City of Fort Lauderdale
Parks and Recreation Department
ATTN: Carolyn Bean, Assistant to the Director

To Whom It May Concern,

This letter is to officially request a change to the dates needed for the 2017 Riptide Music Festival. We would like to host an event called the, "Riptide's School & Family Day" the day before this year's Riptide Music Festival, using a portion of the footprint prior to the festival.

In collaboration with The Celebration of the Sea Foundation and the Broward County Public Schools, "Riptide's School & Family Day" will feature the STREAM (Science, Technology, Recreation, Engineering, Arts & Music) Everglades and Native American "Eco-Discovery Zone".

"Riptide's School & Family Day" provides unique opportunities to impact the youngest generation of our time by informing them of community partners' commitment to sustainability, environmental education, and public outreach in our community.

Please see below for the revised total setup, event and breakdown days we are requesting to facilitate this additional event:

- Setup Days: Sunday, November 26, 2017 through Thursday, November 30, 2017
- Event Days: Friday, December 1, 2017 through Sunday, December 3, 2017
- Breakdown Days: Monday, December 4, 2017 and Tuesday, December 5, 2017

We look forward to a continued partnership with the City of Fort Lauderdale and the Parks and Recreation Department.

Should you need any additional information from me in order to secure these dates, please don't hesitate to reach out anytime.

All the best,

Von Freeman
