1.20 <u>Test Period</u>: The following Test Period provisions apply to all RFPs. In the event the RFP is for the procurement of both service(s) and product(s), the service(s) and product (s) offered by Vendor must **both** be accepted by the Broward Sheriff's Office (BSO.)

#### Test Period - Services

BSO reserves the right to require a test period to determine if the Vendor can perform services in accordance with the requirements of the RFP, and to BSO's satisfaction, in its sole and absolute discretion. Such test period can be from thirty to ninety days and will be conducted under all specifications, terms and conditions contained in the RFP. If accepted by BSO, this trial period will then become part of the initial term as specified in the RFP.

A performance evaluation, the form of which will be at BSO's sole and absolute discretion and not the subject of a protest, will be conducted prior to the end of the test period and that evaluation will be the basis for BSO's decision to continue with the Vendor or to select another Vendor (if applicable).

Such test period can be from thirty to ninety days and will be conducted under all specifications, terms and conditions contained in the RFP. If accepted by BSO, this trial period will then become part of the initial term as specified in the RFP.

A performance evaluation, the form of which will be at BSO's sole and absolute discretion and not the subject of a protest, will be conducted prior to the end of the test period and that evaluation will be the basis for BSO to continue with the Vendor or to select another Vendor (if applicable).

## SECTION TWO RFP PROCEDURES

- 2.1 <u>EVALUATION METHOD AND CRITERIA</u>: It is anticipated, but not required, that the RFP process will proceed in the following manner: Proposals will be evaluated in accordance with weighted criteria stated in the RFP. These weighted criteria are provided to assist the Proposers in the allocation of their time and efforts during the submission process. The criteria also guides the Evaluation Committee (EC) for scoring of Proposals by establishing a general framework with whom to begin negotiation of an agreement(s) for this project. Technical staff participation serves purely in an information gathering capacity unless additional authority is delegated by the EC.
- 2.2 <u>CONE OF SILENCE</u>: This project is under a "Cone of Silence" starting with the issue date of this RFP through contract signing. Any violation of this provision may result in the associated Proposer being removed from consideration at BSO's sole discretion. A complete definition of the **Cone of Silence** is found on the website at: http://www.sheriff.org (Use search box in Upper Right of Screen and type in Lobbyist) click on **Lobbyist Policy**. OR

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. Information about developments affecting Form W-9 (such as legislation enacted after we release it) is at www.irs.gov/fw9.

#### **Purpose of Form**

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following:

· Form 1099-INT (interest earned or paid)

 Form 1099-DIV (dividends, including those from stocks or mutual funds)

 Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)

 Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)

Form 1099-S (proceeds from real estate transactions)

· Form 1099-K (merchant card and third party network transactions)

 Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)

· Form 1099-C (canceled debt)

· Form 1099-A (acquisition or abandonment of secured property)

Cat. No. 10231X

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding? on page 2.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),

2. Certify that you are not subject to backup withholding, or

3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and

4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting?* on page 2 for further information.

Form W-9 (Rev. 12-2014)

Note. If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9. Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

· An individual who is a U.S. citizen or U.S. resident alien;

 A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;

· An estate (other than a foreign estate); or

A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are

U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States:

 In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;

 In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and

In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a 'saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.

2. The treaty article addressing the income.

3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.

4. The type and amount of income that qualifies for the exemption from tax.

5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

**Example.** Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship information described above to support that exemption.

If you are a nonresident allen or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

#### **Backup Withholding**

2. You do not certify your TIN when required (see the Part II instructions on page 3 for details),

3. The IRS tells the requester that you furnished an incorrect TIN,

4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or

5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See Exempt payee code on page 3 and the separate Instructions for the Requester of Form

W-9 for more information.

Also see Special rules for partnerships above.

#### What is FATCA reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code* on page 3 and the Instructions for the Requester of Form W-9 for more information.

#### Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

#### Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

**Criminal penalty for falsifying information.** Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Enter the disregarded entity's name on line 2, "Business name/disregarded entity name." If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

#### Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

#### Line 3

Check the appropriate box in line 3 for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box in line 3.

