FROM: Lee R. Feldman, ICMA-CM, City Manager

DATE: October 17, 2017

TITLE: Resolution Levying the FY 2018 Operating Millage Rate of 0.5272 and
Debt Service Millage Rate of 0.4099 for the City of Fort Lauderdale
Downtown Development Authority (DDA)

Recommendation

It is recommended that the City Commission adopt a resolution to levy the operating millage rate of 0.5272 and debt service millage rate of 0.4099 for the City of Fort Lauderdale Downtown Development Authority (DDA) for Fiscal Year 2018, beginning October 1, 2017 and ending September 30, 2018.

Background

The special act that created the Fort Lauderdale Downtown Development Authority (DDA) authorizes the City to levy ad valorem taxes on behalf of the DDA. The DDA prepares its own budget, conducts public hearings in accordance with Florida State Statutes, and determines the millage and debt service necessary to fund its operations. The public hearings were held on September 21 and 28, 2017. The millage and budget adopted by the DDA establishes the property tax rates as follows:

| | Adopted Millage |
|----------------------|-----------------|
| Operating Tax Rate | 0.5272 |
| Debt Service Rate | 0.4099 |
| Total Millage | 0.9371 |

The adopted operating millage represents a 13.43% increase over the rolled back rate of 0.4648. The DDA is below its maximum allowable millage rate for operating purposes of 1 mill established in the special act. The DDA has provided the City with a copy of the approved millage rate, budget and corresponding resolutions.

Resource Impact

There is no fiscal impact to the City of Fort Lauderdale associated with this action. DDA revenues are collected by the City and wired to the DDA.
