

**CITY OF FORT LAUDERDALE
City Commission Agenda Memo
REGULAR MEETING**

#18-0857

TO: Honorable Mayor & Members of the
Fort Lauderdale City Commission

FROM: Lee R. Feldman, ICMA-CM, City Manager

DATE: September 4, 2018

TITLE: Motion to Approve Contract for Purchase of Plumbing Services and
Maintenance – Pipeline Plumbing Services of Broward, Inc. - \$620,000

Recommendation

It is recommended that the City Commission approve a one-year contract, in substantially the form attached, for the purchase of plumbing services and maintenance from Pipeline Plumbing Services of Broward, Inc. (Pipeline) in the estimated annual amount of \$620,000; and authorize the City Manager to approve three, one-year renewal options contingent upon appropriation of funds.

Background

This plumbing and maintenance services contract is vital to the Facilities Maintenance Section. It provides support in the area of major troubleshooting, repair and replacement, after-hour emergencies, and instances when the City's Plumber is overburdened with daily work orders. The City's aging infrastructure and high use demand placed on facilities require constant service and attention and will be provided through this contract.

The Procurement Services Division issued Invitation to Bid No. 12142-583 and received three bids. The bid submitted by Pipeline has met all of the specifications of the bid and has been deemed the lowest cost, responsive and responsible bidder.

Resource Impact

There will be no fiscal impact to the City in FY 2018. Future expenditures are contingent upon approval and appropriation of the annual budget.
