Local Vendor Preference				No			Class C - 5%			No		
MBE/WBE				No / No			No / No			No / No		
Item #	Item	Qty	Unit	Price	Total	Notes	Price	Total	Notes	Price	Total	Notes
1	Lauderdale Memorial Park Cemetery - SW 9th Avenue	1	each	\$ 53,207.00	\$ 53,207.00	5' x 6' aluminum pump enclosure. Two of the existing pump control system were installed by us.	\$ 59,921.00	\$ 59,921.00	Please note that Hoover attended and was approved with a budget limit by the Board of Commissioners in July, 2015 specifically for the Lauderdale Memorial Park Project. Several items being asked for do not match what we would support or recommend from a system functionality perspective - such as a 5 hp maintenance pump (Undersized for practical needs - Needs Discussed), 6" suction line (Undersized for 50 hp capacity and the known main line capacity), and 40 hp motors are an "off-size" so that has been provided as a 50 hp to match the other units. Also, the electrical work scope was proposed in 2016 without discussions with FPL. Though they are "technically undersized to code, the existing electrical systems have been working for decades. This scope should be reviewed by city inspectors in combination with the pump station specs to ensure what is truly necessary from their perspective. Money for permitting has not been included as that too can vary based on the project cost along with what is necessary - plumbing and/or electric? Both electrical upgrades and permitting have been excluded from the proposed prices.	\$72,350.00	\$ 72,350.00	
2	Lauderdale Memorial Park Cemetery - State Road 84 (Behind Main Office Building)	1	each	\$ 54,295.00	\$ 54,295.00	5' x 6' aluminum pump enclosure. Two of the existing pump control system were installed by us.	\$ 59,921.00	\$ 59,921.00		\$72,450.00	\$ 72,450.00	
3	Sunset Memorial Gardens Cemetery - Main Pump (Middle of Cemetery)	1	each	\$ 60,725.00	\$ 60,725.00	5' x 6' aluminum pump enclosure. Two of the existing pump control system were installed by us.	\$ 59,921.00	\$ 59,921.00		\$79,750.00	\$ 79,750.00	
4	Sunset Memorial Gardens Cemetery - Back up Pump (East section of Cemetery)	1	each	\$ 65,556.00	\$ 65,556.00	5' x 6' aluminum pump enclosure. Two of the existing pump control system were installed by us.	\$ 59,921.00	\$ 59,921.00		\$72,650.00	\$ 72,650.00	
Sub -Totals				\$ 233,783.00			\$ 239,684.00			\$ 297,200.00		
Local Vendor Preference							\$ (11,984.20) Minus 5%					
GRAND TOTALS				\$ 233,783.00			\$ 227,699.80			\$ 297,200.00
