

**CITY OF FORT LAUDERDALE
City Commission Agenda Memo
REGULAR MEETING**

#17-0768

TO: Honorable Mayor & Members of the
Fort Lauderdale City Commission

FROM: Lee R. Feldman, ICMA-CM, City Manager

DATE: June 20, 2017

TITLE: An Ordinance Amending Schedule I of the Pay Plan of the City of Fort
Lauderdale by Deleting the City Engineer Class

Recommendation

It is recommended that the City Commission adopt an ordinance amending Schedule I of the Pay Plan of the City of Fort Lauderdale to delete the City Engineer class (Class No. 539).

Background

In August of 2011, the City Manager proposed a reorganization of the administrative departments of the City, which was incorporated into the adopted FY 2012 Budget. Because the role of the City Engineer has evolved beyond traditional engineering design and services to that of a full right-of way administration in accordance with land development, the City Manager has transferred the responsibilities of the City Engineer from the Department of Public Works to the Department of Sustainable Development. Through CAM #17-0680, the City Manager is recommending that the City Commission adopt an Ordinance allowing the City Manager to designate an employee of the City, who is a licensed professional engineer, to perform these responsibilities.

Resource Impact

There is no financial impact associated with the adoption of this ordinance.
