All Participant records with respect to any matters covered by this Agreement shall be made available to the City, grantor agency, and the Comptroller General of the United States or any of their authorized representatives, at any time during normal business hours, as often as deemed necessary, to audit, examine, and make excerpts or transcripts of all relevant data. Any deficiencies noted in audit reports must be fully cleared by the Participant within thirty (30) days after receipt by the Participant. Failure of the Participant to comply with the above audit requirements will constitute a violation of this Agreement and may result in the withholding of future payments and termination of the Agreement. Participant should pay special attention to:

1. Mandatory Disclosures 200.113
2. Conflict of interest 200.112
3. Internal Controls 200.303
4. Risk Management 200.331
5. Credit or Discount 200.406
6. Required Certifications 200.415
7. Cost Principles 200.43
8. Improper Payments 200.53

Participant will be required to adhere to 2 C.F.R. 200 and update their policy and procedures accordingly. These policies will be reexamined during the required annual monitoring.

10. Paragraph 16.2 add:

Participant must comply with U.S. Department of Labor changes to the Fair Labor Standards Act (FLSA). The Act outlines the rules for overtime eligibility and overtime pay. The new FLSA regulations are effective on December 1, 2016. Please refer to:

- <https://www.dol.gov/whd/flsa/>
- <https://www.dol.gov/whd/overtime/final2016/nonprofit-guidance.pdf>

The Participant who is unable to provide proper documentation with the FLSA requirements will be issued a finding(s). Furthermore, the Project Sponsor may be subject to recapture of funds by the City of Fort Lauderdale (COFL) and the COFL may not approve further reimbursements until the participant fulfils the requirement.

11. Paragraph 16.3 add:

Program Income

According to 2 CFR 200.307 program income is "gross income earned by a recipient that is directly generated by a sponsored activity or earned as a result of the award." While there are four ways to account for program income, HOPWA grant agreements require that grantees and project sponsors commit program income to the grant in accordance with the addition method as provided in 2 CFR 200.307(e)(2). Under the addition method, program income funds are added to the funds committed to the project by the federal agency or its grantee and used to further eligible project or program objectives.

As such, program income must be added to the grantee and project sponsor's total HOPWA budgets. The total HOPWA-eligible expenses can include reasonable depreciation costs on project property, including real estate or other fixed assets (subject to the requirements of 2 CFR 200.426). To the extent available, the grantee or project sponsor must spend funds available from program income before drawing down grant funds (2 CFR 200.305(b)(5)).

The Participant is responsible for certifying and entering the household's income in Provide Enterprise to determine the client's portion of the rent. The monthly aggregate client portion will be subtracted from each submitted monthly invoice
