

**CITY OF FORT LAUDERDALE
City Commission Agenda Memo
REGULAR MEETING**

#17-1517

TO: Honorable Mayor & Members of the
Fort Lauderdale City Commission

FROM: Lee R. Feldman, ICMA-CM, City Manager

DATE: January 3, 2018

TITLE: Motion Authorizing Purchase of Property Insurance – Underwriters at
Lloyd's of London, et al. - \$1,712,382

Recommendation

It is recommended that the City Commission approve the purchase of one-year insurance policies in an amount not-to-exceed \$1,712,382 and make a determination that these policies best meet the needs of the City, as provided in Section 2-176(e)(23), Code of Ordinances, City of Fort Lauderdale.

Background

The City owns over 260 buildings/structures with an insurable value of just over \$500 million. The property insurance program is scheduled to renew on February 1, 2018. The City Manager's designee, Risk Management Associates, Inc., d/b/a Public Risk Insurance Agency, marketed the City's property insurance program and conducted negotiations with various insurance carriers and/or their agent in order to structure a layered program which allow the risk of loss to be spread among the following participating carriers: ACE American Insurance Company; Arch Specialty Insurance Company; Colony Insurance Company; Evanston Insurance Company; General Security Indemnity Company of Arizona; Liberty Surplus Insurance Corporation; Underwriters at Lloyd's of London; National Fire & Marine Insurance Company; United Specialty Insurance Company; Wright National Flood Insurance Company; and XL Insurance America, Inc.

This year's premium, due to large losses in the industry, is up 9.84% from last year's premium of \$1,558,990. This premium quote is a not-to-exceed amount as final figures are still being negotiated, although it will be very close to this figure. All coverages, limits and deductibles remain the same as last year's policy.

Staff, and by recommendation from the Insurance Advisory Board, requests City Commission approval for the purchase of property insurance from Underwriters at Lloyd's of London, et al., in the amount of \$1,712,382.

Resource Impact

There will be an estimated fiscal impact to the City in the amount of \$1,712,382.