You can apply for an EIN online by accessing the IRS website at www.irs.gov/businesses and clicking on Employer Identification Number (EIN) under Starting a Business. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Entering 'Applied For' means that you have already applied for a TIN or that you intend to apply for one soon.

CONTRACTOR shall provide to SHERIFF a One Hundred Percent (100%) performance and payment bond, in a form approved by the SHERIFF's Risk Management Division, executed by a surety insurer registered to do business in the State of Florida, subject to the approval of the Secretary of the State of Florida, to guarantee the faithful performance of this Agreement. This bond shall be kept in full force and effect throughout the life of this Agreement. The surety company must be rated no less than " $A_{CAN}$  48-0721 management and no less than Class "VI" as to financial strength. The amount of the required bond shall not exceed five percent (5%) of the reported policy holders surplus as reported in the latest (1989 or later) edition of Best's Day rating Guide, published by Alfred M. Best Company, Inc.

### PRESS RELEASE OR OTHER PUBLIC COMMUNICATION

Without written consent of the SHERIFF, CONTRACTOR shall not:

- a. Issue or permit to be issued any press release, advertisement or literature of any kind which refers to the SHERIFF, or the work being performed hereunder, unless CONTRACTOR first obtains the written approval of the SHERIFF; and
- b. CONTRACTOR and its employees, agents, representatives, subcontractors and suppliers will not represent, directly or indirectly, that any of CONTRACTOR's products, goods or services have been approved or endorsed by the SHERIFF.

# INDIVIDUALLY IDENTIFIABLE HEALTH INFORMATION and/or PROTECTED HEALTH INFORMATION

CONTRACTOR shall comply with the Health Insurance Portability and Accountability Act ("HIPAA") and its implementing regulations, as applicable.

### MISCELLANEOUS

CONTRACTOR shall comply with all statutes, laws, rules, codes, ordinances, and regulations of any and all federal, state and local political bodies having jurisdiction over the services provided herein.

In the event either party brings an action against the other to enforce any conditions or covenant of this Agreement, the prevailing party in such action shall be entitled to recover the court costs and reasonable attorneys' fees in the judgment rendered in such action.

The preparation of this Agreement has been a joint effort of the parties and the resulting document shall not solely as a matter of judicial construction be construed more severely against one of the parties than the other.

The construction, validity and performance of this Agreement will be governed by the laws of the State of Florida, without regard to, or application of, choice of law rules or principles. Venue in any proceeding or action among the parties arising out of this Agreement shall be in Broward County, Florida.

In entering this Agreement, the parties represent that they have had a reasonable opportunity to seek and select legal advice and have relied upon the advice of their own legal representative, who is an attorney of their own choice, or have voluntarily chosen not to seek the advice of an attorney, and that the terms of this Agreement have been completely read and that those terms are fully understood and voluntarily accepted by them.

The headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of the Agreement. All personal pronouns used in this Agreement shall include the other gender, and the singular shall include the plural, and vice versa, unless the context otherwise requires. Terms such as "herein", "hereof", "hereunder", and "hereinafter" refer to this Agreement as a whole and not to any particular sentence, paragraph, or Article where they appear, unless the context otherwise requires.

Whenever reference is made to an Article of this Agreement, such reference is to the Article as a whole, including all of the subsections of such Article, unless the reference is made to a particular subsection or subparagraph of such Article.

Should a dispute arise between the parties under or relating to this Agreement, each party agrees that prior to initiating any formal proceeding against the other (except for the seeking of injunctive relief), the parties will each designate a representative for purposes of resolving the dispute. If the parties' representatives are unable to resolve the dispute within ten (10) calendar days, either party may, upon written notice to the other party, require that the dispute be submitted to more senior representatives of each party ("Senior Representatives"). The Senior Representatives of each party shall meet as soon as possible to negotiate in good faith to resolve the dispute.

All provisions of this Agreement relating to confidentiality, non-disclosure, indemnity and insurance shall survive the expiration or termination of this Agreement.

