ARTICLE II

NON-REVOLVING CREDIT

Section 2.01 Commitment to Lend; Use of Loan Proceeds. The Lender agrees, on the terms and conditions set forth in this Agreement, to lend to the City from time to time amounts not to exceed the Available Commitment on the date such Loan is to be made and not to exceed in the aggregate at any one time outstanding the amount of the Commitment, to be used by the City to pay costs of the Project and for no other purpose. The City shall be entitled to request, and the Lender shall be required to make, only one Loan in each calendar month; provided that at the time that each Loan is made, such Loan shall be in an aggregate amount that is not less than the lesser of \$250,000 or the entire unused balance of the Available Commitment. The City agrees to reimburse the Lender for the full amount of any Loans in accordance with this Agreement. Once an amount has been borrowed and repaid under this Agreement, such amount cannot be re-borrowed.

Section 2.02 Method of Loans. If, on any Business Day, the Lender receives at the location specified for the delivery of a Notice of Loan specified pursuant to Section 8.01, a Notice of Loan from an Authorized Officer of the City, and the City telephonically confirms the Lender's receipt of such Notice of Loan, not later than 12:00 noon on such Business Day, the Lender shall, subject to satisfaction of the requirements of Article III, transfer to the City not later than 2:00 p.m. on the next Business Day (or such later date as specified by the City in the Notice of Loan) following the Lender's receipt of the Notice of Loan, in immediately available funds, an amount equal to the Loan thereby requested. If a Notice of Loan is given by facsimile transmission, the City shall promptly deliver an original of such Notice of Loan by postage prepaid, U.S. Mail; provided that the receipt of such original is not a condition to the Lender's obligation to advance funds hereunder. A Notice of Loan shall be irrevocable after receipt thereof by the Lender. Each Notice of Loan shall specify the following information:

- (i) the aggregate amount of the requested Loan, subject to the limitations set forth in Section 2.01;
- (ii) the requested Borrowing Date and time of funding, which shall be not earlier than 2:00 p.m. of the next Business Day following the Lender's receipt of such Notice of Loan; and
- (iii) the wire instruction for where the proceeds of the proposed Loan should be transferred.

Section 2.03 Non-Revolving Credit Note. The Loans made by the Lender shall be evidenced by the Non-Revolving Credit Note, payable to the order of the Lender. The Lender is authorized to make a notation on its Non-Revolving Credit Note as to the date and amount of each Loan and as to each payment of principal with respect thereto, but the failure to make such notation shall not relieve the City of its obligations to repay the amount of each Loan, with interest, as provided herein.

Section 2.04 Interest.

(a) Each Loan shall bear interest on the outstanding principal amount thereof, for each day from and including the date such Loan is made until it is paid in full, at a rate per annum equal to the applicable Advance Rate in effect as of each applicable Rate Reset Date.

(b) The Lender shall determine the applicable Advance Rate as of each applicable Computation Date, and such rate shall become effective on the Rate Reset Date next succeeding such Computation Date and interest at such rate shall accrue each day during the applicable Interest Period, commencing on and including the first day of such Interest Period to but excluding the last day of such Interest Period; *provided that*, the initial Advance Rate for a new Loan shall be determined by the Lender two Business Days prior to the date such Loan is advanced hereunder; *provided further, that*, the next immediately succeeding Advance Rate for such Loan shall be determined by the Lender on the Computation Date immediately succeeding the date such Loan is advanced to be effective on the immediately succeeding Rate Reset Date. Interest on each Loan and amounts otherwise payable hereunder shall be calculated as provided in Section 2.07.

(c) The City agrees to pay to the Lender interest on each Loan on each Interest Payment Date in arrears, such interest to be payable on each Interest Payment Date when a Loan is outstanding, on the date each Loan is paid in full and, solely with respect to the portion of the Loan being repaid, on the date any Loan is paid in part. Any overdue principal and, to the extent permitted by law, overdue interest on any Loan and all other amounts payable hereunder which are not paid when due shall bear interest, payable on demand, for each day until paid, at a rate per annum equal to the Default Rate.

Section 2.05 Principal.

(a) ***Optional Prepayment.*** The City may prepay the Loans, without penalty or premium, in whole or in part at any time, or from time to time, by giving notice to the Lender by 11:00 a.m. on the second Business Day before such prepayment is to be made and by paying to the Lender the principal amount thereof to be prepaid together with accrued interest to the date of prepayment. Any such notice of prepayment may be given by facsimile transmission and shall be irrevocable once received by the Lender.

