This Agreement is entered into by and between the City of Fort Lauderdale, hereinafter referred to as the "Employer" or "City" and the Teamsters Local Union No. 769, Affiliated with International Brotherhood of Teamsters, hereinafter referred to as the "Union". It is the intent and purpose of this Agreement to assure sound and mutually beneficial working and economic relationships between the parties hereto, to provide an orderly, prompt and peaceful means of resolving disputes involving interpretation or application of this Agreement, and to set forth herein basic and full agreement between the parties concerning wages, hours, and terms and conditions of employment. It is acknowledged that during the negotiations which resulted in this Agreement, the parties agreed that all full-time permanent employees of the City who are included in the collective bargaining unit shall be covered either by Civil Service or an executed collective bargaining agreement, but not both. Furthermore, the Union agreed that all past practices were subject to negotiation and that each party had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter contained in the Civil Service Rules and Regulations of the City of Fort Lauderdale. It is understood that the City of Fort Lauderdale is engaged in furnishing essential public services which vitally affect the health, safety, comfort and general well-being of the public and both parties hereto recognize the need for continuous and reliable service to the public.

**Agreement Between City of Fort Lauderdale and  
Teamsters Local Union 769  
October 1, 2016 through September 30, 2019**

preferences as provided for in this Agreement. Seniority standing shall be based on an employee's continuous, uninterrupted full-time employment in a permanent position with the City, division, department, or within a classification.

Section 1.2 City Seniority - Each employee will have seniority standing in the City equal to the employee's total, continuous, uninterrupted permanent, full-time service with the City of Fort Lauderdale, dating from the employee's most recent date of such employment.

Section 2.1 Classification Seniority - Each employee will have seniority standing within the employee's current classification equal to that employee's total, continuous, uninterrupted full-time service in said classification within a division or a department dating from the employee's most recent date of employment in that classification. Service in any temporary assignment outside such classification shall be included as such full-time service in said classification.

Section 3.1 Departmental Seniority - Each employee will have seniority standing in the department equal to the employee's total, continuous, uninterrupted full time service within a given department dating from the employee's most recent date of such employment in the department. If an employee is involuntarily transferred from one department to another, the employee's Departmental Seniority shall equal the employee's total, continuous, full-time service in the City. If an employee voluntarily transfers or is promoted from one department to another, after one year, the employee's Departmental Seniority shall equal the employee's total, continuous, full-time service in the City. If an employee moves from one department to another department, the employee's accrued Departmental Seniority in the previous department will cease to accumulate on the date of the transfer and/or promotion. An employee affected by Article 18, "Layoff and Recall", shall have Departmental Seniority as described in this Section.

Section 4.1 Divisional Seniority - Each employee will be assigned a "home" division and will have seniority standing in that division equal to the employee's total, continuous, uninterrupted full-time service within that given division dating from the employee's most recent date of employment within the division. However, if an employee has been employed in the division for more than one (1) year, the employee's Divisional Seniority shall equal the employee's total, continuous, full-time service with the City. If an employee is permanently transferred to another division, the employee's accrued Divisional Seniority in the previous division will remain in effect, but will cease to accumulate effective on the date of the transfer. Seniority in the new division will date from the time the employee entered the new division. If the employee is retained in the new division for one (1) year, accrued seniority in the previous division will cease and the employee's seniority in the new division shall be based on the total, continuous, full-time service with the City dating, from the employee's most recent date of employment. An employee affected by Article 18, "Layoff/Recall", shall have Divisional Seniority as described in such Article.

Section 5.1 A new employee who is in the Bargaining Unit shall be considered to be on probation until completion of two hundred fifty (250) actual workdays on the job or twelve (12) months, whichever is greater, during which time the City will have the right to dismiss or retain the employee at its sole, non-arbitrable discretion. During the probationary period, the employee shall not accrue any rights except those contained in this Agreement. Upon expiration of the probationary period, the employee shall be deemed a regular employee and his/her seniority shall date back to his/her date of hire in the permanent position.

**Agreement Between City of Fort Lauderdale and  
Teamsters Local Union 769  
October 1, 2016 through September 30, 2019**

Section 5.2 A promoted employee or an employee who is laterally appointed to a classification in which he/she has not served a probationary period shall be considered to be on probation until completion of one hundred twenty-five (125) actual workdays on the job or six (6) months, whichever is greater. If the employee is unable to perform the work available, the employee will be assigned to fill a vacancy within the job classification previously held within the division or department. If no such vacancy exists, the promoted employee shall displace the employee with the least Classification Seniority in that classification previously held within the division or department. The rights of such displaced employee shall be in accordance with the layoff and recall procedure.

Section 6. Loss of Seniority - An employee's seniority and employment shall terminate when an employee:

- 6.1 voluntarily resigns;
- 6.2 retires;
- 6.3 is discharged;
- 6.4 is absent for three (3) consecutive working days without authorization;
- 6.5 has not worked for the City two (2) years after layoff;
- 6.6 fails to return from an authorized leave of absence within three (3) working days after the date the authorized leave expires;
- 6.7 fails to respond within seven (7) calendar days after the date of service of a certified letter recalling the employee to work;
- 6.8 has not worked for the City for a period of two (2) years;
- 6.9 has been granted a pension disability

Section 7. Adjustment of Seniority - Seniority shall continue to accumulate during periods of paid leave of absence or, in the case of an "on-the-job" injury, during the period an employee receives Workers' Compensation benefits, but in no event more than two (2) years. The seniority of an employee who is on leave of absence without pay shall accumulate only for the first fifteen (15) days of such leave. Seniority shall not accumulate thereafter until the date on which the employee returns to full-time employment in the Bargaining Unit following such leave.

Section 8. Whenever seniority is used for determining comparative status between two (2) or more employees and a tie exists, City Seniority shall decide. If a tie still exists, the status shall be determined by "lot".

Section 9. In the event a full-time, confidential, management, professional, or supervisory employee is laid off, demoted, or does not successfully complete his/her probationary period in the promoted classification, the employee shall have the right to return to the last permanently held classification based upon his/her seniority standing. All other full-time permanent non-bargaining unit employees shall have the right to return to the last permanently held classification based upon seniority standing in the event such employee does not successfully complete his/her probationary period in the promoted classification or is subsequently demoted. In the event that such a roll-back causes the bumping of a less senior employee in the lower rank, that employee shall be processed in accordance with the layoff provision of Article 18, Layoff/Recall.

**Agreement Between City of Fort Lauderdale and  
Teamsters Local Union 769  
October 1, 2016 through September 30, 2019**

Section 10.1 Unless otherwise modified by the City and Union, Public Safety Aides in the Police Department shall exercise shift and vacation pick solely on the basis of the most recent date of continuous full-time service in the Police Department. The employee with the greater length of such service shall have first pick; the employee with the second greater length of such service shall have second pick, etc.

Section 10.2 At the time of the annual shift pick, Public Safety Aides will be allowed to select district assignments. District selections will be based upon employee preference and continuous full-time service in the Police Department.

Section 10.3 In addition, during the period of the annual shift pick, employees will be allowed to select days off. The selection of days off will be based upon employee preference and full-time continuous service in the Police Department.

Section 10.4 The annual selections outlined in this section shall not apply to probationary Public Safety Aides. Following successful completion of their probationary period, employees shall be eligible to participate in the next annual selections as outlined in this agreement.

Section 10.5 In recognition of the City's right to determine the mission of the Police Department, the Union agrees that it is the City's sole right to determine the number of personnel allocated to any particular shift, district, days off, or assignment, and to alter the composition and hours of any shifts, districts, or assignments when it is in the Police Department's best interest to do so.

Section 10.6 Because Public Safety Aides are essential to the community-policing program, the Police Department reserves the right to make assignments based on operational needs.

Section 11.1 Unless otherwise modified by the City and Union, Ocean Rescue Lifeguards in the Fire Department shall exercise vacation pick solely on the basis of the most recent date of continuous full-time service in the Ocean Rescue Division. The employee with the greater length of such service shall have first pick; the employee with the second greater length of such service shall have second pick, etc.

Section 11.2 At the time of the annual tower pick, Ocean Rescue Lifeguards will be allowed to select tower assignments. Tower selections will be based upon employee preference and continuous full-time service in the Ocean Rescue Division.

Section 11.3 In recognition of the City's right to determine the mission of the Fire Department, the Union agrees that it is the City's sole right to determine the number of personnel allocated to any particular shift, tower, days off, or assignment, and to alter the composition and hours of any shifts, towers, or assignments when it is in the Fire Department's best interest to do so.

Section 11.4 Because Ocean Rescue Lifeguards are essential to the community public safety program, the Fire Department reserves the right to make assignments based on operational needs.

Section 12. All other Bargaining Unit employees shall exercise annual shift where applicable and vacation pick on the basis of Departmental Seniority.

