**CITY OF FORT LAUDERDALE
City Commission Agenda Memo
REGULAR MEETING**

#17-0086

TO: Honorable Mayor & Members of the
Fort Lauderdale City Commission

FROM: Lee R. Feldman, ICMA-CM, City Manager

DATE: April 19, 2017

TITLE: Motion Approving a Revised and Restated Agreement with Lauderdale Air Show, LLC for the Lauderdale Air Show

Recommendation

It is recommended that the City Commission approve a motion approving a revised and restated agreement with Lauderdale Air Show, LLC for the Lauderdale Air Show and authorizing the execution of the agreement by the City Manager.

Background

Staff has been working with Lauderdale Air Show, LLC to once again conduct an air show, including aircraft flight demonstrations and entertainment on Fort Lauderdale beach.

City staff has been working closely with the event organizer regarding event topics such as logistics, maintenance, and security. The Police Department recommends approval of the closing of the City streets where appropriate and event parking has been satisfactorily arranged. When applicable, amplified music was discussed and the event organizer was advised of the noise ordinance and possible concerns.

At the November 15, 2015 Commission meeting, a three year agreement was approved with Lauderdale Air Show, LLC for the Lauderdale Air Show to return to Fort Lauderdale Beach. The first Air Show under this agreement returned on May 7th and May 8th, 2016. The 2016 site plan is listed as Exhibit 1.

Section 4a of the Agreement between the City of Fort Lauderdale and Lauderdale Air Show, LLC states: "The City and the Applicant shall agree upon the specific date for each Event by December 1st of the year preceding the next event. The Applicant shall submit a written request for the approval of event dates to the City Manager at least six (6) months prior to the requested event dates". In compliance with the agreement, we have attached the Letter of Intent (LOI) from Lauderdale Air Show, LLC requesting to hold the 2017 Air Show on May 6, 2017 and May 7, 2017 (see Exhibit 2).

Due to challenges with traffic congestion along the barrier island, logistical efficiencies, and the desire to maximize the benefit and minimize the impact, Lauderdale Air Show has worked with the Florida Department of Environmental Protection (FDEP) and City staff to propose a revised site plan which moves the event footprint to Fort Lauderdale beach. Air Show will be making application to the state for the necessary permits to cause this change to occur. If for some reason the permit is not approved, this item will be back before the City Commission to propose a site design that returns to the 2016 footprint.

Because of the timing of the event and the required City Commission review, the proposed new site plan is attached as Exhibit 3.

Air Show representatives continue to meet with the neighborhoods that are impacted to discuss the proposed revision and the impact it might have.

In addition to changes to the site plan, the Risk Management Division has requested changes to the insurance requirements. The revised and restated agreement is attached as Exhibit 4.

Florida Department of State, Division of Corporations

AMENDED LAUDERDALE AIR SHOW ON FORT LAUDERDALE BEACH
AGREEMENT

THIS IS AN AGREEMENT, entered into on April 19, 2017, between:

THE CITY OF FORT LAUDERDALE, a municipal corporation
of the State of Florida, hereinafter referred to as "City,"

and

LAUDERDALE AIR SHOW, LLC, a Florida limited liability
company organized under the laws of the State of Florida,
hereinafter referred to as "Applicant."

WHEREAS, subject to terms hereof, Applicant has requested approval from the City to conduct an air show, which includes an aircraft flight demonstration show with ancillary activities such as entertainment, exhibits, souvenir sales and refreshment sales (hereinafter referred to as the "Lauderdale Air Show on Fort Lauderdale Beach" or "Event.")

WHEREAS, Applicant shall provide the required certificates of insurance and indemnify and hold harmless the City for any damage to persons or property that might occur during, and as a result of, the operation of the Event; and

WHEREAS, City has been advised that, due to the scope and magnitude of the proposed Event, Applicant desires a contract with City for a period of time so that Applicant can appropriately plan the commitment of resources, sponsors, subcontractors and finances; and

WHEREAS, City recognizes that the Lauderdale Air Show on Fort Lauderdale Beach is a marquee event and, as such, is willing to enter into an agreement and provide certain City services; and

WHEREAS, at the November 15, 2015 Commission meeting, a three year agreement was approved with Lauderdale Air Show, LLC for the Lauderdale Air Show to return to Fort Lauderdale Beach; and

WHEREAS, due to challenges with traffic congestion along the barrier island, logistical concerns associated with new runway design and the 5 mile radius required for the planes to maneuver over Fort Lauderdale Beach, Lauderdale Air Show has worked with the Florida Fish and Wildlife Conservation (FWC) and City Staff to propose a revised site plan which moves the event footprint on the sand of Fort Lauderdale beach; and

WHEREAS, the Risk Management Department has requested changes to the insurance requirements; and

WHEREAS, pursuant to City's Code of Ordinances, in order to conduct the Event, Applicant wishes to enter into this Amended Agreement.

