

CITY OF FORT LAUDERDALE
City Commission Agenda Memo
REGULAR MEETING

#18-0622

TO: Honorable Mayor & Members of the
Fort Lauderdale City Commission

FROM: Lee R. Feldman, ICMA-CM, City Manager

DATE: June 19, 2018

TITLE: Resolution in Support of a Traffic Lane Modification on Progresso Drive
between North Andrews Avenue and NE 3rd Avenue

Recommendation

It is recommended that the City Commission adopt a resolution in support of a traffic lane modification on Progresso Drive, from a two-way traffic flow to a one-way traffic flow, northbound, between North Andrews Avenue and NE 3rd Avenue.

Background

In July 2017, Progresso Drive was considered for a traffic lane modification. After which, the Parking Services Division conducted a survey of the businesses, and the results showed that there was great support of increasing public safety and providing additional parking along Progresso Drive.

With the support of the businesses, concept drawings were developed. The new design converts Progresso Drive from a two-way traffic flow to a one-way traffic flow, northbound, between North Andrews Avenue and NE 3rd Avenue with future plans to add approximately 60 angle parking spaces on the south side of Progresso Drive. The estimated cost to complete the project is \$100,000.

The project is expected to be completed by this fall.

Resource Impact

There will be a fiscal impact to the City in the estimated amount of \$100,000. Funding for this project was approved at the June 5, 2018 Commission Meeting through the Budget Amendment CAM 18-0224.
