The sole cost of removal and replacement of the Dock shall be the responsibility of the Permit Holder. Furthermore, the Permit Holder shall be responsible for maintaining and beautifying a reasonable area in and around the dock location and failure to do so shall be grounds for revocation of this Permit.

3. As a special condition of the Permit, the Permit Holder is prohibited from erecting any signs, landscaping or fencing to restrict public access to the Dock Area except where permitted by Code.
4. The public property abutting the waterway or Dock Area being used by the Permit Holder shall be kept open at all times as means of reasonable ingress and egress to the public, but Permit Holder shall have the right to exclude the public from a reasonable portion upon which improvements have been placed, not exceeding fifty (50%) percent of the area.

10. As a special condition of the permit, in the event Permit Holder is found by the City Commission to have violated any of the above conditions or is found by the Code Enforcement Board, Special Magistrate or County Court Judge to have violated any Code sections relative to the use of the Dock Area, then the Permit granted herein may be repealed or rescinded by the City Commission upon thirty days' advance notice to the Permit Holder.
11. Use of the dock is limited to the docking of a vessel owned by the Permit Holder with a copy of the documentation showing the name and registration number of all vessels provided by the Applicant to the Supervisor of Marine Facilities.

12. The Permit Holder is prohibited from mooring any watercraft or vessel in such a manner that it is "rafted out" from any additional vessel owned or operated by the Applicant.