CONTRACTOR shall obtain all necessary permits and licenses required to provide the services contemplated herein.

If any term or provision of this Agreement is found to be illegal and unenforceable, such terms shall be deemed stricken and the remainder of the agreement shall remain in full force and effect.

The preparation of this Agreement has been a joint effort of the parties and the resulting document shall not solely as a matter of judicial construction, be construed more severely against one of the parties than the other.

This Agreement may be fully executed in \_\_\_\_\_ (\_\_\_) copies by all parties, each of which, bearing original signatures, shall have the force and effect of an original document.

<u>Most Favored Customer Pricing</u>: Signature of this contract by the CONTRACTOR shall act as a representation and warranty that the wage rates and/and costs and/or materials used to determine the compensation provided for in this contract, are accurate, complete and current as of the date of the contract. During the term of this contract, prices for the goods and services required under this contract and offered to BSO must be the equal to or lower than those offered the most favorable customer of CONTRACTOR for similar quantities under comparable terms and conditions. When requested by the BSO's contracting officer or representative, the CONTRACTOR must show that the prices offered to BSO match or are less than those offered the CONTRACTOR'S most favored customers for those quantities under those terms and conditions, and such pricing data must be available for review by BSO throughout the term of the contract. Any price reductions offered to other CONTRACTOR's customers must be offered to the BSO if similar item quantities are involved

<u>Cost/Price Reduction</u>: During the term of this contract, BSO reserves the right to negotiate price reductions for any good or service being purchased. During the term of this contract, BSO expects the CONTRACTOR to continually seek to improve production and performance processes and method, and to report on these efforts to BSO. Additionally, price reductions may be sought by the BSO as a result of changes in market conditions, industry trends and indexes, or in cost/price indexes, and their impact on the supplier's cost elements or overall cost. The BSO may terminate this contract for convenience if it feels price reductions are warranted, but the parties cannot reach an agreement on such price reductions.

**Key Personnel**: To the extent that this agreement or related state of work for services to be performed by CONTRACTOR'S key personnel, those services must be performed by the personnel identified in the oral

CONTRACTOR'S proposal to perform them unless substitutes have been approved in writing by BSO. Use of junior personnel, even under key personnel supervision (for example, associates or student workers), is not authorized unless they are identified in the CONTRACTOR'S proposal by name or position, with a description of their duties. This agreement may be terminated if the key personnel named in the CONTRACTOR'S proposal become unavailable for any reason. If the unavailability of key personnel is not the fault of the CONTRACTOR, BSO may terminate by giving notice of termination. The CONTRACTOR will be paid for service performed up to the date of termination. If BSO finds that the CONTRACTOR is at fault for the unavailability of key personnel, the agreement may be terminated for default.

## SUPPLIER RESPONSE TO BID 18006AG "QUESTIONNAIRE" SECTION

## STROBES-R-US INC.

## **QUESTION 1.**

HOW DOES STROBES-R-US INTEND TO COMPLY WITH THE ELEMENTS INDICATED IN THIS RFP?

## **RESPONSE TO QUESTION 1**

STROBES-R-US HAS BEEN IN BUSINESS FOR EIGHTEEN YEARS. DURING THAT TIME, WE HAVE CONTINUOUSLY EVOLVED TO MEET THE NEEDS OF OUR CUSTOMERS. WE HAVE ALSO INVESTED HEAVILY IN TECHNOLOGY SUCH AS BARCODING INCLUDING HAND HELD BARCODE SCANNERS AND ADVANCED INVENTORY CONTROL SYSTEMS. THESE ALLOW US TO EASILY TRACK THE STATUS OF CURRENT, FUTURE, AND COMPLETED JOBS. WE BELIEVE IN INVESTING IN SPARE PARTS AND INVENTORY. HAVING TO PULL VEHICLES OUT OF SERVICE FOR WEEKS AT A TIME WHILE WAITING FOR REPAIR PARTS IS NON-BENEFICIAL FOR THE END USER OR THE INSTALL FACILITY. WE ALSO INVEST HEAVILIY IN OUR PERSONNEL, ENSURING A TOP-NOTCH INTERNAL TRAINING PROGRAM. ALL OF THESE KEY ITEMS, IN ADDITION TO EIGHTEEN YEARS OF PRODUCING QUALITY, ON-TIME INSTALLATIONS, MAKE COMPLYING WITH THIS RFP A "STANDARD DAY-TO-DAY" OPERATION RATHER THAN A CHALLENGE. BUILDING QUALITY VEHICLES AND COMMUNICATING WITH CUSTOMERS IN AN ORGANIZED, PROFESSIONAL MANNER IS WHAT WE DO. SUCCESS IN THESE KEY AREAS IS THE REASON THAT WE HAVE THRIVED AS A COMPANY.

