General Project Information

Project Title: AGENCY RESPONSE TO MSDHS
Subgrant Recipient: City of Fort Lauderdale
Implementing Agency: Fort Lauderdale Police Department
Project Start Date: 2/14/2018 **End Date:** 9/30/2018

Problem Identification

On February 14, 2018, the City of Parkland experienced a mass-shooting incident at Marjory Stoneman Douglas High School (MSDHS). Seventeen people were killed and another seventeen were injured when a former student opened fire on the school's campus.

Local and state law enforcement personnel, both sworn and non-sworn, worked numerous hours of overtime for incident response and post-incident activities between February 14, 2018 and February 28, 2018. The magnitude and urgency of the event resulted in a coordinated response of local, state and federal law enforcement and first responder personnel from more than 18 agencies.

The deployment of law enforcement resources to manage this event diverted significant available resources and strained public safety services, as well as budget capacities. Local and state agencies do not have excess funds available to absorb the increased costs resulting from this demand on their resources and manpower.

Project Summary (Scope of Work)

The Fort Lauderdale Police Department will utilize grant funds to pay approximately 157 hours of overtime and straight time over and above regularly scheduled hours for sworn and non-sworn administrative, intelligence, operational and law enforcement personnel that were activated in response to the MSDHS Incident.

Eligible activities for reimbursement shall encompass time spent on targeted enforcement or special details, including but not limited to: investigation, intelligence, securing the primary crime scene and secondary scenes, peripheral coordination and command centers, collection of evidence, student escort and family re-unification, increased post-incident law enforcement security at the Marjory Stoneman Douglas High School facility, enhanced custodial security for the alleged gunman, or protective services for elected officials and dignitaries, family, media, or public individuals whose presence and appearances were a direct result of this incident.

Overtime pay will be commensurate with the Fort Lauderdale Police Department's compensation and pay policy, and include salary and related benefits. Documentation to be provided will include timesheets, officer activity sheets, payroll information, and pay stubs.

Overtime hours for non-law enforcement personnel, such as Fire or EMS, are not eligible for reimbursement under this grant.

The deliverable(s) for this agreement are the activities conducted by law enforcement personnel during the overtime hours worked and may include administrative, intelligence, operational and law enforcement services performed in response to the

MSDHS incident.

Minimum Performance for law enforcement personnel is in accordance with state standards and as directed by the Recipient's law enforcement agency employment agreement, position descriptions and/or incident command.

Financial consequences may be imposed for non-compliance including but not limited to project costs being disallowed and/or withholding of funds.

Deliverable Price:

Payment for the deliverable will not exceed the grant award of \$9,420. Any costs exceeding the award amount will be incurred by the Fort Lauderdale Police Department.

- 11.0 Retaliation** - In accordance with federal civil rights laws, the subrecipient shall not retaliate against individuals for taking action or participating in action to secure rights protected by these laws.
- 12.0 Non-discrimination Contract Requirements** - Subrecipients must include comprehensive Civil Rights nondiscrimination provisions in all contracts funded by the subrecipient.
- 13.0 Pass-through Requirements** - Subrecipients are responsible for the compliance of contractors and other entities to whom they pass-through funds including compliance with all Civil Rights requirements. These additional tier subrecipients must be made aware that they may file a discrimination complaint with the subrecipient, with FDLE, or with the USDOJ Office for Civil Rights and provided the contact information.

SECTION III: FINANCIAL REQUIREMENTS AND RESPONSIBILITY

- 1.0 Fiscal Control and Fund Accounting Procedures** - All expenditures and cost accounting of funds shall conform to the DOJ Grants Financial Guide, the 28 C.F.R. § 66,

and 2 C.F.R. § 200 as applicable, in their entirety.

Subrecipients are required to establish and maintain adequate accounting systems and financial records and to accurately account for funds awarded to them. Financial management systems must be able to record and report on the receipt, obligation, and expenditure of grant funds; and able to accommodate a fund and account structure to separately track receipts, expenditures, assets, and liabilities for awards, programs, and additional tiered subrecipients. The awarded funds may or may not be an interest bearing account, but any earned interest must be used for program purposes and expended before the federal grant period end date. Any unexpended interest remaining at the end of the federal grant period must be submitted to the Office of Criminal Justice Grants for transmittal to DOJ.

- 2.0 Match** - The value or amount of any "non-federal share," "match," or cost-sharing contribution incorporated into the approved budget is part of the "project cost" for purposes of the 2 C.F.R. § 200 Uniform Requirements, and is subject to audit. In general, the rules and restrictions that apply to award funds from federal sources also apply to funds in the approved budget that are provided as "match" or through "cost sharing."

