Part IV: SECURITY AND EMERGENCY SERVICES

Your Event may require Security and Emergency Services which will be determined using this application, your Site Plan and Narrative, MOT, transportation plan and any additional information requested during your Special Events meeting. The hourly rate and costs for services will be quoted on the "Cost Estimate" worksheet developed at the meeting and provided to the organizer. The cost may change after the meeting.

If Fire Rescue or Police staff are scheduled for the event then a minimum of four (4) hours for each Fire Rescue staff and a minimum of three (3) hours for each Police staff will be charged. Fire Rescue also charges 45 minutes to set up and 45 minutes to break down for each event. If the event is canceled then an event representative must call each department at least 24 hours before the event is expected to begin or the organization will be charged.

Fire Prevention and Emergency Medical Services

Fire Rescue may need to inspect your event or provide services based on your Building Permit, expected attendance and other risk factors such as alcohol, time, day, location, event type or weather. When you complete your Building Permit Form with Department of Sustainable Development (DSD) indicate all the permits and inspections you need and immediately pay DSD directly. All other payments for services will be invoiced to the event coordinator and must be paid within thirty (30) days. For questions call the Fire Marshal at (954) 828-6370.