(b) ***Mandatory Repayment.*** The Loans shall mature in full on the Maturity Date and the City shall repay all of the principal of and accrued interest on the Loans on the Maturity Date.

Section 2.06 General Provisions as to Payments. The City shall make each payment of principal of and interest on the Loans to the Lender, not later than 3:00 p.m. on the day when due, in federal or other immediately available funds. All payments by the City to the Lender hereunder shall be nonrefundable and made in lawful currency of the United States and in immediately available funds. Amounts payable to the Lender hereunder shall be transferred to the Lender's account at _____, Credit to Account No.: _____, Reference City of Fort Lauderdale Parking Line of Credit (or to such other account of the Lender as the Lender may specify by written notice to the City not later than the second Business Day

prior to the payment date) not later than 3:00 p.m., on the date payment is due. Any payment received by the Lender after 3:00 p.m. shall be deemed to have been received by the Lender on the next Business Day. If any payment hereunder is due on a day that is not a Business Day, then such payment shall be due on the immediately succeeding Business Day, and, in the case of the computation of the interest hereunder, such extension of time shall not be included in the computation of the payment due hereunder.

Section 2.07 Computation of Interest. Interest on the Loans shall be computed on the basis of a 30-day month and a 360-day year.

Section 2.08 Request by the City for Extension of Term of Agreement. Not earlier than 120 days prior to the Stated Expiration Date, the City may by written notice to the Lender in the form of Exhibit C request that the Stated Expiration Date be extended. The Lender shall have the right to accept or reject any such request in its sole and absolute discretion and failure of the Lender to provide a written response to the City within 30 days after receipt of such request shall be deemed a rejection by the Lender of such request. If the Stated Expiration Date is extended, the City shall, except as otherwise agreed to in writing by the Lender, be deemed to have made the representations and warranties contained herein on and as of the date on which the Stated Expiration Date is so extended.

Section 2.09 Maximum Interest Rate. If the rate of interest due hereunder shall exceed the maximum interest rate permitted by State law for any period for which interest is payable, then (i) interest at such maximum interest rate shall be due and payable with respect to such interest period and (ii) if and to the extent permitted by applicable law, interest at the rate equal to the difference between (A) the rate of interest calculated in accordance with the terms hereof and (B) the maximum interest rate (the "Excess Interest"), shall be deferred until such date as the rate of interest calculated in accordance with the terms hereof ceases to exceed the maximum interest rate, at which time the City shall pay to the Lender, with respect to amounts then payable to the Lender that are required to accrue interest hereunder if and to the extent permitted by applicable law, such portion of the deferred Excess Interest as will cause the rate of interest then paid to the Lender to equal the maximum interest rate, which payments of deferred Excess Interest shall continue to apply to such unpaid amounts hereunder until all deferred Excess Interest is fully paid to the Lender.

Section 2.10 Maintenance of Accounts. The Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the City and the amounts payable and paid from time to time hereunder. In any legal action or proceeding in respect of this Agreement, the entries made in such account or accounts shall be presumptive evidence of the existence and amounts of the obligations of the City therein recorded. The failure to record any such amount shall not, however, limit or otherwise affect the obligations of the City hereunder to repay all amounts owed hereunder, together with all interest accrued thereon as provided in this Article II.

Section 2.11 Absence of LIBOR Funding. The interest rate on the Non-Revolving Credit Note, as determined by this Agreement, is subject to change from time to time based on changes in an independent index which is the One-Month LIBOR for the applicable Interest Period (the "Index"). The Index is not necessarily the lowest rate charged by the Lender on its

loans. In the event that Lender shall have reasonably determined (which determination shall be conclusive absent manifest error) that, by reason of circumstances beyond Lender's reasonable control affecting the Index, the Index is unavailable or cannot be determined then Lender, in its sole discretion, will designate a substitute index that most closely approximates and resembles One-Month LIBOR and provide written notice to the City of such substitute index. Thereafter, such substitute index shall be deemed to be and shall become the Index as that term is used in this Agreement.

