WHEREAS, the City Commission of the City of Fort Lauderdale, Florida, at its meeting of _____, 2018 authorized the City Manager to enter into this Agreement; and

WHEREAS, the Fort Lauderdale First Presbyterian Church is the owner of those certain parking lots located at SE 15th Avenue, Folio numbers 504211012230 and 504211012140 and at Tarpon Drive, Folio 504211011930, Fort Lauderdale, Florida, 33301, hereinafter referred to as "Properties" and more particularly described in the attached Exhibit "A"; and

WHEREAS, the Church represents to the City that the Church intends to manage the Properties for church parking and use as needed for church services and use, and to make the Properties available for public parking when not needed for church use;

WHEREAS, the Church is requesting to allow the City to manage a public parking permit program on the Properties in exchange for the City agreeing that the Church shall retain the monthly permit revenue derived by the City from said Properties; and

WHEREAS, the City agrees to monitor a total number of 90 parking spaces, as designated by the Church, on the Properties being permitted seven (7) days a week excluding Sunday mornings until 1 p.m., or as may be amended by this Agreement, to ensure that patrons display proper permits and, as necessary, enforce by issuing citations to violators. At the minimum, such monitoring shall include the physical patrol of the Properties by the City's parking enforcement officer.

WHEREAS, the City shall provide monthly documentation, in the form of a monthly permit report, which reflects revenues collected for the Church by the City.

WHEREAS, the location of the 90 parking spaces eligible for permit parking and enforcement is particularly described in Exhibit "A" attached hereto; and

WHEREAS, Church shall be provided with the monthly revenues by the City for the permits sold and the City agrees to provide a monthly itemized statement to Church outlining all such revenues; and

WHEREAS, when not used for Church purposes or otherwise reserved, during the term of this Agreement the Properties are made available as parking for the general public and open to public access; and

WHEREAS, the City finds that managing a public parking and permit program and providing enforcement services for the Church serves a legitimate municipal purpose; and

WHEREAS, the Church agrees to allow City to retain citation revenue derived by City from said permit violations; and

NOW THEREFORE, in consideration of the mutual promises and covenants contained herein, and other good and valuable consideration, the receipt and adequacy of which are acknowledged, the parties agree as follows:

1. Recitations. The recitals set forth above are true and correct and are incorporated into this Agreement by this reference as if fully set forth herein.
2. The Church and City agree that at the identified times, and subject to reasonable rules and regulations as may be established by the Parties the Properties are made available for parking by the general public through a parking permit system, and the City shall provide parking management and enforcement as set forth herein. During the time period of 2 am to 7 am each day, the Properties shall be closed to public parking and the City shall enforce until the end of operations at 3:30am.
3. City agrees to monitor the 90 parking spaces eligible for public permit parking and enforcement, as identified and designated by the Church. The Church shall provide 30 days' notice prior to reducing or increasing the number of parking spaces available for the public permit parking program.
4. Subject to the terms and conditions set forth below, the Church hereby authorizes the City to manage and maintain the parking signs at the Properties more particularly described in the attached Exhibit "A". The Church shall also have the right to install and maintain Church identification signs at the Properties.
5. The term of this Agreement shall be for a period of one (1) year, effective October 1, 2018, unless otherwise terminated as provided herein, with an option for three (3) one-year renewals of this Agreement.
6. Permit rate shall be based upon prevailing market rates for public parking and shall be initially set at \$50.00 plus sales tax, per month for either a daytime permit or an evening permit. Daytime is defined as 7 am – 4 pm and evening is defined as 4 pm – 2 am. The rate may be amended from time to time upon the mutual consent of the Parties, which consent shall not be unreasonably denied. City shall pay to the Church the monthly revenue from parking permits minus sales taxes. Payment to the Church shall be made on a monthly basis and the City shall be provided with thirty (30) calendar days to process monthly payments to the Church. The City agrees to provide a monthly revenue report to the Church identifying the parking permit revenue for the prior month. The Church reserves the right to revise times that the Property is available for public parking, reserve certain spaces for identified groups, and market and sell permits independent of this Agreement.

