Dear Mr. Kramer

The Progress Village Civic Association wants to thank for the presentation you gave to the Association about the development project at 706 NEW 1st Ave at our November 16, 2017 meeting

The property you purchased at has been in despair for a long time before you became the new owner.

Your presentation on the future development of the property was a welcome sight to the neighborhood membership. A new project like this in our neighborhood is exactly the type of redevelopment the Association has been seeking in this area. The creation of new jobs to help area residents find employment is also another positive contribution to the neighborhood. You have been very accommodating in making some changes the neighborhood requested.. The membership voted unanimously to support your efforts.

We want to thank you for choosing our neighborhood in which to locate this complex. We wish you the best of luck and look forward to your opening day.

Sincerely,