The United Kingdom's Financial Conduct Authority ("FCA") has announced it will phase out its support of the One-Month LIBOR. The City acknowledges that if during the term of this Agreement, the One-Month LIBOR is no longer published, becomes unavailable, or cannot be lawfully maintained, the variable interest rate applicable to the Non-Revolving Credit Note will be determined based on an alternate interest rate index that most closely approximates and resembles One-Month LIBOR in accordance with the terms of this Agreement. The effect of the FCA's decision to no longer support the One-Month LIBOR cannot be predicted, or, if changes are ultimately made to the One-Month LIBOR, the effect of those changes cannot be predicted. In addition, the City acknowledges the impact of any interest rate index change related to the Loan(s) due to the FCA's decision to phase out its support of the One-Month LIBOR, should this occur, cannot be predicted and may or may not be advantageous to the City.

(f) a certificate of the City Clerk certifying the names and specimen signatures of each Authorized Officer;

(g) a certificate, dated the Closing Date, of an Authorized Officer to the effect that, on and as of the Closing Date (i) after giving effect to the execution and delivery of this Agreement and the Non-Revolving Credit Note, each of the representations and warranties of the City contained in this Agreement is true and correct on and as of the Closing Date as though made on and as of such date, (ii) no Event of Default has occurred and is continuing or would result from the execution and delivery of this Agreement and the Non-Revolving Credit Note, (iii) there is no existing litigation in which a final and non-appealable adverse determination would result in any material adverse change in the business, financial position or results of operations of the City, and (iv) the certificate delivered under this Section 3.01(g) shall be deemed a representation and warranty by the City that the conditions precedent to the execution and delivery of this Agreement and the Non-Revolving Credit Note, unless otherwise waived in accordance herewith, shall have been satisfied;

ARTICLE IV

REPRESENTATIONS, WARRANTIES AND COVENANTS

Section 4.01 Representations, Warranties and Covenants of the City. The City represents and warrants that:

(a) The City is a municipal corporation of the State. Pursuant to the Resolution, the City has duly authorized the execution and delivery of this Agreement and the Non-Revolving Credit Note, the performance by the City of all its obligations hereunder and under the Non-Revolving Credit Note, and the issuance of the Non-Revolving Credit Note in the aggregate principal amount not to exceed \$13,000,000.

(b) The City has complied with all of the provisions of the Act, and has full power and authority to enter into and consummate all transactions contemplated by the Resolution, this Agreement or under the Non-Revolving Credit Note, and to perform all of its obligations hereunder and under the Non-Revolving Credit Note. To the best knowledge of the City, the transactions contemplated hereby do not conflict with the terms of any statute, order, rule, regulation, judgment, decree, agreement, instrument or commitment to which the City is a party or by which the City is bound.

(c) The City is duly authorized and entitled to adopt the Resolution, issue the Non-Revolving Credit Note and execute and deliver this Agreement and, when this Agreement and the Non-Revolving Credit Note are executed and delivered, and assuming the due authorization, execution and delivery of the Agreement by the Lender, the Agreement and the Non-Revolving Credit Note will each constitute a legal, valid and binding obligation of the City enforceable in accordance with their respective terms, subject as to enforceability to bankruptcy, insolvency, moratorium, reorganization or other similar laws affecting creditors' rights generally and except to the extent that the availability of certain remedies may be precluded by general principles of equity.

(d) There are no actions, suits or proceedings pending or, to the best knowledge of the City, threatened against or affecting the City, at law or in equity, or before or by any governmental authority, that, if adversely determined, would materially impair the ability of the City to perform the City's obligations under the Resolution, this Agreement or the Non-Revolving Credit Note.

(e) The financial information concerning the City heretofore delivered to the Lender is complete and correct and fairly presents the financial condition of the City for the period(s) referred to in such information. There are no liabilities (of the type required to be reflected on balance sheets prepared in accordance with generally accepted accounting principles), direct or indirect, fixed or contingent, of the City as of the date of such financial information which are not reflected therein. There has been no material adverse change in the financial condition or operations of the City since the date of such information (and no such material adverse change is pending or, to the City's knowledge, threatened).

(f) The City shall not take any action or omit to take action the effect of which is expected in the aggregate to have a material adverse impact upon the collection of Revenues.

Section 4.02 General Representations, Warranties and Covenants of the Lender. The Lender represents, warrants and covenants that:

(a) The Lender is a corporation duly organized and validly existing under the laws of the State of Tennessee and is duly authorized to conduct business in the State of Florida, with full power and authority to enter into this Agreement, to perform its obligations hereunder and to make the Loan(s). The execution and delivery of this Agreement by the Lender and the making of the Loan(s) has been duly authorized by all necessary action on the part of the Lender and will not violate or conflict with applicable laws or any material agreement, indenture or other instrument to which the Lender is a party or by which the Lender or any of its properties are bound.

