DATE: January 23, 2018

TITLE: Resolution Approving the Consolidated Budget Amendment to Fiscal Year
2018 – Appropriation

Recommendation

It is recommended that the City Commission adopt a resolution amending the Fiscal Year 2018 Budget.

Background

Examples of recommended actions within the budget amendment are:

- transfer between funds;
- transfer between capital and operating budgets;
- transfer between capital projects;
- acceptance and appropriation of grant funding;
- amendment to staffing level;
- appropriation from fund balance; and
- appropriation for modified revenue and related expenditures.

Staff is recommending that the City Commission amend the FY 2018 Final Budget, by approving the following transfers and appropriations:

Public Works

A. Appropriation of Unanticipated Revenue and Appropriation of Fund Balance – Water and Sewer Fund, Water and Sewer Master Plan 2017 Fund – Issuance of Water and Sewer Revenue Bonds – \$205,935,846

To finance a portion of the costs of improving and upgrading the City's Water and Sewer System, the City is seeking to issue Water and Sewer Revenue Bonds in a par amount not to exceed \$200,000,000. Funding in the amount of \$1,559,266 is required for the estimated cost of issuance. The first semi-annual loan interest payment in the estimated amount of \$4,376,580 will be paid from the Water and Sewer Operations Fund on September 1, 2018.

Specific capital projects to be funded from the bond proceeds of the bond and expenses that are eligible for reimbursement will be separately brought to the Commission for approval in February.

Staff recommends that the City Commission amend the FY 2018 Final Budget in the amount of \$205,935,846 for the issuance of water and sewer revenue bonds. This item is contingent upon the approval of the associated CAM# 18-0102 and the issuance of water and sewer revenue bonds.
