This 2018 Amendment to Interlocal Agreement is entered into by and between Broward County, a political subdivision of the State of Florida (the "County") and the municipalities executing a signature page bearing the above legend, each of which is a municipal corporation existing under the laws of the State of Florida (the "Municipalities").

RECITALS

- A. Section 336.025(1)(b), Florida Statutes, authorizes the counties to extend the levy of the additional local option gas tax upon every gallon of motor fuel sold in Broward County for a period not to exceed thirty (30) years on a majority vote of the governing body of the County; and
- B. The Board of County Commissioners enacted Section 31½-38, Broward County Code of Ordinances, effective January 1, 1994, through December 31, 2024, pursuant to Section 336.025(1)(b), Florida Statutes, imposing the levy of the three-cent (\$.03) local option fuel tax for thirty years and providing for a method of distribution of the proceeds of the tax; and
- C. Pursuant to said Ordinance, the method for distribution of the proceeds is the execution of an Interlocal Agreement with one or more of the municipalities representing a majority of the population of the incorporated area within the County which establishes the distribution formulas for dividing the proceeds of the tax among the County and all eligible municipalities within the County; and
- D. Paragraph 3 of the Interlocal Agreement requires annual adjustment of the population of the individual municipalities and unincorporated Broward County in accordance with the population figures set forth in the most current edition of "Florida Estimates of Population," published by the Bureau of Economics and Business Research, Population Division, University of Florida;