(b) Assuming the due authorization, execution and delivery thereof by the City, this Agreement is a valid and binding obligation of the Lender enforceable in accordance with its terms, except to the extent that enforceability may be subject to valid bankruptcy, insolvency, reorganization, moratorium or similar laws relating to or from time to time affecting the enforcement of creditors' rights and except to the extent that the availability of certain remedies may be precluded by general principles of equity.

(c) Pursuant to the terms and provisions of this Agreement, the Lender agrees to establish a non-revolving line of credit on behalf of the City pursuant to which it will make the Loans to the City for the purpose of financing the costs of the Project.

Section 4.03 No Fiduciary. Neither the Lender nor any of its affiliates shall act as a fiduciary for the City or in the capacity of broker, dealer, municipal securities underwriter or municipal advisor with respect to the Loan(s) or the issuance of the Non-Revolving Credit Note. Neither the Lender nor any of its affiliates has provided, and will not provide, financial, legal, tax, accounting or other advice to or on behalf of the City with respect to the Loan(s) or the proposed issuance of the Non-Revolving Credit Note. The City has sought and obtained financial, legal, tax, accounting and other advice (including as it relates to structure, timing, terms and similar matters) with respect to the Loan(s) and the proposed issuance of the Non-Revolving Credit Note from its financial, legal and other advisors (and not the Lender or any of its affiliates) to the extent that the City desired to obtain such advice.

Section 4.04 Security for Non-Revolving Credit Note. The repayment of the Loan(s) hereunder and payment of the principal of and interest on the Non-Revolving Credit Note shall be secured forthwith equally and ratably by a pledge of and lien upon the Pledged Funds to the extent and in the manner provided in Articles V and VI hereof.

Section 4.05 Payment Covenant. The City covenants that it shall duly and punctually pay from the Pledged Funds the principal of and interest on the Loan(s) at the dates and place and in the manner provided herein and in the Non-Revolving Credit Note according to the true

intent and meaning thereof and all other amounts due under this Agreement. Failure to comply with this Section 4.05 shall result in an Event of Default under Section 7.01(a) hereof.

Section 4.06 Compliance with the Code.

(a) *General.* The City covenants that it will not take or omit to take any action that, if taken or omitted, or make or direct the making of any investment or other use of the proceeds of the Loan(s) that would cause the Non-Revolving Credit Note to be a “private activity bond” as that term is defined in Section 141 (or any successor provision thereto) of the Code, or that would cause the Non-Revolving Credit Note to be an “arbitrage bond” as that term is defined in Section 148 (or any successor provision thereto) of the Code, or “hedge bond” as that term is defined in Section 149(g) (or any successor provision thereto) of the Code or otherwise result in the loss of the exclusion of interest on the Non-Revolving Credit Note from the gross income of the owner thereof for federal income tax purposes under the Code and all applicable regulations promulgated under the Code or under the statutory predecessor of the Code, and that it will comply with the requirements of Section 148 of the Code and the aforementioned regulations throughout the term of the Non-Revolving Credit Note. Notwithstanding any other provision of the Resolution or this Agreement to the contrary, so long as necessary in order to maintain the exclusion from gross income of interest on the Non-Revolving Credit Note for federal income tax purposes, the covenants contained in this Section 4.06 shall survive the payment of the Non-Revolving Credit Note and the interest thereon, including any payment thereof.

(b) *No Private Activity.* The City shall not permit any use or receive or constructively receive any payment that would cause the Non-Revolving Credit Note to be treated as a “private activity bond” as that term is defined in Section 141 (or any successor provision thereto) of the Code, and the City shall comply with the requirements of the Code. Particularly, but without limitation, the City or other governmental entity shall be the owner of the Project for federal income tax purposes.

(c) *No Federal Guaranty.* The payment of principal of and interest on the Non-Revolving Credit Note shall not be guaranteed (in whole or in part) by the United States or any agency or instrumentality of the United States. The proceeds of the Loan(s) or amount treated as proceeds of the Loan(s) shall not be invested (directly or indirectly) in federally insured deposits or accounts, except to the extent such proceeds (i) may be so invested for an initial temporary period until needed for the purpose for which the Loan(s) is being procured, (ii) may be so used in making investments of a bona fide debt service fund, or (iii) may be invested in obligations issued by the United States Treasury.

