

CITY OF FORT LAUDERDALE
City Commission Agenda Memo
REGULAR MEETING

#17-0871

TO: Honorable Mayor & Members of the
Fort Lauderdale City Commission

FROM: Lee R. Feldman, ICMA-CM, City Manager

DATE: October 17, 2017

TITLE: Motion to Approve Amendment to the Interlocal Agreement with the
Broward County Metropolitan Planning Organization for Administrative
Services for the City's Transportation Initiatives

Recommendation

It is recommended that the City Commission approve an Amendment to the Interlocal Agreement (ILA), in substantially the form attached, subject to final review and approval by the City Attorney, with the Broward Metropolitan Planning Organization (BMPO) for the City's transportation initiatives.

Background

On July 7, 2015, CAM 15-0903, the City Commission approved the ILA with the BMPO which authorized the City to provide administrative services, including the establishment of an up to a \$3 million revolving line of credit.

The purpose and intent of the agreement is to permit the City and the BMPO to make the most efficient use of their respective powers, resources and capabilities thereby enabling them to cooperate on the basis of mutual advantage. The agreement also provides a means by which the parties may exercise their respective powers, privileges and authorities that they share in common and that each might exercise separately.

This amendment will better delineate the responsibilities of both the City and the BMPO, as well as extend the term for two additional years. The term extension is being requested due to the fact that the BMPO had not received any funding during the first two years of the ILA.

Upon Commission approval, the BMPO will take this item to their Board for approval at its November 2017 meeting.