## QUESTION 2.

STATE THE NUMBER OF YEARS OF EXPERIENCE THAT YOUR FIRM HAS IN PROVIDING SERVICES

## **RESPONSE TO QUESTION 2**

STROBES-R-US HAS EIGHTEEN YEARS OF EXPERIENCE, SPECIFICALLY WITH UPFITTING EMERGENCY VEHICLES. DURING THESE EIGHTEEN YEARS, THE COMPANY HAS CONTINUALLY EVOLVED TO BECOME AS EFFICIENT AS POSSIBLE. DocuSign Envelope ID: 1E71391E-1571-4496-8811-D9D2E94202A6 Documental Sheriff's Office

## QUESTION 3.

STATE STAFFING AND ORGANIZATIONAL STRUCTURE TO BE USED IN THIS PROJECT.

## **RESPONSE TO QUESTION 3**

STROBES-R-US IS DIVIDED INTO TWO MAJOR AREAS; ADMINISTRATIVE STAFF AND INSTALLATION STAFF. EACH OF OUR POSITIONS HAS EVOLVED OVER TIME TO PROVIDE THE MOST EFFICIENT EXPERIENCE POSSIBLE FOR OUR CUSTOMERS.

## OUR ADMINISTRATIVE STAFF IS COMPRISED OF THE FOLLOWING POSITIONS:

--OPERATIONS MANAGER: OVERSEES ALL ASPECTS OF THE DAY-TO-DAY OPERATIONS THROUGHOUT THE FACILITY.

--FRONT OFFICE SALES STAFF: ASSISTS CUSTOMERS WITH VEHICLE CHECKIN, OBTAINING WORK ORDERS FOR UPFITS AND REPAIRS, AND CREATING SALES ORDERS FOR PARTS SALES.

--QUALITY CONTROL STAFF: THIS POSITION PERSONALLY CHECKS OVER EACH VEHICLE PRIOR TO IT LEAVING OUR FACILITY. ITEMS SUCH AS TURN SIGNALS, BRAKE LIGHTS, SILICONE SEALER, AND LIGHTING OPERATION ARE THUROUGHLY CHECKED. IN ADDITION, PHOTOGRAPHS AND PROGRAMMING IS DOCUMENTED ON OUR MASTER SERVER SO THAT VEHICLE SETUPS CAN BE ACCESSED IN THE FUTURE.

--PURCHASING STAFF: WE HAVE CENTRALIZED OUR PURCHASING TO ENSURE THAT PARTS ARE ORDERED PROPERLY. THIS POSITION IS RESPONSIBLE FOR SUBMITTING ORDERS TO OUR MANUFACTURERS AND CONSTANTLY CHECKING ON ORDER FULFILLMENT STATUS.

--ACCOUNTING STAFF: WORKS DIRECTLY WITH OUR CUSTOMERS TO ENSURE THAT PURCHASE ORDERS ARE PROPERLY PROCESSED AND VEHICLES ARE PROPERLY INVOICED. THIS POSITION IS ALSO RESPONSIBLE FOR ACCOUNTS RECEIVABLE AND WORKING WITH CUSTOMERS ON CLOSING OUT OPEN BALANCES PROPERLY. --INVENTORY ROOM STAFF: RESPONSIBLE FOR PICKING INVENTORY FOR INSTALLATION JOBS WITH THE USE OF HAND HELD SCANNERS. BINS ARE CREATED WITH SPECIFIC SHELF LOCATIONS AND ITEMS ARE PLACED INTO THE BIN. HAVING THESE PARTS PULLED IN ADVANCE ENSURES QUICKER TURNAROUND TIME WHEN VEHICLES ARE LOADED INTO THE BAY.

