**REGULAR MEETING**

**#18-0660**

**TO:** Honorable Mayor & Members of the  
Fort Lauderdale City Commission

**FROM:** Lee R. Feldman, ICMA-CM, City Manager

**DATE:** July 10, 2018

**TITLE:** Resolution Approving the Street Name Addition of Dragon Way to that  
Section of SW 5<sup>th</sup> Place between SW 20<sup>th</sup> Avenue and SW 16<sup>th</sup> Avenue

---

**Recommendation**

It is recommended that the City Commission adopt a resolution approving the street name addition of Dragon Way to that section of SW 5<sup>th</sup> Place between SW 20<sup>th</sup> Avenue and SW 16<sup>th</sup> Avenue as illustrated by the location map attached hereto as Exhibit 1.

**Background**

The City of Fort Lauderdale, with the support of Stranahan High School, is requesting to add the name Dragon Way to that Section of SW 5<sup>th</sup> Place between SW 20<sup>th</sup> Avenue and SW 16<sup>th</sup> Avenue. A letter of support from Stranahan High School is attached as (Exhibit 2). .

Upon City Commission approval, Broward County Traffic Engineering Division (BCTED) will install the street name signs reflecting the street name addition (Exhibit 3). The primary street name will be Dragon Way and SW 5<sup>th</sup> Place will be displayed as the secondary street name. The Neighbor Support Division of the City Manager's Office has agreed to fund all costs associated with the fabrication and installation of the street name addition. Typically, it has taken BCTED approximately four to six weeks to have new street signs fabricated and installed after receiving the City's resolution.

This action further directs staff to submit a request to BCTED to implement the necessary street name change on the affected roadway segment.

**Resource Impact**

There will be a fiscal impact to the City in the anticipated amount of \$500.00, associated with the fabrication and installation of the street name addition.
