Proposer shall include as a part of the solicitation response, all details and costs regarding anticipated travel expenses and note such costs on the price sheet as a separate line item.

Contractor shall incur no travel or related expenses chargeable to the City without prior approval by an authorized City representative (City's travel officer).

Contractor shall provide, if required by the City, documentation of all actual travel or related costs.

All costs including travel are to be included in your proposal. The City will not accept any additional costs.

24. NO EXCLUSIVE CONTRACT/ADDITIONAL SERVICES

While this contract is for services provided to the department referenced in this Invitation For Bid, the City may require similar work for other City departments. Contractor agrees to take on such work unless such work would not be considered reasonable or become an undue burden to the Contractor.

Contractor agrees and understands that the contract shall not be construed as an exclusive arrangement and further agrees that the City may, at any time, secure similar or identical services from another vendor at the City's sole option.

The City may require additional items or services of a similar nature, but not specifically listed in the contract. The Contractor agrees to provide such items or services, and shall provide the City prices on such additional items or services based upon a formula or method, which is the same or similar to that used in establishing the prices in his proposal. If the price(s) offered are not acceptable to the City, and the situation cannot be resolved to the satisfaction of the City, the City reserves the right to procure those items or services from other vendors, or to cancel the contract upon giving the Contractor thirty (30) days written notice.

25. **DELETION OR MODIFICATION OF SERVICES**

The City reserves the right to delete any portion of the Contract at any time without cause, and if such right is exercised by the City, the total fee shall be reduced in the same ratio as the estimated cost of the work deleted bears to the estimated cost of the work originally planned. If work has already been accomplished on the portion of the Contract to be deleted, the Contractor shall be paid for the deleted portion on the basis of the estimated percentage of completion of such portion.

If the Contractor and the City agree on modifications or revisions to services, after the City has approved work to begin on such services, and a budget has been established for those services, the Contractor will submit a revised budget to the City for approval prior to proceeding with the work.

26. **INSURANCE**

The City of Fort Lauderdale shall be given notice 10 days prior to cancellation or modification of any stipulated insurance. The insurance provided shall be endorsed or amended to comply with this notice requirement.
