REGULAR MEETING**

#18-0289

TO: Honorable Mayor & Members of the
Fort Lauderdale City Commission

FROM: Lee R. Feldman, ICMA-CM, City Manager

DATE: April 17, 2018

TITLE: Ordinance Amending Section 25-174 of the Code of Ordinances of the
City of Fort Lauderdale to Amend the Department Responsible for Road
Closure Procedures

Recommendation

It is recommended that the City Commission approve an ordinance amending Section 25-174 by changing the department responsible for road closure procedures from the Public Works Department to the Transportation and Mobility Department.

Background

Currently Chapter 25, Section 25-174 of the City of Fort Lauderdale Code of Ordinances identifies the Public Works Department as the department responsible for the evaluation and preparation of a report in consideration of applications received for proposed street closures within the City of Fort Lauderdale.

In 2011 when the City underwent a reorganization of its departments, Section 25-174 was not updated with the change in responsibility for residential street closures from the Public Works Department to the Transportation and Mobility Department (see Exhibit 1).
