Committee Appointments

Recommendation

Motion to appoint members to the Broward Metropolitan Planning Organization Citizens' Advisory Committee.

Background:

The Citizens' Advisory Committee (CAC) is a committee comprised of representatives and members of the public who are interested in participating in the transportation planning process. The committee reviews and provides recommendations to the MPO Board on transportation plans and programs, along with insight on how they impact their local communities.

As the largest municipality in Broward, the City of Fort Lauderdale is entitled to two (2) appointments on the CAC. These are made by the Commissioners who currently sit on the MPO board.

Currently, the City has one vacant position on the CAC, with the other position being filled by John Rude (current CAC chair).

Mr. Rude plans to vacate his seat at the next CAC meeting on June 27, 2018.