SECTION IV: SUBAWARD MANAGEMENT AND REPORTING REQUIREMENTS

- 1.0 Obligation of Subrecipient Funds** - Subaward funds shall not, under any circumstance, be obligated prior to the effective date, or subsequent to the termination date, of the period of performance. Only project costs incurred on or after the effective date, and on or prior to the termination date of the subrecipient's project are eligible for reimbursement. All payments must be completed within thirty (30) days of the end of the subaward period of performance.
- 2.0 Use of Funds** - Grant funds may be used only for the purposes in the subrecipient's approved application. Subrecipients shall not undertake any work or activities not described in the approved grant award, and that use staff, equipment, or other goods or services paid for with grant funds, without prior written approval from FDLE's Office of Criminal Justice Grants (OCJG).
- 3.0 Advance Funding** - Advance funding may be provided to a subrecipient upon a written

request to the Department. The request must be electronically signed by the subrecipient or implementing agency's Chief Financial Officer or the Chief Financial Officer designee.

4.0 Performance and Reporting

Reporting Time Frames - The Project Director, Application Manager, or Performance Contacts shall submit Monthly or Quarterly Project Performance Reports to the Department, within fifteen (15) days after the end of the reporting period. In addition, if the subaward period is extended beyond the "original" project period, additional Project Performance Reports shall be submitted.

Failure to Submit - Performance Reports that are not complete, accurate, and timely may result in sanctions, as specified in Section IV, Performance of Agreement Provisions.

Report Contents - Performance Reports must include a response to all objectives included in your subaward. A detailed response is required in the narrative portion for yes/no performance objectives. Submitted performance reports must clearly articulate, where appropriate, performance during the execution of the award has met a standard against which the subrecipient's performance can be measured. The narrative must also reflect on accomplishments for the period and identify problems with project implementation and address actions being taken to resolve the problems. Additional information may be required if necessary to comply with federal reporting requirements.

Requirement for Data on Performance and Effectiveness Under the Award - The subrecipient must collect and maintain data that measures the performance and effectiveness of work under this award. The data must be provided to OCJG in the manner (including within the timeframes) specified by OCJG. Data collection supports compliance with the Government Performance and Results Act (GPRA) and the GPRA Modernization Act of 2010, and other applicable laws.

Financial Consequences for Failure to Perform - In accordance with s. 215.971 F.S., payments for state and federal financial assistance must be directly related to the scope of work and meet the minimum level of performance for successful completion. If the subrecipient fails to meet the minimum level of service or performance identified in this agreement, or is customary for subawards, then the Department will apply financial consequences commensurate with the deficiency. Financial

consequences may include but are not limited to withholding payments/reimbursement until the deficiency is resolved, tendering only partial payment/reimbursement, imposition of other financial consequences according to the Standard Conditions as applicable, and/or termination of contract and requisition of goods or services from an alternate source. Any payment made in reliance on subrecipient's evidence of performance, which evidence is subsequently determined to be erroneous, will be immediately due to the Department as an overpayment.

5.0 Grant Adjustments - Subrecipients must submit a grant adjustment through SIMON for major substantive changes such as changes in project activities or scope of the project, target populations, service providers, implementation schedules, project director, and designs or research plans set forth in the approved agreement and for any budget changes that affect a cost category that was not included in the original budget. Adjustments are also required when there will be a transfer of 10% or more of the total budget between budget categories, or there is an indirect cost rate category change.

Subrecipients may transfer up to 10% of the total budget between current, approved budget categories without prior approval as long as the funds are transferred to an existing line item.

Under no circumstances can transfers of funds increase the total budgeted award.

Requests for changes to the subaward agreement must be electronically signed by the subrecipient or implementing agency's chief official or the chief official's designee.

All requests for changes must be submitted in SIMON no later than ninety (90) days prior to grant expiration date.

6.0 Financial Expenditures and Reporting

Reporting Requirements - The subrecipient shall have a choice of submitting either a Monthly or a Quarterly Project Expenditure Report to the Department. Project Expenditure Reports are due thirty (30) days after the end of the reporting period. In addition, if the subaward period is extended, additional Project Expenditure Reports shall be submitted.

All project expenditures for reimbursement of subrecipient costs shall be submitted on the Project Expenditure Report Forms prescribed and provided by the Office of Criminal Justice Grants (OCJG) through the SIMON (Subgrant Information Management Online).

All Project Expenditure Reports shall be submitted in sufficient detail for proper pre-audit and post-audit.