(d) *Assuring Ongoing Compliance.* All necessary and desirable steps by the City shall be taken to comply with the requirements hereunder in order to ensure that the interest on the Non-Revolving Credit Note is excluded from gross income for federal income tax purposes under the Code including, without limitation, adhering to the Arbitrage and Tax Certificate of the City; provided, however, compliance with any particular requirement shall not be required in the event (x) the City receives a Bond Counsel Opinion that provides either (i) compliance with such requirement is not required to maintain the exclusion from gross income of interest on the Non-Revolving Credit Note for federal income tax purposes, or (ii) the City's

compliance with some other requirement will meet the requirements of the Code in order to maintain the exclusion from gross income of the interest on the Non-Revolving Credit Note for federal income tax purposes under the Code and (y) in the case of (x)(ii) the City complies with all such other requirements in order to maintain the exclusion from gross income of the interest on the Non-Revolving Credit Note for federal income tax purposes under the Code.

Section 4.07 Adjustment to Interest Rate if Determined Not to be Tax-Exempt.

(a) Upon a Determination of Taxability (as defined below) the interest rate on the Non-Revolving Credit Note shall be immediately and automatically adjusted to the Taxable Rate. In addition to the payments of principal and interest on the Non-Revolving Credit Note required to be paid pursuant to the terms of this Agreement and the Non-Revolving Credit Note, the City agrees to pay to the Lender an amount equal to the difference between the interest rate prior to the Determination of Taxability and the Taxable Rate, from the date such interest is declared to be taxable to the date of the Determination of Taxability, together with any interest, penalties on overdue interest and additions to tax (as referred to in Subchapter A of Chapter 68 of the Code or any similar or successor provisions) owed by the Lender as a result of the occurrence of such Determination of Taxability. This adjustment shall survive the payment of the Non-Revolving Credit Note until such time as the federal statute of limitations under which the Non-Revolving Credit Note could be declared taxable expires. A "Determination of Taxability" for purposes of this Agreement shall mean a non-appealable final decree or judgment of any federal court or a final action of the Internal Revenue Service determining that the interest paid or payable on the Non-Revolving Credit Note is or was includable in the gross income of the Lender for federal income tax purposes as a result solely from the action or inaction of the City. All such additional interest, additions to tax, penalties and interest shall be paid within ninety (90) days following the Determination of Taxability and the written demand of the Lender.

Section 4.08 Information Requirements. The City agrees to deliver to the Lender, when available, or within 243 days after the end of its Fiscal Year, whichever is earlier, the audited financial statements relating to the City for each Fiscal Year while the Non-Revolving Credit Note is outstanding. In addition, the City agrees to deliver to the Lender, (i) the Annual Budget within 30 days after adoption, and (ii) upon written request, when available, such other financial information as the Lender may reasonably request.

Section 4.09 Additional Debt.

(a) The City may incur additional Debt secured by a lien on Revenues on a parity with the lien on Revenues provided by this Agreement for the benefit of the Non-Revolving Credit Note only if there is filed with the City a certificate of the Finance Director demonstrating that the percentage derived by dividing the Revenues for any period of twelve (12) consecutive months selected by the City out of the twenty-four (24) months preceding the delivery of such certificate by the Maximum Principal and Interest Requirements, including the Principal and Interest Requirements with respect to the additional Debt then to be incurred, for any future Fiscal Year is not less than one hundred twenty per centum (120%).

(b) The City may issue or incur additional Debt secured by a lien on Revenues on a parity with the lien on Revenues provided by this Agreement for the benefit of the Non-Revolving Credit Note without any limitation if the proceeds of such additional Debt are to be applied on the date of issuance or incurrence of such Debt to pay in full the outstanding principal of and interest on the Non-Revolving Credit Note.

(c) The City may incur Subordinated Debt without limit as to amount.

(d) Nothing contained in this Agreement or otherwise shall limit the ability of the City to incur any Debt secured by the Non-Ad Valorem Revenues, or to create any debt, lien, pledge, assignment, encumbrance or charge upon the Non-Ad Valorem Revenues.