## **ARTICLE 17 – UNION VISITATION**

Section 1. Where it is reasonable and necessary for an Agent of the Union other than an employee on the shift to enter the City's property or buildings to investigate a previously filed grievance or to conduct other Union business, such Agent shall arrange a mutually agreeable date, time and procedure with the appropriate City official for such visit and shall notify the Human Resources Director or designee of such arrangements. The agent may process grievances at Step 3 and Step 4 or process a grievance of the Chief Steward.

## **ARTICLE 18 - LAYOFF/RECALL**

Section 1. When the City determines that a layoff is necessary within any department, the department head shall determine which positions in the department are to be eliminated and the employees within the department will be laid off by classification in inverse order of seniority as designated below.

Section 2. Employees affected by layoff who have the requisite seniority, skill, and ability shall bump laterally or downward under the following conditions:

- A. The affected employee must have the requisite skill and ability to perform the work available. Determination of the ability to perform the work available shall be made by the Director of Human Resources. An employee shall have the right to grieve such determination.
- B. Employees in non-exam positions will have placement rights only to non-exam positions. Employees in exam positions will have placement rights to exam and non-exam positions, in accordance with the classification series referenced in Appendix I.
- C. Employees will not have placement rights to positions higher than their regularly assigned classification's pay range.

Section 3. Bumping and layoff procedures shall be in the following manner:

- A. When an employee is affected by layoff, the employee shall bump laterally or downward into the next lower classification covered by this Agreement within the classification series within the department, provided the employee has more Departmental Seniority than the employee with the least Departmental Seniority in that classification. If such a bump is not available, the employee shall bump into any other lower classification covered by this Agreement in the same classification series within the department using the same procedure.
- B. If the affected employee, due to lack of seniority or ability to perform the work, is unable under Section 3 (A) above to bump into a lateral or lower classification, the employee shall bump laterally or downward into any classification previously held in the department covered by this Agreement using the seniority procedure specified in (A) above. If such a bump is not available, the employee shall bump

**Agreement Between City of Fort Lauderdale and  
Teamsters Local Union 769  
October 1, 2016 through September 30, 2019**

into any lower level classification covered by this Agreement in the department and classification series of the position previously held using the same procedure.

- C. If the affected employee is unable under Section 3 (A) and (B) above to bump into a position, he/she shall be assigned to any Bargaining Unit position vacancy which is the same or less than the employee's regularly assigned classification pay range.

When there are no remaining authorized vacancies, any remaining displaced employee shall replace the employee with the least City Seniority then working in any Bargaining Unit position which is the same or less than the employee's regularly assigned classification pay range. The replacing employees shall be paid in accordance with the provisions of Sections 5.1 and 5.2.

- D. A displaced employee shall be assigned to a vacant position in the classification before bumping an incumbent employee from that classification. If the employee declines to accept the assignment, the employee shall be immediately placed on layoff.
- E. Employees exercising bumping privileges shall be given up to twenty (20) working days to prove their ability to perform the work available. In the event an employee is unable to perform the work available, the employee will be laid off.
- F. If an employee is displaced into a position in a classification or classification series which he/she has not previously held, he/she must successfully complete the probationary period for that classification.

**Section 4.** An employee shall be given fourteen (14) calendar days notice of layoff. A copy of such notice shall be forwarded to the Union's official address. The seniority of an employee on layoff shall be frozen as of the date of layoff and shall begin again on the date the employee returns to work.

**Section 5.1** When, as a result of a reduction of force as provided in Section 2, an employee is assigned to a position within the "home" department with a lower pay range, the employee's rate of pay shall be maintained without reduction for thirteen (13) pay periods. Thereafter, the employee shall be paid the appropriate rate of pay which is closest to his/her present rate of pay. However, if such employee has eight (8) or more years of service as of the date of reassignment in the employee's "home" department and the employee's current rate of pay is higher than the maximum of the range for the position to which assigned, the employee's current rate of pay shall be maintained for twenty-six (26) pay periods. Thereafter, the employee shall be placed at the maximum of the appropriate pay range.

**Section 5.2** A displaced employee assigned to a position in another department shall be paid in the appropriate pay range at the rate of pay which is closest to his/her present rate of pay.

**Section 6.** A displaced or laid off employee shall be placed on a recall list by department classification series in the inverse order of City Seniority.

**Agreement Between City of Fort Lauderdale and  
Teamsters Local Union 769  
October 1, 2016 through September 30, 2019**

- A. Employees on such recall lists shall have the rights to a position in a classification within the department from which they were displaced or laid off or to any lower level classification in the same classification series in the department provided they have the ability to perform the work available.
- B. Such recall list will remain in effect for a displaced or laid off employee for a period of one (1) year after the effective date of the displacement or layoff.
- C. In the event an employee on a recall list refuses an offer of employment in a lower classification for which the employee has seniority rights, the employee shall forfeit recall rights to such classification; if the employee refuses an offer of employment in the classification from which the employee was initially laid off, the employee shall forfeit all recall rights.

Section 7.1 When an employee is laid off, such employee may request consideration to replace a temporary employee outside the Bargaining Unit then working in a lateral or lower level classification. Such request shall be granted provided the laid off employee has, at the time, the ability to perform the work. If the laid off employee is assigned to such temporary position, the employee will continue to maintain the status of employee on layoff but will be paid the rate of pay and benefits established for the temporary position.

Section 7.2 Any employee on layoff status shall have the rights, benefits and status as provided in this Agreement restored when recalled to work and shall remain a member of the Bargaining Unit.

Section 7.3 An employee on authorized leave at the time the layoff is implemented shall retain rights as provided in this Article during such leave, but for not more than thirty (30) calendar days. If such employee is off for more than thirty (30) calendar days and is unable to report to work when recalled by the City or is unable to perform the work available, the employee shall be considered to be on temporary leave.

Section 7.4 If an employee is unable to return to work when recalled because of physical or mental illness but subsequently recovers prior to one (1) year following the day of layoff, at that time the employee shall be permitted on the basis of City Seniority to replace the employee with the least City Seniority then working anywhere in the City, provided the laid off employee has the ability to perform the work available. The replacing employee shall be paid in accordance with Sections 5.1 and 5.2. If the employee is unable to return to work when recalled because of physical or mental disability, the employee shall retain all rights provided under the Employee's Pension Plan or under the law.

Section 8. Upon recall as provided in Section 7.1, an employee shall be restored to at least the employee's former rate of pay in the appropriate pay range if returned to the employee's former classification. If the employee is recalled to the department in a different position, the employee shall be paid in the appropriate pay range at the rate of pay that is closest to the former rate of pay.

Section 9. A probationary employee with less than one (1) year of City service will be laid off before any permanent, full-time employee with established seniority, provided that such employee with seniority has, at the time, the ability to perform the work available.

**Agreement Between City of Fort Lauderdale and  
Teamsters Local Union 769  
October 1, 2016 through September 30, 2019**

Section 10. An employee on layoff may continue enrollment in the current comprehensive health care program provided the employee pays the entire monthly premium in advance without contribution by the City of Fort Lauderdale for up to eighteen (18) months following date of layoff.

Section 11. When a department head has determined that any employee is to be laid off in accordance with the provisions of Section 1 of this Article, the City will, to the best of its ability, notify the Union representation of the name, department, classification, City and Departmental Seniority, and disposition of the affected employee prior to implementing such layoff.

Section 12. In the event an employee is laid off due to subcontracting, and the employee has five (5) or more years of service, and accepts a position in another classification in accordance with this Article, the employee shall be given two (2) weeks training in the job.

**ARTICLE 19 - GRIEVANCE PROCEDURE**

Section 1. A grievance is defined as a dispute between the City and one (1) or more of its employees concerning the interpretation or application of or compliance with this Agreement, including disputes regarding discipline.

Section 2. Should a grievance arise, there shall be an earnest effort on the part of the parties to settle such grievance promptly. Grievances involving discipline shall follow the procedure established in Article 21.

Step 1. An employee shall present and attempt to resolve any grievance with the immediate supervisor. A Union steward may be present if so requested. Discussion will be informal for the purpose of settling the dispute in the simplest and most direct manner. The decision of the immediate supervisor shall be given orally to the employee no later than ten (10) working days after the discussion.

Step 2. If the grievance has not been resolved to the satisfaction of the employee at Step 1, the grievance may be reduced to writing on the regular grievance form, signed by the employee and presented to the employee's division head or designee not later than ten (10) working days after the immediate supervisor's response was rendered at Step 1. If the grievance involves more than one (1) employee, the Union will identify by name all of the aggrieved employees prior to proceeding to Step 3. Any resolution of the grievance shall be limited to those employees who have been named or designated on the grievance form. The division head or designee shall conduct a meeting with the affected employee(s) and/or Union steward within ten (10) working days of receipt of the grievance and shall reply to the affected employee(s) and the Union steward, in writing, of the decision within ten (10) working days after the close of the meeting.

Step 3. If the grievance is not settled to the satisfaction of the employee(s) at Step 2, the decision may be appealed by presenting the written grievance to the employee's department head or designee not later than ten (10) working days after receipt of the division head's decision at Step 2. The department head or designee shall conduct a meeting with the affected employee(s) and/or Union representative within ten (10) days of receipt of appeal. The

**Agreement Between City of Fort Lauderdale and  
Teamsters Local Union 769

department head or designee shall render a written decision within ten (10) working days following the close of the meeting and shall provide a copy of the decision to the Union.

