licensee's subcontractors' non-performance and all of Licensee's subcontractors' acts and omissions. Licensee shall defend at Licensee's expense, counsel being subject to Owner's approval or disapproval, and indemnify and hold Owner and Owner's officers, employees, and agents harmless from and against any claim, lawsuit, third party action, fine, penalty, settlement, or judgment, including any award of attorney fees and any award of costs, by or in favor of any of Licensee's subcontractors for payment for work performed for Owner by any of such subcontractors, and from and against any claim, lawsuit, third party action, fine, penalty, settlement, or judgment, including any award of attorney fees and any award of costs, occasioned by or arising out of any act or omission by any of Licensee's subcontractors or by any of Licensee's subcontractors' officers, agents, or employees. Licensee's use of subcontractors in connection with this Agreement shall be subject to Owner's prior written approval, which approval Owner may revoke at any time.

(e) Conflicts. Neither Licensee nor any of Licensee's employees shall have or hold any continuing or frequently recurring employment or contractual relationship that is

substantially antagonistic or incompatible with Licensee's loyal and conscientious exercise of judgment and care related to Licensee's performance under this Agreement.

(f) Licensee further agrees that none of Licensee's officers or employees shall, during the term of this Agreement, serve as an expert witness against Owner in any legal or administrative proceeding in which he, she, or Licensee is not a party, unless compelled by court process. Further, Licensee agrees that such persons shall not give sworn testimony or issue a report or writing, as an expression of his or her expert opinion, which is adverse or prejudicial to the interests of Owner in connection with any such pending or threatened legal or administrative proceeding unless compelled by court process. The limitations of this section shall not preclude Licensee or any persons in any way from representing themselves, including giving expert testimony in support thereof, in any action or in any administrative or legal proceeding.

In the event Licensee is permitted pursuant to this Agreement to utilize subcontractors to perform any services required by this Agreement, Licensee agrees to require such subcontractors, by written contract, to comply with the provisions of this section to the same extent as Licensee.

(g) **Schedule and Delays.** Time is of the essence in this Agreement. By signing, Licensee affirms that it believes the schedule to be reasonable; provided, however, the parties acknowledge that the schedule might be modified as the Owner directs.

(h) **Materiality and Waiver of Breach.** Owner and Licensee agree that each requirement, duty, and obligation set forth herein was bargained for at arm's-length and is agreed to by the parties in exchange for quid pro quo, that each is substantial and important to the formation of this Agreement and that each is, therefore, a material term hereof.

Owner's failure to enforce any provision of this Agreement shall not be deemed a waiver of such provision or modification of this Agreement. A waiver of any breach of a provision of this Agreement shall not be deemed a waiver of any subsequent breach and shall not be construed to be a modification of the terms of this Agreement.

(i) **Compliance With Laws.** Licensee shall comply with all applicable federal, state, and local laws, codes, ordinances, rules, and regulations in performing Licensee's duties, responsibilities, and obligations pursuant to this Agreement.

(j) **Severance.** In the event a portion of this Agreement is found by a court of competent jurisdiction to be invalid or unenforceable, the provisions not having been found by a court of competent jurisdiction to be invalid or unenforceable shall continue to be effective.

(k) **Limitation of Liability.** The Owner desires to enter into this Agreement only if in so doing the Owner can place a limit on the Owner's liability for any cause of action for money damages due to an alleged breach by the Owner of this Agreement, so that its liability for any such breach never exceeds the sum of \$1,000. Licensee hereby expresses its willingness to enter into this Agreement with Licensee's recovery from the Owner for any damage action for breach of contract or for any action or claim arising from this Agreement to be limited to a maximum amount of \$1,000 less the amount of all funds actually paid by the Owner to Licensee pursuant to this Agreement.

a. Accordingly, and notwithstanding any other term or condition of this Agreement, Licensee hereby agrees that the Owner shall not be liable to Licensee for damages in an amount in excess of \$1,000 which amount shall be reduced by the amount actually paid by the Owner to Licensee pursuant to this Agreement, for any action for breach of contract or for any action or claim arising out of this Agreement. Nothing contained in this paragraph or elsewhere in this Agreement is in any way intended to be a waiver of the limitation placed upon Owner's liability as set forth in Section 768.28, Florida Statutes.

