FOUR SEASONS PRIVATE RESIDENCES FORT LAUDERDALE

With Fort Lauderdale rapidly becoming a global destination attracting interest from around the world, Miami-based developer Fort Partners has chosen a prime beachfront parcel near Las Olas Boulevard to develop Four Seasons Private Residences Fort Lauderdale. The development is the third in Fort Partners' Fort Portfolio in South Florida, which also includes Four Seasons Hotel and Private Residences at The Surf Club and Four Seasons Resort Palm Beach.

The property features 90 one- to four-bedroom residences with floor plans from 780 square feet to 6,000 square feet, in either unfurnished, "decorated" or international design. The Ashi, includes The Brudnicki and Ashi, each a home for Owners.

Fort Lauderdale is the first of its kind in the city, the no. 1 in the world as the yacht point from and A

portation and now the Brightline high-speed rail service linking Palm Beach with Fort Lauderdale and Miami, Fort Lauderdale has become a hub in its own right," said Louise Sunshine, strategic advisor for Fort Partners. "Already one of the cruise capitals of the world, we have reached a critical mass of culture, nightlife, restaurants and shopping."

"Bringing one of the most comprehensive retrospectives of an artist's work to Fort Lauderdale is yet another illustration of how this growing city has become a true cultural hub....The partnership will fuse art and luxury lifestyle to create a stronger sense of culture in the area."