**Step 4.** If the grievance is not resolved to the satisfaction of the employees at Step 3, the decision may be appealed to the Human Resources Director or designee not later than ten (10) working days after receipt of the Step 3 decision. The Human Resources Director or designee shall meet with the affected employee(s) and/or the Union representative within ten (10) working days following receipt of the grievance and shall reply in writing within ten (10) working days following the close of the meeting.

- A. The City and the Union hereby agree that this procedure and the arbitration procedure set forth in Article 20 shall be the sole and exclusive method for interpreting and enforcing this Agreement. Except as otherwise provided herein, the Union shall have the exclusive right to represent all employees and to control the submission of grievances to arbitration subject to applicable law. In accordance with its obligation to fairly represent employees, the Union shall be authorized to withdraw, abandon, settle, or refuse to accept any grievance at any time.
- B. For the limited purpose of this Article, a working day shall be from 8:00 a.m. to 5:00 p.m., Monday through Friday, exclusive of holidays observed by the City.
- C. The time limits set forth above are to be strictly adhered to but may be lengthened or shortened by mutual agreement in writing.
- D. Representatives of the City and the Union shall acknowledge receipt of grievances by signing and dating the form when presented or received.
- E. Any grievance not advanced by the employees to the next higher step within the time limits provided shall be deemed permanently withdrawn and as having been settled on the basis of the answer most recently given. A grievance not answered by the City within the time limits provided shall be automatically advanced to the next higher level within this Article.
- F. No action or matter shall be considered the subject of a grievance unless a written complaint is made within twenty (20) working days of its occurrence or within twenty (20) working days from the time the aggrieved employees became aware or by use of reasonable diligence should have become aware of the cause for complaint. The City shall not be subject to any liability for any period more than twenty (20) days prior to the date the grievance was filed in writing.
- G. A Union Steward shall be permitted to confer with the appropriate supervisor and/or division head under the circumstances defined in Steps 1 and 2 above without loss of pay provided that the City may discontinue payment for such time in case of abuse by the Union representative. A Union steward shall report to the immediate supervisor when stopping work to process a grievance as requested by an employees and shall report back to the supervisor when ready to resume work. If the steward represents more than one (1) location and is required to leave the regular work place to process a grievance, the steward shall report to the immediate supervisor when stopping work, to the appropriate supervisor when arriving at the work place of the affected employees and to the steward's immediate supervisor when ready to resume work. If a grievance involves more than one (1) employee, such employees shall designate not more than two (2)

**Agreement Between City of Fort Lauderdale and  
Teamsters Local Union 769  
October 1, 2016 through September 30, 2019**

employees to represent the group and, with the steward, shall be permitted to confer with the supervisor or division head in steps 1 and 2 as provided above. An aggrieved employee will be permitted to confer with representatives of City management as provided in the grievance procedure without loss of pay provided that the City may discontinue payment for such time if this privilege is abused.

- H. In the event that the grievance involves a group of employees who do not have the same immediate supervisor, the grievance shall first be presented to their division head as indicated in Step 2 of this procedure. The subsequent steps of the grievance procedure as outlined in this Article shall then apply.
- I. In the event that the grievance involves a group of employees who do not have the same division head, the procedure shall start with Step 3.
- J. In the event that the grievance involves a group of employees that do not have the same department head, the procedure shall start with Step 4.
- K. The Union shall have the right to file grievances in the fourth step of the grievance procedure in any non-disciplinary matter involving the interpretation or application of this Agreement, provided, however, that this right shall be strictly limited to those matters where the Union can factually demonstrate:
  - (1) that the matter is covered by a provision of the Agreement; and
  - (2) that the matter involves the interpretation or application of that provision; and
  - (3) the grievance does not seek to add to or subtract from any provision of the Agreement; and
  - (4) the subject matter of the grievance is general in nature, having application to a majority of the members of the unit.

Section 3. If the grievance has not been satisfactorily resolved under this procedure, the Union may proceed to arbitration as set forth in Article 20, Arbitration, provided that unless the Union has refused to represent the employee solely because he is not a member of the Union, the Union shall control the processing, withdrawal or prosecution of the arbitration.

Section 4. Any employee charged with the commission of a crime who pleads nolo contendere, or whose adjudication is withheld shall be considered as having plead guilty.

Section 5. Mediation

- 1. Based upon mutual consent of the parties, the City and the Union may submit specific grievances to mediation prior to proceeding to Arbitration as provided in Article 20.
- 2. The recommendation of the Mediator will be binding on the parties only if the City and Union both concur with the findings. Either the City or the Union may reject the mediator's recommended solution and proceed to arbitration.

**Agreement Between City of Fort Lauderdale and  
Teamsters Local Union 769  
October 1, 2016 through September 30, 2019**

3. The costs, if any, for mediation, will be shared equally by the parties to this agreement.

**ARTICLE 20 - ARBITRATION**

Section 1. A request for arbitration shall be made by the Union within ten (10) working days after the final answer of the City at Step 4 of the grievance procedure. If no timely request for arbitration is received within ten (10) working days, the grievance will be considered by all parties to have been withdrawn and settled based on the City's final answer.

Section 2. Within ten (10) days of the request for arbitration, the Union, at its own expense, will request a panel of not less than seven (7) choices from Federal Mediation and Conciliation Service (FMCS). Failure to timely request a panel will be considered a dismissal of the grievance with prejudice. In the event that either party, before any striking of names occurs, feels that the panel is unsatisfactory, that party shall have the right to request one (1) additional panel. The Union will be responsible for any fees associated with additional panels requested. The arbitrator shall thereafter be selected from the panel of arbitrators by alternate striking of names until one (1) name remains. The Union shall strike the first name. The parties will thereupon notify FMCS, who will notify the arbitrator of the appointment. Failure of the parties to select an arbitrator within thirty (30) days of receipt of the panel shall be considered a dismissal of the grievance with prejudice unless the delay is due to the unavailability of the City.

Section 3.0 The arbitration shall be conducted under the rules set forth in this Agreement and shall proceed as follows:

Section 3.1 Upon notification of appointment, the arbitrator shall communicate with the parties as soon as practicable to arrange for the date and place of hearing; or, if questions of material fact are not at issue, to arrange for the joint submission of stipulations of fact and relevant documentation concerning the grievance.

Section 3.2 The arbitrator shall have exclusive jurisdiction and authority to resolve grievances as defined in this Agreement. The arbitrator shall have the authority to issue subpoenas enforceable in any court of competent jurisdiction and shall administer oaths to all witnesses testifying in any proceeding.

Section 3.3 The arbitrator shall have no power to change, amend, add to, subtract from, or otherwise alter or supplement this Agreement or any part thereof or any amendment thereto.

Section 3.4 The arbitrator shall have no power to consider or rule upon any matter which is stated in the Agreement not to be subject to arbitration or which is not a grievance as defined in this Agreement or which is not covered by this Agreement.

Section 3.5 The parties agree that only evidence presented at a hearing at which both parties had the opportunity to cross examine witnesses and rebut any testimony or evidence shall be considered by the arbitrator.

Section 3.6 Upon timely notice prior to the scheduling of hearings and when mutually agreed, consolidation of one (1) or more grievances based upon similar circumstances for hearing and resolution before the same arbitrator shall be permitted.

**Agreement Between City of Fort Lauderdale and  
Teamsters Local Union 769  
October 1, 2016 through September 30, 2019**

**Section 3.7** The arbitrator shall render a decision not later than thirty (30) calendar days after the conclusion of the final hearing. The findings of the arbitrator made in accordance with the jurisdictional authority under this Agreement shall be final and binding on the parties. The arbitrator's decision shall be in writing, and shall set forth the arbitrator's findings and conclusions on the issues submitted unless otherwise agreed in writing by the parties.

**Section 3.8** Except in disciplinary cases, the party claiming misinterpretation or misapplication of this Agreement shall have the burden of proving its contention.

**Section 4.** This Agreement constitutes a contract between the parties which shall be interpreted and applied by the parties and the arbitrator in the same manner as any other contract under the laws of the State of Florida. The function and purpose of the arbitrator is to determine disputed interpretations of terms and conditions of employment actually found in the Agreement or to determine disputed facts upon which the application of the Agreement depends. The arbitrator, therefore, shall not have the authority, nor consider it the arbitrator's function, to include in the decision any issue not submitted or to so interpret or apply the Agreement so as to change what can fairly be said to have been the intent of the parties as determined by generally accepted rules of contract construction. The arbitrator shall not render any decision which, in practical or actual effect, modifies, revises, detracts from, or adds to any of the terms or provisions of this Agreement. Past practices of the parties in interpreting or applying terms of the Agreement can be relevant evidence but may not be used so as to justify or result in what is, in effect, modification (whether by addition or detracting) of the written terms of this Agreement.