ARTICLE V

SOURCE OF PAYMENT OF NON-REVOLVING CREDIT NOTE; SPECIAL OBLIGATIONS OF THE CITY

Section 5.01 Non-Revolving Credit Note Not to be General Obligation or Indebtedness of the City. The Non-Revolving Credit Note shall not be deemed to constitute a general obligation or a pledge of the faith and credit of the City, the State of Florida or any political subdivision thereof within the meaning of any constitutional, legislative or charter provision or limitation, but shall be payable solely from and secured by a lien upon and a pledge of the Pledged Funds, in the manner and to the extent herein provided. No holder of the Non-Revolving Credit Note shall ever have the right, directly or indirectly, to require or compel the exercise of the ad valorem taxing power of the City or any other political subdivision of the State of Florida or taxation in any form on any real or personal property to pay the Non-Refundable Credit Note or the interest thereon, nor shall any holder be entitled to payment of such principal and interest from any other funds of the City other than the Pledged Funds, all in the manner and to the extent herein provided. The Loan(s) evidenced by the Non-Revolving Credit Note shall not constitute a lien upon any real or personal property of the City, or any part thereof, or any other tangible personal property of or in the City, but shall constitute a lien only on the Pledged Funds, all in the manner and the extent provided herein.

Section 5.02 Pledge to Secure the Non-Revolving Credit Note. The City does hereby irrevocably pledge the Pledged Funds to the payment of the principal of and interest on the Non-Revolving Credit Note and any other amounts owed by the City to the Lender under this Agreement. The City hereby pledges and assigns to the Lender and grants a lien in favor of the Lender on the Pledged Funds for so long as the Non-Revolving Credit Note remains outstanding or any other amounts due to the Lender under this Agreement remain unpaid. Nothing contained in this Agreement or in the Non-Revolving Credit Note shall limit or restrict the City's right and ability to apply Revenues to pay Current Expenses or for any other lawful purpose of the City.

Section 5.03 Covenant to Budget and Appropriate.

(a) If the Revenues on deposit in the Revenue Fund are not sufficient to pay the principal of and the interest on the Non-Revolving Credit Note on the thirtieth (30th) day prior to the due date of such payments, and other payments required by this Agreement when due, the City hereby covenants and agrees to prepare, approve and appropriate (in accordance with applicable law and budgetary processes) in its Annual Budget for each Fiscal Year, by amendment if necessary, Non-Ad Valorem Revenues of the City in an amount which is equal to the deficiency in the amount in the Revenue Fund available to pay principal of and interest on the Non-Revolving Credit Note for the applicable Fiscal Year, plus an amount sufficient to satisfy any other payment obligations of the City hereunder for the applicable Fiscal Year. Amounts so budgeted and appropriated shall be directly deposited to the credit of the Sinking Fund, as provided herein.

(b) Such covenant and agreement on the part of the City to budget and appropriate sufficient amounts of Non-Ad Valorem Revenues shall be cumulative, and shall continue until such Non-Ad Valorem Revenues in amounts sufficient to make all required

payments on the Non-Revolving Credit Note when due, including any delinquent payments, shall have been budgeted, appropriated and actually paid into the Sinking Fund established hereunder; provided, however, that such covenant shall not constitute a lien, either legal or equitable, on any of the City's Non-Ad Valorem Revenues prior to deposit into the Sinking Fund, nor shall it preclude the City from pledging in the future any of its Non-Ad Valorem Revenues or other revenues to other obligations, nor shall it give the Lender a prior claim on such Non-Ad Valorem Revenues, as opposed to claims of general creditors of the City nor does it require the City to levy or collect any particular source of Non-Ad Valorem Revenues. Anything in this Agreement to the contrary notwithstanding, all obligations of the City hereunder shall be secured only by the Pledged Funds.

(c) The City recognizes the affirmative covenant and obligation to budget (to the extent permitted by and in accordance with applicable law and budgetary processes), appropriate and deposit Non-Ad Valorem Revenues into the Sinking Fund, in amounts sufficient to comply with its obligations under subsection (a) of this Section 5.03. During a Fiscal Year, the City may not expend moneys not appropriated or in excess of its current budgeted revenues for such Fiscal Year. The covenant and obligation of the City to budget, appropriate and make payments in respect of the Non-Revolving Credit Note from its Non-Ad Valorem Revenues is subject to the availability of such Non-Ad Valorem Revenues after satisfying funding requirements for obligations having an express lien on or pledge of such revenues and after satisfying funding requirements for essential services of the City, related to the health, welfare and safety of the inhabitants of the City, or which are legally mandated by applicable law.

