

**CITY OF FORT LAUDERDALE
City Commission Agenda Memo
REGULAR MEETING**

#18-0117

TO: Honorable Mayor & Members of the
Fort Lauderdale City Commission

FROM: Lee R. Feldman, ICMA-CM, City Manager

DATE: February 6, 2018

TITLE: Motion to Approve an Event Agreement with Multirace, LLC for the Las
Olas International Triathlon

Recommendation

It is recommended that the City Commission approve an event agreement and related road closures with Multirace, LLC and authorize execution of the agreement by the City Manager. If the Commission is in agreement with the applicant's request for extended road closure hours, a separate motion authorizing the extended closure that is time certain should be made.

Background

City staff has been working closely with the event organizer regarding event topics, such as logistics, maintenance, and security as detailed below. The Police Department recommends approval of the closing of the City streets where appropriate, and event parking has been satisfactorily arranged. When applicable, amplified music was discussed and event organizers were advised of the noise ordinance and possible concerns.

The organizer will pay for all event costs and submit the required certificates of insurance. The event organizer will also secure all other necessary permits and licenses that are required from other agencies. Civic and merchant associations have been notified as appropriate regarding events in their areas. Specific event details are included in each event application as attached.

Where applicable, the City Commission authorizes amplified music for the events listed below.

Authorization for the execution of the event agreement is contingent upon the City Attorney's Office receiving and approving a validly executed agreement.

Effective October 1, 2015 the City began enforcing the noise requirements outlined in Exhibit 1. These new restrictions require all outdoor events that block streets anywhere on the Barrier Island must have all streets open no later than 10:00 am.