NOW, THEREFORE, in consideration of the mutual promises and covenants contained in

this Agreement, and other good valuable consideration, the receipt and adequacy of which are acknowledged, the parties agree as follow:

1. RECITALS AND EXHIBITS INCORPORATED: The foregoing recitals are true and correct as are the Exhibits attached hereto and incorporated herein by this reference.

l. "Site Plan" shall have the same meaning given to such term in Section 6 of this Agreement.

m. "Initial Term" shall refer to the initial three (3) years of this agreement.

3. PERMISSION TO USE: Applicant shall be entitled to use the Event Site and the City's water adjacent thereto, as determined by the City Manager or designee in conjunction with Applicant, in order to conduct its Event. The actual extent of the area to be used shall be sufficient to accommodate the Event activities and shall be limited by the Maintenance of Traffic ("MOT") Plan and approval by City of all street closures, including those streets and transportation corridors that are defined as part of the Event Site. The right to use the Event Site does not imply that the Applicant is automatically allowed to close the streets and transportation corridors that are defined as part of the Event Site. Applicant agrees to list the City of Fort Lauderdale as a co-sponsor of the Event and make best efforts to include the City's logo on all promotional materials and advertising for the Event. Upon the City's request, Applicant agrees that the City Manager or his designee shall have approval over all promotional materials and advertising for the Event.
4. EVENT DATE: The City authorized applicant to hold the 2016 Air Show on Saturday, May 7, 2016 and Sunday, May 8, 2016. In the event the Applicant desires to conduct promotional or ancillary events on any of the days preceding the Event, Applicant must have prior written permission from the City Manager or designee not less than ninety (90) days prior to the date of the event. Applicant shall be responsible for any additional costs associated with practice days, promotional and ancillary events that may take place within the City limits on any of the days preceding the Event including, without limitation, crowd control, traffic management, fire, ocean rescue, emergency medical services and police services.
 - a. The City and the Applicant shall agree upon the specific date for each Event by December 1st of the year preceding the next Event. The Applicant shall submit a written request for the approval of event dates to the City Manager at least six (6) months prior to the requested event dates.
 - b. Applicant may utilize the Thursday and Friday immediately preceding the Event as practice days for performers and equipment utilized or performed during the Event. No concessions or hospitality tents shall be operating or open during the practice days.
5. TERM: The initial term of this Agreement commenced on November 15, 2015 and shall expire three (3) years from that date. This Agreement shall renew upon approval of the City Commission for a one (1) year extension sixty (60) days following each Event. It is the intent of the parties to make a good faith effort to enter into a long-term relationship taking into account the investment and relationship of the parties. In the event Applicant fails to put on the Event during the term of this Agreement or extensions thereof, the City reserves the right to terminate

said Agreement as provided herein.