(d) The covenant to budget and appropriate in its Annual Budget for the purposes and in the manner stated in this Section 5.03 shall have the effect of making available in the manner described herein Non-Ad Valorem Revenues and placing on the City a positive duty to budget and appropriate, by amendment, if necessary, amounts sufficient to meet its obligations hereunder; subject, however, in all respects to the restrictions of Section 166.241, Florida Statutes, which provides, in part, that the governing body of each municipality make appropriations for each Fiscal Year, which in any one year, shall not exceed the amount to be received from taxation or other revenue sources; and subject further to the payment of services and programs which are for essential public purposes affecting the health, welfare and safety of the inhabitants of the City or which are legally mandated by applicable law.

(e) Notwithstanding the foregoing covenant of the City, the City does not covenant to maintain or continue any of the activities of the City which generate user service charges, regulatory fees or any other Non-Ad Valorem Revenues. The City acknowledges that its covenant to budget and appropriate Non-Ad Valorem Revenues, in an amount sufficient to provide for the timely payment of the principal of and interest on the Non-Revolving Credit Note and to deposit such Non-Ad Valorem Revenues so appropriated into the Sinking Fund is for the benefit of the Lender as the holder of the Non-Revolving Credit Note.

Section 6.01 Creation of Funds. There are hereby created and established the following special Funds: the “City of Fort Lauderdale, Florida Parking Line of Credit Revenue Fund” (the “Revenue Fund”) and the “City of Fort Lauderdale, Florida Parking Line of Credit Sinking Fund” (the “Sinking Fund”).

The Revenue Fund and the Sinking Fund established hereunder shall constitute trust funds for the purposes herein provided, shall be held by the Finance Director (or an Authorized Depository designated by the Finance Director), in each case who shall act as trustee of such Funds for the purposes hereof, and shall at all times be kept separate and distinct from all other Funds of the City and used only as herein provided. Money held in the Revenue Fund and the Sinking Fund shall be subject to a lien and charge in favor of the Lender as the holder of the Non-Revolving Credit Note as herein provided.

Section 6.02 Revenue Fund and Use of Moneys Therein.

(a) For as long as any of the principal of and interest on the Non-Revolving Credit Note shall be outstanding and unpaid, or until there shall have been set apart in the Sinking Fund a sum sufficient to pay when due the entire principal of the Non-Revolving Credit Note remaining unpaid, together with interest accrued or to accrue thereon, the City covenants with the Lender to deposit Revenues into the Revenue Fund in amounts sufficient to pay the principal of and interest on the Non-Revolving Credit Note, at the times and in the amounts provided in this Section 6.02.

(b) Not less than forty-five (45) days prior to an Interest Payment Date, the City shall deposit an amount of Revenues into the Revenue Fund sufficient to pay the interest coming due on the Non-Revolving Credit Note on the next succeeding Interest Payment Date. At least two (2) Business Days prior to any prepayment of principal of the Non-Revolving Credit Note, the City shall deposit into the Revenue Fund an amount of Revenues sufficient to pay the interest due and payable on the principal portion of the Non-Revolving Credit Note on the prepayment date.

(c) Not less than forty-five (45) days prior to the Maturity Date, the City shall deposit an amount of Revenues into the Revenue Fund sufficient to pay the full principal amount of the Non-Revolving Credit Note on the Maturity Date; provided, however, that if an Authorized Officer has provided written notice to the Lender at least sixty (60) days prior to the Maturity Date that the City intends to issue long-term bonds the proceeds of which are to be used to pay the principal amount of the Non-Revolving Credit Note on the Maturity Date, then the City shall not be required to deposit Revenues in the Revenue Fund in respect of the principal of the Non-Revolving Credit Note due on the Maturity Date unless such long-term bonds are not issued by, and the proceeds thereof are not available to pay the principal of the Non-Revolving Credit Note, at least two (2) Business Days prior to the Maturity Date, in which case an amount

of Revenues sufficient to pay the principal of the Non-Revolving Credit Note shall be deposited in the Revenue Fund not later than the second Business Day prior to the Maturity Date.

(d) Moneys on deposit in the Revenue Fund shall be withdrawn and deposited into the Sinking Fund on each Interest Payment Date, on a prepayment date and on the Maturity Date, in an amount sufficient to pay the interest on or principal of the Non-Revolving Credit Note then coming due, as applicable.

Section 6.03 Sinking Fund and Use of Moneys Therein.

(a) Moneys on deposit in the Sinking Fund shall be used solely for the payment of the principal of and interest on the Non-Revolving Credit Note.