## OUR BAY STAFF IS COMPRISED OF THE FOLLOWING POSITIONS:

--RETAIL BAY MANAGER: RESPONSIBLE FOR SUPERVISING THE INSTALLERS WHO ARE WORKING IN OUR RETAIL SECTION. THIS SECTION OF THE BAY FOCUSES ITS ATTENTION ON JOBS WHICH REQURE QUICK TURNAROUND, SUCH AS; REPAIRING A NON-WORKING VEHICLE, ADDING A RADAR TO AN EXISTING VEHICLE, ADDING A GUN LOCK TO AN IN-SERVICE UNIT. IN ADDITION, THE RETAIL AREA COMPLETES NON-GOVERNMENT INSTALLATIONS SUCH AS FOUR CORNER LED'S ON A CONSTRUCTION TRUCK, OR ADDING A BACKUP CAMERA TO A UTILITY VEHICLE.

--FLEET BAY MANAGER: RESPONSIBLE FOR MUNICIPAL INSTALLATIONS. THIS SECTION CURRENTLY HAS TWELVE BAYS AND ALLOCATES ITS RESOURCES TO "ASSEMBLY LINE" BUILDING OF GOVERNMENT FLEETS. THIS AREA CAN FOCUS ON ONE LARGE FLEET OR BREAK INTO SMALLER GROUPS TO ACCOMPLISH SEVERAL FLEETS AT ONCE, DEPENDING ON THE NEEDS OF OUR CUSTOMERS. THE STRUCTURE OF THE FLEET SECTION IS DESIGNED TO BE FLUID AND ADAPTIVE.

--INSTALLATION TECHNICIAN: RESPONSIBLE FOR THE ACTUAL VEHICLE UPFIT. STROBES-R-US EMPLOYS A STAFF OF PROFESSIONAL, WELL-TRAINED INSTALLERS WITH A COMBINED 140 YEARS OF EXPERIENCE IN THE FIELD.

Future developments. Information about developments affecting Form W-9 (such as legislation enacted after we release it) is at www.irs.gov/fw9.

#### Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following:

Form 1099-INT (interest earned or paid)

 Form 1099-DIV (dividends, including those from stocks or mutual funds)

 Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)

Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)

· Form 1099-S (proceeds from real estate transactions)

· Form 1099-K (merchant card and third party network transactions)

 Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)

· Form 1099-C (canceled debt)

Form 1099-A (acquisition or abandonment of secured property)

Cat. No. 10231X

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding? on page 2.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),

2. Certify that you are not subject to backup withholding, or

3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and

4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting?* on page 2 for further information.

Form W-9 (Rev. 12-2014)

Note. If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9. Definition of a U.S. person. For federal tax purposes, you are

considered a U.S. person if you are:

· An individual who is a U.S. citizen or U.S. resident alien;

 A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;

· An estate (other than a foreign estate); or

A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a

U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States:

 In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;

 In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and

In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Publication 515, Withholding of Tax on Nonresident Allens and Foreign Entitles).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a 'saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.

2. The treaty article addressing the income.

3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.

4. The type and amount of income that qualifies for the exemption from tax

5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

**Example.** Article 20 of the U.S. China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S. China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

#### **Backup Withholding**

- 2. You do not certify your TIN when required (see the Part II instructions on page 3 for details),
- 3. The IRS tells the requester that you furnished an incorrect TIN,

 The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or

5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See Exempt payee code on page 3 and the separate Instructions for the Requester of Form

W-9 for more information.

Also see Special rules for partnerships above.

#### What is FATCA reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code* on page 3 and the Instructions for the Requester of Form W-9 for more information.

#### Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

#### Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Real estate transactions are not subject to backup withholding.