6. SITE PLAN: Applicant shall provide to the City a Site Plan not less than ninety (90) days prior to the date of the Event outlining the following:
 - a. For the Event Site, and sites having directional signage or traffic control equipment a final detailed Site Plan for the Event detailing the location of any tents, sanitary facilities, parking, stages, booths, concessions, etc. and the times when such will be constructed, operated and dismantled. Emergency lanes are required by the City's Public Safety Departments and shall be included in the Site Plan. Such Site Plan shall be subject to the review and approval by the appropriate City departments. Any additional changes made to the Site Plan by the Applicant, after reviewed and approved by the appropriate City departments, must be approved by the City, which such approval will not be unreasonably withheld. A final inspection will be conducted by the City immediately prior to the Event to ensure that the location of all tents, booths, sanitary facilities, stages, etc. are in accordance with the City approved Site Plan and code regulations. The Site Plan shall be incorporated into this Agreement and marked as Exhibit "A."
 - b. A description of all activities and events to occur in the Event Site during the Event.
 - c. Copies of all appropriate permits and licenses required by the City's building services and fire department. These permits include, but are not limited to, permits necessary for tents, merchandise, food and beverage vendors and electrical connections.
 - d. Within thirty (30) days of Applicant providing City with the Site Plan, City shall provide Applicant an anticipated budget of services that City will provide for the Event. This budget shall include an itemized line-by-line cost detail for all reimbursable services excluding any specific details relating to public safety plans and detail locations. The budget for the 2016 Event is attached as Exhibit "B." These services shall include, without limitation, crowd control, traffic management, fire, ocean rescue, emergency medical services, trash removal, parking fees and police services. City agrees to work with Applicant to mitigate these costs wherever possible and recognizes that doing so is critical to making it financially viable to hold the Event.
7. PUBLIC SAFETY PLAN FOR THE EVENT: Because of the physical size of the Event and the number of people that attend the Event, the City shall arrange for all necessary personnel to provide public safety at the Event Site and Event Impact Areas as determined by the City. The services shall include, without limitation, crowd control, traffic management, fire, ocean rescue, emergency medical services and police services. City agrees to develop and provide an anticipated budget each year during the term of this agreement and any extensions, within thirty (30) days of the Applicant providing the City with a proposed Site Plan. Applicant is aware such budgets are preliminary and subject to change by the City. Applicant is required to provide signage, barricades and cones to facilitate public safety and will provide set up and removal at no cost to the City.
 - a. The City shall review the Public Safety Plan for the Event, incorporated in this Agreement and marked as Exhibit "C," annually with Applicant and shall adjust the Plan to the extent possible as requested by the Applicant. Within sixty (60) days of the conclusion of each Event

during the term of this Agreement and any extensions, the Applicant and the City will meet to discuss any major modifications or expansions of the Event Site for the following year Event. Suggested modifications or expansions by each party shall be subject to the approval of the other party.

- b. The City shall determine the number of personnel necessary to effectively and efficiently carry out the Public Safety Plan. In the event of a disagreement between the Applicant and the City regarding public safety, the Police Chief and Fire Chief's decisions shall be final as to the appropriate level of public safety required for the Event.
- c. In addition to the Applicant's Public Safety Plan, the City's Police and Fire Departments will author separate comprehensive Incident Action/Operational Plans specific to their duties. Such plans will take into consideration several factors, to include nationally accepted event planning and management guidelines utilizing the National Incident Management System (NIMS) and the Incident Command System (ICS). These plans will be fluid up until the conclusion of the event and may change based on real time intelligence, threat information, and other such inputs. Local representatives and agents from the Federal Bureau of Investigation (FBI) Special Events Unit, the Department of Homeland Security (DHS), Navy Criminal Investigative Service (NCIS), and other public safety partners will assist in determining the level and magnitude rating of this event, advise of any potential national security considerations, and provide intelligence gathering and event threat assessment assistance. Due to the sensitive security and safety implications of such plans, they will be kept confidential, accessible to City officials and Police/Fire personnel only and shall not be available for public or media distribution.
- d. The cost for additional services or expansion of service requested by Applicant shall be an additional expense to Applicant. Expansion of services means enhancements of activities, any changes in the type of activities or changes in parameters of Event, including physical location and boundaries that result in an increase in the City's cost to provide services.
- e. Not less than one hundred and twenty (120) days prior to the date of the Event, Applicant shall provide the City a Maintenance of Traffic Plan ("MOT Plan") incorporated into this Agreement and marked as Exhibit "D," containing a construction and traffic flow schedule detailing the opening and closing times for all streets, lanes and/or traffic corridors and outlining the use of any and all message signs and static signs for the City's review and approval. No additional street, lane, or traffic corridor closures will be permitted unless included in the MOT Plan and approved by the City Manager or his designee. Applicant agrees to provide City with emergency access to all areas included in the Event Site to ensure the safety and welfare of the community.
- f. Should Applicant request non-critical public safety services such as police escort services, and if such services are beyond the City's ability to provide, Applicant may make such arrangements and coordinate these services with the City.
- g. In the event that the Department of Homeland Security (DHS) issues an "Imminent Threat Alert", the Police Department will be responsible for assessing the need to provide additional security or if deemed necessary cancel the Event at no cost to the City.

In the event of an emergency or disaster during the Event, at the Event Site or as a direct result from the Event activities, that requires public safety resources beyond the original Public Safety Plan, Mutual Aid will be implemented and subsequent costs will be settled as provided by the Mutual Aid Agreement. Applicant shall reimburse the City's costs to respond to the emergency disaster.

- h. Applicant acknowledges that traffic control plans shall accommodate the ingress and egress to residences throughout the Event period.