All reports must relate financial data to performance accomplishments.

Before the "final" Project Expenditure Report will be processed, the subrecipient must submit to the Department all outstanding project reports and must have satisfied all special conditions. Failure to comply with the above provisions shall result in forfeiture of reimbursement.

Reports are to be submitted even when no reimbursement is being requested.

Submission - The report must be electronically signed by the subrecipient or implementing agency's Chief Financial Officer or the Chief Financial Officer designee.

- 7.0 Project Generated Income (PGI)** - All income generated as a direct result of a sub project shall be deemed program income. Program income from asset seizures and forfeitures is considered earned when the property has been adjudicated to the benefit of the plaintiff (i.e., law enforcement entity).

Required Reports - the subrecipient shall submit Quarterly PGI Earnings and Expenditures Reports to the Department within thirty (30) days after the end of the reporting period covering subaward project generated income and expenditures during the previous quarter. If any PGI remains unspent after the subaward ends, the subrecipient must continue submitting quarterly PGI reports until all funds are expended.

PGI Expenditure - Program income should be used as earned and expended as soon as possible and used to further the objects in which the award was made. Any unexpended PGI remaining at the end of the federal grant period must be submitted to OCJG for transmittal to the Bureau of Justice Assistance.

Submission - PGI Earnings and Expenditures reports must be electronically signed by the subrecipient or implementing agency's chief financial officer or the chief financial officer's designee.

- 8.0 Subrecipient Integrity and Performance Matters** - Requirement to report information on certain civil, criminal, and administrative proceedings to OCJG, SAM and FAPIIS.

The subrecipient must comply with any and all applicable requirements regarding reporting of information on civil, criminal, and administrative proceedings connected with (or connected to the performance of) either this award or any other grant, cooperative agreement, or procurement contract from the federal government. Under certain circumstances, subrecipients of OJP awards are required to report information about such proceedings, through the federal System for Award Management ("SAM"), to the designated federal integrity and performance system ("FAPIS").

SECTION V: MONITORING AND AUDITS

- 1.0 Access to Records** - The Florida Department of Law Enforcement, the Auditor General of the State of Florida, the U.S. Department of Justice, the U.S. Comptroller General or any of their duly authorized representatives, shall have access to books, documents, papers and records of the subrecipient, implementing agency and contractors for the purpose of audit and examination according to the Financial Guide and the 28 C.F.R. § 66. At any time, a representative of the Department, the U.S. Department of Justice, or the Auditor General of the State of Florida, have the right to visit the project site to monitor, inspect and assess work performed under this agreement.

The Department reserves the right to unilaterally terminate this agreement if the subrecipient, implementing agency, or contractor refuses to allow public access to all documents, papers, letters, or other materials subject to provisions of s. 119, F.S., unless specifically exempted and/or made confidential by operation of s. 119, F.S., and made or received by the subrecipient or its contractor in conjunction with this agreement.

The subrecipient will give the awarding agency or the General Accounting Office, through any authorized representative, access to and the right to examine all paper or electronic records related to the financial assistance.

- 2.0 Monitoring** - The recipient agrees to comply with FDLE's grant monitoring guidelines, protocols, and procedures; and to cooperate with FDLE on all grant monitoring requests, including requests related to desk reviews, enhanced programmatic desk reviews, and/or site visits. The recipient agrees to provide FDLE all documentation necessary to complete monitoring of the award. Further, the recipient

agrees to abide by reasonable deadlines set by FDLE for providing requested documents. Failure to cooperate with grant monitoring activities may result in sanctions affecting the recipient's award, including, but not limited to: withholding and/or other restrictions on the recipient's access to funds, referral to the Office of the Inspector General for audit review, designation of the recipient as a FDLE High Risk grantee, or termination of award(s).

3.0 Subaward Closeout - A Financial Closeout Audit shall be submitted to the Department within forty-five (45) days of the end date of the performance period.

The Financial Closeout Audit located in SIMON must be electronically signed by the subrecipient or implementing agency's Chief Financial Officer or the Chief Financial Officer's designee.

Subaward Closeout will be initiated by the Department after the Financial Closeout has been completed and approved. Failure to submit closeout reports timely will result in an Administrative Closeout by the Department.