(b) The City shall pay to the Lender on or prior to each Interest Payment Date, on any prepayment date and on the Maturity Date, by wire transfer or delivery in other immediately available funds, an amount sufficient to pay the interest on and principal of the Non-Revolving Credit Note due and payable on such Interest Payment Date, prepayment date or the Maturity Date, as applicable.

Section 6.04 Investments. Moneys on deposit to the credit of the Revenue Fund may be invested in accordance with the City's written investment policy. Moneys on deposit to the credit of the Sinking Fund may be invested only in Government Obligations.

ARTICLE VII

EVENTS OF DEFAULT AND REMEDIES

Section 7.01 Events of Default. If any of the following events shall occur, each such event shall be an “Event of Default”:

(a) The City shall fail to pay when due any principal of or interest on the Non-Revolving Credit Note.

(b) Any representation or warranty, made by the City in Section 4.01 of this Agreement, or in any certificate provided by the Lender pursuant to Section 3.02 of this Agreement shall prove to have been untrue or incorrect in any material respect when made, deemed made or reaffirmed, as the case may be.

Section 7.02 Exercise of Remedies.

(a) Upon an Event of Default described in Section 7.01(a) of this Agreement, the Non-Revolving Credit Note will bear interest at the Default Rate. The Default Rate shall be applied per diem and continue until such time as the defaulted payment has been paid in full, at which time if the interest rate on the Non-Revolving Credit Note had been increased to the Default Rate as a result of the application of this provision, the interest rate shall once again be determined in accordance with the provisions of subsection (b) of Section 2.04.

(b) Upon the occurrence and during the continuance of any Event of Default under Section 7.01 hereof, the Lender may proceed to protect and enforce its rights under the laws of the State of Florida or under this Agreement by such suits, actions or special proceedings

(including mandamus) in equity or at law, or by proceedings in the office of any board or officer having jurisdiction, either for the specific performance of any covenant or agreement contained herein or in aid or execution of any power herein granted or for the enforcement of any proper legal or equitable remedy, as the Lender shall deem most effective to protect and enforce such rights.

(c) In the enforcement of any remedy under this Agreement, to the extent permitted by law, the Lender shall be entitled to sue for, enforce payment of and receive any and all amounts then due from the City for principal, interest or otherwise under any of the provisions of this Agreement or of the Non-Revolving Credit Note then unpaid, with interest on overdue payments of principal at the rate or rates of interest specified in the Non-Revolving Credit Note and herein, together with any and all costs and expenses of collection and of all proceedings hereunder and under the Non-Revolving Credit Note, without prejudice, to any other right or remedy of the Lender, and to recover and enforce any judgment or decree against the City, but solely as provided herein and in the Non-Revolving Credit Note, for any portion of such amounts remaining unpaid and interest, costs, and expenses as above provided, and to collect (but solely from the Revenues and the Non-Ad Valorem Revenues) in any manner provided by law, the moneys adjudged or decreed to be payable.

(d) Upon the occurrence of any Event of Default the Lender may, by written notice to the City, immediately terminate (i) the Commitment and (ii) the obligation of the Lender to advance funds for any Loan hereunder, and, thereafter, the Lender shall be under no obligation to advance funds for any Loan hereunder; provided that upon the occurrence of an Event of Default under Section 7.01(d) hereof, such termination shall automatically occur (unless such automatic termination is waived by the Lender in writing.

Section 7.03 Remedies not Exclusive. No remedy herein conferred upon or reserved to the Lender is intended to be exclusive of any other remedy or remedies herein provided, and each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder.

Section 7.04 Waivers, Etc. No delay or omission of the Lender to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or any acquiescence therein; and every power and remedy given by this Agreement to the Lender may be exercised from time to time and as often as may be deemed expedient.

The Lender may waive any default which in its opinion shall have been remedied before the entry of final judgment or decree in any suit, action or proceeding instituted by it under the provisions of this Agreement or before the completion of the enforcement of any other remedy under this Agreement, but no such waiver shall be effective unless in writing from a duly authorized officer of the Lender and no such waiver shall extend to or affect any other existing or any subsequent default or defaults or impair any rights or remedies consequent thereon.

Any provision of this Agreement that is prohibited, unenforceable or not authorized in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition, unenforceability or nonauthorization without invalidating the remaining provisions hereof or affecting the validity, enforceability or legality of such provision in any other jurisdiction. The parties shall endeavor, in good faith negotiations, to replace the invalid, illegal or unenforceable provisions with valid provisions, the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.