8. COSTS FOR CITY SERVICES:

- a. As provided for in Section 7 above, the City shall plan and provide for public safety. Applicant agrees to reimburse City for all incremental hard cost expenses incurred by the City inside the Event Site and Event Impact Area including, but, without limitation, public safety, maintenance, cleanup, breakdown and removal, storage and repair or replacement of property, and staff time incurred associated with Event during the Event Period. Incremental hard cost expenses are defined as follows:
 - i. Hourly paid labor costs and benefits for supplemental positions exceeding standard City staffing levels and/or outside standard working hours during the Event Period.
 - ii. Supplies or materials consumed or purchased solely for the Event and used or consumed during the Event Period.
 - iii. Equipment rented for use sole for the Event and utilized only during the Event Period.

Hard costs do not include standard maintenance, administrative or any other indirect costs where the City does not have to expend additional hard dollars during the Event Period and in direct sole support of the Event.

- b. Applicant agrees and understands that the off duty rate for police personnel for all special events is calculated at a three (3) hour minimum rate. There is a 24 hour cancellation requirement to avoid the three (3) hour minimum payment per officer. All payments will be paid within two (2) weeks of the payroll being submitted. Applicant agrees that positions for all security and supplemental police details for the Event should first be offered to City personnel at the detail rate. If an insufficient number of personnel are available at the detail rate, Applicant shall have the option to utilize outside Florida sworn agencies to fill the deficiency prior to the City mandating personnel to work at the overtime rate, with the request made through and coordinated by the City Police and/or Fire Rescue Departments. The Fort Lauderdale Police Department and Fire Department shall retain the command and control of their respective event operation areas at all times and any mutual aid or assisting agency personnel shall follow such command procedures. Applicant further agrees to be responsible for any capital improvements that the City must make to accommodate Applicant's request for any building, electrical, plumbing, fire, municipal or county code requirements. Applicant shall also be responsible for any replacement and restoration costs as set forth in Section 12, Maintenance of and Payment for Damage to Property.

- c. Applicant agrees to secure a bond in an amount equal to one hundred and ten percent (110%) of the estimated cost of reimbursement for City services, to cover all costs and expenses associated with hosting the Event, including without limitation, public safety, maintenance cleanup, utility connections, breakdown and removal, storage and repair or replacement of property. City reserves the right to approve the bonding company and institution issuing the bond and the instrument shall be kept in full force and effect for the period of the Agreement. No later than thirty (30) days prior to the date of permission from City to first use the Event Site, Applicant shall provide the City with a valid payment bond in the amount specified above. The bond shall be written by a corporate surety company holding a Certificate of Authority from the Secretary of Treasury of the United States, executed and issued by a resident agent licensed by and having an office in the State of Florida, representing such corporate surety, providing that if Applicant fails to duly pay for any labor, materials or other supplies used by Applicant, the surety will pay the same in the amount not exceeding the sum provided in the surety bond. Applicant shall also have the option to escrow the funds in the amount equal to one hundred and ten percent (110%) of the cost of reimbursement for City services less any funds being provided by the BID and CRA("Obligated Amount") in which case a bond would not be required by the City. The Obligated Amount shall be placed into the City of Fort Lauderdale Escrow Account to be held in escrow under the terms and conditions herein after set forth ("Escrow Deposit")
- d. In the event the Applicant elects to deposit the Obligated Amount with the City of Fort Lauderdale Treasurer, who shall be the Escrow Agent, the Escrow Agent shall promptly deposit, retain and disburse the Escrow Deposit in accordance with the terms hereof or as may be directed in writing by both the Applicant and City Manager on behalf of the City or as may be directed by a court of competent jurisdiction.
- e. If the Escrow Agent is in doubt as to his or her duties, the Escrow Agent shall retain the Escrow Deposit until Applicant and City, through its City Manager, collectively agree in writing to the disposition of the funds or until a court of competent jurisdiction has adjudicated the rights of Applicant and the City.
- f. Any suit between Applicant and City where Escrow Agent is made a party because of acting as Escrow Agent, or in any suit where Escrow Agent interpleads the Escrow Deposit, Escrow Agent shall recover reasonable attorney's fees and costs from the Escrow Deposit, as between Applicant and City, and such fees and costs shall be charged and assessed against the non-prevailing party.
- g. The parties agree that the Escrow Agent shall not be liable to any party or person for misdelivery of the Escrow Deposit or any portion thereof to Applicant or City, unless misdelivery is due to willful breach of the terms hereof or gross negligence on the part of Escrow Agent.
- h. City recognizes that Applicant must rely on the support funding provided collectively in 2016 by the Business Improvement District (herein after "BID") and the Community

