ASSIGNMENT OF REVOCABLE LICENSE

THIS ASSIGNMENT OF REVOCABLE LICENSE (this "Assignment") is effectively entered into as of July __, 2018 ("Effective Date") by and between **315 FLAGLER, LP**, a Delaware limited partnership ("Assignor") and **315 FLAGLER OWNER, LLC**, a Delaware limited liability company ("Assignee").

RECITALS:

A. Assignor and the City of Fort Lauderdale, a Florida municipal corporation ("City"), have previously entered into that certain Revocable License dated as of June 28, 2018, and recorded on July 5, 2018, as Instrument No. 115182035 with the Broward County Commission, against that certain real property (the "Property") legally described on Exhibit A attached and made a part (as the same may be amended from time to time, the "License"), for, among other things, the purpose of temporary closures of pedestrian paths and sidewalks to facilitate the construction of the Project improvements at the Property.

B. As a condition of construction financing, Assignor's lender required Assignor to form a special purpose entity to be the owner and mortgagor of the Property. Accordingly, Assignor formed Assignee as a wholly owned subsidiary, under common control with Assignor. Assignor conveyed the property to Assignee pursuant to a Special Warranty Deed dated March 26, 2018 and recorded July 19, 2018 as Instrument Number 115210464 with the Broward County Commission.

C. Assignor desires to assign the License to Assignee, and Assignee desires to accept such assignment and to assume the obligations of the Assignor under the License, all as set forth in this Assignment.

D. Section 26 of the License requires the written consent of City to an assignment of the

License, which consent is attached to this Assignment following the signatures of Assignor and Assignee.

E. Unless otherwise provided in this Assignment, all capitalized words and phrases in this Assignment shall have the same meanings ascribed to such words and phrases in the License.

NOW, THEREFORE, in consideration of the mutual covenants and agreements herein contained, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, ASSIGNOR and ASSIGNEE hereby agree as follows:

1. Assignor hereby assigns to Assignee all of Assignor's right, title and interest, as Licensee in, to and under the License. Assignee hereby accepts such assignment and assumes the License and agrees to keep, perform and observe all the terms, covenants, agreements and conditions therein contained on Assignor's part, as Licensor, to be kept, performed and observed with respect to any fact, event or circumstance that first occurs from and after the effective Date, subject to the terms, covenants and conditions contained in the Assignment and in the License. Assignor hereby agrees to indemnify, defend and hold harmless Assignee with respect to all terms, covenants, agreements, and conditions of License to be kept, performed, and observed with respect to any fact event or circumstance that occurred or existed prior to the Effective Date.

2. Assignee further covenants and agrees that, except for assignments to lenders or financiers as permitted pursuant to Section 26 of the License, Assignee may not assign its interest in the License without first obtaining the written consent of the City in accordance with Section of the License.

3. This Assignment may not be amended or modified in any respect whatsoever except by an instrument in writing signed by Assignor and Assignee.

4. This Assignment may be executed in counterparts by, and each counterpart shall be deemed an original instrument, and but all counterparts when taken together shall constitute but one instrument.

5. This Assignment shall be governed and construed in accordance with the laws of the State of Florida.

IN WITNESS WHEREOF, Assignor and Assignee have executed this Assignment as of the Effective Date.