**Section 5.** The costs for the services of the arbitrator shall be shared equally by the parties to this agreement. The parties shall bear the costs of their own representatives and witnesses. Either party to this Agreement desiring a transcript of the arbitration hearing shall be responsible for the cost of such transcript. If either party to this Agreement requests postponement of a previously scheduled arbitration resulting in a postponement charge, the party requesting the postponement shall pay such charge. A postponement charge resulting from a joint postponement request shall be shared equally by the parties.

**ARTICLE 21 - DISCIPLINE AND DISCHARGE**

**Section 1.** Except as provided in Article 16 of this Agreement regarding probationary employees, employees may be disciplined only for cause involving deficiencies in performance and/or deficiencies in conduct. Actions shall include the following:

1. Written Counseling
2. Written Reprimand
3. Suspension
4. Demotion
5. Discharge

A written counseling may be used to memorialize deficiencies in performance or conduct, but shall in no event be considered a disciplinary action for purposes of this Agreement. A written

**Agreement Between City of Fort Lauderdale and  
Teamsters Local Union 769  
October 1, 2016 through September 30, 2019**

counseling may be appealed within ten (10) working days after receipt only to the next level in the chain of command above the issuing authority. There shall be no further appeal.

The department head shall be the final appeal for a written reprimand. Upon being issued a written reprimand, the employee may request an appeal within ten (10) working days or the reprimand will be considered finalized. The department head has ten (10) working days to respond to such appeal.

Section 2. Whenever possible, discussions concerning disciplinary matters shall be conducted in a private manner so as not to embarrass the employee.

Section 3. When disciplinary action other than a written reprimand is taken or contemplated, the affected employee(s) shall be informed in writing prior to the time the action is taken of:

- (1) the reason for the discipline;
- (2) the specific deficiencies in performance and/or conduct and the rules or regulations that have been violated, if any;
- (3) the penalty assessed;
- (4) the effective date of the penalty; and
- (5) the time limitation on hearing date.

Section 3.1 Upon receipt of the written notice described above, the employee may request a hearing with the department head or designee and the Union representative if so requested by the employee within ten (10) working days. If the employee does not request such hearing within ten (10) working days, the hearing shall be considered waived and shall be considered an acceptance of the disciplinary action.

Section 3.2 If a written request for a hearing from the employee is received within ten (10) working days, the department head or designee shall schedule such hearing within ten (10) working days after the request is received. The employee shall have the right verbally or in writing to explain his position regarding the reasons for possible disciplinary action. At the request of the employee, the date for the hearing may be continued beyond the ten (10) working days after the request for a hearing is received.

Section 3.3 Failure of the employee to appear at such scheduled hearing shall, except for good reason, be considered a waiver of the desire for a hearing, and shall be considered an acceptance of the disciplinary action.

Section 3.4 The department head, within ten (10) working days following the close of the hearing, will submit to the City Manager a recommendation for action. In considering a disciplinary recommendation, the department head may take into account past disciplinary action, prior conduct and the employee's employment record except as provided in Article 28.

Within ten (10) working days after receipt of that recommendation, the City Manager will issue a decision in the matter in writing, a copy of which will be delivered to the employee and/or the Union representative. If the City Manager rescinds and/or modifies the disciplinary action, a loss in pay, if any, will be adjusted commensurately.

Section 3.5 If disciplinary action to suspend without pay, demote, or terminate is taken by the City Manager which the employee considers to be unwarranted, the employee may file a

**Agreement Between City of Fort Lauderdale and  
Teamsters Local Union 769  
October 1, 2016 through September 30, 2019**

grievance at Step 4 of the grievance procedure under Article 19 no later than ten (10) working days following receipt of the City Manager's decision.

Section 3.6 Any regular employee may be immediately suspended without advance notice where the giving of such notice could result in damage to the City or to private property, injury to the employee, a fellow employee, or the general public. Further the employee shall be subject to immediate termination subject to due process requirements of applicable law.

**ARTICLE 22 - BASIC WORKWEEK AND OVERTIME**

Section 1. With the exception of continuous operations and refuse collection activities, the normal workweek shall consist of five (5) consecutive eight (8) hour workdays and forty (40) hours per week which may be interrupted by an unpaid lunch period. The normal workweek shall consist of forty (40) hours, however the parties, by mutual agreement, may agree to work schedules in specific work units that may vary from the normal five (5) consecutive day, eight (8) hours per day workweek.

The normal workweek for employees covered by this Agreement who are in a continuous operation shall consist of eight (8) hours per day and forty (40) hours per week. It is understood that in continuous operations the workweek shall not necessarily consist of five (5) consecutive workdays.

For purposes of this Agreement, continuous operation is any division which operates on a seven (7) day a week, twenty-four (24) hour basis.

If the City desires to change the normal workweek, it shall provide written notice to the union of its intent. Upon receipt of the notice, the union shall have five (5) calendar days within which to request bargaining. If bargaining is requested, the parties agree to bargain over the City's proposed change for a period of no more than thirty (30) calendar days from the date of the request. If an impasse is reached, the City may implement the change within ten (10) calendar days. However, such change shall be subject to the results of the impasse resolution procedure. If no timely request for bargaining is made by the union, the City may implement the change no earlier than thirty (30) calendar days from the date of its notice.

Employees may elect to work hours, days, and workweeks pursuant to the provisions of the City's Flexible Working Arrangement initiative in accordance with its terms.

Section 2 All authorized and approved work performed in excess of forty (40) hours in any one workweek shall be considered as overtime and shall be paid (unless the employee is granted compensatory time off) at the overtime rate of one and one-half (1-1/2) times the employee's regular, hourly rate of pay. Compensatory time is time earned at one and one-half (1-1/2) times the overtime hours worked by an employee. The choice of compensatory time off or overtime pay shall be at the employee's option unless that compensatory time off would interfere with the operational needs of the department involved or there are insufficient funds to pay overtime. Accrued unused compensatory time off may not exceed forty (40) hours. Once the forty (40) hours compensatory time maximum accrual has been reached, employees required to work in excess of forty (40) hours in a designated workweek shall be paid overtime at the time and one-half rate. Accrued compensatory time must be used within six (6) months of the accrual date or shall be paid at the applicable overtime rate of pay.

**Agreement Between City of Fort Lauderdale and  
Teamsters Local Union 769  
October 1, 2016 through September 30, 2019**

Section 3 Paid sick leave or any paid leave of absence other than emergency declaration leave, is not considered hours worked for the purposes of overtime computation. Holidays, vacation, and emergency declaration leave shall be considered as time worked.

Section 4. Employees may be required to work overtime as scheduled. Overtime will be distributed equitably among employees in their particular job classification, in their organizational units, (i.e. major shop areas, department, shift, section, etc.) as far as the nature of the work permits. Although temporary imbalances in the distribution of overtime may occur, nothing in this Section shall be construed as alleviating the continuing intent of departmental management to distribute overtime fairly and equitably over an extended period of time. Departmental management will maintain overtime records and will make such information available to a Union representative upon request.

Notwithstanding the above, overtime opportunities within the Parks Department for special events (e.g. the Air & Sea Show, Tortuga, Fourth of July Celebration, the Great American Beach Party) will be made available on a first come, first served basis. Employees interested in working a special event shall request in writing that his or her name be added to the appropriate overtime list. Overtime selections will be made in the order in which the names appear on the list. However, departmental management may take into consideration any specialized knowledge, skills, abilities, or expertise needed to work the special event and may skip over names in order to select an employee with the appropriate knowledge, skills, abilities, or expertise. An employee who is selected to work a special event, but fails to report to work, will be denied the opportunity to work another special event for six (6) months.

Section 5. There shall be no split shifts.

Section 6. Pyramiding of Rates - In no event shall the overtime or premium pay provided under this Agreement be pyramided. Thus, if two (2) or more overtime or premium pay provisions are applicable to the same hours of work, only the applicable provision yielding the largest amount shall satisfy the requirements of all other pay provisions.

Section 7. An employee declining overtime shall be credited with the overtime worked by the employee accepting or assigned to the overtime for equalization purposes. Employees may be passed over in order to comply with equalization objectives. If an employee volunteers for overtime work or is mandated to work an overtime assignment, he/she must report to work as if reporting on a regularly scheduled workday. Failure to so report will result in appropriate disciplinary action.

**ARTICLE 23 - REST PERIOD**

Section 1. Employees shall be allowed one (1) necessary relief or rest period per one-half (1/2 shift (workday)) provided:

- B. The granting of the break does not adversely affect or interfere with the operation of the City or the service to the public.

**Agreement Between City of Fort Lauderdale and  
Teamsters Local Union 769  
October 1, 2016 through September 30, 2019**

Section 2. The purpose of granting the breaks is to relieve fatigue and mental strain on the job; therefore:

Section 3. The parties are aware of the divergent operational requirements of the City and that, in some instances, an employee(s) may not be granted a lunch period, while others may be permitted to eat lunch while at their workstations provided they are not performing any work during their lunch period.

