Communication to City Commission

The City of Fort Lauderdale Education Advisory Board encourages City Commission and Staff to research and plan a public charter school in Fort Lauderdale. The Advisory Board greatly appreciated Commissioner Moraitis visit to our June, 2018 board meeting along with staff members Rufus James, Manager of the Fort Lauderdale Executive Airport and Carlton Harrison, Assistant Manager of the Fort Lauderdale Executive Airport who discussed opportunities for a charter school in or around the executive airport. The board request to be included and kept abreast of ongoing research efforts for a public charter school in our city.

MOTION made by Dr. Zeman, seconded by Betty Shelley. In a voice vote, the motion unanimously passed.
