

**CITY OF FORT LAUDERDALE
City Commission Agenda Memo
REGULAR MEETING**

#18-1027

TO: Honorable Mayor & Members of the
Fort Lauderdale City Commission

FROM: Lee R. Feldman, ICMA-CM, City Manager

DATE: October 9, 2018

TITLE: Motion to Approve Assumption of Contract and Consent to Assignment for
Wastewater Conveyance System Long-Term Rehabilitation Program to
Granite Inliner, LLC

Recommendation

It is recommended that the City Commission approve an Assumption of Contract and Consent to Assignment, in substantially the form attached, for wastewater conveyance system long-term rehabilitation program from Layne Inliner, LLC (Layne) to Granite Inliner, LLC (Granite).

Background

On January 18, 2017 the City Commission approved contract no. 466-11799 for wastewater conveyance system long-term rehabilitation with Miller Pipeline, LLC, Insituform Technologies, LLC, LMK Pipe Renewal, LLC, Lanzo Trenchless Technologies, Inc. – South, and Layne in the not-to-exceed amount of \$15,000,000 for the two-year term (CAM 17-0054).

Layne has been acquired by Granite and has assigned the above referenced contract, in its entirety, to Granite. Granite shall perform Layne's duties, obligations, and responsibilities under the original contract.

Resource Impact

There is no fiscal impact to the City associated with this action.

Strategic Connections

This item is a *Press Play Fort Lauderdale Strategic Plan 2018* initiative, included within the Infrastructure Cylinder of Excellence, specifically advancing:

- Goal 2: Be a sustainable and resilient community.
- Objective 1: Proactively maintain our water, wastewater, road, and bridge infrastructure

This item advances the *Fast Forward Fort Lauderdale Vision Plan 2035: We Are United*.