4.0 High Risk Subrecipients - If a subrecipient is designated "high risk" by a federal grant-making agency, currently or at any time during the course of the period of performance under this award, the subrecipient must disclose that fact and certain related information to FDLE's OCJG. For purposes of this disclosure, high risk includes any status under which a federal awarding agency provides additional oversight due to the subrecipient's past performance, or other programmatic or financial concerns with the subrecipient. The subrecipient's disclosure must include the following: 1. The federal awarding agency that currently designates the subrecipient high risk, 2. The date the subrecipient was designated high risk, 3. The high-risk point of contact at that federal awarding agency (name, phone number, and email address), and 4. The reasons for the high-risk status, as set out by the federal awarding agency.

5.0 Imposition of Additional Requirements - The subrecipient agrees to comply with any additional requirements that may be imposed by OCJG during the period of performance for this award, if the subrecipient is designated as "high risk" for purposes of the DOJ high-risk grantee list.

6.0 Retention of Records - The subrecipient shall maintain all records and documents for a minimum of five (5) years from the date of the final financial statement and be available for

audit and public disclosure upon request of duly authorized persons. The subrecipient shall comply with State of Florida General Records Schedule GS1-SL for State and Local Government Agencies:

<http://dos.myflorida.com/media/693574/general-records-schedulegs01-sl.pdf>

<http://dos.myflorida.com/media/693578/qs02.pdf>.

7.0 Disputes and Appeals - The Department shall make its decision in writing when responding to any disputes, disagreements, or questions of fact arising under this agreement and shall distribute its response to all concerned parties. The subrecipient shall proceed diligently with the performance of this agreement according to the Department's decision. If the subrecipient appeals the Department's decision, the appeal also shall be made in writing within twenty-one (21) calendar days to the Department's clerk (agency clerk). The subrecipient's right to appeal the Department's decision is contained in § 120, Fla. Stat., and in procedures set forth in Rule 28-106.104, Florida Administrative Code. Failure to appeal within this time frame constitutes a waiver of proceedings under Chapter 120, F.S

8.0 Failure to Address Audit Issues - The subrecipient understands and agrees that FDLE's OCJG may withhold award funds, or may impose award conditions or other related requirements, if (as determined by OCJG) the subrecipient does not satisfactorily and promptly address outstanding issues from audits required by the 2 C.F.R. § 200 Uniform Requirements (or by the terms of this award), or other outstanding issues that arise in connection with audits, investigations, or reviews.

9.0 Single Annual Audit- Subrecipients that expend \$750,000 or more in a year in federal awards shall have a single audit or program-specific audit conducted for that year. The audit shall be performed in accordance with the OMB 2 C.F.R. § 200 Subpart F – Audit Requirements and other applicable federal law. The contract for this agreement shall be identified in the Schedule of Federal Financial Assistance in the subject audit. The contract shall be identified as federal funds passed through the Florida Department of Law Enforcement and include the contract number, CFDA number, award amount, contract period, funds received and disbursed. When applicable, the subrecipient shall submit an annual financial audit that meets the requirements of 2 C.F.R. § 200 Subpart F, "Audit Requirements" s. 215.97, F.S., "Florida Single Audit Act" and Rules of the Auditor

General, Chapter 10.550, and Chapter 10.650, "Local Governmental Entity Audits" and "Florida Single Audit Act Audits Nonprofit and For-Profit Organizations."

A complete audit report that covers any portion of the effective dates of this agreement must be performed and submitted to the Federal Audit Clearinghouse within the earlier of thirty (30) calendar days after receipt of the auditor's report(s), or nine (9) months after the end of the audit period. Submissions must include required elements described in Appendix X to 2 C.F.R. § 200 on the specified Data Collection Form (Form SF-SAC).

Records shall be made available upon request for a period of five (5) years from the date the audit report is issued, unless extended in writing by the Department.

Subrecipients that expend less than \$750,000 in federal awards during a fiscal year are exempt from the Single Audit Act audit requirements for that fiscal year. In this case, written notification, in the form of the "Certification of Audit Exemption"

SECTION VI: SUBAWARD PROCUREMENT AND COST PRINCIPLES

- 1.0 **Cost Analysis** - A cost analysis must be performed by the subrecipient if the cost or price is at or above the \$35,000 acquisition threshold and the contract was awarded non-competitively in accordance with s. 216.3475, F.S. The subrecipient must maintain records to support the cost analysis, which includes a detailed budget, documented review of individual cost elements for allowability, reasonableness, and necessity. See also: Chief Financial Officer Memorandum No. 02 (2012-2013).
- 2.0 **Allowable Costs** - Allowance for costs incurred under the subaward shall be determined according to the general principles and standards for selected cost items set forth in the DOJ Grants Financial Guide, 28 C.F.R. § 66, "Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments", and 2 C.F.R. § 200.405(e), "Cost Principles".
- 3.0 **Unallowable Costs** - Payments made for costs determined to be unallowable by either the Federal awarding agency, or the Department, either as direct or indirect costs, must be refunded (including interest) to FDLE and the Federal Government in accordance

with instructions that determined the costs are unallowable unless state or Federal statute or regulation directs otherwise. See also 2 C.F.R. §§ 200.300-309.

