Communication to the City Commission

Motion made by Chair Reynolds, seconded by Mr. Stresau, to ask the City to provide a written clarification of the new voting policy that required: 1. Passage of a motion “to deny” in order to deny a request (not just the failure of a motion “to approve;” 2. That both a motion “to approve” and a motion “to deny” must have a supermajority in order to pass; 3. To address the situation of when there was no supermajority for an approval and there was no supermajority for a denial. In a voice vote, motion passed unanimously.