**ARTICLE 25 - JOB OPPORTUNITIES**

**A. Non-Exam Classifications**

Employees may submit applications to the Human Resources Department, on a continuous basis, for classifications for which they meet the minimum qualifications. The applications will be dated and timed stamped upon receipt in the Human Resources Department and upon review and deemed qualified, the employee will be placed on a Department eligibility list. The City will maintain a continuous list of eligible candidates by seniority for each Department. The employee must be on the department's eligibility list at the time of the vacancy. The Department will then fill the vacancy as outlined below:

Section 1. If the City determines to fill a non-exam classification job, as listed in Appendix A, the first consideration shall be given to filling the job by voluntary or involuntary demotion or by lateral transfer of qualified employees within the department based on the determination of who is best qualified to perform the work.

Section 2. If not filled under #1 above, consideration shall be given to filling the job by employees who are on layoff status.

Section 3. If not filled under #1 or #2 above, the City shall first fill the vacancy as a promotion with the applicant who has the longest continuous service in the department,

**Agreement Between City of Fort Lauderdale and  
Teamsters Local Union 769  
October 1, 2016 through September 30, 2019**

providing the applicant has the ability at the time to perform the work. If the first employee on the list is not interested in this promotion, the hiring authority will continue down the Department list in sequential order until the position is filled. If an employee rejects three (3) offers of promotion, the employee's name shall be removed from the eligibility list for one (1) calendar year after which the employee may request to be placed back on the eligibility list. If all employees on the Department's eligibility list reject this opportunity, the Department will notify Human Resources via a memo to the Human Resources Director and the vacancy will be filled as outlined in Section 4 of this Article.

Section 4. In the event that there is no selection under #3 above, the City shall fill the vacancy citywide with the applicant who has the longest continuous service in the City, provided that the applicant has the ability at the time to perform the work. Applicants citywide may be in a higher class, the same class, or a lower class as the vacancy, which is filled through the citywide posting.

Section 5. To be eligible as an applicant for a voluntary demotion or lateral transfer employees must submit their request for same to the City's Human Resources Department. Employees must specify if they are requesting voluntary demotion or transfer within their department or citywide as well. The official lists of employees seeking voluntary demotions or lateral transfers will be maintained in the City's Human Resources Department and not within each given department.

Section 6. Upon promotion, the employee shall receive a five percent (5%) increase in pay, or the minimum of the pay range to which promoted, whichever is greater.

Section 7. It is agreed that every employee shall have the right to apply and be considered for any position in the classified service, but it is agreed that continuous service need not be considered in filling any position outside the Bargaining Unit or in filling exam classifications except as provided in Section B of this Article.

Section 8. An employee on unpaid or paid leave due to injury or illness may be offered the position, based on sequential order, however the employee must be able to return to full duty on the date the vacancy will be filled by the Department.

Section 9. Once an employee is promoted into a promotional non-exam position, the employee shall not be eligible for another promotion within the non-exam positions for seven (7) months.

Section 10. If an employee is promoted and the effective date of the promotion is within two (2) months of an anniversary date for Performance Evaluation purposes (where an actual pay increase is normally warranted and possible), such fact shall be taken into consideration, provided that the employee's supervisor agrees that the employee would have been rated at least satisfactory, and the promotional increase as provided above shall be adjusted by an additional three percent (3%) but not to exceed the maximum of the range to which promoted.

Section 11. The City may require the most senior bidding employee to take a practical performance test to determine ability at that time to perform the work. Further, the City may take into consideration the employee's prior work history as it relates to the responsibilities of the position sought.

**Agreement Between City of Fort Lauderdale and  
Teamsters Local Union 769  
October 1, 2016 through September 30, 2019**

Such practical performance test shall be conducted in the presence of the foreman and/or supervisor in the area of assignment. A Union representative may be permitted to observe the practical performance test only in the event that the employee to be tested requests a Union representative on the day notice of the test date is provided to the employee. The provisions of Article 10, "Time Pool", shall apply in these circumstances.

**B. Exam Classifications**

If the City determines to fill an exam classification job, such job shall be filled on the basis of relative merit and fitness. Relative merit and fitness shall be ascertained by examination and assessment activities which shall be prepared by or under the direction of the Director of Human Resources. All examination and assessment activities shall be impartial and shall relate to those matters which will fairly evaluate the capacity and fitness of applicants to discharge efficiently the duties of the position to be filled.

Section 1. Classifications requiring examinations are listed in Appendix A. New or revised classifications shall be added to the list after consultation with the Union.

Section 2. Any employee who is interested in an exam classification position may complete and submit an electronic Interest Form via the Human Resources Department online applicant tracking system. The employee will be notified by the online applicant tracking system when an announcement is posted for that job classification. The employee must apply for the posted classification within the timeframes and directions posted.

Section 3. When the City determines that a permanent vacancy exists in an exam classification, an employee on layoff status who has the qualifications for the position and who passes the examination(s) shall be appointed to the vacancy before other eligibles. An employee on layoff status shall be responsible for filing an application for each such exam classification for which the employee claims to be qualified.

Section 4. The City agrees that it will continue to post consolidated position vacancy announcements for exam classification positions. A copy of every consolidated announcement posted will be sent to the Union electronically at the time of posting. The closing date for receipt of applications for Bargaining Unit positions shall not be less than two (2) weeks from the date of posting of the initial announcement for internal postings and not less than five (5) days from the posting of the initial announcement for external postings.

Section 5. Examination Components, Appendix A lists:

- a. Classifications
- b. Types of examination or assessment activities required
- c. Weighting of examination or assessment components

The above examination components listed in Appendix A do not apply for entry-level positions or any other positions filled on a non-promotional basis.

Section 6. Unless otherwise provided within this Agreement, Eligible Lists established shall have a maximum length of two (2) years. If a list contains less than five (5) candidates who have expressed interest in appointment to any specific vacancy, the Director of Human Resources may direct that a new list be established.

**Section 7.** The promotional examination system shall include the following:

- a. If a written examination is utilized, it shall be administered to all candidates on the same date, time, and location except for continuous examinations and/or candidate pools exceeding sixty (60) and/or situations where employees are appointed either provisionally or provisionally by reallocation.
- b. Scoring of examinations shall be the responsibility of the Director of Human Resources, and appropriate scientific techniques and procedures shall be utilized.
- c. All candidates will be notified by email of their individual examination assessment results.
- d. If the assessment process includes both a written examination and Oral Panel Interview, only candidates receiving passing scores on the written examination shall be eligible to proceed to the oral panel interview step.
- e. If an Oral Panel Interview is utilized in the assessment process, the Director of Human Resources, in consultation with job content experts, shall determine the membership of three (3) rating panel members.
- f. An employee has the right to review their test paper and answer key only. Such employee must make an appointment with a designee of the Director of Human Resources and such request must be made within fourteen (14) calendar days of the date that the Eligible List is created and the candidates notified.
- g. Promotional examination scores shall be weighted in accordance with the table developed in Appendix A to determine a combined score from which a register can be established. The established weights and/or types of examinations utilized may be revised after consultation with the Union.
- h. The department head or designee shall have the right to select any candidate within the highest five (5) scores on any Eligible List.
- i. In the event that the Director of Human Resources finds that the number of persons qualified to compete in a promotional examination is five (5) or less, he/she may without further examination, certify as eligible for promotion the names of those persons qualified to the head of the department in which the vacancy exists.
- j. Each component of the promotional examination process which is scored shall be rounded to the nearest whole number, and the final rating shall be also expressed in whole numbers.
- k. Upon promotion, the employee shall receive a five percent (5%) increase in pay, or the minimum of the pay range to which promoted, whichever is greater.
- l. If an employee is promoted and the effective date of the promotion is within two (2) months of an anniversary date for Performance Evaluation purposes (where an actual pay increase is normally warranted and possible), such fact shall be taken into consideration, provided that the employee's supervisor agrees that the employee would have been rated at least satisfactory, and

**Agreement Between City of Fort Lauderdale and  
Teamsters Local Union 769  
October 1, 2016 through September 30, 2019**

the promotional increase as provided above shall be adjusted by the applicable percentage but not to exceed the maximum of the range to which promoted.

- m. The Director of Human Resources may certify to a vacancy applicants from Eligible Lists of classifications other than the classification of vacancy if, in his/her judgment, the lists are appropriate due to similar qualifications and/or examination and the same or higher classification than the classification of vacancy and there is an insufficient list for the specific classification vacancy.

**A. Scope**

Section 1. The promotional procedures established in this Article have no application for any position outside the Bargaining Unit.

Section 2. Notwithstanding the contrary provisions in this Article, bargaining unit members may apply for bargaining unit positions that are equal or lower in pay range than the range of their current position.

**B. Demotion**

Section 1. An employee seeking a voluntary demotion from one classification to another will receive a pay reduction of five percent (5%), except that under no condition shall the employee exceed the maximum of the range to which demoted. Demotion shall mean the assignment of an employee to a position in a lower classification having a lower maximum salary than the classification from which the assignment is made.

