

**CITY OF FORT LAUDERDALE
City Commission Agenda Memo
REGULAR MEETING**

#18-0181

TO: Honorable Mayor & Members of the
Fort Lauderdale City Commission

FROM: Lee R. Feldman, ICMA-CM, City Manager

DATE: March 6, 2018

TITLE: Motion to Approve the Ranking of Firms, Negotiated Fee Schedule and
Contract Award for Design of Downtown Mobility Hub Streetscape
Improvements – Kimley-Horn and Associates, Inc. – \$370,500 (estimated
three-year total)

Recommendation

It is recommended that the City Commission approve the ranking of firms and award a three-year contract, in substantially the form attached, to Kimley-Horn and Associates, Inc. for the design of the Downtown Mobility Hub Streetscape Improvements at an estimated cost of \$370,500; and authorize the City Manager to approve two, one-year renewal options.

Background

The City of Fort Lauderdale (City) solicited and evaluated proposals, and negotiated rates with the selected and qualified engineering consultant firm to design the Downtown Mobility Hub. The design includes physical improvements to achieve a high quality user experience, seamless mobility and mode transfer, walkability and bike ability, and to incorporate transit oriented development.

The City is a sub-recipient of a grant in the amount of \$3.5 million from the Broward Metropolitan Planning Organization (BMPO) to provide design and construction of streetscape improvements in the Downtown Fort Lauderdale Mobility Hub. Streetscape improvements will enhance pedestrian and bicycle connectivity along with mass transit services that facilitate ease of movement throughout the four-block project area. This grant does not require matching funds from the City. The design schedule will be expedited in order to meet the sub-recipient agreement requirements.

The background of the solicitation process includes the following:

- On December 16, 2017, the Procurement Services Division issued Request for Qualifications (RFQ) No. 12095-286 - Engineering Consultant Services-Downtown Mobility Hub.

- On January 16, 2018, the RFQ closed with the three firms below submitting proposals:
 - Keith and Associates, Inc.
 - Kimley-Horn and Associates, Inc.
 - Marlin Engineering, Inc.
- On January 19, 2018, the following three firms were shortlisted:
 - Marlin Engineering, Inc.
 - Kimley-Horn and Associates, Inc.
 - Keith and Associates, Inc.
- On February 2, 2018, presentations were held with the shortlisted firms and the three firms were ranked as follows:
 - Kimley-Horn and Associates, Inc.
 - Keith and Associates, Inc.
 - Marlin Engineering, Inc.

Negotiations have been completed and staff recommends award to Kimley-Horn and Associates, Inc. at the hourly rates identified in Exhibit B of the contract (Exhibit 1).

Resource Impact

There will be a current fiscal year impact to the City in the amount of \$370,500 for the contract award.