- 4.0 **Personal Services** - Subrecipients may use grant funds for eligible personal services including salaries, wages, and fringe benefits, including overtime in accordance with the DOJ Grants Financial Guide Section 3.9 - Compensation for Personal Services, consistent with the principles set out in 2 C.F.R. § 200, Subpart E and those permitted in the federal program's authorizing legislation. Subrecipient employees should be compensated with overtime payments for work performed in excess of the established work week and in accordance with the subrecipient's written compensation and pay plan.

Documentation - Charges for salaries, wages, and fringe benefits must be supported by a system of internal controls providing reasonable assurance that charges are accurate, allowable, and properly allocated. Documentation supporting charges must be incorporated into the official records of the organization.

Charges made to the Personnel Budget Category must reasonably reflect the total time and activity for which the employee is compensated by the organization and cover both federally funded and all other activities. The records may include the use of subsidiary records as defined in the organization's written policies. Where grant subrecipients work on multiple grant programs or cost activities, documentation must support a reasonable allocation or distribution of costs among specific activities or cost objectives.

- 5.0 **Contractual Services** - The subrecipient must maintain written standards of conduct covering conflicts of interest and governing the actions of its employees engaged in the selection, award and administration of contracts as described in §200.318 General procurement.

Approval of Consultant Contracts - Compensation for individual consultant services must be reasonable and consistent with that paid for similar services in the marketplace. The Federal awarding agency and pass-through entity must review and approve in writing all consultant contracts prior to employment of a consultant when the individual compensation rate exceeds \$650 (excluding travel and subsistence costs) per eight-hour day, or \$81.25 per hour. A detailed justification must be submitted to and approved by FDLE, who will coordinate written approval of the Federal awarding agency, prior to subrecipient obligation or expenditures of such funds. Approval shall be based upon the contract's compliance with requirements found in the Financial Guide Section 3.6 Consultant Rates, 28 C.F.R. § 66, and applicable state statutes. The Department's approval of the subrecipient agreement does not constitute approval of individual consultant contracts or rates. If consultants are hired through a competitive bidding process (not sole source), the \$650 threshold does not apply.

FFATA Reporting Requirements - Subrecipients that enter into subawards of \$25,000 or more should review the Federal Funding Accountability and Transparency Act of 2006 (FFATA), website at <https://ojp.gov/funding/Explore/FFATA.htm> for additional reporting requirements.

SECTION VII: ADDITIONAL REQUIREMENTS

4.0 Reporting Potential Fraud, Waste, Abuse, and Similar Misconduct - The subrecipient must promptly refer to the Florida Department of Law Enforcement, Office of Criminal Justice Grants any credible evidence that a principal, employee, agent, contractor, subcontractor, or other person has either 1) submitted a false claim for grant funds under the False Claims Act; or 2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct involving grant funds.

5.0 Text Messaging While Driving - Pursuant to Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," 74 Fed. Reg. 51225 (October 1, 2009), and §316.305, F.S., the subrecipient is encouraged to adopt and enforce policies banning employees from text messaging while driving any vehicle during the course of performing work funded by this subaward and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by distracted drivers.

6.0 DNA Testing of Evidentiary Materials and Upload of DNA Profiles to a Database - If PREA program funds will be used for DNA testing of evidentiary materials, any resulting eligible DNA profiles must be uploaded to the Combined DNA Index System (CODIS), by a government DNA lab with access to CODIS. The subrecipient must comply with mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub. L. 94-163, 89 Stat. 871), if any.
- 8.0 Other Federal Funds -** The subrecipient agrees that if it currently has an open award of federal funds or if it receives an award of federal funds other than this award, and those awards have been, are being, or are to be

used, in whole or in part, for one or more of the identical cost items for which funds are being provided under this award, the subrecipient will promptly notify, in writing the grant manager for this award, and, if so requested by OCJG seek a budget modification or change of project scope grant adjustment notice (GAN) to eliminate any inappropriate duplication of funding.

- 14.0 Trafficking in Persons -** The subrecipient must comply with applicable requirements pertaining to prohibited conduct relating to the trafficking of persons, whether on the part of recipients, subrecipients or individuals defined as "employees" of the subrecipient.