(l) **Jurisdiction, Venue, Waiver, Waiver of Jury Trial.** This Agreement shall be interpreted and construed in accordance with and governed by the laws of the State of Florida. Venue for any lawsuit by either party against the other party or otherwise arising out of this Agreement, and for any other legal proceeding, shall be in the Seventeenth Judicial Circuit in and for Broward County, Florida, or in the event of federal jurisdiction, in the Southern District of Florida, Fort Lauderdale Division.

(m) **Amendments.** No modification, amendment, or alteration in the terms or conditions contained herein shall be effective unless contained in a written document prepared with the same or similar formality as this Agreement and executed by the Mayor-Commissioner and/or Owner Manager, as determined by Owner Charter and Ordinances, and Licensee or others delegated authority to or otherwise authorized to execute same on their behalf.

(n) **Prior Agreements.** This document represents the final and complete understanding of the parties and incorporates or supersedes all prior negotiations, correspondence, conversations, agreements, and understandings applicable to the matters contained herein. The parties agree that there is no commitment, agreement, or understanding concerning the subject matter of this Agreement that is not contained in this written document. Accordingly, the parties agree that no deviation from the terms hereof shall be predicated upon any prior representation or agreement, whether oral or written.

(o) **Payable Interest.** Except as required and provided for by the Florida Local Government Prompt Payment Act, Owner shall not be liable for interest for any reason, whether as prejudgment interest or for any other purpose, and in furtherance thereof Licensee waives, rejects, disclaims and surrenders any and all entitlement it has or may

have to receive interest in connection with a dispute or claim based on or related to this Agreement.

(p) Uncontrollable Circumstances ("Force Majeure"). The Owner and Licensee will be excused from the performance of their respective obligations under this agreement when and to the extent that their performance is delayed or prevented by any circumstances beyond their control including, fire, flood, explosion, strikes or other labor disputes, act of God or public emergency, war, riot, civil commotion, malicious damage, act or omission of any governmental authority, delay or failure or shortage of any type of transportation, equipment, or service from a public utility needed for their performance, provided that:

The non performing party gives the other party prompt written notice describing the particulars of the Force Majeure including, but not limited to, the nature of the occurrence and its expected duration, and continues to furnish timely reports with respect thereto during the period of the Force Majeure;

The excuse of performance is of no greater scope and of no longer duration than is required by the Force Majeure;

No obligations of either party that arose before the Force Majeure causing the excuse of performance are excused as a result of the Force Majeure; and

The non-performing party uses its best efforts to remedy its inability to perform.

Notwithstanding the above, performance shall not be excused under this Section for a period in excess of two (2) months, provided that in extenuating circumstances, the Owner may excuse performance for a longer term. Economic hardship of the Licensee will not constitute Force Majeure. The term of the agreement shall be extended by a period equal to that during which either party's performance is suspended under this Section.

(q) Scrutinized Companies. Subject to Odebrecht Construction, Inc., v. Prasad, 876 F.Supp.2d 1305 (S.D. Fla. 2012), affirmed, Odebrecht Construction, Inc., v. Secretary, Florida Department of Transportation, 715 F.3d 1268 (11th Cir. 2013), with regard to the "Cuba Amendment," the Licensee certifies that it is not on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List or the Scrutinized Companies that Boycott Israel List created pursuant to Section 215.4725, Florida Statutes (2016), that it is not engaged in a boycott of Israel, and that it does not have business operations in Cuba or Syria, as provided in section 287.135, Florida Statutes (2016), as may be amended or revised. The Owner may terminate this Agreement at the Owner's option if the Licensee is found to have submitted a false certification as provided under subsection (5) of section 287.135, Florida Statutes (2016), as may be amended or revised, or been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List or the Scrutinized Companies that Boycott Israel List created pursuant to Section 215.4725, Florida Statutes (2016), or is engaged in a

boycott of Israel or has been engaged in business operations in Cuba or Syria, as defined in Section 287.135, Florida Statutes (2016), as may be amended or revised.