Redevelopment Authority's (hereinafter referred to as "CRA") to cover the cost for city services

- i. Applicant shall be responsible for clean up of the area used for operation and private hospitality. Should Applicant fail to clean this area, Applicant shall be responsible for City's cost to clean the area, based on City's cost to provide labor necessary to clean the area. Applicant further agrees to be responsible for any capital improvements that the City must make to accommodate Applicant's request for any building, electrical, plumbing, fire, municipal, or county code requirements.
- j. The escrow deposit will be held until all effected departments have submitted their final invoice for the reimbursement of services. Once the final invoices have been received, the Applicant will be notified for approval. Once approved, the release of escrowed funds earmarked for police services will be wired back to the applicants bank account. The Applicant shall release checks to police personnel for payment of off-duty details at the Event within three (3) business days of receiving the escrowed funds and the balance of BID and CRA funds into Applicant's bank account.

9. REIMBURSEMENT OF EXPENSES:

- a. Applicant shall pay the City for all costs and expenses incurred by City for which Applicant is responsible hereunder, within fourteen (14) days of receipt of any invoice from City. If total amount is not paid within fourteen (14) days, interest charges at the maximum allowable under Florida Statute
- b. Should Applicant disagree with the invoice provided by the City, it shall state its reason(s) in writing within fourteen (14) days of receiving invoice from the City and may request the City Manager to review the charges and render a decision. If Applicant does not agree with the City Manager's decision, Applicant may make a petition to the City Commission. The City Commission's decision regarding the invoice(s) shall be final.

10. NON-PUBLIC SAFETY SERVICES:

City shall provide, as necessary, oversight, coordination and direction, but not supervision, of Applicant's employees or contractors related to Event transportation, set-up, storage, maintenance, repair and replacement of property, cleanup, and breakdown of Event Site and Event Impact Area including removal of barricades and safety cones.

11. MAINTENANCE OF EVENT SITE AND EVENT IMPACT AREAS:

- a. Applicant shall be responsible for and shall provide sufficient temporary public sanitary facilities and daily service of the facilities at all times during Event period within the Event Site and Event Impact Areas. The cost of such temporary public sanitary facilities shall be an expense to Applicant.

- b. City shall be responsible for the removal of trash and debris during the Event that accumulates on any portion of Event Site or in the designated Event Impact Areas, with the exception of those areas outlined below. All trash shall be collected and removed within twenty-four (24) hours of the end of the Event. The requirement to remove trash and debris includes street sweeping. Applicant will cover and reimburse City for all costs associated with trash and debris removal within the Event Site and Event Impact Areas.
 - c. Applicant is responsible for the clean up of the area used for operations and private hospitality. Should Applicant fail to clean this area, Applicant shall be responsible for City's cost to clean the area, based on the City's cost to provide the labor necessary to clean the area.
12. PARKING AND TRANSIT SERVICES: Applicant shall be responsible to arrange and coordinate the transit services from these facilities to the Event Site. All proposed shuttle routes and bus stops shall be approved by the City Manager or his designee as part of the MOT Plan. City agrees to invoice Applicant at the approved special event parking rate of \$10 dollars on a non-event day and \$20 on the days of the 2016 Event (include the code reference for parking rates), to use A1A north of Sunrise Blvd during the Event Period and any other public metered parking spaces that are removed from public use as requested by the Applicant and approved by the City. All parking requests must be in writing at least thirty (30) days in advance of the Event. An estimate of parking charges will be provided to Applicant no more than seven (7) days after receiving written requests. Applicant understands that the approved special event parking rate is a daily rate and may not be prorated. Requests to change an issued City parking invoice must be made in writing prior to the end of the Event.
13. STREET CLOSINGS: City reserves the right to approve all street closing, including those streets and transportation corridors that are defined as part of the Event Site, in association with the Event and any requests for street closing should be included with the MOT Plan that is submitted by the Applicant to City. Applicant agrees to coordinate and make the appropriate arrangements with any merchants or residents affected by any street closures to ensure they are provided sufficient and reasonable access to their businesses and residences.
14. CONSTRUCTION OF FACILITIES, STRUCTURES, CANOPIES, TENTS AND CONCESSION STANDS:
- a.
