

STREET CLOSURE APPLICATION

Including: Traffic Planning Manual
Attachment: Governing Ordinance G-89-13, Section 40-45
and Application Guidelines

Qualifications: Requested street modification is in a neighborhood not located with a designated Master Plan neighborhood.

1. Name of Residential Neighborhood:

LAUDERDALE BEACH

2. Required Map(s) To Be Attached*

A map clearly identifying boundaries of the residential neighborhood, indicating the streets, road, alleys, and other rights-of-way within the defined boundaries of the residential neighborhood.

3. Justification of Street Closure

List and explain problems experienced in the neighborhood which can be solved through a street closure. Include perceptions residents have concerning the traffic problems and specific examples, where applicable.

HUNDREDS OF WALKERS, CYCLERS AND STROLLERS MUST SHARE N. ATLANTIC BLVD WITH CARS AND TRUCKS AS THE STREET HAS NO SIDEWALKS. N. ATLANTIC BLVD IS THE DE-FACTO BEACH PROMENADE FOR ALL RESIDENTS OF THE CITY. CLOSURE OF N. ATLANTIC BLVD AT NE 23RD ST, IN TANDEM WITH THE CURRENT CLOSURE AT OAKLAND PK BLVD WILL GREATLY IMPROVE PEDESTRIAN SAFETY ON THE ENTIRE LENGTH OF N. ATLANTIC BLVD.

4. Streets to Be Closed

If applicable, use the map from 2 to identify the local streets proposed to be closed; otherwise indicate below the names and locations of the streets to be closed:

N. ATLANTIC BLVD AT NE 23RD STREET

5. Method of Street Closure

Read Traffic Planning Manual and choose the desired traffic control measure. Identify any right-of-way acquisition that may be necessary including ownership of the property to be acquired.

FULL CLOSURE OF N. ATLANTIC BLVD USING A CUL-DE-SAC OR WHATEVER MEANS THE CITY DETERMINES IS BEST (THE EAST HALF OF N. ATLANTIC BLVD AT NE 23RD ST IS ALREADY CLOSED TO TRAFFIC) WE PREFER A "CUT-OUT" BE MAINTAINED TO