Section 2. If the employee has not served a probationary period in the classification series he/she will be entering, a probationary period of six (6) months will be required. If the employee has served a probationary period in the classification series or is returning to a classification in which he/ she formerly held status, no probationary period will be required.

Section 3. The effective date of the voluntary demotion shall become the employee's new anniversary date for merit increase consideration. If an employee is granted a voluntary demotion, and the effective date of the demotion is within two (2) months of the anniversary date for performance evaluation purposes where an actual pay increase is normally granted and possible, such fact shall be taken into consideration provided that the employee's supervisor agrees that the employee would have been rated at least satisfactory. The decrease provided in Section 1 above shall be adjusted by an additional three percent (3%) upward, but not to exceed the maximum of the range to which demoted.

**ARTICLE 26 - JOB EVALUATION**

Section 1.1 The City has the right to determine the duties and responsibilities of employees and to establish and amend job classifications. The job description for each job classification shall contain a title, definition, examples of work performed, knowledge, skills, abilities, and requirements.

Section 1.2 The City has the right to allocate an individual position to the appropriate classification on the basis of a study of job content.

**Agreement Between City of Fort Lauderdale and  
Teamsters Local Union 769  
October 1, 2016 through September 30, 2019**

Section 1.3 The City shall assign each job classification to an appropriate pay range in accordance with the job evaluation system in effect at the time of ratification.

Section 1.4 A study of an individual position may be initiated by either an employee or the City by filing a request for reclassification/Position Description Questionnaire. Any request for a study of a position must be on the basis of a change in the position's duties or responsibilities. An employee may initiate no more than one (1) request for job evaluation every twelve (12) months. An employee in a training assignment may not initiate a request for a job evaluation until after six (6) months of continuous service in the assignment. The employee shall submit the request for reclassification/Position Description Questionnaire to the immediate supervisor, who shall complete it and route it through channels to the Human Resources Department within thirty (30) calendar days.

If an employee initiates a request for a job evaluation and does not complete and forward the request for reclassification/Position Description Questionnaire to his/her supervisor within sixty (60) days, such evaluation request shall be denied.

The Human Resource Department will undertake an evaluation of the job content within three (3) months after receipt of the request for reclassification/Position Description Questionnaire. When the study is completed, the Human Resources Department will allocate the position to an appropriate classification and/or pay range, upon approval of the City Manager or designee. During the study period, the employee shall be consulted. If, after this allocation, the employee believes that the position has changed sufficiently to warrant an adjustment in classification or pay range, the employee shall notify the Director of Human Resources of the substance of the contention and describe the desired classification and/or pay range in accordance with Section 1.7. The filling of such upgraded position shall not be subject to Article 25, Job Opportunities.

Section 1.51 If, as a result of the study of a permanent position, it is determined the position shall be reallocated to a classification with a higher salary range, and the incumbent employee fully meets the requirements of the classification including any required licenses, certifications, or performance skills and abilities, the incumbent employee may be permanently appointed to the reallocated position and shall be subject to successful completion of a probationary period. This probationary period shall be for one hundred twenty-five (125) actual workdays on the job or six (6) months, whichever is greater. If the employee fails to successfully complete the probationary period, the position shall revert back to the previous classification. If the incumbent employee has not previously passed such performance skills and abilities test(s), the employee shall be tested before the recommended reallocation may become effective. This testing shall be completed as soon as possible, but no later than fourteen (14) calendar days from the date of the recommendation to reallocate the position. The position of an employee who fails to take the test shall not be reallocated. An employee who fails to qualify on the performance test(s) shall be permitted one (1) reexamination no later than fourteen (14) calendar days from the date of the first testing. If the employee fails to qualify upon reexamination, such employee's position shall not be reallocated. The employee may not be considered for reallocation to that particular higher classification for which said employee twice took and failed the examination for a six (6) month period from the date of the second testing. An employee who qualifies on the performance test(s) shall be permanently appointed to the reallocated class and shall be subject to successful completion of a probationary period.

Section 1.52 Before the completion of a reallocation to a classification with a lower salary, the incumbent employee shall be entitled to a vacant position in such incumbent's classification

**Agreement Between City of Fort Lauderdale and  
Teamsters Local Union 769  
October 1, 2016 through September 30, 2019**

prior to completion of the study or in a similar classification and to serve therein without change in status. In the event that such a transfer cannot be effected at the time of the reallocation, the incumbent employee shall be assigned to the lower classification. The incumbent, if a regular employee, shall be placed on a reallocation reinstatement list for the higher classification and shall be reinstated to any future vacancies in that classification in accordance with the procedures established in Article 18, "Layoff/Recall".

Section 1.53 When a position occupied by a regular employee is reallocated to a classification in the same salary range and with substantially the same qualification requirements, the Director of Human Resources may grant the incumbent employee status in the new classification.

Section 1.6 Upon publication of a new or revised job description for a job classification, the City shall provide the Union with such new or revised descriptions and the assigned pay range. If the Union objects to the job description and/or pay range, it may file its objections in accordance with Section 1.7.

Section 1.7 The employee or Union shall have up to twenty (20) days from notice of a position allocation decision or receipt of new or revised job descriptions to file objections in writing to the Director of Human Resources. The City agrees that it will meet within fourteen (14) days thereafter to attempt to resolve any differences. If the parties are unable to resolve such differences, the dispute may be submitted to arbitration under Article 20.

appropriate department head or his/her designee, shall have the authority to approve the reinstatement of accrued sick and/or vacation leave utilized by an injured employee.

Section 6. Employees who sustain an on the job injury are subject to the City of Fort Lauderdale's Light (Limited) Duty Return to Work Program in Chapter 6, Section 6, subsection 2 of the City of Fort Lauderdale's Policy and Standards Manual.

- A. During the specified standby hours on a non-duty day, the employee shall receive two (2) hours pay at the straight time rate.
- B. During the specified standby hours on a duty day, the employee shall receive one (1) hour pay at the straight time rate.

Section 2. A "non-duty day" shall be defined as any scheduled day off during a calendar week.

Section 3. A "duty day" shall be defined as any day during which all or a majority of an eight (8) or ten (10) hour shift is worked between the hours of 12:01 a.m. and 12:00 midnight of any given day.

Section 4. An employee who is confined to his/her home or to a fixed place shall receive one and one-half (1-1/2) times the regular rate for time spent on Stand-By.

Section 5. When an employee who is not confined to his/her home or to a fixed place is summoned to return to work during the specified standby hours, standby pay shall not be paid, but the employee shall be paid call back pay as provided in Article 50, "Call Back Pay".

Section 6. If an employee on standby status cannot be reached or fails to report to work as directed, standby pay shall not be paid and the employee shall be subject to appropriate disciplinary action. Such disciplinary action shall be subject to the grievance procedure.

**ARTICLE 50 - CALL BACK PAY**

**Agreement Between City of Fort Lauderdale and  
Teamsters Local Union 769  
October 1, 2016 through September 30, 2019**

Section 2. An employee called back to work who is on an authorized leave shall be paid at the rate of time and one-half (1-1/2) the regular rate for hours worked with a minimum of three (3) hours. Such employee shall not be charged leave for any such hours worked.

Section 3. The three (3) hour minimum call-in pay provision shall not apply in those instances in which the overtime commences two (2) or fewer hours prior to and runs continuously into the employee's regular shift or commences immediately upon termination and follows on a continuous basis with the employee's regular work shift or when the employee is called back to work to rectify his/her own error or omission. In such instances, the employee shall be compensated for the exact hours worked at the appropriate rate.

**ARTICLE 51 - MODIFICATIONS TO THE RETIREMENT SYSTEM**

Section 1. The City and the Union acknowledge that the City has enacted Chapter 20, Article IV, Division 2 of the Code of Ordinances of the City of Fort Lauderdale which provides a mandatory retirement system for General Employees; and further acknowledge that this Article is not intended to, in any way, modify any provision of that legislative enactment or to change or increase or diminish the legal rights of the City or any current member of that retirement system.

Section 2. The City and the Union acknowledge that the City's mandatory retirement system is administered, supervised and managed by a Board of Trustees accountable as fiduciaries to employee members of the retirement system. The Board of Trustees is not a party to this Agreement. The City and Union, therefore, agree that the terms of the retirement system shall not be incorporated into this Agreement and that no dispute arising from the interpretation or application of the retirement system or any decision of the Board of Trustees shall be subject to the grievance/arbitration provision of this Agreement.

Section 3. The Normal Retirement Date for Group I Members shall be fifty-five (55) years of age or thirty (30) years of service, whichever shall first occur.

Section 4. The accrued service credit rate for Group I Members, shall be three percent (3%) per year as applied against the member's average monthly earnings for all years of service for the first twenty-five (25) years and two and one-half percent (2.5%) for all years of service in excess of twenty-five (25); provided, however, the maximum benefit accrual permitted for such Group I Member shall be ninety percent (90%) of such member's average monthly earnings

Section 5. Any employee hired on or after January 21, 2004, who joins the General Employees Retirement System (GERS), must be employed for a minimum of five (5) years to be eligible for a retirement benefit.