7. It is hereby agreed by and between the City and the Church that upon the termination of this Agreement, the City shall have the right to remove from the Property all of City's personal property there located upon the Properties, including, but not limited to, signs and any other property owned by City. The City agrees that the cost of removing such items shall be borne by the City.
8. This Agreement may be terminated with or without cause at any time by either party upon sixty (60) days written notice. In the event of termination, the City shall within sixty (60) days of termination pay to the Church its share of the revenue prior to termination and property as provided in Paragraph 6 of this Agreement.
9. The Parties agree that additional parking lots, or parcels, may be added to the Properties subject to amendment of this Parking Enforcement Agreement, in the same formality, upon agreement of the Parties.
10. The Church hereby grants City the right to install, maintain, and repair parking signs. The City shall at all times maintain the City's parking signs in a condition at all times, ordinary wear and tear excepted. The City is not responsible for maintenance of the Properties.
11. The Church warrants and represents to the City that it is the owner of the Property and further represents and warrants that the Property is presently used as a parking area.
12. The Church agrees that the City shall have the right of ingress and egress to the Properties aforementioned for any and all purposes required by the City pertaining to the use of the Property as a parking lot. The enforcement of ordinances applicable to such permitted parking shall be accomplished by the City as set forth herein.
13. The City will determine the frequency of visits and length of time for enforcement services which shall include the physical patrol of the property as covered under this Agreement. Enforcement for this parking lot will be added to the "Zone Two" enforcement zone coverage and monitored during the hours of operation of 7am – 3:30 am, seven days per week, excluding Thanksgiving and Christmas days. This Agreement shall not create a general right of access nor an access easement to the general public. The rights of access are limited to permit holders and based upon the limited terms of the permit.
14. In exchange for providing parking lot enforcement services, the City shall retain all revenues derived from parking citations issued on said properties noted herein or as may be amended from time to time.
15. Church reserves, without charge, the exclusive use and occupancy of said Properties for Church purposes on each and every Sunday, until 1 p.m., and other designated Church holiday services, and also those spaces not made available subject to this Agreement. The Church retains the authority to determine enforcement times. Notice of any modification of enforcement times shall be provided by the Church, to the City Director of Transportation and Mobility via written advanced notice no less than 72 hours prior to the modification.

Each party agrees to be fully responsible for its acts of negligence or its agents' acts of negligence when acting within the scope of their employment and agrees to be liable for any damages resulting from said negligence. However, nothing contained herein shall constitute a waiver by the City of its sovereign immunity protection or of its rights and limits to liability existing under Section 768.28, Florida Statutes. This section shall survive the termination of all performance obligations under this Agreement and shall be fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.
17. At all times during the term of this Agreement, Church, at its expense, shall keep or cause to be kept in effect the following insurance coverage:
- a. General liability insurance policy, in standard form, insuring Church and City as an additional insured, against any and all liability for bodily injury or property damage arising out of or in connection with this Agreement and the license granted herein with a policy limit of not less than One Million Dollars (\$1,000,000.00) per occurrence and Two Million Dollars (\$2,000,000.00) general aggregate, and shall name the City as an additional insured. All such policies shall cover the activities under the Agreement, including, but not limited to the possession, use, occupancy, maintenance, repair, and construction of additions, modifications, renovations or demolition of the premises or portions thereof. This policy shall not be affected by any other insurance carried by City.
 - b. The minimum limits of coverage under subsection (a) may be adjusted by City, in City's sole discretion, on the anniversary date of the Effective Date of this Agreement.
 - c. All personal property placed or moved onto the Properties is at the sole risk of the owner of such property. City shall not be liable for any damage to such personal property or for personal injuries to the Church or any of Church's, agents, servants, employees, contractors, guests, or invitees or to trespassers on the Properties.
18. This section shall survive the termination of all performance or obligations under this Agreement and shall be fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.
