DATE: May 1, 2018

TITLE: Motion to Approve the First Amendment to a Five-Year Agreement with
the School Board of Broward County for Reciprocal Use of City Parks and
School Board Facilities in the City of Fort Lauderdale

Recommendation

It is recommended that the City Commission approve a motion to execute a first amendment to a five-year agreement with the School Board of Broward County (SBBC) for reciprocal use of City parks and School Board Facilities across the City.

Background

An agreement was approved by the Commission at the June 21, 2016 Commission meeting for reciprocal use of City parks and SBBC owned facilities in the City. The School Board would like to amend the agreement to include the use of South Side School.

The City owns and operates a number of public parks with facilities located in the City of Fort Lauderdale, which are suitable for use by the SBBC for its educational, recreational and training programs. The City agrees to allow the SBBC use of City parks, excluding those facilities in which the City has an existing license of lease agreement with SBBC, on such days and at such times as are mutually agreed upon by the Director of Parks and Recreation and the Superintendent or designee. The City agrees to waive any and all rental fees associated with the SBBC's use of City facilities. The facilities are to be used by the SBBC solely for educational, recreational and training purposes, which are an integral part of the Public Educational Program of Broward County, and for no other purpose whatsoever without the prior written consent of the City.

SBBC owns, operates and maintains elementary, middle, high and technical schools, sites, athletic fields and training facilities located in the City of Fort Lauderdale that may be suitable for use by neighbors and the City may desire to place its recreational programs, special functions, training programs, homeowners association and community meetings, at the sites.

SBBC agrees to allow City use of SBBC owned facilities in the City of Fort Lauderdale on such days and at such times as are mutually agreed upon by the Superintendent or

his/her designee and the Director of Parks and Recreation or his/her designee. The SBBC agrees to waive any and all rental fees associated with the City's use of SBBC facilities.