Section 6. Service time and credit accrued in each of the City's defined benefit plans (GERS and Police and Fire Plans) shall be treated distinctly and are non-transferable. If the employee leaves the City's general service with a minimum of five (5) years of service in GERS, the employee's status in GERS when leaving the City's general service and while in the City's employ as a firefighter or police officer will be that of a terminated "vested" employee entitled to a GERS benefit structure at his normal retirement date (NRD). The employee's NRD benefit and accrual rate shall be that which is in effective date of the employee left the City's general service and became a Firefighter or Police Officer. For example, if the employee's accrual rate is 2.5% per year and his/her final average salary is calculated at \$35,000 at time of vesting in

**Agreement Between City of Fort Lauderdale and  
Teamsters Local Union 769  
October 1, 2016 through September 30, 2019**

GERS, this same accrual rate and average salary calculation will be used in calculating the GERS benefit upon reaching his/her GERS NRD.

However, if the employee leaves the City's general service prior to five (5) years of service in GERS, the employee will not be vested and will have his/her employee contributions refunded to him/her, plus interest at three percent (3%).

Section 7. An employee receiving or eligible to receive a normal retirement pension benefit from General Employees Retirement System (GERS) will not be eligible to participate in either GERS or the 401 (a) Plan during any period of re-employment with the City.

Section 8 When an employee in the Defined Contribution 401(a) Plan has participated in that plan for the same period of time it would take the employee to get to the 90% maximum accrual cap under GERS, then, at that time, the City would cease making contributions to the Defined Contribution 401(a) Plan on behalf of that employee.

Section 9. Effective October 1, 2007, new hires will be enrolled in the City sponsored Defined Contribution Plan. The City will contribute 9% of the eligible employee's earnings to the Defined Contribution Plan.

Section 10. Effective January 14, 2004, the Deferred Retirement Option Plan (DROP) will no longer be available to Group I and Group II members. Employees already in DROP will be permitted to complete any remaining DROP time.

Section 11. Any employee eligible for membership in the General Employees Retirement System hired on or after October 1, 2002 and any Group I Member who terminates membership in the General Employees Retirement System ("eligible employee"), seeking and receiving refund of all contributions at the applicable rate of interest, may elect to participate in a City sponsored Defined Contribution Plan in lieu of participating in the General Employees Retirement System. Participation for such eligible employees in either the General Employees Retirement System or the City sponsored Defined Contribution Plan is mandatory. The City will contribute 9% of the eligible employee's earnings to the Defined Contribution Plan. An eligible employee may not participate in both General Employees Retirement System and the City sponsored Defined Contribution Plan.

Section 12. Under Chapters 175 and 185, Florida Statutes, the City of Fort Lauderdale Police and Firefighters' Retirement System receives state premium tax revenues to provide "extra benefits" under that Retirement System. Under state law, the term "extra benefits" for Police and Firefighters means benefits in addition to or greater than those provided to general employees of the municipality. If, as a result of implementing any of the foregoing amendments to the General Employees Retirement System, it is actuarially determined in accordance with state standards that the benefits received by either Police or Firefighters under the City of Fort Lauderdale Police and Firefighters' Retirement System are no longer "extra benefits" within the context of Chapters 175 and 185, Florida Statutes, then the employees' contribution rate to the General Employees Retirement System shall be raised an additional one-quarter percent (.25%), from 6.0% to 6.25%. The increase in employees' contributions shall be retroactive to the event by which the Police or Firefighters were no longer receiving "extra benefits" within the context of Chapters 175 and 185, Florida Statutes. If, thereafter, the Police or Firefighter benefits increase so that they are receiving "extra benefits" beyond those of general employees,

**Agreement Between City of Fort Lauderdale and  
Teamsters Local Union 769  
October 1, 2016 through September 30, 2019**

without the additional one-quarter percent (.25%) increase in general employee contributions, then the 6.25% contribution rate shall be adjusted back to the 6.0% contribution rate-

Section 13. On July 15, 2003, the City Commission approved Ordinance No.C-03-27, which repealed the maximum age for GERS participation and permitted GERS excluded employees the option to remain in the Section 401(a) Plan or, in the alternative, to elect to join GERS on a prospective basis.

Section 14. The parties recognize the City's funding obligation to the GERS pursuant to Florida Statutes 112.63 and 112.64, as may be amended from time to time. This section however, shall not be subject to the grievance and arbitration procedures of this Agreement in Articles 19 and 20.

**ARTICLE 52 - TUITION PAYMENT PLAN**

Payment of tuition by the City of Fort Lauderdale for approved educational or training programs will be in conformance with the following:

A. The City of Fort Lauderdale will, upon approval of the appropriate department head and the Director of Human Resources or designee, pay the tuition of regular employees for eligible educational, vocational, technical, or adult training programs. An eligible program is one that, in the judgment of the Director of Human Resources, and the appropriate department head, is directly related to the employee's current position or to a related higher position and which will improve present job performance or prepare the employee for promotion. To qualify for a tuition refund, prior written approval must be obtained from the department head and the Director of Human Resources before any class work is undertaken.

B. Eligible regular employees will be entitled to a refund of tuition upon the successful completion of each approved course, based upon the following scale:

<u>Grade</u>	<u>Refund</u>
A	100%
B	75%
C	50%
D or Below	None

For an educational program, a refund shall be paid for a maximum total of 24 semester hours or 32 quarter hours in any calendar year for eligible regular employees. For a vocational, technical, or adult training program, a refund shall be paid for a maximum total of 288 classroom hours in any calendar year. If no letter grade is given by the school, either formally or informally, the refund will be based on 75% of the tuition cost for the course; however, the employee may endeavor to secure from the institution or instructor an informal letter grade if no formal letter grading system is used. For an educational program, the refund shall be based upon and shall not exceed the established credit hour rate of tuition for regular courses/programs as charged by Florida accredited public universities and colleges. Money received from grants or scholarships shall not

**Agreement Between City of Fort Lauderdale and  
Teamsters Local Union 769  
October 1, 2016 through September 30, 2019**

be reimbursable. Tuition costs for accelerated, executive, or weekend degree programs, even if taken at public university or college, will be reimbursed at the regular credit hour rate. For a vocational, technical, or adult training program, the refund shall be based upon and shall not exceed the established rate of tuition as charged by the School Board of Broward County, Division of Vocational, Technical and Adult Education. Established rates of tuition shall be those in effect at the time the course is undertaken, regardless of the fact that the employee may be attending a private institution.

C. If an employee voluntarily terminates his/her employment with the City within two (2) years after receiving tuition refund for any university or college courses; or vocational, technical or adult training programs, then the amount of tuition refund shall be immediately repaid by the employee to the City. Should an employee fail to immediately reimburse the City for the amount of such refund, the City may deduct the refund amount from any salary, wages, sick leave, vacation, or other payouts due to the employee from the City.

D. Any regular employee who is approved for attendance in any eligible educational, vocational, technical, or adult training program must pay tuition costs directly to and be accepted for enrollment by an accredited educational institution. No reimbursement will be made for textbooks, tuition differential, fees, or any other expenses. An accredited institution is defined as an institution accredited by one of the accrediting agencies or associations recognized by the U.S. Secretary of Education. Other accrediting bodies may be considered and approved on an individual basis by the Director of Human Resources. For vocational, technical, or adult education training programs, a printed outline of the course work required must be provided by the school. No course work shall be performed during working hours unless the employee's department head approves use of authorized leave with pay for this purpose.

E. Within thirty (30) days of the completion of approved course work, the employee shall present the original transcript notification, a Certificate of Satisfactory Completion or both to the Human Resources Department in order to be eligible for any tuition refund.

**ARTICLE 53 – WORK RELATED LEGAL BENEFIT**

**Section 1.** The City shall, upon the request of an employee covered by this Agreement and after notice of the suit against the employee has been given to the City Attorney or designee and by the City Manager, within five (5) days after service upon the employee, undertake the defense of that employee against any civil damage suit in which the Complainant in the suit alleges that the employee was acting within the scope and course of his/her employment and does not allege that the employee acted in bad faith, or with malicious purpose or in a manner exhibiting wanton and willful disregard of human rights, safety or property.<sup>(2)</sup>

**Section 2.** The City shall, upon the request of an employee covered by this Agreement and after notice of the suit against the employee has been timely received by the City Attorney or

designee and by the City Manager, within five (5) days after service upon the employee, undertake the defense of that employee against any civil damage suit in which the Complainant in the suit alleges that the employee was acting within the scope of his/her employment, even if the Complainant also alleges in the alternative that the employee acted in bad faith, or with malicious purpose or in a manner exhibiting wanton and willful disregard of human rights, safety or property. However, in those cases in which the City has reason to believe that there exists a substantial factual basis for the allegations in the suit of bad faith, malicious purpose or actions exhibiting wanton and willful disregard of human rights, safety or property, the employee shall be notified that he/she must provide his/her own defense at his/her own expense, and the City shall not be required to either continue or undertake the defense of the employee.

Section 3. In a civil damage suit in which a defense is provided by the City, the City will indemnify that employee against any judgments, except for punitive damages, rendered in that suit against the employee as a result of his/her actions which occurred while he/she was acting within the scope and course of his/her employment, up to the limits specified in 768.28(5), Florida Statutes, as amended.

Section 4. At any time after the City has undertaken the defense of an employee in a civil damage suit, the employee, at his/her own expense, may, with the permission of the City Manager, hire counsel of his/her choice and substitute that counsel, with the consent of the applicable court, for the counsel provided by the City without affecting the employee's rights to indemnification under Section 3 of this Article. The employee must have the approval by the City Attorney of the attorney selected by the employee and/or the attorney's rates of compensation before proceeding with seeking the court's consent.

Section 5. The employee agrees to cooperate fully with the City if the City undertakes the defense of the employee. If the employee fails to cooperate, then the employee will be notified that the City may not continue to provide counsel and indemnification.

**ARTICLE 54 - SHIFT DIFFERENTIAL**

Section 1. A list of specific classifications covered by shift differential will be found in Appendix D.

Section 2. Employees working in positions listed in Appendix D who are regularly assigned to night shift and/or weekend work shall be compensated at five percent (5%) above the existing pay range for their job classifications.

Section 3. Employees working in positions listed in Appendix D who are regularly assigned to work schedules involving only one (1) day of a weekend (Saturday or Sunday) shall be compensated at two and one-half percent (2.5%) above the existing pay range for their job classification.

Section 4. The above mentioned shift differential pays shall not be cumulative (i.e., no pyramiding). If both Sections 1 and 2 apply simultaneously, the employee shall receive the higher of the two.

Section 5. An employee shall be considered to be working a "night shift" when half or more of the hours worked occur between 6:00 p.m. and 6:00 a.m. on a regularly scheduled basis.

**Agreement Between City of Fort Lauderdale and  
Teamsters Local Union 769  
October 1, 2016 through September 30, 2019**

Section 6. An employee shall be considered to be working weekend days when half or more of the hours worked on a shift occur on a Saturday or Sunday on a regularly scheduled basis.

Section 7. An employee is considered to be working a night shift or weekend shift only when the employee's regular schedule for a workweek calls for night and/or weekend work. Work on a night shift and/or weekends of an occasional nature does not qualify for shift differential pay.

Section 8. Employees working in positions listed in Appendix D who are on regularly rotating shifts shall be eligible for shift differential when regularly scheduled to work on a "night shift" or on a Saturday and/or Sunday.

Section 9. Effective October 1, 1995, employees who were receiving shift differential of either five percent (5%) or two and one-half (2.5%) as of September 30, 1995, shall continue to receive shift differential in a flat dollar amount equal to the percentage amount they were receiving on September 30, 1995. Shift differential for such employees shall be capped at such flat dollar amount, provided that such employee continues to meet the conditions for such shift differential as defined in this Article.

The provisions of this Section shall also apply to employees who were assigned to rotating shifts as of September 30, 1995, but were not eligible for shift differential at that time due to temporary assignment to day shift and/or weekdays.

[E.g. An employee who is receiving shift differential of five percent (5%) as of September 30, 1995, and whose biweekly salary is one thousand dollars (\$1,000.00) shall continue to receive shift differential at the flat rate of fifty dollars (\$50.00) biweekly ( $\$1,000 \times .05 = \$50$ ) as long as he continues to be eligible for such shift differential. If that same employee gets a pay increase on or after October 1, 1995, and his/her biweekly salary is increased to one thousand five hundred dollars (\$1,500.00), the shift differential will not change, and the employee will continue to receive shift differential at the flat rate of fifty dollars (\$50.00) biweekly.]

Section 10. Effective October 1, 1995, all Bargaining Unit employees who are assigned to afternoon or night shift as defined in Section 11 of this Article shall be eligible for shift differential as follows, unless they receive shift differential in accordance with Section 9 of this Article:

Afternoon Shift	\$15.00 biweekly
Night Shift	\$25.00 biweekly

Section 11.0 Effective October 1, 1995, an employee who is eligible for shift differential as described in Section 10, shall be considered to be working an afternoon shift when half (1/2) or more of his/her regularly scheduled workday occurs between the hours of 3:00 p.m. and 11:00 p.m. An employee who is eligible for shift differential as described in Section 10 of this Article shall be considered to be working night shift when half (1/2) or more of his/her regularly scheduled workday occurs between the hours of 11:00 p.m. and 7:00 a.m. In the event an employee's regularly scheduled workday is split evenly between the afternoon and night shift, such employee shall receive only the shift differential pay for night shift.

**Agreement Between City of Fort Lauderdale and  
Teamsters Local Union 769  
October 1, 2016 through September 30, 2019**

Section 11.1 An employee shall be considered to be working an afternoon or night shift only when the employee's regular schedule for a workweek calls for afternoon or night shift work. Work on an afternoon or night shift of an occasional nature does not qualify for shift differential pay.

Section 11.2 Employees who are on regularly rotating shifts shall be eligible for shift differential when regularly scheduled to work on an afternoon or night shift.

**ARTICLE 55 - PERFORMANCE RATING REVIEW**

Section 1. An employee who objects to a marginal or unsatisfactory performance rating because the employee believes that the rater was prejudiced may have such rating reviewed by the rating and review authority generally within two (2) weeks after the employee requests such review. If, after such review, the employee still believes the rater was prejudiced, the employee may appeal the rating to a Rating Review Committee, as provided in Section 2. Prejudice shall be defined as an opinion formed without knowledge, thought, and reason.

The marginal or unsatisfactory rating referred to above shall be for the entire rating and not any one (1) section thereof. In the event that an employee receives a marginal or unsatisfactory rating of a particular category within the rating, the employee shall have the right to submit a written rebuttal concerning the facts at issue.

Section 2. An employee who, after the review provided in Section 1, wishes to appeal shall submit a written request to the Director of Human Resources within seven (7) days following the review by the rating and review authorities. After determining that the review provided in Section 1 has been held, the Director of Human Resources shall appoint a Rating Review Committee to determine if the employee's rating was based on a prejudiced consideration by the rater rather than on the performance of the employee. The Rating Review Committee shall consist of:

- A. the employee's department head or designee, unless the Department Head was the rater's supervisor, in which case another Department Head familiar with the class of work performed by the appealing employee shall be appointed;
- B. the Director of Human Resources or designee;
- C. an employee selected by the appealing employee, who shall be selected from the same classification as that of the appealing employee. In the event there are no other employees of the same classification, the Director of Human Resources shall designate related classifications of employees from which the employee may select.

Section 3. The Director of Human Resources will act as chairperson of the Rating Review Committee or shall appoint a chairperson in the event of absence. A written statement indicating which part of the Performance Rating Report the employee considers to be prejudiced must accompany the request for review. The employee's appeal shall be promptly considered by the Rating Committee in the order of its filing. The employee and the employee's rater and rater's supervisor shall be present during the review of the employee's appeal. Proceedings

**Agreement Between City of Fort Lauderdale and  
Teamsters Local Union 769  
October 1, 2016 through September 30, 2019**

shall be informal, orderly and pertain to the presentation of information and evidence relating to the employee's belief of prejudiced consideration of the rater during the period the rating evaluation covers.

Section 4. Employees who have observed the employee's performance for a considerable amount of time of this period may testify. The Rating Committee shall carefully budget the time of all employees appearing before it so that the operations of the department will not be disrupted. The appealing employee may also submit a written statement to the Board for inclusion in the records.

Section 5. The Committee shall decide whether or not the rater was prejudiced and shall render a written decision within two (2) days following conclusion of the hearing.

Section 6. Supervisors shall rate employees based upon the criteria contained within the Employee Performance Rating System Supervisor's Handbook. In evaluating attendance, the supervisor shall consider the cause, duration and frequency of absences due to medical reasons.

Section 7. The employee shall be provided with a copy of the completed evaluation form.

Section 8. The employee may choose to be accompanied by an authorized Union representative.

Section 9. The decision of the Rating Review Committee is final and there shall be no further appeal.

Section 2. In the event of such determination, the City agrees to notify the Union of its intent to implement such change within thirty (30) days of such notice. **ARTICLE 61 – EXCHANGE OF TIME**

Section 1. Ocean Rescue Lifeguards who wish to exchange time must submit a written request for such exchange of time to the appropriate Division Chief or designee no later than the beginning of the shift immediately preceding the shift for which the employee is requesting an exchange. Exchanges can only be used for full shifts and shall be capped at six (6) shifts (60 hours) per year (October 1 – September 30). The Division Chief supervising the employee requesting the exchange must approve the exchange request in advance. Denial of any such request shall not be grievable.

Section 2. In the event an employee is unable to report to work for a previously agreed upon exchange of duty, it is that employee's obligation to ensure that another employee is found to fill in on the date that the employee had agreed to report to work. If, for whatever reason, the employee does not meet this obligation, or fails to report to work for a shift exchange, he/she shall be subject to discipline.

Section 3. Probationary employees are not permitted to exchange shifts.
